Item 1.01 Entry into a Material Definitive Agreement.

On July 10, 2011, Vicar Operating, Inc., a wholly-owned subsidiary of VCA Antech, Inc. (the “Company”), entered into a Securities Purchase Agreement (the “Purchase Agreement”) with MediMedia Animal Health, LLC (“MMAH”) and MediMedia USA, Inc. (“MediMedia”), to acquire all of the issued and outstanding membership interests of MMAH from MediMedia. MMAH offers various products and services to the veterinary community. These products include

- Vetlearn, providing continuing education to animal health professionals throughout the industry and offering publications including Compendium, Veterinary Technician and a professional education portal Vetlearn.com,
- VetInsite Analytics, providing data and reports to pharmaceutical and nutritional companies that allow those companies to track market share at both the local and national level,
- Vetstreet Pro, providing communications services for the veterinarian, promoting the connectivity and bond between the practice and the pet owner, and
- a veterinarian-supported consumer portal, vetstreet.com, expected to be launched soon, providing education, referral and e-commerce support for the pet owner.

The purchase price for the membership interests of MMAH is \$146 million in cash, payable at closing, subject to adjustment for working capital and MMAH indebtedness. The Company intends to finance the transaction from cash on hand and borrowings pursuant to the incremental facility under the Company’s existing credit facility.

The Purchase Agreement contains customary representations, warranties, covenants and conditions, as well as indemnification provisions subject to specified limitations. The closing of the transaction is subject to the expiration or termination of the applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976 and other customary closing conditions.

A copy of the press release announcing entry into the Purchase Agreement is filed as Exhibit 99.1 to this Current Report on Form 8-K.
