DEAR SHAREHOLDERS,

2018 was a great year for Steve Madden. We delivered strong financial results, with net sales increasing 7% to over \$1.6 billion and adjusted diluted EPS rising 23% to \$1.83. We also made progress on a number of key initiatives that position the Company for growth and shareholder value creation going forward.

STRENGTHENING OUR CORE BUSINESS

The highlight of 2018 was the strong performance of our flagship Steve Madden brand. Steve and his design team created on-trend product assortments, with strength across a range of product categories, that resonated with consumers. In our core Steve Madden women's U.S. wholesale footwear division, net sales increased mid-single digits on a percentage basis on top of mid-teen percentage sales growth in the prior year, as we consolidated the market share gains we made over the past few years. Most importantly, our sell-through performance at retail for our key wholesale customers continued to outpace the competition.

The strength of our flagship brand extended to our diffusion brands as well. Steven by Steve Madden grew net sales mid-teens on a percentage basis on top of high-single digit growth in the prior year. In addition, Madden NYC, the new brand exclusive to Kohl's that we launched in Spring 2017, had an outstanding second year. We have now rolled out selected women's styles to all doors at Kohl's, and for Spring 2019, we launched men's in 50 doors.

DEEPENING PENETRATION IN INTERNATIONAL MARKETS

We also made significant progress in 2018 on one of our most important long-term growth initiatives, which is expanding our business outside of the United States. International net sales increased 22% compared to the prior year, with strong increases in our owned markets, Canada and Mexico, as well as greater than 40% growth in our SM Europe joint venture and in our distributor business, led by robust gains with our distribution partners in the Middle East, India and Italy. At the end of the year, we also transitioned another key market from the distributor model to an ownership model with the formation of a joint venture in Israel.

BUILDING OUR NEWER BRANDS

Another highlight in 2018 was the performance of Blondo, the waterproof footwear brand we acquired in 2015. Blondo's combination of fashionable styling with waterproof functionality continues to resonate with consumers, and its net sales increased more than 50% for the year. In addition to continued outstanding performance in its core

category of women's waterproof boots, the brand also saw success in newer categories such as women's sneakers and men's. And in Fall, we introduced a Blondo diffusion line called Aqua College into the United States.

We also added a new brand to our portfolio, Anne Klein. In January 2018, we signed an agreement to become the licensee for Anne Klein footwear and handbags and began shipping product in Fall 2018. With its dedication to timeless American classics, the Anne Klein brand is complementary to the other brands in our portfolio. We were pleased with its initial performance under our umbrella in Fall 2018 and are optimistic about the prospects for this brand in 2019 and beyond.

EXPANDING OUR WHOLESALE ACCESSORIES BUSINESS

Another bright spot in 2018 was our wholesale accessories business, which had net sales growth of 17% compared to 2017. Our Steve Madden handbag business continues to benefit from an improved product assortment that is better aligned with our fashion-forward footwear styling. Steve Madden handbag wholesale net sales grew nearly 20% on top of a mid-teen percentage increase in the prior year. In addition, our private label handbag business delivered outstanding growth driven by strong gains with mass merchant customers. And Cejon, our cold weather accessories business, recorded significant improvement in profitability as we expanded gross margin and cut costs. Finally, our wholesale accessories segment benefited from the addition of Anne Klein handbags in Fall.

GROWING OUR DIGITAL COMMERCE BUSINESS

We also implemented a number of new initiatives related to our digital commerce business in 2018. We revamped our digital marketing strategies, heightening our focus on our most valuable, full-price customers with a strengthened online offering including free two-day shipping and earlier access to new styles. We also migrated our e-commerce sites to the Shopify Plus platform, a cloud-based solution that is reducing our operating costs while improving our speed and flexibility and enhancing our ability to add new features and functionality to the site. As a result, our stevemadden.com business saw significant sequential improvement throughout the year in both net sales and gross margin, and we are confident we can deliver continued improvement in 2019.

RETURNING CAPITAL TO SHAREHOLDERS

Finally, in 2018 we continued to utilize our strong balance sheet and healthy free cash flow to return capital to shareholders. We bought back 3.4 million shares, or approximately 4% of the Company, for \$106 million. We also initiated our first regular quarterly dividend in first quarter 2018 and paid a total of \$47 million in dividends to our shareholders in 2018.

LOOKING FORWARD

In summary, 2018 was a strong year for Steve Madden, as we delivered robust financial results and also made progress on a number of key strategic initiatives that position us for growth in the future. As we look ahead, we are encouraged by the strength we are seeing in our flagship Steve Madden brand, the runway we have in international markets, the growth opportunity in newer brands like Blondo and Anne Klein, the momentum we have in accessories and the acceleration in our digital commerce business. While the rapidly changing retail landscape continues to pose challenges such as the recent bankruptcy of our private label customer Payless ShoeSource, we are pleased with the

underlying strength in our business and are optimistic that our strong brands and proven business model will enable us to drive sales and earnings growth and generate significant value for shareholders over the long-term.

In closing, we would like to thank all of our employees for their hard work and dedication, our customers for their loyalty, and you, our shareholders, for your continued support.

Sincerely,

EDWARD ROSENFELD

PROXY STATEMENT

GENERAL INFORMATION

The Board of Directors of Steven Madden, Ltd. requests your proxy in connection with the Annual Meeting of Stockholders (the “Annual Meeting”) of Steven Madden, Ltd. (the “Company”, “we” or “us”). The Annual Meeting will be held at the Company’s showroom located at 1370 Avenue of the Americas, 14th Floor, New York, New York on Friday, May 24, 2019 at 10:00 a.m., local time. Proxies also may be voted at any adjournments or postponements of the Annual Meeting.

On or about April 8, 2019 a notice containing instructions on how to access this Proxy Statement, the accompanying proxy card and related materials online is being mailed to holders of record of common stock, \$0.0001 par value, of the Company (the “Common Stock”) at the close of business on March 29, 2019 (the “Record Date”). The Company’s Annual Report for the fiscal year ended December 31, 2018 (the “2018 Fiscal Year”), including audited financial statements, is included in the materials that are accessible online. This Proxy Statement contains information about the Annual Meeting as well as information regarding the voting process, director elections, our corporate governance programs and executive and director compensation, among other things. We recommend that you read all of these materials.

The Annual Meeting has been called to consider and take action on the following proposals:

- to elect nine (9) directors to the Board of Directors of the Company to serve until the next annual meeting of the Company’s stockholders;
- to approve an amendment to the Company’s Certificate of Incorporation to increase the total number of authorized shares of the Company’s common stock, \$0.0001 par value, from 135,000,000 shares to 245,000,000 shares;
- to approve the Steven Madden, Ltd. 2019 Incentive Compensation Plan;
- to ratify the appointment of EisnerAmper LLP as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2019;
- to approve, on a non-binding advisory basis, the compensation of certain executive officers as disclosed in this Proxy Statement;
- to consider and vote upon a stockholder proposal, if properly presented at the Annual Meeting, requesting that the Company prepare a human rights risk assessment report and make it available on our website no later than December 31, 2019; and
- to transact such other business as may properly come before the Annual Meeting and any adjournments thereof.

The Board of Directors knows of no other matters to be presented for action at the Annual Meeting. However, if any other matters properly come before the Annual Meeting, the persons named in the proxy will vote on such other matters and/or for other nominees for director in accordance with their best judgment. The Company's Board of Directors recommends that the stockholders vote "FOR" each of Proposals One, Two, Three, Four and Five and "AGAINST" Proposal Six. Only holders of record of Common Stock of the Company at the close of business on the Record Date will be entitled to vote at the Annual Meeting.

The Company is incorporated in the State of Delaware. The principal executive offices of the Company are located at 52-16 Barnett Avenue, Long Island City, New York 11104 and the telephone number of the Company is (718) 446-1800.

Notice of Internet Availability of Proxy Materials

We continue to take advantage of the Securities and Exchange Commission (the "SEC") "e-proxy" rules allowing us to furnish proxy materials through the Internet for the benefit and convenience of our stockholders. By using the e-proxy rules, we can expedite the receipt by stockholders of proxy materials while lowering the costs and reducing the environmental impact associated with our Annual Meeting. On or about April 8, 2019, we will furnish a Notice of Internet Availability of Proxy Materials (the "Availability Notice") to most of our stockholders containing instructions on how to access the proxy materials and to vote online. In addition, instructions on how to request a printed copy of these materials will be found on the Availability Notice. If you received an Availability Notice by mail, you will not receive a paper copy of the proxy materials unless you request such materials by following the instructions contained in the Availability Notice.

For more information on voting your Common Stock, please refer to the following "Questions and Answers" section.

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING AND VOTING

1. What is included in the proxy materials? What is a proxy statement and what is a proxy?

The proxy materials for our Annual Meeting include the Notice of Annual Meeting, this Proxy Statement and our Annual Report on Form 10-K for the year ended December 31, 2018. If you received a paper copy of these materials, the proxy materials also include a proxy card or voting instruction form.

A proxy is the delegation of your right to vote the Common Stock you own to another person, who is called your proxy. When you designate someone as your proxy in a written document, that document is called a proxy or a proxy card. SEC regulations require that we furnish a proxy statement to you when we ask you to sign a proxy designating individuals to vote your shares of Common Stock on your behalf. We have designated our officers Edward R. Rosenfeld and Arvind Dharia as proxies for the Annual Meeting.

2. Who may vote at the Annual Meeting?

Only stockholders of record are entitled to vote at the Annual Meeting. A stockholder of record is a stockholder of the Company as of the close of business on the Record Date. On the Record Date, there were 85,782,610 shares of our Common Stock outstanding (excluding treasury shares) held by approximately 168 registered holders of record and 18,858 beneficial owners.

3. What is the difference between holding shares as a stockholder of record and as a beneficial owner?

If your shares are registered directly in your name with the Company's registrar and transfer agent, American Stock Transfer & Trust Company, you are a "stockholder of record" with respect to those shares and, in such case, this Proxy Statement and the accompanying proxy materials have been provided directly to you by the Company. If your shares are held in a stock brokerage account or by a bank or nominee, your shares are held in "street name" and you are considered the "beneficial owner" of those shares and, in such case, this Proxy Statement and the accompanying proxy

materials have been provided to you by your broker, bank or other stockholder of record. As the beneficial owner, you have the right to direct your broker, bank or other stockholder of record how to vote your shares held in “street name.”

2

4. What is considered a quorum to conduct the Annual Meeting?

The presence, in person or by proxy, of the holders of a majority of the shares eligible to vote is necessary to constitute a quorum for the purpose of transacting business at the Annual Meeting. Under Delaware law (under which the Company is incorporated), abstentions and broker non-votes (meaning proxies from brokers, banks or nominees indicating that such persons have not received instructions on how to vote from the beneficial owner or other persons eligible to vote shares as to matters with respect to which the brokers, banks or nominees do not have discretionary power to vote) are counted as present for purposes of determining the presence or absence of a quorum for the transaction of business. If a quorum is not present, the Annual Meeting may be adjourned until a quorum is obtained.

5. What is a “broker non-vote”?

As discussed in the response to question 3, if your shares are held in “street name” by a broker, bank or other nominee, your broker, bank or other nominee is the record holder; however, the broker, bank or other nominee is required to vote the shares in accordance with your instructions. If you do not give instructions to your broker, bank or other nominee, as the case may be, the broker, bank or other nominee may, if permitted by the organizations of which it is a member, exercise discretionary voting power to vote your shares. A “broker non-vote” occurs when a broker, bank or other nominee of record holding shares for a beneficial owner has not received voting instructions from the beneficial owner and either chooses not to vote the shares on a particular proposal as to which the holder has discretionary voting power or does not vote on a particular proposal because that holder does not have discretionary voting power for that particular item. Broker non-votes are considered present in determining whether a quorum is present.

If you hold your shares in “street name,” we strongly encourage you to provide instructions regarding the voting of your shares as your broker, bank or other nominee cannot vote your shares with respect to certain of the proposals being presented at the Annual Meeting without voting instructions from you.

6. How many votes do I have? What shares are included on the proxy card?

For each share of Common Stock that you own on the Record Date you are entitled to one vote on each matter presented at the Annual Meeting.

If you are a record holder, you will receive an Availability Notice or proxy card for all of the shares of Common Stock you hold in certificate form, in book-entry form and in any Company benefit plan. If you are a beneficial owner, you will receive information containing voting instructions from the broker, bank or other nominee through which you own your shares of Common Stock.

7. How many votes are required to approve each proposal and what is the effect of abstentions and broker non-votes?

Proposal One (Election of Directors): Under Delaware law, directors are elected by the affirmative vote of a plurality of the shares of Common Stock present in person or represented by proxy at the Annual Meeting and entitled to vote. This means that the director nominees who receive the greatest number of affirmative votes cast are elected as directors, subject to our Director Election (Majority Voting) Policy discussed in Proposal One below.

Proposal Two (Amendment of Certificate of Incorporation to Increase Authorized Shares): The affirmative vote of a majority of the shares of Common Stock outstanding and entitled to vote at the Annual Meeting is required to approve the proposal to amend the Company’s Certificate of Incorporation to increase the total number of shares of Common Stock that the Company is authorized to issue.

Proposal Three (Adoption of 2019 Incentive Compensation Plan): The affirmative vote of a majority of the shares of Common Stock present in person or represented by proxy at the Annual Meeting and entitled to vote is required to approve the adoption of the Steven Madden, Ltd. 2019 Incentive Compensation Plan.

Proposal Four (Ratification of Appointment of EisnerAmper LLP): The affirmative vote of a majority of the shares of Common Stock present in person or represented by proxy at the Annual Meeting and entitled to vote is required to approve the ratification of the appointment of EisnerAmper LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2019.

Proposal Five (Non-Binding Advisory Vote on Executive Compensation): The affirmative vote of a majority of the shares of Common Stock present in person or represented by proxy at the Annual Meeting and entitled to vote is required to approve, on a non-binding advisory basis, the compensation of the Company's Named Executive Officers as described in this Proxy Statement.

Proposal Six (Stockholder Proposal Regarding Human Rights Risk Assessment Report): The affirmative vote of a majority of the shares of Common Stock present in person or represented by proxy at the Annual Meeting and entitled to vote is required to approve the stockholder proposal.

Other Matters: If any other matters are presented at the Annual Meeting, they must receive the affirmative vote of a majority of the shares of Common Stock present in person or represented by proxy at the Annual Meeting and entitled to vote in order to be approved.

Abstentions will have no effect on the election of directors, but will be treated as present and entitled to vote on the remaining proposals and, therefore, abstentions will have the effect of votes "AGAINST" such proposals.

If you do not provide your broker, bank or other nominee with instructions on how to vote your shares held in "street name", your broker, bank or other nominee will not be permitted to vote your shares on non-routine matters, and your shares will not affect the outcome of proposals concerning non-routine matters. Proposal Four is considered a routine matter under applicable rules. Proposals One, Two, Three, Five and Six are considered "non-routine" matters, which means that your broker or other nominee does not have discretion to vote your shares with respect to these proposals without voting instructions from you. If you hold your shares in "street name," we strongly encourage you to provide instructions regarding the voting of your shares to your broker, bank or other nominee.

8. How can I vote my shares?

Your vote is important. Your shares can be voted at the Annual Meeting only if you are present in person or represented by proxy. Even if you plan to attend the Annual Meeting, we urge you to authorize your proxy in advance. You may vote your shares by authorizing a proxy over the Internet or by telephone. In addition, if you received a paper copy of the proxy materials by mail, you can also submit a proxy by mail by following the instructions on the proxy card. Voting your shares by authorizing a proxy over the Internet, by telephone or by written proxy card will ensure your representation at the Annual Meeting regardless of whether you attend in person.

If you are the record holder of your shares, please authorize your proxy electronically by going to the <http://www.proxyvote.com> website or by calling the toll-free number listed below and on the proxy card. Please have your Proxy Statement or proxy card in hand when going online or calling. If you authorize your proxy via the Internet or by phone you do not need to return your proxy card. If you choose to authorize your proxy by mail, simply mark your proxy card and then date, sign and return it in the postage-paid envelope provided.

13. How do I submit a proposal for action at the Company's 2020 Annual Meeting of Stockholders?

In accordance with rules promulgated by the SEC, any stockholder who wishes to submit a proposal for inclusion in the proxy materials to be distributed by the Company in connection with the 2020 Annual Meeting of Stockholders of the Company (the "2020 Annual Meeting") must do so no later than December 10, 2019. Required Vote

Proxies will be voted for the election of the nine nominees as directors of the Company unless otherwise specified in the proxy. A plurality of the votes cast by the holders of shares of Common Stock present in person or represented by proxy and entitled to vote at the Annual Meeting will be necessary to elect the nominees as directors. This means that the director nominees who receive the greatest number of affirmative votes cast are elected as directors subject to our Director Election (Majority Voting) Policy, which is described below. If, for any reason, any nominee is unable or unwilling to serve, the proxies will be voted for a substitute nominee who will be designated by the Board of Directors at the Annual Meeting. Stockholders may abstain from voting by marking the appropriate boxes on the accompanying proxy. Abstentions will be counted separately and used for purposes of calculating whether a quorum is present at the Annual Meeting, but will have no effect on the outcome of the vote.

Director Election (Majority Voting) Policy

It is the policy of the Company that any nominee for director who receives a greater number of “WITHHOLD” votes than “FOR” votes for his or her election must promptly submit a letter offering his or her resignation to the Nominating/Corporate Governance Committee following the certification of the stockholder vote. In such event, the Nominating/Corporate Governance Committee would then consider the offer of resignation and make a recommendation to the Board of Directors as to whether or not the resignation should be accepted. This policy does not apply in contested elections. For more information about this policy, see “Corporate Governance – Director Election (Majority Voting) Policy” below.

Recommendation of the Board of Directors

The Nominating/Corporate Governance Committee of the Board and the entire Board of Directors unanimously recommend a vote “FOR” the election of Ms. Rose Peabody Lynch, Ms. Amelia Newton Varela and Messrs. Edward R. Rosenfeld, Mitchell S. Klipper, Peter Migliorini, Richard P. Randall, Ravi Sachdev, Thomas H. Schwartz and Robert Smith.

CORPORATE GOVERNANCE

The Board of Directors

Our business is managed under the direction and oversight of the Board of Directors who are elected by the Company's stockholders. Directors meet their responsibilities by participating in meetings of the Board of Directors and the various committees of the Board on which they sit, as well as through communicating with our Chairman and Chief Executive Officer, other officers and employees of the Company and by consulting with our independent registered public accounting firm and other third parties. The size of the Board is fixed at nine members, seven of whom are independent and two of whom are non-independent directors.

Director Independence

The Board of Directors has determined that the following director nominees are "independent" for purposes of the criteria of the SEC and The Nasdaq Global Select Market listing standards: Ms. Lynch and Messrs. Klipper, Migliorini, Randall, Sachdev, Schwartz and Smith. If the nine nominees set forth above are elected, the Board will be comprised of a majority of independent directors. The Board of Directors has held regularly scheduled executive sessions for the independent directors, with Mr. Migliorini serving as Presiding Director of such executive sessions.

Director Attendance at Meetings

Attendance at Annual Meetings of Stockholders

The Company has no specific policy regarding director attendance at its annual meetings of stockholders. The Company encourages all of its directors to attend annual meetings of the Company's stockholders and three directors attended the Company's 2018 annual meeting of stockholders.

Attendance at Meetings of the Board of Directors

The Board of Directors held four regularly scheduled meetings during the 2018 Fiscal Year and acted by unanimous written consent on three occasions during the 2018 Fiscal Year. In the 2018 Fiscal Year, each director attended at least 75% of the aggregate number of Board meetings, and each director attended at least 75% of the aggregate number of meetings held by all committees on which he or she then served.

Director Election (Majority Voting) Policy

The Company has adopted a Director Election (Majority Voting) Policy. Pursuant to this policy, in an uncontested election of directors (that is, an election where the number of nominees is equal to the number of seats open) any nominee for director who receives a greater number of "WITHHOLD" votes than "FOR" votes for his or her election must promptly submit an offer of resignation to the Nominating/Corporate Governance Committee following the certification of the stockholder vote for consideration in accordance with the following procedures.

In such event, upon receipt of the resignation, the Nominating/Corporate Governance Committee would promptly consider the appropriateness of the director's continued service on the Board of Directors and recommend to the Qualified Independent Directors (as defined below) the action to be taken with respect to the resignation, which could include (1) accepting the resignation; (2) rejecting the resignation; (3) retaining the director but addressing what the Qualified Independent Directors believe to be the underlying cause of the "WITHHOLD" votes; or (4) determining that the director will not be renominated by the Board of Directors in future elections. The Nominating/Corporate Governance Committee would consider factors such as (a) the reasons expressed by the stockholders for withholding

votes from such director; (b) any possibilities for curing the underlying cause of the “WITHHOLD” votes; (c) the tenure and qualifications of the director and his or her past and expected future contributions to the Company; (d) the overall composition of the Board of Directors, including, without limitation, whether accepting the resignation would cause the Company to fail to meet any applicable SEC or Nasdaq requirement; (e) the availability of other qualified candidates; and (f) the Company’s Board of Director Candidate Guidelines.

The Qualified Independent Directors would then act on the Nominating/Corporate Governance Committee's recommendation no later than 90 days following the date of the stockholders' meeting at which the director election occurred. In considering the Nominating/Corporate Governance Committee's recommendation, the Qualified Independent Directors would review the factors considered by the Nominating/Corporate Governance Committee and such additional information and factors that they believe to be relevant. Following the Qualified Independent Directors' decision, the Company would promptly disclose the decision in a Current Report on Form 8-K. The Form 8-K would include a full explanation of the process by which the decision of the Qualified Independent Directors was reached and, if applicable, the reasons why the offer of resignation was rejected.

In the event that an offer of resignation were to be accepted, the Nominating/Corporate Governance Committee would recommend to the Board of Directors whether to fill the vacancy or reduce the size of the Board of Directors accordingly. Any director required to submit his or her resignation pursuant to this policy would not participate in the Nominating/Corporate Governance Committee's recommendation or the Qualified Independent Directors' consideration of the resignation but, prior to voting on the director's resignation offer, the Qualified Independent Directors would provide to the director an opportunity to submit any information or statement that he believes relevant to the Qualified Independent Directors' consideration of the resignation.

For purposes of this policy, "Qualified Independent Directors" means all directors who (1) are "independent" for purposes of The Nasdaq Global Select Market listing standards and (2) are not required to offer their resignation in accordance with this policy. If there are fewer than three independent directors then serving on the Board of Directors who are not required to submit their resignations in accordance with this policy, then the Qualified Independent Directors shall consist of all of the independent directors and each independent director who is required to offer his or her resignation in accordance with this policy shall recuse himself or herself from the deliberations and voting only with respect to his or her individual offer to resign.

Committees of the Board

Among other committees, the Board of Directors has a standing Audit Committee, Compensation Committee and Nominating/Corporate Governance Committee. Each committee has a written charter. The table below provides current membership for each Board committee and the number of meetings held by each Board committee in the 2018 Fiscal Year.

Audit Committee

The Audit Committee is comprised of directors who are “independent” for purposes of The Nasdaq Global Select Market listing standards and who meet the independence requirements contained in Securities Exchange Act of 1934, as amended (the “Exchange Act”) Rule 10A-3(b)(1). The Board has determined that each of Messrs. Randall and Sachdev meets the SEC criteria of an “audit committee financial expert” as defined in Item 407 of Regulation S-K under the Exchange Act. The Audit Committee is primarily responsible for reviewing the services performed by the Company’s independent registered public accountants, evaluating the Company’s accounting policies and its system of internal controls, and reviewing significant financial transactions.

The Audit Committee is responsible for reviewing and striving to ensure the integrity of the Company’s financial statements and oversight of our compliance with legal and regulatory requirements and our internal audit function. Among other matters, the Audit Committee, with management and independent and internal auditors, reviews the adequacy of the Company’s internal accounting controls that could significantly affect the Company’s financial statements. The Audit Committee is also directly and solely responsible for the appointment, retention, compensation, oversight and termination of the Company’s independent registered public accountants. In addition, the Audit Committee functions as the Company’s Qualified Legal Compliance Committee (the “QLCC”). The purpose of the QLCC is to receive, retain and investigate reports made directly, or otherwise made known, of evidence of material violations of any United States federal or state law, including any breach of fiduciary duty by the Company, its officers, directors, employees or agents, and if the QLCC believes appropriate, to recommend courses of action to the Company.

Management has primary responsibility for the Company’s financial statements and the overall reporting process, including the Company’s system of internal controls. The Company’s independent registered public accountants audit the annual financial statements prepared by management, express an opinion as to whether those financial statements present fairly the financial position, results of operations and cash flows of the Company in conformity with accounting principles generally accepted in the United States and discuss with the Audit Committee any issues they believe should be raised with the Audit Committee.

The Audit Committee is also responsible for the oversight of the Company’s risk management process, which is discussed in the “Risk Oversight” section below.

In performing its functions, the Audit Committee meets with management on at least a quarterly basis to review and discuss the annual audited financial statements, quarterly financial statements and related reports and to consider the adequacy of the Company’s internal controls and the objectivity of its financial reporting. The Audit Committee discusses these matters with the Company’s independent registered public accountants and with appropriate Company financial personnel. Meetings are held with the independent registered public accountants, who have unrestricted access to the Audit Committee. In addition, the Audit Committee reviews the Company’s financing plans and reports and makes recommendations to the full Board of Directors for approval and to authorize action. The Board has adopted a written charter setting out the functions the Audit Committee is to perform. A copy of the Audit Committee Charter is available on the Company’s website at www.stevemadden.com.

Nominating/Corporate Governance Committee

The Nominating/Corporate Governance Committee is comprised of directors who are “independent” for purposes of The Nasdaq Global Select Market listing standards.

The Nominating/Corporate Governance Committee provides oversight with respect to a wide range of issues relating to the composition and operation of the Board, including consideration of and recommendations regarding the size and composition of the Board of Directors and identification of potential candidates to serve as directors. The

Nominating/Corporate Governance Committee identifies candidates to the Board of Directors by introductions from management, members of the Board of Directors, employees of the Company or other sources, including stockholders that satisfy the Company's policy regarding stockholder recommended candidates. The Nominating/Corporate Governance Committee does not evaluate director candidates recommended by stockholders differently than director candidates recommended by other sources.

15

Stockholders wishing to submit recommendations for director nominations for the 2020 Annual Meeting should write to the Secretary, Steven Madden, Ltd., 52-16 Barnett Avenue, Long Island City, New York 11104. Any such stockholder must (i) comply with the director nomination provisions of the Company's By-Laws, (ii) meet and evidence the minimum eligibility requirements specified in Exchange Act Rule 14a-8, and (iii) submit, within the same timeframe for submitting a stockholder proposal required by Rule 14a-8: (1) evidence in accordance with Rule 14a-8 of compliance with the stockholder eligibility requirements, (2) the written consent of the candidate(s) for nomination as a director, (3) a resume or other written statement of the qualifications of the candidate(s) for nomination as a director and (4) all information regarding the candidate(s) and the submitting stockholder that would be required to be disclosed in a proxy statement filed with the SEC if the candidate(s) were nominated for election to the Board of Directors.

In considering candidates for the Board of Directors, the Nominating/Corporate Governance Committee considers the Company's Board of Director Candidate Guidelines and Director Election (Majority Voting) Policy, available on the Company's website at www.stevemadden.com, the Company's policy regarding stockholder recommended director candidates, as set forth above, and all other factors that are deemed appropriate including, but not limited to, the individual's character, education, experience, knowledge and skills. While the Nominating/Corporate Governance Committee's Board of Directors Candidate Guidelines does not expressly identify diversity as a factor for consideration regarding the evaluation of director candidates, diversity is among the many factors the Nominating/Corporate Governance Committee considers in the candidate evaluation process. To assess the effectiveness of the mandate set forth in the Nominating/Corporate Governance Committee's charter, the Nominating/Corporate Governance Committee reviews annually with the Board the composition of the Board as a whole and recommends, if necessary, measures to be taken so that the Board reflects the appropriate balance of knowledge, experience, skills, expertise and diversity required for the Board as a whole.

In addition, the Nominating/Corporate Governance Committee develops and recommends corporate governance principles for the Company; makes recommendations to the Board of Directors in support of such principles; takes a leadership role in the shaping of the corporate governance of the Company; and oversees the evaluation of the Board of Directors and management. The Nominating/Corporate Governance Committee operates under a formal charter that governs the Committee's composition, powers and responsibilities. A copy of the Nominating/Corporate Governance Committee Charter is available on the Company's website at www.stevemadden.com.

Compensation Committee

The Compensation Committee is comprised of directors who are "independent" for purposes of The Nasdaq Global Select Market listing standards and applicable tax and securities rules.

The Compensation Committee is responsible for establishing and overseeing the Company's compensation and incentive plans and programs; determining and approving compensation for the Company's executive officers, including salaries, bonuses, perquisites and equity awards; reviewing and approving compensation and awards for the Company's executive officers under the Company's compensation and incentive plans and programs; administering the Company's equity compensation plans; reviewing and approving a compensation program for independent members of the Board; and assisting the Board in discharging the Board's responsibilities relating to management organization, performance, compensation and succession. The Compensation Committee operates under a formal charter adopted by the Board of Directors that governs its composition, powers and responsibilities. A copy of the Compensation Committee Charter is available on the Company's website at www.stevemadden.com.

Board Leadership Structure, Risk Oversight, Executive Sessions of Non-Employee Directors, and Communications Between Stockholders and the Board

Board Leadership Structure

As noted above, our Board is currently comprised of seven independent and two non-independent directors.

Mr. Rosenfeld has served as Chairman of the Board and Chief Executive Officer since August 2008, and has been a member of the Board since February 2008. The Board has designated one of the independent directors as Presiding Director to preside over executive sessions. We believe that the number of independent, experienced directors that comprise our Board, along with the independent oversight of our Presiding Director, benefits the Company and its stockholders.

We recognize that different board leadership structures may be appropriate for companies in different situations and believe that no one structure is suitable for all companies. We believe our current Board leadership structure is optimal for the Company because it demonstrates to our employees, suppliers, customers, and other stakeholders that the Company is under strong leadership, with a single person setting the tone and having primary responsibility for managing our operations and leading the Board in setting long-term strategy. Having a single leader for both the Company and the Board eliminates confusion and duplication of efforts, and provides clear leadership for the Company. We believe the Company, like many U.S. companies, has been well-served by this leadership structure.

Because the positions of Chairman of the Board and Chief Executive Officer are held by the same person, the Board believes it is appropriate for the independent directors to elect one independent director to serve as a Presiding Director. In addition to presiding at executive sessions of the independent directors, the Presiding Director has various responsibilities including coordinating with the Chairman of the Board and Chief Executive Officer in establishing agenda and discussion items for Board meetings; retaining independent advisors on behalf of the Board as the Board may determine to be necessary or appropriate and performing such other functions as the independent directors may designate from time to time. Mr. Migliorini is currently serving as the Presiding Director.

Our Board conducts an annual evaluation in order to determine whether it and its committees are functioning effectively. As part of this annual self-evaluation, the Board evaluates whether the current leadership structure continues to be optimal for the Company and its stockholders.

Risk Oversight

Our Board is responsible for overseeing the Company's risk management process. The Board focuses on the Company's general risk management strategy, the most significant risks facing the Company, and ensures that appropriate risk mitigation strategies are implemented by management. The Board is also apprised of particular risk management matters in connection with its general oversight and approval of corporate matters.

The Board has delegated to the Audit Committee oversight of the Company's risk management process. Among its duties, the Audit Committee reviews with management (a) the Company's policies with respect to risk assessment and management of risks that may be material to the Company, (b) the Company's system of disclosure controls and system of internal controls over financial reporting, and (c) the Company's compliance with legal and regulatory requirements. The Audit Committee is also responsible for reviewing major legislative and regulatory developments that could materially impact the Company's contingent liabilities and risks. Our other Board committees also consider and address risks as they perform their respective committee responsibilities. All committees report to the full Board as appropriate, including when a matter rises to the level of a material or enterprise level risk.

The Company's management is responsible for day-to-day risk management. Our risk management and internal audit areas serve as the primary monitoring and testing function for company-wide policies and procedures, and manage the day-to-day oversight of the risk management strategy for the ongoing business of the Company. This oversight includes identifying, evaluating, and addressing potential risks that may exist at the enterprise, strategic, financial, operational, and compliance and reporting levels.

We believe the division of risk management responsibilities described above is an effective approach for addressing the risks facing the Company and that our Board leadership structure supports this approach.

Executive Sessions of Independent Directors

The Board holds executive sessions of its independent directors generally at each regularly scheduled meeting. The Presiding Director serves as the chairperson for these executive sessions.

Communications between Stockholders and the Board

The Company has adopted a procedure by which stockholders may send communications to one or more members of the Board of Directors by writing to such director(s) or to the entire Board of Directors in care of the Secretary, Steven Madden, Ltd., 52-16 Barnett Avenue, Long Island City, New York 11104. The Board has instructed the Secretary of the Company to review all communications so received and to exercise his discretion not to forward to the Board correspondence that is inappropriate, such as business solicitations, frivolous communications and advertising, routine business matters (i.e. business inquiries, complaints, or suggestions) and personal grievances. However, any director may at any time request that the Secretary forward to such director any and all communications received by the Secretary but not forwarded to the directors.

Codes of Business Conduct and Ethics

The Company has adopted a Code of Ethics for the Chief Executive Officer and Senior Financial Officers, which is applicable to our Chief Executive Officer, Chief Financial Officer, controller, principal accounting officer, head of internal audit and other employees of the Company who are designated from time to time as “senior financial officers” of the Company. In addition, the individuals who serve on our Board of Directors are subject to a Code of Business Conduct and Ethics for the Board of Directors and all of the Company’s employees are held accountable for adherence to a Code of Conduct. Each of the Code of Ethics for the Chief Executive Officer and senior financial officers and the Code of Business Conduct and Ethics for the Board of Directors is included as an exhibit to our Annual Report on Form 10-K for the fiscal year ended December 31, 2014. The Code of Conduct applicable to all of our employees is an exhibit to the Company’s Annual Report on Form 10-K for the 2018 Fiscal Year. The Code of Ethics for the Chief Executive Officer and senior financial officers, the Code of Business Conduct and Ethics for the Board of Directors and the Code of Conduct applicable to all of our employees (collectively, the “Conduct Code”) are available on the Company’s website at www.stevemadden.com and, in addition, may be obtained by any stockholder without charge upon request by writing to the Secretary, Steven Madden, Ltd., 52-16 Barnett Avenue, Long Island City, New York 11104. The Conduct Code is intended to establish standards necessary to deter wrongdoing and to promote compliance with applicable governmental laws, rules and regulations and honest and ethical conduct. The Conduct Code covers all areas of professional conduct, including conflicts of interest, fair dealing, financial reporting and disclosure, protection of Company assets and confidentiality. Employees have an obligation to promptly report any known or suspected violation of the Conduct Code without fear of retaliation. Waiver of any provision of the Conduct Code for executive officers and directors may only be granted by the Board of Directors or the Nominating/Corporate Governance Committee and any such waiver or modification of the Conduct Code relating to such individuals will be disclosed by the Company.

Corporate Governance Guidelines

The Board of Directors has adopted Corporate Governance Guidelines as a set of guiding principles by which the Company is governed. Various matters of corporate governance are addressed in the Corporate Governance Guidelines, such as board size and composition, director qualifications and responsibilities, director compensation, limitations on service on other boards, board committees, director orientation and education, director access to

management, management development and succession planning and annual performance evaluations for the Board. The Corporate Governance Guidelines include a policy for the clawback of executive incentive compensation paid to senior executive officers in the event of an accounting restatement by the Company due to intentional misconduct of a senior executive officer. In addition, in circumstances in which the Board of Directors believes it is appropriate, the clawback policy allows for the reimbursement, forfeiture or cancellation of incentive compensation paid or awarded to a senior executive officer of the Company who has engaged in willful misconduct in the performance of his or her duties that results in material financial harm or significant reputational harm to the Company.

The Nominating/Corporate Governance Committee reviews the Corporate Governance Guidelines annually to determine whether to recommend changes to the Corporate Governance Guidelines to reflect new laws, rules and regulations and developing governance practices. A copy of the Corporate Governance Guidelines may be obtained by any stockholder without charge upon request by writing to the Secretary, Steven Madden, Ltd., 52-16 Barnett Avenue, Long Island City, New York 11104.

Stock Ownership Guidelines

The Board of Directors has adopted Stock Ownership Guidelines, which require a level of ownership of shares of our Common Stock by our directors and executive officers in order to align their interests with those of our stockholders. The Stock Ownership Guidelines require our Chief Executive Officer to own shares of our Common Stock equal in value to five times his annual base salary. Other executive officers of the Company are required to own shares of our Common Stock equal in value to two times their annual base salary. The Stock Ownership Guidelines further require that non-employee directors of the Company must own shares of our Common Stock equal in value to two times the cash portion of the directors' annual retainer or the equivalent if a retainer is not received in certain circumstances. Individuals subject to the Stock Ownership Guidelines must attain the required level of share ownership by the fifth anniversary of the later of the Stock Ownership Guidelines' adoption date and the date that the individual became an executive officer or director and must retain an amount equal to 25% of the net shares of our Common Stock received as a result of the exercise, vesting or payment of any equity award made by the Company until the share ownership requirement is satisfied.

Prohibition on Hedging and Pledging of Our Common Stock

Our directors and executive officers and certain other persons designated from time to time by the Company's Chief Financial Officer are prohibited from entering into hedging transactions and from pledging our Common Stock pursuant to a formal policy concerning such activities adopted by the Board of Directors.

Corporate Social Responsibility Policy

The Company is committed to operating its business in a socially responsible manner. We strive to incorporate this commitment into every aspect of our business, including the design of our products, the quality, safety and sourcing of our products, the safety and fair treatment of our employees, animal welfare and compliance with laws, including the Foreign Corrupt Practices Act and the SEC's Conflict Minerals rule. These guiding principles are set forth in our Corporate Social Responsibility Policy and we expect all of our employees to be familiar with and to adhere to them. We strive to do business with vendors and suppliers that share our views and commitments to quality products and ethical business principles. We will only engage vendors and suppliers that demonstrate a commitment to meeting our standards.

Certain Relationships and Related Party Transactions

Steven Madden Employment Agreement. The Company believes that Steven Madden, the Company's founder and Creative and Design Chief, provides unique and significant value in guiding the leadership of the Company's creative process, both in his hands on work for the Company and his collaboration with the Company's designers, product professionals and marketing executives. In addition, the public's association of Mr. Madden's name and likeness with our branded products is significant, meaningful, and integral to the Company's success and has been, and continues to be, instrumental in creating long-term stockholder value. Based upon that belief, the Company further believes that his continuing involvement with the Company is essential and to this end has for many years had an employment agreement with Mr. Madden as described below.

Mr. Madden's agreement in its current form dates back to July 1, 2005, as subsequently amended on various occasions most recently on March 25, 2019 (the "SM Employment Agreement"). Under the SM Employment Agreement, Mr. Madden has agreed to continue to serve as the Company's Creative and Design Chief for a term continuing through December 31, 2026, for a base salary of \$7,026,042 per annum together with the potential for cash bonuses at the sole discretion of the Company's Board of Directors and an annual life insurance premium reimbursement of up to \$200,000. Pursuant to the SM Agreement, on February 8, 2012, Mr. Madden was granted 2,194,584 restricted shares of Common Stock (the number of shares indicated having been adjusted for an October 11, 2018 three-for-two stock split effected as a stock dividend), valued at approximately \$40 million, under the Company's Amended and Restated 2006 Stock Incentive Plan, which is referred to herein as the "2006 Plan," vesting in equal annual installments over seven years commencing on December 31, 2017 through December 31, 2023, subject to Mr. Madden's continued employment with the Company on each such vesting date. On June 30, 2012, as allowed under the SM Agreement, Mr. Madden elected to receive an additional restricted stock award valued at approximately \$40 million in consideration of a reduction in his annual base salary in years subsequent to 2012 to the amount reflected above. As a consequence, on July 3, 2012, Mr. Madden received 2,840,013 restricted shares of Common Stock vesting in six annual installments commencing on December 31, 2018 through December 31, 2023, again, subject to his continued employment with the Company on each such vesting date.

Under the SM Agreement, Mr. Madden is also eligible to receive annually, on or about the date of the Company's annual meeting of stockholders (but not later than June 30th), an option (the "Annual Option") to purchase shares of Common Stock equal to the greater of (a) 100% of the largest aggregate number of shares of Common Stock available upon the exercise of an option or options granted to any other continuing full-time employee of the Company during the preceding twelve-month period and (b) 225,000 shares of Common Stock; provided, however, that a grant to Mr. Madden in excess of 150% of the number of shares of Common Stock subject to options granted to such other continuing full-time employee would require stockholder approval. Any Annual Option so granted vests quarterly over a one-year period and is exercisable at a price equal to the closing price of the Company's Common Stock on the grant date for a period of five years. In addition, pursuant to the SM Agreement, on March 1, 2017, Mr. Madden received a one-time stock option grant to purchase 1,125,000 shares of the Company's Common Stock at an exercise price of \$24.90 as a result of the Company having achieved for the fiscal year ended December 31, 2016 earnings per share performance criteria set forth in the SM Agreement; such option vests in equal annual installments over a five-year period which commenced on the first anniversary of the grant date.

Under the SM Agreement, in the event of Mr. Madden's death, his estate would receive a payment equal to his base salary for the 12-month period immediately subsequent to the date of his death. Further, in the event that Mr. Madden's employment is terminated due to his total disability (as defined in the agreement), "for cause" (as defined in the agreement) or due to Mr. Madden's resignation, the Company is obligated to pay Mr. Madden the amount of compensation that is accrued and unpaid through the date of termination. In the event that Mr. Madden's employment is terminated for any reason (other than "for cause" or due to his death, total disability or resignation), the Company is obligated to pay Mr. Madden, in installments, the balance of his base salary through the end of the term of the SM Agreement. If, during the period commencing 120 days prior to a "change of control" transaction (as defined in the agreement) and ending on the first anniversary of a change of control transaction, Mr. Madden's employment is terminated other than for cause or by his resignation for "good reason" (as defined in the agreement), or if Mr. Madden resigns for good reason or without good reason within 30 days following a change of control transaction, all unvested options held by Mr. Madden will be accelerated and vest on the date of termination or resignation and Mr. Madden will be entitled to receive a lump sum cash payment equal to the amount of compensation that is accrued and unpaid through the date of termination plus \$35 million. The SM Agreement contains other customary provisions, including provisions regarding expense reimbursement, confidentiality, solicitation and competition.

For the 2018 Fiscal Year, Mr. Madden earned \$7,026,042 in base salary and received \$200,000 for the payment of an annual life insurance premium. Mr. Madden also received as his Annual Option for the 2018 Fiscal Year an option to

purchase 225,000 shares of Common Stock at a price per share of \$35.95.

The most recent amendment entered into on March 25, 2019, effected the extension of the term of the SM Agreement for three years through December 31, 2026. In consideration of this extension, the Company has granted to Mr. Madden 200,000 shares of Common Stock under the 2006 Plan, which shares are subject to certain restrictions including, without limitation, that the Employee will not sell, transfer, pledge, hypothecate, assign or otherwise dispose of the restricted shares except as set forth under the 2006 Plan or Mr. Madden's award agreement. Vesting of the shares occurs in annual installments over three years commencing on December 31, 2024 on which date 66,666 shares will vest and continuing to vest thereafter on each of December 31, 2025 and December 31, 2026 when 66,667 shares will vest; provided, in each case, that Mr. Madden continues to be employed by the Company on each such date through December 31, 2026.

20

Loan to Steven Madden. On June 25, 2007, the Company made a loan to Mr. Madden in the amount of \$3,000,000, in order for Mr. Madden to satisfy a personal tax obligation resulting from the exercise of a stock option which was due to expire and hold the underlying shares of Common Stock. The loan is evidenced by a secured promissory note executed by Mr. Madden in favor of the Company, the security for which is a security interest in a certain securities brokerage account maintained by Mr. Madden with his broker; none of the securities in the securities brokerage account are shares of the Company's Common Stock. There have been successive amendments to the secured promissory note, the most recent of which occurred in April 2016, at which time the secured promissory note was amended to substitute the collateral securing the secured promissory note from shares of the Company's Common Stock to the security interest in Mr. Madden's securities brokerage account noted above. Previously, on January 3, 2012, the secured promissory note was amended and restated to extend the maturity date of the obligation to December 31, 2023 and eliminate the accrual of interest after December 31, 2011. Prior to the January 3, 2012 amendment, the secured promissory note had been accruing interest at the rate of 6% per annum. In addition, the secured promissory note provides that, commencing on December 31, 2014 and annually on each December 31 thereafter through the maturity date, one-tenth of the principal amount thereof, together with accrued interest, will be cancelled by the Company provided that Mr. Madden continues to be employed by the Company on each such December 31. Contemporaneously, on each such December 31, the Company will release its security interest in a portion of the securities held in Mr. Madden's securities brokerage account generally correlating to the amount of indebtedness cancelled on such date. As of December 31, 2011, interest in the amount of \$1,090,000 had accrued on the principal amount of the secured promissory note and, as noted above, interest was eliminated after December 31, 2011. On December 31, 2018, the required one-tenth of the principal amount of the secured promissory note, together with accrued interest, was written-off by the Company.

Review, Approval or Ratification of Transactions with Related Persons

The Company's written Conduct Code and Employee Handbook prohibit all conflicts of interest. Under the Conduct Code, conflicts of interest occur when private or family interests interfere in any way, or even appear to interfere, with the interests of the Company. The Company's prohibition on conflicts of interest under the Conduct Code includes any related person transaction.

Related person transactions must be approved by the Board, or by a committee of the Board consisting solely of independent directors, who will approve the transaction only if they determine that it is in the best interests of the Company. In considering the transaction, the Board or committee will consider all relevant factors, including, as applicable, (i) the Company's business rationale for entering into the transaction; (ii) the alternatives to entering into a related person transaction; (iii) whether the transaction is on terms comparable to those available to third parties or, in the case of employment relationships, to employees generally; (iv) the potential for the transaction to lead to an actual or apparent conflict of interest and any safeguards imposed to prevent such actual or apparent conflicts; and (v) the overall fairness of the transaction to the Company.

The Company has multiple processes for reporting conflicts of interests, including related person transactions. Under the Conduct Code, all employees are required to report any actual or apparent conflict of interest, or potential conflict of interest, to management. The Chief Financial Officer distributes a questionnaire to the Company's executive officers and management personnel on a quarterly basis and distributes a questionnaire to the members of the Board of Directors on an annual basis requesting certain information regarding, among other things, their immediate family members, employment and beneficial ownership interests, which information is then reviewed for any conflicts of interest under the Conduct Code.

The Board of Directors, the Audit Committee and the Disclosure Committee, which is comprised of management personnel, discuss the related party transactions, specifically, and in connection with the regular review processes attendant to the Company's periodic filings, including related party transaction disclosures.

If a director is a party to or in some manner involved in a transaction involving the Company, he or she will be recused from all discussions and decisions about the transaction. The transaction must be approved in advance whenever practicable, and if not practicable, must be ratified as promptly as practicable.

Based solely on our review of the copies of such forms received by us, or written representations received from certain Section 16(a) reporting persons, the Company believes that, during the fiscal year ended December 31, 2018, all Section 16(a) filing requirements applicable to its officers, directors and greater than 10% beneficial owners were complied with during, or in respect of, the 2018 Fiscal Year.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Executive Summary

This Compensation Discussion and Analysis describes the overall principals and objectives and specific features of our executive compensation program, primarily focused on the executive compensation program's application to our Chief Executive Officer and the other executive officers of the Company included in the Summary Compensation Table, whom we refer to collectively in this Proxy Statement as the "Named Executive Officers."

Over the last ten years our stock price has increased at an annual rate of 21.8% after adjusting for stock splits. Our 2018 year-end stock price decreased 2.8% from our 2017 year-end stock price after adjusting for a three-for-two stock split of our Common Stock that occurred on October 11, 2018. However, after including the effect of dividends, total stockholder return declined just 0.8%. This resulted in a one-year total stockholder return at the 35th percentile as compared with our peer group for 2019.

In February 2018, the Board of Directors of the Company approved the initiation of a quarterly cash dividend on the Company's outstanding shares of Common Stock as part of its cash deployment strategy to drive shareholder value or enhance shareholder returns. A quarterly cash dividend of \$0.13 per share was paid to stockholders on each of March 29, 2018, June 29, 2018 and September 28, 2018 and a quarterly cash dividend of \$0.14 per share was paid to stockholders on December 31, 2018.

On September 11, 2018, the Company's Board of Directors declared a three-for-two stock split of the Company's outstanding shares of Common Stock, effected in the form of a stock dividend on the Company's outstanding Common Stock. Stockholders of record at the close of business on October 1, 2018 received one additional share for every two shares of Common Stock owned on that date. The additional shares were distributed to the Company's stockholders on October 11, 2018. All share data provided herein gives effect to this stock split, applied retroactively.

During 2018, the Company delivered solid financial results, driven by the strong performance of the Company's Steve Madden and Blondo businesses in both domestic and international markets as well as strong growth in Steve Madden and private label handbags. Net sales for the 2018 Fiscal Year increased by 7.0% to \$1.65 billion from \$1.55 billion in the year ended December 31, 2017. Net income was \$129.1 million, or \$1.50 per diluted share, for the 2018 Fiscal Year as compared to net income of \$117.9 million, or \$1.36 per diluted share, for the year ended December 31, 2017. On an adjusted basis, net income was \$157.7 million, or \$1.83 per diluted share, for the 2018 Fiscal Year as compared to net income of \$129.3 million, or \$1.49 per diluted share, for the year ended December 31, 2017.¹

Reflecting the Company's financial and stock price performance in 2018, overall Named Executive Officer bonus awards, which are paid in the form of both cash and time-vested restricted stock grants, decreased 3.9% from the previous year. As our general practice is to award bonuses and grant equity based on Named Executive Officer performance for the preceding year, we are able to maintain relative alignment between pay and performance.

¹ A reconciliation of adjusted results is included in Annex A to this Proxy Statement.

Compensation Objectives and Strategy

The Company's executive officer compensation program is designed to attract and retain the caliber of officers needed to ensure the Company's continued growth and profitability and to reward them for their performance, for the Company's performance and for creating longer-term value for our stockholders. The primary objectives of the program are to:

- align rewards with performance that creates stockholder value;
- support the Company's strong team orientation;
- encourage high-potential team players to build a career at the Company; and
- provide rewards that are cost-efficient, competitive with other similarly-positioned organizations and fair to employees and stockholders.

The Company's executive compensation programs are approved and administered by the Compensation Committee of the Board of Directors. Working with management and outside advisors, the Compensation Committee has developed a compensation and benefits strategy that rewards performance and reinforces a culture that the Compensation Committee believes will drive long-term success.

The compensation program rewards team accomplishments while promoting individual accountability. The executive officer compensation program depends in significant measure on Company results, but business unit results and individual accomplishments are also very important factors in determining each executive's compensation. The Company has a robust planning and goal-setting process that is fully integrated into the compensation system, enhancing a strong relationship among individual efforts, Company results and financial rewards.

A major portion of total compensation is placed at risk through annual and long-term incentives. As noted below, discretionary bonuses were paid to the Named Executive Officers. The combination of incentives is designed to balance annual operating objectives and Company earnings performance with longer-term stockholder value creation.

To implement its primary objectives, the Company seeks to provide competitive compensation that is commensurate with performance. The Company targets compensation at the median of the market and calibrates both annual and long-term incentive opportunities to generate less-than-median awards when goals are not fully achieved and greater-than-median awards when goals are exceeded.

The Company believes that there is great value to the Company in having a team of long-tenured, seasoned managers and seeks to promote a long-term commitment from its senior executives. The Company's team-focused culture and management processes are designed to foster this commitment. In addition, restricted Common Stock awards granted to Named Executive Officers in the 2018 Fiscal Year reinforce this long-term orientation with annual vesting over four to five-year periods.

Role of the Compensation Committee

General. The Compensation Committee provides overall guidance for the Company's executive compensation policies and determines the amounts and elements of compensation for the Company's executive officers and outside directors. The Compensation Committee currently consists of four members of the Company's Board of Directors, Ms. Lynch and Messrs. Migliorini, Schwartz and Smith, each of whom is an independent director under Rule 5605 of The Nasdaq Global Select Market listing standards and a "non-employee director" as defined under the SEC's rules.

When considering decisions concerning the compensation of executives, other than the Chief Executive Officer, the Compensation Committee asks for the recommendations of the Chief Executive Officer, including his detailed evaluation of each executive's performance. No executive has a role in recommending compensation for outside directors. With respect to the application of the Company's incentive compensation plans to non-employee directors, the Board of Directors functions as the Compensation Committee.

Use of Outside Advisors. In making its determinations with respect to executive compensation, the Compensation Committee has historically engaged the services of an independent compensation consulting firm. The Compensation Committee has retained the services of Arthur J. Gallagher & Co.'s Human Resources & Compensation Consulting Practice ("Gallagher") since 2005 to assist with its review of the compensation packages and employment agreements of the Chief Executive Officer and other executive officers. In 2018 and 2019, Gallagher worked with the Compensation Committee to assess the reasonableness of discretionary cash bonus payments and equity grants to Messrs. Rosenfeld, Dharia and Sinha and Ms. Frieders and Varela based on the Company's and the individual's performance in the 2018 Fiscal Year and the reasonableness of the terms of a new employment agreement for Mr. Rosenfeld and an amendment of Mr. Dharia's employment agreement as compared with comparable positions in the peer group listed below. Executive compensation for the Named Executive Officers was based on employment agreements with pay structures and levels guided by Gallagher's market studies just prior to the consummation of the agreements. Position-specific market studies were completed at the time of the employment agreement extension in support of the design of these agreements. The Compensation Committee also consulted Gallagher with respect to the establishment of a performance-based bonus pool based on a percentage of the Company's net income in the 2018 Fiscal Year as well as the adoption of the Steven Madden, Ltd. 2019 Incentive Compensation Plan (the "2019 Plan"), which will replace the 2006 Plan, the term of which will expire on April 6, 2019. Gallagher provides only executive compensation consulting services and works with management only at the behest of the Compensation Committee.

The Compensation Committee retains Gallagher directly, although in carrying out assignments, Gallagher also interacts with Company management, when necessary and appropriate, in order to obtain compensation and performance data for the executives and the Company. In addition, Gallagher may, in its discretion, seek input and feedback from management regarding its consulting work product for the Compensation Committee in order to confirm alignment with the Company's business strategy and identify data questions or other similar issues, if any, prior to completion of a project for the Compensation Committee.

Independence of Outside Advisors. The Compensation Committee has the sole authority to retain, terminate, approve the fees and set the terms of the Company's relationship with any outside advisors who assist the Committee in carrying out its responsibilities, and may select or receive advice from any compensation consultant or other advisor only after taking into consideration all factors relevant to the consultant's independence from management, including the factors set forth in the Nasdaq's rules.

Accordingly, the Compensation Committee reviews annually its relationship with Gallagher to ensure its independence on executive compensation matters. Prior to selecting and receiving advice from Gallagher with respect to executive compensation in the 2018 Fiscal Year, the Compensation Committee reviewed the independence of Gallagher and the individual representatives of Gallagher who served as the committee's advisors. The Compensation Committee determined that no conflicts of interest exist between the Company and Gallagher (or any individuals working on the Company's account on behalf of Gallagher). In reaching such determination, the Compensation Committee considered, among other things, the following factors: (i) that Gallagher provides no services to the Company other than the executive compensation consulting services; (ii) the fees paid by us to Gallagher as a percentage of Gallagher's total revenue; (iii) the representations by Gallagher as to its policies and procedures that are designed to prevent a conflict of interest; (iv) any business or personal relationships between the individual representatives of Gallagher who advised the Compensation Committee and any member of the Compensation Committee; and (v) any business or personal relationships between our executive officers and Gallagher or the

individual representatives of Gallagher.

Consideration of 2018 Stockholder Say on Pay Vote. At our 2018 Annual Meeting of Stockholders, our stockholders overwhelmingly approved, on an advisory basis, the compensation of our Named Executive Officers (96% of votes cast). This continues the string of 94% or higher approvals that began with the initial say on pay vote in 2011. The Compensation Committee believes this level of stockholder support reflects a very strong endorsement of our compensation policies and decisions. The Compensation Committee has considered the results of this advisory vote on executive compensation in determining the Company's compensation policies and decisions for 2019, and has determined that these policies and decisions are appropriate and in the best interests of the Company and its stockholders at this time.

Compensation Structure

Pay Elements - Overview

The Company utilizes four main components of compensation:

- base salary;
- annual performance-based bonuses;
- long-term equity incentives (consisting of stock options and/or restricted stock); and
- benefits and perquisites.

Pay Elements - Details

Base Salary. The Company paid base salaries to each of the Named Executive Officers to provide them with fixed pay commensurate with the Named Executive Officer's role and responsibilities, experience, expertise and individual performance. As more fully described in the section of this Proxy Statement captioned "Employment Arrangements," as of December 31, 2018, the Company had employment agreements with each of the Named Executive Officers. The Compensation Committee, as constituted at the time the parties entered into the employment agreements or any amendments thereof, reviewed and approved the salary established in each such agreement or amendment. The Compensation Committee considered each employee's salary history, value in the marketplace and performance (including at the Company and previous employment).

The annual base salary of our Chief Executive Officer, Edward R. Rosenfeld, was fixed at \$900,000 for the 2018 Fiscal Year under his prior employment agreement which expired on December 31, 2018. Mr. Rosenfeld's new employment agreement dated December 31, 2018, which remains in effect until December 31, 2021, provides Mr. Rosenfeld with an annual base salary of \$945,000 for the year ending December 31, 2019, \$992,250 for the year ending December 31, 2020 and \$1,041,863 for the year ending December 31, 2021. The annual base salary of our President, Amelia Newton Varela, was fixed at \$650,000 for the year ended December 31, 2018 and is \$670,000 for the year ending December 31, 2019 under an employment agreement dated December 30, 2016, which remains in effect until December 31, 2019. The annual base salary of our Chief Operating Officer, Awadhesh Sinha, was fixed at \$702,000 for the year ended December 31, 2018 and is \$723,000 for the year ending December 31, 2019 under an employment agreement dated December 30, 2016, which remains in effect until December 31, 2019. Under the employment agreement, as amended, of our Chief Financial Officer, Arvind Dharia, which remains in effect until December 31, 2020, Mr. Dharia's annual base salary was \$582,455 for the year ended December 31, 2019 and is \$611,578 for the year ending December 31, 2019 and \$642,157 for the year ending December 31, 2020. Our Chief Merchandising Officer, Karla Frieders, began the 2018 Fiscal Year with an annual base salary of \$550,000 under an employment agreement dated April 11, 2017, which remains in effect through April 30, 2020, and provides Ms. Frieders with an annual base salary of \$570,000 from May 1, 2018 through April 30, 2019 and an annual base salary of \$590,000 from May 1, 2019 through April 30, 2020. Please see the section of this Proxy Statement captioned

“Summary Compensation Table” and “Employment Arrangements” for a more detailed description of their employment agreement and compensation. The 2019 salary increases, if any, for our Named Executive Officers, as reflected in the following table, are generally consistent with those of other management employees.

Named Executive Officer	2018 Salary	2019 Salary
Edward R. Rosenfeld	\$ 900,000	\$ 945,000
Amelia Newton Varela	\$ 650,000	\$ 670,000
Arvind Dharia	\$ 582,455	\$ 611,578
Awadhesh Sinha	\$ 702,000	\$ 723,000
Karla Frieders	\$ 570,000	* \$ 590,000 *

As noted above, Ms. Frieders began the 2018 Fiscal Year with an annual base salary of \$550,000. Her annual base *salary increased to \$570,000 for the period May 1, 2018 through April 30, 2019 and will increase to \$590,000 for the period May 1, 2019 through April 30, 2020.

Annual Performance-based Bonus - Based on Specific Performance Metrics. Annual performance-based cash bonuses, if any, for Named Executive Officers are established in their respective employment agreements. The Compensation Committee reviewed and approved the bonus provisions fixed in each such employment agreement at the time the parties entered into such agreements and any amendments thereof. Such bonus provisions generally provide for variable or discretionary bonuses designed to reward attainment of business goals.

Mr. Sinha's employment agreement entitles him to an annual performance-based bonus for the 2018 Fiscal Year in an amount equal to 2% of the increase in the Company's EBITDA for that year over the Company's EBITDA for the immediately preceding year. For any business acquired after December 30, 2016, EBITDA from the acquired business is included in the bonus calculation starting with the first full quarter under Company ownership, provided that the prior year's EBITDA will likewise be adjusted to include EBITDA from the acquired business for comparable quarters in the prior year on a pro forma basis assuming the Company had owned the business. The maximum annual bonus is \$600,000, the first \$300,000 of which is payable in cash and for any amount of the annual bonus in excess of \$300,000 by a grant of restricted shares of Common Stock, which restricted shares of Common Stock will vest in three equal annual installments commencing on the first anniversary of the grant date. For the 2018 Fiscal Year, on March 15, 2019, Mr. Sinha received an annual performance-based cash bonus of \$274,600, reflecting 2% of \$13,729,980, the increase in 2018 EBITDA over that of 2017.

Ms. Varela's employment agreement entitles her to an annual performance-based cash bonus for the 2018 Fiscal Year in an amount equal to 2% of the increase in the Company's total EBIT for that year over the Company's EBIT for the immediately preceding year, less any deductions as shall be required to be withheld by any applicable laws or regulations. EBIT attributable to any business acquired by the Company after December 30, 2016 will not be included in the calculation of this bonus. For the 2018 Fiscal Year, on March 15, 2019, Ms. Varela received an annual performance-based cash bonus of \$263,302, reflecting 2% of \$13,165,123, the increase in 2018 EBIT over that of 2017.

As provided in the 2006 Plan and the 2019 Plan, the maximum payment that may be made to an individual under any performance-based cash award during any fiscal year and subject to the attainment of specified performance goals is \$10,000,000. The Compensation Committee may, in its sole discretion, elect to pay an individual an amount that is less than the individual's target award regardless of the degree of attainment of the performance goals.

For the 2018 Fiscal Year, the Compensation Committee established a bonus pool for Named Executive Officers and other key executives of the Company based on 6% of net income of the Company achieved in the 2018 Fiscal Year. Net income was selected because it is highly correlated with stock price performance. The Compensation Committee also fixed for each executive his or her maximum share of the 2018 bonus pool, which was 30% for Mr. Rosenfeld and 14% for each of the other Named Executive Officers. In the 2018 Fiscal Year, the Company achieved net income of \$129,136,000, which resulted in a bonus pool of \$7,748,160. The Compensation Committee determined to pay a bonus to Mr. Rosenfeld in an amount in excess of his individual target award and bonuses to certain of the other Named Executive Officers in amounts that were below their individual target awards for the 2018 Fiscal Year and to pay the bonuses in a combination of cash and restricted shares of Common Stock that vest annually over five years. Accordingly, on March 15, 2019, the Company paid performance-based cash bonuses of \$500,000, \$220,000 and \$100,000 to Mr. Rosenfeld, Mr. Dharia and Ms. Frieders, respectively, and, on March 15, 2019, the Company paid performance-based bonuses in the form of restricted stock to two of our Named Executive Officers as indicated in the following table.

Named Executive Officer	2019 Restricted Stock Grant Value for 2018 Performance	Number of Shares of Restricted Stock Awarded*	Annual Vesting
Edward R. Rosenfeld	\$ 2,981,686	91,547	5 years
Amelia Newton Varela	—	—	—
Arvind Dharia	—	—	—
Awadhesh Sinha	—	—	—
Karla Frieders	\$ 496,953	15,258	5 years

In accordance with applicable SEC rules, the Summary Compensation Table included in this Proxy Statement does not report the grant date fair value of these restricted stock awards because, while earned in 2018, the grants were not *made until after the close of the 2018 Fiscal Year. The 2019 Summary Compensation Table to be included in our proxy statement for our 2020 Annual Meeting of Stockholders will contain the grant date fair value of these restricted stock awards provided these individuals are named executive officers in that proxy statement.

The decision to pay cash bonuses to Messrs. Rosenfeld and Dharia and Ms. Frieders, and to award restricted shares of Common Stock to Mr. Rosenfeld and Ms. Frieders for the 2018 Fiscal Year and the amount of each such Named Executive Officer's bonus was determined at the discretion of the Compensation Committee, but within the parameters of the bonus pool for Named Executive Officers, with the exception of Mr. Rosenfeld who received in cash and restricted shares 44.9% of the 2018 bonus pool. The Compensation Committee evaluated a variety of indicators of the Company's overall financial performance, including total shareholder return, operating income, earnings per share and return on invested capital, and assessed and made subjective judgments as to each of these executive's individual contribution towards the Company's performance in the 2018 Fiscal Year in determining whether to pay bonuses to these executives and establishing the amounts to be paid. With respect to the determination to award bonuses to Mr. Dharia and Ms. Frieders, the Compensation Committee also considered the recommendations of the Chief Executive Officer, Mr. Rosenfeld.

The Compensation Committee consulted Gallagher regarding the establishment of the bonus pool and the individual target awards for the 2018 Fiscal Year to ensure the bonus pool and the individual target awards were within market range for each executive.

Long-term Equity Incentives. Management and the Compensation Committee believe that equity-based awards are an important factor in aligning the long-term financial interest of the executive officers and stockholders. The Compensation Committee continually evaluates the use of equity-based awards and intends to continue to use such awards in the future as part of designing and administering the Company's compensation program. Beginning in 2006, the Compensation Committee modified its prior practice of granting equity incentives solely in the form of stock options with periodic awards of restricted stock in order to grant awards that contain both substantial incentive and retention characteristics. These awards are designed to provide emphasis on preserving stockholder value generated in recent years while providing significant incentives for continuing growth in stockholder value.

In the 2018 Fiscal Year, the Company made grants of 100,000 and 16,666 restricted shares of Common Stock to Mr. Rosenfeld and Ms. Frieders, respectively, for performance in the fiscal year ended December 31, 2017. The restricted stock awards made to Mr. Rosenfeld and Ms. Frieders vest in five equal annual installments. Gallagher reviewed the individual grant values relative to market practice. These equity awards in the 2018 Fiscal Year were made under the 2006 Plan.

The restricted stock awards in the 2018 Fiscal Year also included a grant to (a) Mr. Sinha of 2,493 restricted shares of Common Stock on March 15, 2018, which restricted stock award will vest in three equal annual installments on December 15, 2018, December 15, 2019 and December 15, 2020, and was awarded as a portion of his annual performance-based bonus based on the increase in 2017 EBITDA over that of 2016, (b) Mr. Dharia of 18,750 restricted shares of Common Stock on May 1, 2018 in respect of an April 20, 2018 amendment of his employment agreement, which restricted stock award will vest in three nearly equal installments on December 15, 2018, December 15, 2019 and December 15, 2020 and (c) Mr. Rosenfeld of 87,500 restricted shares of Common Stock on December 31, 2018 in respect of his new three-year employment agreement, which restricted stock award will vest in five equal annual installments commencing on December 1, 2019. Each of these restricted stock awards was made under the 2006 Plan.

The Committee intends to continue to review the equity mix to achieve the ideal incentive for both performance and retention. With respect to stock options, the 2019 Plan provides generally that the exercise price shall be the fair market value of the Company's Common Stock at the time of grant, which is defined for purposes of the 2019 Plan to mean the closing price reported for the Common Stock on the applicable date (a) as reported on the principal national securities exchange on which it is then traded or (b) if not traded on any such national securities exchange, the last sale price quoted in the principal over-the-counter market on which the Common Stock is quoted.

Other Benefits and Perquisites. The Company's executive compensation program also includes other benefits and perquisites. These benefits and perquisites include annual matching contributions to executive officers' 401(k) plan accounts, company-paid medical benefits, automobile allowances and leased automobiles and life insurance coverage. The Compensation Committee annually reviews these other benefits and perquisites and makes adjustments as warranted based on competitive practices, the Company's performance and the individual's responsibilities and performance. The Compensation Committee has approved these other benefits and perquisites as a reasonable component of the Company's executive officer compensation program. Please see the section of this Proxy Statement captioned "Summary Compensation Table and, specifically, the column entitled "All Other Compensation" and the corresponding footnotes.

Pay Mix

The Company utilizes the particular elements of compensation described above because the Company believes that it provides a well-proportioned mix of secure compensation, retention value and at-risk compensation, which produces short-term and long-term performance incentives and rewards. By following this approach, the Company provides the executives a measure of security in the minimum expected level of compensation, while motivating the executives to focus on business metrics and other variables within their particular sector which will increase sales and margins and at the same time lower costs so as to produce a high level of short-term and long-term performance for the Company and long-term wealth creation for the executives, as well as reducing the risk of recruitment of top executive talent by competitors. The mix of metrics used for the annual performance bonuses and the Company's long-term incentive program likewise provides an appropriate balance between short-term financial performance and long-term stock performance.

For the Named Executive Officers, the mix of compensation is weighted heavily toward at-risk pay (annual incentives and long-term incentives). Maintaining this pay mix results fundamentally in a pay-for-performance orientation for the Company's executives, which is aligned with the Company's stated compensation philosophy of providing compensation commensurate with performance.

Pay Levels and Benchmarking

Pay levels for executives are determined based on a number of factors, including the individual's roles and responsibilities within the Company, the individual's experience and expertise, the pay levels for peers within the

Company, pay levels in the marketplace for similar positions and performance of the individual and the Company as a whole. The Compensation Committee is responsible for approving pay levels for the Named Executive Officers. In determining the pay levels, the Compensation Committee considers all forms of compensation and benefits.

The Compensation Committee assesses “competitive market” compensation using a number of sources. The primary data source used in setting competitive market levels for the Named Executive Officers is the information publicly disclosed by a peer group of the Company, which is reviewed annually and may change from year to year. For the 2018 Fiscal Year, executive compensation and compensation design was reviewed for the purpose of assessing bonus awards in early 2018 in the context of overall compensation and in relation to the following peer companies:

Caleres, Inc.	Guess, Inc.	RTW Retailwinds, Inc.

After consideration of the data collected on external competitive levels of compensation and internal needs, the Compensation Committee makes decisions regarding the Named Executive Officer's target total compensation opportunities based on the need to attract, motivate and retain an experienced and effective management team. Relative to the competitive market data, the Compensation Committee generally intends that the base salary and target annual incentive compensation for each Named Executive Officer will be at the median of the competitive market.

As noted above, notwithstanding the Company's overall pay positioning objectives, pay opportunities for specific individuals vary based on a number of factors such as scope of duties, tenure, institutional knowledge and/or difficulty in recruiting a new executive. Actual total compensation in a given year will vary above or below the target compensation levels based primarily on the attainment of operating goals and the creation of stockholder value.

Compensation Committee Discretion

The Compensation Committee retains the discretion to decrease all forms of incentive payouts based on significant individual or Company performance shortfalls, with the exception of any such payouts that are to be made pursuant to contractual commitments, such as the bonuses that may be paid to Mr. Sinha and Ms. Varela, which are tied to the Company's EBITDA and EBIT, respectively, for the preceding year pursuant to their employment agreements. Similarly, the Compensation Committee retains the discretion to increase payouts and/or consider special awards for significant achievements, including, but not limited to, superior asset management, investment or strategic accomplishments and/or consummation of acquisitions, divestitures, capital improvements to existing properties, or sales made by certain of the Company's divisions.

Pay Ratio

As required by the Dodd-Frank Wall Street Reform and Consumer Protection Act (the "Dodd-Frank Act"), the following disclosure provides the relationship of the total annual compensation of our median-paid employee to the total annual compensation of our Chief Executive Officer, Mr. Rosenfeld. The table below sets forth the total annual compensation for Mr. Rosenfeld and the median-paid employee of the Company, who is a full-time stock associate, and the ratio between the two.

Median employee annual total compensation	\$23,416
Mr. Rosenfeld annual total compensation	\$7,081,968
Ratio of Chief Executive Officer to median employee compensation	302:1

We determined our median employee as of October 1, 2018, which date is within the last three months of the 2018 Fiscal Year, as permitted by the pay ratio rule under the Dodd-Frank Act. In determining our median employee, we applied the "de minimis" exemption under the rule, which allows the exemption of 5% or less of the Company's total global workforce in jurisdictions outside of the U.S., which amounts to 184 employees based on our total global workforce of 3,688 employees. As such, we excluded all of our employees in each of Hong Kong (28 employees), The Netherlands (28 employees) and South Africa (84 employees), which in total amount to 140 employees or 4%. We did not exclude from consideration any employees who joined the Company during the 2018 Fiscal Year as the result of a business acquisition or combination. Employees on leave of absence were excluded and wages and salaries were annualized for those employees that were not employed for the entire 2018 Fiscal Year. To identify our median employee, we used payroll data consisting of salary, hourly wage, overtime wage, bonus, commissions, vesting of equity awards and any similar payroll items for all of our employees included in the calculation.

Once we identified our median employee, we determined that employee's annual total compensation amount for the 2018 Fiscal Year using the same method required for calculating our Chief Executive Officer's (and other named executive officers') total annual compensation for purposes of the Summary Compensation Table, except that, for simplicity, employer contributions to the Company's 401(k) plan and medical benefits were excluded as all employees, including our Chief Executive Officer, are offered the same benefits and the Company utilizes the Internal Revenue Service safe harbor provision for 401(k) discrimination testing.

The ratio stated above is a reasonable estimate calculated in a manner consistent with Item 402(u) of Regulation S-K. It is based on the methodologies, assumptions and estimates described below and is not necessarily comparable to the ratios reported by other companies.

Risk Assessment

Bonus payments to executives are based either on the discretion of the Compensation Committee or are tied to growth in various indicators of financial performance, such as EBITDA and EBIT. Long-term incentives have been granted in the form of stock options and time-vested restricted stock that generally vest over four or five years. These programs have been in place for several years and have proved effective in rewarding performance while not encouraging inappropriate risk-taking.

The Compensation Committee undertook to review and evaluate all of our executive and company-wide compensation plans and programs to assess whether any aspect of these plans and programs would encourage inappropriate risk-taking by the Company's executives and non-executive employees that could have a material adverse effect on the Company and to confirm that the Company has adequate risk management controls in place to ensure that executive and company-wide compensation is reasonable and achieves its intended incentive without creating unacceptable risk. Based on such review and evaluation, the Compensation Committee believes there is no material adverse risk to the Company that is related to our compensation programs for executives and non-executives.

This review and evaluation of the risks associated with our compensation plans and programs consisted of:

- identifying those business risks that could be material to the Company and identifying our existing risk management system;
- reviewing and analyzing our compensation plans and programs to identify plan and program features that could potentially encourage or introduce excessive or imprudent risk taking of a material nature;
- identifying the business risks that our compensation plan and program features could potentially encourage or create;
- balancing these business risks against our existing internal control systems designed to manage and mitigate these business risks; and
- analyzing whether the unmitigated risks, as a whole, are reasonably likely to have a material adverse effect on the Company.

Various persons were consulted during the course of the assessment, including our executive officers and senior members of our human resources department. The Compensation Committee engages Gallagher to review our executive and company-wide compensation plans and programs and provide advice regarding appropriate levels of incentive.

The Compensation Committee noted several features of our compensation structure that mitigate risk, including, for example:

- the Company utilizes a pay mix that is well balanced between short-term financial performance and long-term stock performance, comprised of secure compensation in the form of base salary, short-term incentives in the form of potential for cash bonuses, and long-term incentives in the form of stock options and time-vested restricted stock that generally vest over four or five years;
- in most instances, management or the Compensation Committee retains the discretion to decrease all forms of incentive compensation based on significant individual or Company performance shortfalls;
- we periodically benchmark our compensation plans and programs and target executive and non-executive compensation within the normal limits of the competitive market; and
- the Compensation Committee provides oversight of the Company's compensation plans and programs and compensation philosophy, makes recommendations to the Board with respect to improvements to our compensation plans and programs, and is responsible for reviewing and approving executive compensation and administering and awarding incentive, deferred and equity compensation to our senior executives.

In light of the assessment described above, it was concluded that the risks associated with our compensation plans and programs (executive and company-wide) are not reasonably likely to have a material adverse effect on the Company.

Implications of Tax and Accounting Matters

As a general matter, the Compensation Committee considers the various tax and accounting implications of compensation vehicles employed by the Company. While the Compensation Committee reviews and considers both the accounting and tax effects of various components of compensation, those effects are not a significant factor in the Compensation Committee's allocation of compensation among the different components.

As a result of changes to federal tax laws, which became effective in 2018, compensation paid to certain executive officers under arrangements entered into or materially modified after November 2, 2017 generally are not deductible to the extent they result in compensation that exceeds \$1 million in any one year for any such executive officer. Before 2018, a deduction was allowed for certain performance-based pay in excess of \$1 million for executive officers who were subject to the limitation. Recognizing the importance of linking pay and performance, the Company intends to continue to impose performance conditions on a portion of the compensation of our executive officers.

As more fully described below under the heading "Termination, Change-in-Control and Non-Competition/Non-Solicitation," with the exception of Ms. Frieders, all of our Named Executive Officers are entitled to receive certain compensation in the event of a termination of employment in connection with a change-in-control event for the Company, which payments may trigger the application of the "golden parachute" provisions of Sections 280G and 4999 of the Code. Section 280G of the Code disallows a tax deduction with respect to excess parachute payments to certain executives of companies that undergo a change-in-control. In addition, Section 4999 of the Code imposes a 20% excise tax on the individual receiving the excess parachute payment. Excess parachute payments are golden parachute payments that exceed an amount determined under Section 280G based on the executive's prior compensation. In approving the compensation arrangements of our Named Executive Officers, our Compensation Committee considers all elements of the cost to our Company of providing such compensation, including the potential impact of Sections 280G and 4999, which, under certain circumstances, may limit the deductibility to the Company of executive compensation. However, our Compensation Committee may determine, in its judgment, to authorize compensation arrangements that could give rise to loss of deductibility under Section 280G and the imposition of excise taxes under Section 4999 when it believes that such arrangements are appropriate to attract and retain executive talent.

Conclusion

The level and mix of compensation that is finally decided upon as to each executive is considered within the context of both the objective data from the Company's competitive assessment of compensation and performance, as well as discussion of the subjective factors as outlined above. The Compensation Committee believes that each of the compensation packages for the Named Executive Officers is within the competitive range of practices when compared to the objective comparative data even where subjective factors have influenced the compensation decisions.

Employment Arrangements

Edward R. Rosenfeld. On December 31, 2015, the Company entered into an employment agreement with Mr. Rosenfeld to replace a prior, expiring employment agreement (the "Rosenfeld 2015 Agreement"). Pursuant to the Rosenfeld 2015 Agreement, Mr. Rosenfeld continued to serve as Chief Executive Officer and executive Chairman of the Board of Directors of the Company and received an annual base salary of \$800,000, \$850,000 and \$900,000 for the fiscal years 2016, 2017 and 2018, respectively, and a monthly automobile allowance of \$1,500. The Rosenfeld 2015 Agreement, which expired on December 31, 2018, provided that Mr. Rosenfeld would receive additional compensation and bonuses, if any, at the absolute discretion of the Board of Directors. Pursuant to the Rosenfeld 2015 Agreement, on February 5, 2016, Mr. Rosenfeld received an award of 112,500 shares of the Company's Common Stock, subject to certain restrictions. These restricted shares of Common Stock, which were issued under the 2006 Plan, vest in five equal annual installments of 22,500 shares, which vesting commenced on March 5, 2017.

On December 31, 2018, the Company entered into a new employment agreement (the "Rosenfeld 2018 Agreement") with Mr. Rosenfeld to replace the Rosenfeld 2015 Agreement, which expired on that date. Pursuant to the Rosenfeld 2018 Agreement, Mr. Rosenfeld continues to serve as Chief Executive Officer and executive Chairman of the Board of Directors of the Company through December 31, 2021 unless sooner terminated in accordance with the terms of the agreement. The Rosenfeld 2018 Agreement provides for an annual base salary of \$945,000, \$992,250 and \$1,041,863 for the fiscal years 2019, 2020 and 2021, respectively, and a monthly automobile allowance of \$1,500. Pursuant to the Rosenfeld 2018 Agreement, on December 31, 2018, Mr. Rosenfeld was granted 87,500 shares of the Company's Common Stock, subject to certain restrictions. These restricted shares of Common Stock, which were issued under the 2006 Plan, will vest in five equal annual installments of 17,500 shares commencing on December 1, 2019. In addition, on February 1, 2019, Mr. Rosenfeld received an additional award of 87,500 shares of the Company's Common Stock, subject to certain restrictions. These restricted shares of Common Stock, which were issued under the 2006 Plan, will also vest in five equal annual installments of 17,500 shares commencing on February 1, 2020. The Rosenfeld 2018 Agreement provides that Mr. Rosenfeld will receive additional compensation and bonuses, if any, at the absolute discretion of the Board of Directors.

In the event of his death, the Rosenfeld 2018 Agreement provides for the payment to Mr. Rosenfeld's estate of his base salary for the 12-month period immediately subsequent to the date of his death. The agreement also provides that if Mr. Rosenfeld's employment is terminated due to his "total disability" (as defined in the agreement), Mr. Rosenfeld will receive payment of his base salary for the 12-month period immediately subsequent to the date on which he is determined to be totally disabled. The Rosenfeld 2018 Agreement allows the Company to terminate his employment with "cause" (as defined therein) or without cause. In the event that Mr. Rosenfeld's employment is terminated by the Company with cause, the Company will have no further obligations to Mr. Rosenfeld, and Mr. Rosenfeld will be entitled to no further compensation from the Company, except for pro-rata amounts due to him on the date of his

termination. In the event that Mr. Rosenfeld's employment is terminated by the Company without cause or by Mr. Rosenfeld's resignation for "good reason" (as defined in the Rosenfeld 2018 Agreement), Mr. Rosenfeld will be entitled to receive payment of his annual base salary, payable at regular payroll intervals, from the date of termination of employment through the longer of the remainder of the term of the agreement or six months.

In addition, if Mr. Rosenfeld's employment is terminated by the Company without cause or by the resignation of Mr. Rosenfeld for good reason during the period commencing 90 days prior to a "change of control" (as defined in the Rosenfeld 2018 Agreement) transaction and ending 180 days following a change of control transaction, Mr. Rosenfeld will receive an amount equal to two and one-half times the sum of (i) the annual base salary to which he was entitled as of the date of termination or resignation of employment plus (ii) the average cash bonus received by him for the preceding three-year period ending on the last previous December 31 (the "Change of Control Payment"). However, if the Change of Control Payment (or a portion thereof) is determined to constitute an "excess parachute payment" under Sections 280G and 4999 of the Internal Revenue Code of 1986, as amended (the "Code"), Mr. Rosenfeld shall be paid either (i) the Change of Control Payment (which shall be subject to all applicable taxes to be paid by the executive including the excise tax payable pursuant to Section 4999 and which shall be limited as to deductibility to the Company) or (ii) a reduced amount, calculated in accordance with Section 280G, that may be paid to the executive without the imposition of an excise tax under Section 4999 and which shall be fully deductible to the Company, whichever payment yields the greater after-tax benefit to the executive.

Amelia Newton Varela. On January 10, 2014, the Company entered into an employment agreement with Ms. Varela to replace a prior, expiring employment agreement. The agreement was amended on September 4, 2015 in connection with Ms. Varela's promotion from Executive Vice President – Wholesale to the newly-created position of President of the Company to increase Ms. Varela's annual base salary to \$600,000 for the fiscal years 2015 and 2016 until the employment agreement's expiration on December 31, 2016.

On December 30, 2016, the Company entered into a new employment agreement with Ms. Varela, which replaced the prior, expiring employment agreement (the "Varela 2016 Agreement"). Pursuant to the Varela 2016 Agreement, Ms. Varela continues to serve as President of the Company for a term of three years through December 31, 2019, unless sooner terminated in accordance with the terms of the agreement. The Varela 2016 Agreement provides for an annual base salary of \$630,000, \$650,000 and \$670,000 for the years 2017, 2018 and 2019, respectively, and a monthly automobile allowance of \$1,250 in each year of the term. In addition, pursuant to the Varela 2016 Agreement, on January 3, 2017, Ms. Varela was granted an option to purchase 150,000 shares of the Company's Common Stock under the 2006 Plan, at an exercise price of \$23.83 per share, which option vests in four equal annual installments of 37,500 shares on each anniversary of the date of grant, which commenced on January 3, 2018.

Before its amendment, the prior employment agreement entitled Ms. Varela to an annual performance-based cash bonus for the fiscal years ended December 31, 2015 and 2016 in an amount equal to 2% of the increase, if any, in the Wholesale Division EBIT for each such year over the Wholesale Division EBIT for the immediately preceding year, provided that Wholesale Division EBIT attributable to any business acquired by the Company after January 10, 2014 would not be included for the purpose of determining Ms. Varela's bonus until the acquired business has been owned by the Company for two full calendar years. As amended, with respect to the fiscal year ended December 31, 2016, the prior employment agreement entitled Ms. Varela to a performance-based cash bonus in an amount equal to 2% of the increase, if any, in the Company's total EBIT for the fiscal year ended December 31, 2016 over the Company's total EBIT for the fiscal year ended December 31, 2015, less any deductions required to be withheld by applicable laws and regulations. EBIT attributable to any business acquired by the Company after September 4, 2015 would not be included in the calculation for the purpose of determining Ms. Varela's annual bonus. This performance-based bonus was not achieved with respect to the fiscal years ended December 31, 2016 and 2015.

The Varela 2016 Agreement entitles Ms. Varela to an annual performance-based cash bonus for each of the fiscal years ended December 31, 2017, 2018 and 2019 in an amount equal to 2% of the increase, if any, in the Company's total EBIT for each such year over the Company's total EBIT for the immediately preceding year, less any deductions required to be withheld by applicable laws and regulations. EBIT attributable to any business acquired by the

Company after December 30, 2016 will not be included in the calculation for the purpose of determining Ms. Varela's annual bonus. Ms. Varela received a cash bonus of \$263,302 for 2018 EBIT performance and a cash bonus of \$338,669 for 2017 EBIT performance.

In the event that the Varela 2016 Agreement is terminated due to Ms. Varela's "disability" (as defined in the agreement) or death, the Company is obligated to pay Ms. Varela (or her estate) the amount of accrued and unpaid salary through the date of termination plus any performance-based cash bonus that has accrued for the year prior to termination and is unpaid at the time Ms. Varela's employment is terminated due to her disability or death. The Company may terminate the agreement for "cause" (as defined in the agreement) and, in such event, Ms. Varela will be entitled only to accrued and unpaid salary through the date of termination of employment. In the event Ms. Varela's employment is terminated by the Company without cause, she would be entitled to receive payment of her annual base salary, payable at regular payroll intervals, from the date of termination of employment through the remainder of the term plus any performance-based cash bonus that has accrued but not yet been paid. In addition, pursuant to the most recent amendment of the Varela 2016 Agreement entered into on May 15, 2017, in the event that Ms. Varela's employment is terminated by the Company without cause during the period commencing 30 days prior to a "change of control" (as defined in the agreement, as amended) transaction and ending 180 days following a change of control transaction, she is entitled to receive an amount equal to the lesser of (A) two and one-half times the sum of (i) the annual base salary to which she was entitled as of the date of termination plus (ii) the average cash bonus received by her for the preceding three-year period ending on the last previous December 31 or (B) the maximum amount that is tax deductible to the Company under Section 280G of the Code.

Arvind Dharia. In January 1998, the Company entered into an employment agreement with Arvind Dharia, which has been amended from time to time, most recently on April 20, 2018 (the "Dharia Agreement"). Pursuant to the Dharia Agreement, Mr. Dharia continues to serve as the Company's Chief Financial Officer and will do so for a term extending through December 31, 2020. Pursuant to the Dharia Agreement, as amended, Mr. Dharia received an annual base salary of \$582,455 for the period commencing January 1, 2015 and ending December 31, 2018 and will receive an annual base salary of \$611,578 and \$642,157 for the years 2019 and 2020, respectively. The Dharia Agreement also provides for a monthly car allowance of \$1,600 through the term and payment of life insurance premiums on Mr. Dharia's behalf of approximately \$80,000 per year. Pursuant to the Dharia Agreement, as amended, on May 1, 2018, Mr. Dharia was granted 18,750 shares of the Company's Common Stock, subject to certain restrictions. These restricted shares of Common Stock, which were issued to Mr. Dharia under the 2006 Plan, vest in three equal annual installments, which vesting commenced on December 15, 2018. Under the Dharia Agreement, as amended, Mr. Dharia is entitled to awards under such plan as may be determined by the Board of Directors, or a committee thereof, from time to time in its absolute discretion. The Dharia Agreement provides that Mr. Dharia will receive an annual bonus in such amount, if any, and at such time or times, as the Board of Directors may determine in its absolute discretion.

Pursuant to the Dharia Agreement, in the event of Mr. Dharia's death, the Company will make a payment to Mr. Dharia's estate of his base salary for the 12-month period immediately subsequent to the date of Mr. Dharia's death. The Dharia Agreement also provides that if Mr. Dharia's employment is terminated due to his "total disability" (as defined in the agreement), Mr. Dharia will receive payment of his base salary for the 12-month period immediately subsequent to the date he is determined to be totally disabled. In the event that Mr. Dharia's employment is terminated "for cause" (as defined in the Dharia Agreement), the Company is obligated to pay Mr. Dharia the amount of compensation that is accrued and unpaid through the date of termination. In the event that Mr. Dharia's employment is terminated for any reason (other than "for cause" or due to his death or total disability), the Company is obligated to pay Mr. Dharia, in two installments, (a) an amount equal to the product of (x) his base salary on the effective date of such termination plus the bonus paid or payable, if any, for the fiscal year ended on the December 31st immediately preceding the termination date, multiplied by (y) the number of years (and fraction of years) remaining in the term; and (b) the amount payable to him, or on his account, for what would have been the balance of the term of the Dharia Agreement with respect to certain benefits and plans as set forth in the Dharia Agreement. If the Company decides not to renew the Dharia Agreement (other than "for cause" or due to his total disability), then Mr. Dharia will be entitled to

receive severance compensation, in cash, in an amount equal to his then-current base salary for the 90-day period commencing on the expiration of the term.

In addition, in the event that there is a “change of control” transaction and Mr. Dharia’s employment has been terminated by the Company other than “for cause” or if Mr. Dharia resigns “for good reason” (as such terms are defined in the agreement), Mr. Dharia will receive an amount equal to two and one half times (i) the annual base salary to which he was entitled as of the date of termination or resignation of employment plus (ii) the average cash bonus received by him for the preceding three-year period ending on the last previous December 31 (the “Change of Control Payment”). However, if the Change of Control Payment (or a portion thereof) is determined to constitute an “excess parachute payment” under Sections 280G and 4999 of the Code, Mr. Dharia will be paid either (i) the Change of Control Payment (which shall be subject to all applicable taxes to be paid by the executive including the excise tax payable pursuant to Section 4999 and which shall be limited as to deductibility to the Company) or (ii) a reduced amount, calculated in accordance with Section 280G, that may be paid to the executive without the imposition of an excise tax under Section 4999 and which shall be fully deductible to the Company, whichever payment yields the greater after-tax benefit to the executive.

Awadhesh Sinha. On January 10, 2014, the Company entered into an employment agreement with Mr. Sinha to replace a prior, expiring employment agreement. Pursuant to the employment agreement, Mr. Sinha continued to serve in his position of Chief Operating Officer of the Company and received a base salary of \$661,500 for the year 2016 until the employment agreement's expiration on December 31, 2016. The employment agreement also entitled Mr. Sinha to a monthly automobile allowance of \$1,850 and the payment of term life insurance premiums on Mr. Sinha's behalf in the amount of approximately \$3,500 per year.

On December 30, 2016, the Company entered into a new employment agreement (the "Sinha Agreement") with Mr. Sinha to replace the prior, expiring employment agreement. Pursuant to the Sinha Agreement, Mr. Sinha continues to serve as Chief Operating Officer of the Company through December 31, 2019 unless sooner terminated in accordance with its terms. The Sinha Agreement provides for an annual base salary of \$681,000, \$702,000 and \$723,000 for the years 2017, 2018 and 2019, respectively, and entitles Mr. Sinha to a monthly automobile allowance of \$1,850 and the payment of term life insurance premiums on Mr. Sinha's behalf in the amount of approximately \$3,500 per year. On January 3, 2017, pursuant to the Sinha Agreement, Mr. Sinha was granted 42,253 shares of Common Stock, subject to certain restrictions. These restricted share of Common Stock, which were issued under the 2006 Plan, will vest in three substantially equal annual installments, which vesting commenced on December 15, 2017.

Mr. Sinha's prior employment agreement entitled him to an annual performance-based bonus for each of the fiscal years ended December 31, 2015 and 2016 in an amount equal to 2% of the increase in the Company's EBITDA for each such year over the Company's EBITDA for the immediately preceding year. Mr. Sinha received a cash bonus of \$58,584 for 2016 EBITDA performance.

The Sinha Agreement entitles Mr. Sinha to an annual performance-based bonus for each of the fiscal years ended December 31, 2017, 2018 and 2019 in an amount equal to 2% of the increase, if any, in the Company's EBITDA for each such year over the Company's EBITDA for the immediately preceding year. For any business acquired after December 30, 2016, EBITDA from the acquired business is included in the bonus calculation starting with the first full quarter under Company ownership, provided that the prior year's EBITDA will likewise be adjusted to include EBITDA from the acquired business for comparable quarters in the prior year on a pro forma basis assuming the Company had owned the business. The maximum annual bonus is \$600,000, the first \$300,000 of which will be payable in cash and for any amount of the annual bonus in excess of \$300,000 by a grant of restricted shares of Common Stock, which restricted shares of Common Stock will vest in three equal annual installments commencing on the first anniversary of the grant date. Mr. Sinha received a cash bonus of \$300,000 and a grant of 2,493 restricted shares of Common Stock for 2017 EBITDA performance. Mr. Sinha received a cash bonus of \$274,600 for 2018 EBITDA performance. Bonuses and other incentive-based compensation paid to Mr. Sinha are subject to recovery by the Company in the event of a determination that such compensation was based upon materially inaccurate financial statements.

In the event of his death, the Sinha Agreement provides for the payment to Mr. Sinha's estate of his base salary for the 12-month period immediately subsequent to the date of Mr. Sinha's death. In addition, in the event of Mr. Sinha's "total disability" (as such term is defined in the agreement), the Company is obligated to continue to pay Mr. Sinha's base salary for the 12-month period immediately subsequent to the date of determination of such total disability. In the event that Mr. Sinha's employment is terminated "for cause" (as such terms are defined in the Sinha Agreement), or due to Mr. Sinha's resignation without "good reason" (as such term is defined in the Sinha Agreement), the Company is obligated to pay Mr. Sinha the amount of compensation that is accrued and unpaid through the date of termination. In the event that Mr. Sinha's employment is terminated by the Company without cause or by the resignation of Mr. Sinha

for good reason, Mr. Sinha would be entitled to receive payment of his annual base salary, payable at regular payroll intervals, from the date of termination of employment through the longer of (i) the remainder of the term or (ii) six months.

41

In addition, in the event that there is a “change of control” transaction and Mr. Sinha’s employment has been terminated by the Company other than “for cause” or if Mr. Sinha resigns “for good reason” (as such terms are defined in the agreement), Mr. Sinha will receive an amount equal to two and one half times (i) the annual base salary to which he was entitled as of the date of termination or resignation of employment plus (ii) the average cash bonus received by him for the preceding three-year period ending on the last previous December 31 (the “Change of Control Payment”). However, if the Change of Control Payment (or a portion thereof) is determined to constitute an “excess parachute payment” under Sections 280G and 4999 of the Code, Mr. Sinha will be paid either (i) the Change of Control Payment (which shall be subject to all applicable taxes to be paid by the executive including the excise tax payable pursuant to Section 4999 and which shall be limited as to deductibility to the Company) or (ii) a reduced amount, calculated in accordance with Section 280G, that may be paid to the executive without the imposition of an excise tax under Section 4999 and which shall be fully deductible to the Company, whichever payment yields the greater after-tax benefit to the executive.

Karla Frieders. On September 4, 2015, the Company entered into an employment agreement with Ms. Frieders, pursuant to which Ms. Frieders served as Chief Merchandising Officer of the Company for a term commencing on September 4, 2015 and ending on February 29, 2017. The employment agreement provided for an annual base salary during the term of \$440,000 and an annual performance-based bonus for each of the fiscal years ending December 31, 2015 and 2016 in an amount to be determined by the Company in its absolute discretion.

On April 11, 2017, the Company entered into a new employment agreement (the “Frieders Agreement”) with Ms. Frieders, which replaced the prior employment agreement, which had expired on February 29, 2017. Pursuant to the Frieders Agreement, Ms. Frieders continues to serve as Chief Merchandising Officer of the Company through April 30, 2020 unless the Frieders Agreement is sooner terminated in accordance with its terms. The Frieders Agreement provides to Ms. Frieders an annual base salary of \$550,000 from April 11, 2017 through April 30, 2018, \$570,000 from May 1, 2018 through April 30, 2019 and \$590,000 from May 1, 2019 through April 30, 2020. The Frieders Agreement also entitles Ms. Frieders to an annual performance bonus for each of the fiscal years ending December 31, 2017, 2018 and 2019 in an amount to be determined by the Company in its absolute discretion and paid to her on or about March 15 with respect to the prior year. On April 11, 2017, pursuant to the Frieders Agreement, Ms. Frieders was granted 30,000 shares of Common Stock, subject to certain restrictions. These restricted share of Common Stock, which were issued under the 2006 Plan, will vest in five equal annual installments, which vesting commenced on April 1, 2018.

In the event that Ms. Frieders’ employment is terminated due to Ms. Frieders’ “disability” (as defined in the agreement) or death, the Company is obligated to pay Ms. Frieders (or her estate) the amount of accrued and unpaid salary through the date of termination of employment. The Company may terminate Ms. Frieders’ employment for “cause” (as defined in the agreement) and, in such event, Ms. Frieders will be entitled only to accrued and unpaid salary through the date of termination of employment. In the event Ms. Frieders’ employment is terminated by the Company without cause, she would be entitled to receive payment of her annual base salary, payable at regular payroll intervals, from the date of termination of employment through the remainder of the term.

(1) In the 2018 Fiscal Year, the Compensation Committee established a bonus pool for Named Executive Officers and other key executives of the Company based on 6% of net income of the Company achieved in the 2018 Fiscal Year and also fixed each executive's maximum share of the 2018 bonus pool, which was 30% for Mr. Rosenfeld and 14% for each other Named Executive Officer. Since the bonus pool was established as a percentage of the Company's 2018 Fiscal Year net income, it would not be possible to determine the amount of these potential bonuses until the completion of the Company's 2018 Fiscal Year. Accordingly, the amount indicated is a representative payout amount and equals the maximum bonus the Named Executive Officer would have been eligible to receive from a bonus pool of \$7,076,880, which equals 6% of the \$117,948,000 in net income of the Company achieved in the fiscal year ended December 31, 2017. See the discussion of the 2018 bonus pool and the individual target awards of the Named Executive Officers appearing above in the "Annual Performance-Based Bonus - Based on Specific Performance Metrics" section of "Compensation Structure." As disclosed therein, the

Company paid these performance bonuses in a combination of cash and restricted shares of Common Stock. Accordingly, on March 15, 2019, Mr. Rosenfeld, Mr. Dharia and Ms. Frieders received performance-based cash bonuses of \$500,000, \$220,000 and \$100,000, respectively, and, on March 15, 2019, Mr. Rosenfeld and Ms. Frieders received grants of 91,547 and 15,258 restricted shares of Common Stock, respectively. In accordance with applicable SEC rules, these restricted stock awards will appear in the Summary Compensation Table to be included in our proxy statement for our 2020 Annual Meeting of Stockholders provided the restricted stock award recipient is a named executive officer in that proxy statement.

Under an employment agreement dated December 30, 2016 between the Company and Ms. Varela, Ms. Varela is entitled to receive a cash bonus under the Company's 2006 Plan on or about March 15, 2019 in an amount equal to 2% of the increase, if any, in the Company's total EBIT for the 2018 Fiscal Year over the Company's total EBIT for the fiscal year ended December 31, 2017. Since it would not be possible to determine the amount of Ms. Varela's cash bonus, if any, until the completion of the 2018 Fiscal Year, the amount indicated as the target bonus payout is (2) a representative amount and based upon the actual increase in the EBIT performance of the Company for the fiscal year ended December 31, 2017 from the EBIT performance of the Company for the fiscal year ended December 31, 2016. See the discussion of this grant to Ms. Varela appearing above in the "Annual Performance-Based Bonus - Based on Specific Performance Metrics" section of "Compensation Structure" and above under "Employment Arrangements." As disclosed in the Summary Compensation Table above, Ms. Varela received a cash bonus of \$263,302 for 2018 EBIT performance of the Company.

Under an employment agreement dated December 30, 2016 between the Company and Mr. Sinha, Mr. Sinha is entitled to receive a bonus under the Company's 2006 Plan on or about March 15, 2019 in an amount equal to 2% of the increase, if any, in the Company's EBITDA for the 2018 Fiscal Year over the Company's EBITDA for the immediately preceding fiscal year. The maximum annual bonus is \$600,000, the first \$300,000 of which is payable in cash and for any amount of the annual bonus in excess of \$300,000 by a grant of restricted shares of the Company's common stock, which restricted common stock will vest in three equal annual installments commencing (3) on the first anniversary of the grant date. Since it would not be possible to determine the amount of Mr. Sinha's bonus, if any, until the completion of the 2018 Fiscal Year, the amount indicated as the target bonus payout is a representative amount and based upon the actual increase in the EBITDA performance of the Company for the fiscal year ended December 31, 2017 from the EBITDA performance of the Company for the fiscal year ended December 31, 2016. See the discussion of this grant to Mr. Sinha appearing above in the "Annual Performance-Based Bonus - Based on Specific Performance Metrics" section of "Compensation Structure" and above under "Employment Arrangements." As disclosed in the Summary Compensation Table above, Mr. Sinha received a cash bonus of \$274,600 for 2018 EBITDA performance of the Company.

The Company's Amended and Restated 2006 Stock Incentive Plan is referred to as the "2006 Plan" throughout this Proxy Statement. The purpose of the 2006 Plan is to enhance the profitability and value of the Company for the benefit of its stockholders by enabling the Company to offer eligible employees, consultants and non-employee directors cash and stock-based incentives in the Company to attract, retain and reward such individuals and provide additional incentive for such persons to exert maximum efforts for the success of the Company by encouraging stock ownership in the Company. The 2006 Plan serves as a means to strengthen the mutuality of interests between such individuals and the Company's stockholders.

On December 31, 2018, Mr. Rosenfeld was awarded 87,500 shares of restricted Common Stock, which shares vest in five equal installments commencing on December 1, 2019. The above-referenced grants of restricted shares on March 11, 2015 and March 15, 2016 were forfeited and rescinded pursuant to a Forfeiture and Rescission of Awards Agreement between Mr. Rosenfeld and the Company because the grants, while intended as qualified performance-based compensation under Section 162(m) of the Code, did not qualify as qualified performance-based compensation under Section 162(m) of the Code on the grant date because the performance goals in the 2006 Plan under which the grants were made had not yet been re-approved by the stockholders of the Company, as periodically required by the 2006 Plan and Section 162(m) of the Code as then in effect. The above-referenced grants of (3) restricted shares on March 11, 2015 and March 15, 2016 were forfeited and rescinded pursuant to a Forfeiture and Rescission of Awards Agreement between Ms. Varela and the Company because the grants, while intended as qualified performance-based compensation under Section 162(m) of the Code, did not qualify as qualified performance-based compensation under Section 162(m) of the Code on the grant date because the performance goals in the 2006 Plan under which the grants were made had not yet been re-approved by the stockholders of the Company, as periodically required by the 2006 Plan and Section 162(m) of the Code as then in effect. The Company's stockholders re-approved the performance goals contained in the 2006 Plan at the 2016 Annual Meeting of Stockholders and the forfeited and rescinded grants of restricted shares were re-granted to Ms. Varela on August 12, 2016.

On January 3, 2017, Mr. Sinha was awarded 42,253 shares of restricted Common Stock, which shares vest in three substantially equal annual installments commencing on December 15, 2017. On March 15, 2018, Mr. Sinha was awarded 2,493 shares of restricted Common Stock, which shares vest in three equal annual installments commencing on December 15, 2018. The grant of restricted shares on March 15, 2016 was forfeited and rescinded pursuant to a Forfeiture and (5) Rescission of Awards Agreement between Mr. Sinha and the Company because the grant, while intended as qualified performance-based compensation under Section 162(m) of the Code, did not qualify as qualified performance-based compensation under Section 162(m) of the Code on the grant date because the performance goals in the 2006 Plan under which the grant was made had not yet been re-approved by the stockholders of the Company, as periodically required by the 2006 Plan and Section 162(m) of the Code as then in effect. The Company's stockholders re-approved the performance goals contained in the 2006 Plan at the 2016 Annual Meeting of Stockholders and the forfeited and rescinded grant of restricted shares was re-granted to Mr. Sinha on August 12, 2016.

(6) On March 17, 2014, Ms. Frieders was awarded 8,247 shares of restricted Common Stock, which shares vest in five substantially equal annual installments commencing on March 5, 2015. On March 2, 2015, Ms. Frieders was awarded 31,137 shares of restricted Common Stock, which shares vest in five substantially equal annual installments commencing on the first anniversary of the date awarded. On March 15, 2016, Ms. Frieders was awarded 8,269 shares of restricted Common Stock, which shares vest in five substantially equal annual installments commencing on the first anniversary of the date awarded. On April 11, 2017, Ms. Frieders was awarded 30,000 shares of restricted Common Stock, which shares vest in five equal annual installments

commencing on April 1, 2018. On March 15, 2018, Ms. Frieders was awarded 16,666 shares of restricted Common Stock, which shares vest in five equal installments commencing on March 5, 2019. The grant of restricted shares on March 15, 2016 was forfeited and rescinded pursuant to a Forfeiture and Rescission of Awards Agreement between Ms. Frieders and the Company because the grant, while intended as qualified performance-based compensation under Section 162(m) of the Code, did not qualify as qualified performance-based compensation under Section 162(m) of the Code on the grant date because the performance goals in the 2006 Plan under which the grant was made had not yet been re-approved by the stockholders of the Company, as periodically required by the 2006 Plan and Section 162(m) of the Code as then in effect. The Company's stockholders re-approved the performance goals contained in the 2006 Plan at the 2016 Annual Meeting of Stockholders and the forfeited and rescinded grant of restricted shares was re-granted to Ms. Frieders on August 12, 2016.

Termination, Change-in-Control and Non-Competition/Non-Solicitation

The employment agreements for Ms. Varela and Messrs. Rosenfeld, Dharia and Sinha provide for a severance payment upon a termination of employment in connection with a change-in-control of the Company. The employment agreements of Messrs. Rosenfeld, Dharia and Sinha also provide for severance payment if the executive terminates his employment for good reason in connection with a change-in-control event. The change-in-control severance payments may result in the application of the “golden parachute” provisions of Section 280G of the Code and, to the extent Section 280G applies, the Company may not deduct from its taxable income the severance payments made to the Named Executive Officer. Moreover, Section 4999 of the Code would impose a 20% excise tax on the Named Executive Officer receiving the severance payment. In the case of Ms. Varela, these severance payments in connection with a change-in-control, however, are reduced if the severance payment, when added to any other benefits triggered by a change-of-control, is determined to constitute an “excess parachute payment” under Sections 280G and 4999 of the Code, to the maximum amount that is deductible to the Company under Section 280G of the Code. In the case of Messrs. Rosenfeld, Dharia and Sinha, the executive’s change-in-control severance payment will only be reduced to the maximum amount that is deductible to the Company under Section 280G of the Code if the reduction provides the Named Executive Officer with the best after-tax result; otherwise, the Named Executive Officer will receive the full amount of the severance payment and other benefits triggered by the change-in-control and be liable for the 20% excise tax on the excess parachute payment in addition to all other applicable taxes and, in such case, the deduction by the Company of the portion of the severance payment constituting an excess parachute payment will be disallowed.

The Company’s employment agreements with Ms. Varela and Messrs. Rosenfeld, Dharia and Sinha also provide for severance payments to the executive if the Company terminates the executive’s employment without cause, or, in the case of Mr. Rosenfeld and Mr. Sinha, if the Company gives him good reason to terminate employment.

Please see the section of this Proxy Statement captioned “Employment Arrangements” for a summary description of the Named Executive Officers’ employment agreements and such severance and change-in-control provisions. These benefits are described and quantified in the section of this Proxy Statement captioned “Potential Payments Upon Termination or Change-In-Control” below.

The Company believes that the severance payments and payments made upon change-in-control provisions in the employment agreements provide appropriate protection to the Company’s executives, comparable to that available at peer companies, and, with regard to the enhanced severance following a change-in-control, protects the Company from losing key executives during a period when a change-in-control may be threatened or pending. These benefits are described and quantified in the section below captioned “Potential Payments Upon Termination or Change-In-Control.”

Mses. Frieders and Varela have each agreed to a non-compete and non-solicitation restriction through the expiration date of her employment agreement, April 30, 2020 and December 31, 2019, respectively, in the event of a voluntary termination or termination for cause. Messrs. Rosenfeld and Sinha have each agreed to a non-compete and non-solicitation restriction during the period of his employment and for a six-month period following the termination of his employment for cause or in the event of his resignation without good reason. Mr. Dharia does not have non-compete or non-solicitation provisions in his employment agreement.

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE-IN-CONTROL

The Company's employment agreements with the Named Executive Officers provide for payments to such individuals upon termination of employment or a change-in-control of the Company. Please see the section of this Proxy Statement captioned "Employment Arrangements." The amounts set forth in the table below shall be payable to the respective Named Executive Officer if such Named Executive Officer's employment is terminated under the various scenarios set forth below.

PROPOSAL TWO:

APPROVAL OF AN AMENDMENT TO
THE CERTIFICATE OF INCORPORATION OF STEVEN MADDEN, LTD.

Under Delaware law, a Delaware corporation may only issue shares of its capital stock to the extent such shares have been authorized for issuance under the corporation's certificate of incorporation. Under the Company's Certificate of Incorporation, we are authorized to issue 140,000,000 shares of stock, 135,000,000 of which shares have been designated as shares of Common Stock and 5,000,000 of which shares have been designated as shares of preferred stock. Our Board of Directors has determined that it is in the best interests of the Company and our stockholders to amend our Certificate of Incorporation to increase the total number of shares of Common Stock that the Company is authorized to issue by 110,000,000 shares from 135,000,000 shares to 245,000,000 shares. The Board of Directors has unanimously approved the proposed amendment to the Certificate of Incorporation subject to approval of our stockholders and recommends that the stockholders approve and adopt such amendment. The following resolution is submitted for stockholder approval:

“RESOLVED, that the Certificate of Incorporation of Steven Madden, Ltd. (the ‘Company’) be, and it hereby is, amended by deleting the first paragraph of Article FOURTH thereof and substituting in lieu thereof a new first paragraph to read as follows:

“FOURTH: The total number of shares of all classes of stock which the corporation shall have authority to issue is two hundred fifty million (250,000,000) shares, consisting of two hundred forty-five million (245,000,000) shares of common stock, \$0.0001 par value per share, and five million (5,000,000) shares of preferred stock, \$0.0001 par value per share.”

; and that such amendment is hereby authorized, approved and adopted as and for the action of the stockholders of the Company.”

If the amendment to the Company's Certificate of Incorporation is approved by our stockholders, the amendment will become effective upon the filing of a certificate of amendment with the Secretary of State of the State of Delaware, which filing is expected to occur promptly after the Annual Meeting.

Purpose of the Amendment

The purpose of the amendment to the Company's Certificate of Incorporation is to increase the total number of shares of Common Stock that the Company is authorized to issue from 135,000,000 shares to 245,000,000 shares. The number of shares of the Company's authorized Common Stock was last increased in 2013, when the Company's stockholders approved an amendment to the Company's Certificate of Incorporation to increase the authorized Common Stock from 60,000,000 to 135,000,000. As of the Record Date, the Company had 85,782,610 shares of Common Stock issued and outstanding. In addition to the shares outstanding on the Record Date, there were 1,536,050 shares of our Common Stock issuable upon the exercise of options, 66,621 shares of our Common Stock reserved for future issuance under the Company's Amended and Restated 2006 Stock Incentive Plan and 46,751,198 shares of our Common Stock held in treasury. If the Company were to issue all of the shares of Common Stock

reserved, subject to or contemplated for issuance as described above (including the reissuance of treasury shares), a total of 134,136,479 shares of Common Stock would be issued and outstanding.

In addition, on April 6, 2019, the Company's Amended and Restated 2006 Stock Incentive Plan will reach the end of its ten-year term and expire. As described under Proposal Three below, stockholder approval is being sought for the Company's 2019 Incentive Compensation Plan. Stockholder approval of the 2019 Incentive Compensation Plan would constitute approval of the issuance under the such plan of up to 11,000,000 shares of Common Stock. Without an increase in our authorized shares, there would not be sufficient authorized shares of Common Stock available for reservation and issuance under the Company's 2019 Incentive Compensation Plan.

As a result of the foregoing, the Company does not believe that the number of currently authorized shares of Common Stock available for future issuance provides the Company with the necessary flexibility to be able to continue to grow the Company and its operations in 2019 and future years. The Board of Directors believes that the amendment is advisable and in the best interests of our Company and our stockholders in order to maintain our flexibility in considering and planning for future corporate needs in today's competitive and fast-changing environment.

The Board believes that the authorized Common Stock should be increased to provide sufficient shares for issuance under the Company's 2019 Incentive Compensation Plan and other general corporate purposes as may be determined by the Board of Directors in the exercise of its discretion. These general corporate purposes may include future stock splits like the three-for two stock splits effected by the Company in each of 2010, 2011, 2013 and 2018 in the event our Board of Directors were to determine such a stock split is advisable based upon then existing market conditions and other factors. Other purposes may include the issuance of Common Stock to facilitate potential acquisitions of or mergers with other companies, acquisitions of businesses or product lines, attracting and retaining employees by the issuance of additional securities under equity compensation plans and other transactions and such other corporate purposes that the Board of Directors deems are in our Company's best interests. The Board of Directors believes that additional authorized shares of Common Stock would enable us to take timely advantage of market conditions and favorable opportunities that may arise for these types of transactions, in most cases without the delay and expense associated with convening a special meeting of stockholders before such issuances. Other than issuances pursuant to the Company's Amended and Restated 2006 Stock Incentive Plan and the Company's 2019 Incentive Compensation Plan, as of the date of this Proxy Statement, we have no current plans, commitments, agreements, arrangements or understandings regarding the issuance of additional shares of Common Stock.

Possible Effects of the Amendment to the Company's Certificate of Incorporation

Upon issuance, the additional shares of authorized Common Stock would have rights identical to the currently outstanding shares of Common Stock. Adoption of the amendment would not have immediate dilutive effect on the proportionate voting power or other rights of existing stockholders. However, as is true for shares presently authorized but unissued, the future issuance of Common Stock authorized by the amendment may, among other things, dilute the earnings per share of the Common Stock, decrease existing stockholders' percentage equity ownership and, depending on the price at which they are issued, could be dilutive to the voting rights of existing stockholders and have a negative effect on the market price of the Common Stock. Current stockholders have no preemptive or similar rights, which means that current stockholders do not have a prior right to purchase any new issue of Common Stock in order to maintain their proportionate ownership thereof.

We have not proposed the increase in the number of authorized shares of Common Stock with the intention of using the additional authorized shares for anti-takeover purposes, but our Company would be able to use the additional shares to oppose a hostile takeover attempt or delay or prevent changes in control or management of our Company. For example, without further stockholder approval, the Board of Directors could sell shares of Common Stock in a private transaction to purchasers who would oppose a takeover or favor our current Board of Directors. Such a sale could have the effect of discouraging an attempt by another person or entity, through the acquisition of a substantial number of shares of our Common Stock, to acquire our Company since the issuance could be used to dilute the stock ownership of the acquirer.

We could also use the additional shares of Common Stock as consideration for potential strategic transactions, including, among other things, acquisitions, strategic partnerships, joint ventures, restructurings, business combinations and investments although we have no immediate plans to do so.

Our Board of Directors is authorized, subject to certain limitations prescribed by law, without further stockholder approval, to issue from time to time up to an aggregate of 5,000,000 shares of preferred stock in one or more series and to fix or alter the designations, preferences, rights and any qualifications, limitation or restrictions of shares of each such series thereof, including the dividend rights, dividend rates, conversion rights, voting rights and terms of redemption of shares constituting any series or designations of such series. The rights of the holders of Common Stock will be subject to and may be adversely affected by, the rights of holders of preferred stock that may be issued in the future. Issuance of preferred stock could have the effect of making it more difficult for a third party to acquire or of discouraging a third party from acquiring a majority of the outstanding voting stock of the Company.

Required Vote

Approval of this resolution requires the affirmative vote of the holders of a majority of the outstanding shares of Common Stock.

Recommendation of the Board of Directors

The Board of Directors unanimously recommends a vote “FOR” the approval of the amendment to the Certificate of Incorporation of Steven Madden, Ltd.

PROPOSAL THREE:

APPROVAL OF THE ADOPTION OF STEVEN MADDEN, LTD. 2019 INCENTIVE COMPENSATION PLAN

On February 25, 2019, upon recommendation of the Compensation Committee, the Board unanimously approved the adoption of the Steven Madden, Ltd. 2019 Incentive Compensation Plan (the “2019 Plan” or the “Plan”), subject to stockholder approval. If approved by the stockholders at the Annual Meeting, the 2019 Plan will become effective as of the date on which the Board of Directors approved the 2019 Plan. If approved, the 2019 Plan would be a successor to the Company’s Amended and Restated 2006 Stock Incentive Plan, the term of which is set to expire on April 6, 2019. The Board believes that approval of the 2019 Plan is essential for the Company’s ability to continue to utilize incentive awards to retain and attract the services of key individuals essential to the Company’s long-term growth and financial success and to further align their interests with those of the Company’s stockholders.

If the 2019 Plan is approved by our stockholders, subject to adjustments described in the Plan, 11 million new shares of our Common Stock will be authorized for issuance under the Plan. As described under Proposal Two above, stockholder approval is being sought to amend the Company’s Certificate of Incorporation to increase the total number of shares of Common Stock that the Company is authorized to issue from 135,000,000 shares to 245,000,000 shares. Without an increase in the authorized shares, the Company would not have sufficient authorized shares of Common Stock available for reservation and issuance under the Plan.

Description of the 2019 Plan

The following is a brief description of certain important features of the 2019 Plan. This summary is qualified in its entirety by reference to the full text of the 2019 Plan, which is attached as Annex B to this Proxy Statement. If Proposal Three is approved, we intend to file a registration statement on Form S-8, pursuant to the Securities Act of 1933, as amended, to register the additional shares of Common Stock authorized for grant under the 2019 Plan promptly after receipt of such approval.

Administration. The 2019 Plan requires that it be administered by a committee consisting of two or more non-employee directors, each of whom will be, to the extent required, a “non-employee director” as defined in Rule 16b-3 of the Exchange Act and an “independent director” as defined under NASDAQ Rule 5605(a)(2) (the “Committee”). The Committee has full authority under the 2019 Plan to administer and interpret the 2019 Plan, to grant discretionary awards, to determine the individuals to whom awards will be granted, to determine the types of awards to be granted, to determine the terms and conditions of each award, to determine the number of shares of Common Stock to be covered by each award and to make all other determinations in connection with the 2019 Plan and the awards thereunder. The terms and conditions of individual awards are to be set forth in written agreements that are consistent with the terms of the 2019 Plan and awards may not be made on or after ten years after the effective date of the 2019

Plan. Currently, the Compensation Committee of the Board serves as the Committee under the 2019 Plan.

Eligibility and Types of Awards. As of April 1, 2019, the Company had 3,793 employees, all of whom were eligible to participate under the 2019 Plan. Our non-employee directors, currently seven directors, as well as individuals providing consulting or advisory services to the Company or its affiliates pursuant to a written agreement, are also eligible to receive awards under the 2019 Plan. The types of awards available under the 2019 Plan consist of nonqualified stock options, stock appreciation rights, performance shares, restricted stock, restricted stock units, other stock-based awards and performance-based cash awards. In addition, the Company's employees and employees of the Company's affiliates that qualify as subsidiaries or parent corporations (as defined under Section 424 of the Code) are eligible to be granted incentive stock options under the 2019 Plan.

Available Shares and Limits on Awards. Assuming that the stockholders approve the 2019 Plan, a total of 11,000,000 shares will be reserved for issuance under the 2019 Plan. The maximum number of shares of Common Stock with respect to which any stock option, stock appreciation right or shares of restricted stock that are subject to the attainment of specified performance goals that may be granted under the Plan during any fiscal year to any eligible employee or consultant will be 1,000,000 shares per type of award, subject to a total limit on the number of shares of Common Stock with respect to all awards of 1,200,000 shares during any fiscal year. There is no annual limit on the number of shares of Common Stock with respect to an award to eligible employees or consultants of restricted stock that is not subject to the attainment of specified performance goals. The maximum number of shares of Common Stock with respect to any award of performance shares to an eligible employee or consultant during any fiscal year is 1,000,000 shares. The maximum payment that may be made to an eligible employee or consultant under any performance-based cash award during any fiscal year and subject to the attainment of specified performance goals is \$10,000,000.

The maximum number of shares of Common Stock with respect to which any stock option (other than incentive stock options), stock appreciation right, or other share appreciation awards that may be granted under the Plan during any fiscal year to any non-employee director will be 120,000 shares per type of award, subject to a total limit on the number of shares of Common Stock with respect to all awards of 160,000 shares during any fiscal year. Any award of Restricted Stock, Restricted Stock Units and any other awards other than stock options, stock appreciation rights and other share appreciation awards which may be granted under this Plan during any fiscal year of the Company to each non-employee director shall be 40,000 shares per type of award, provided that the maximum number of shares of Common Stock for all such awards does not exceed 60,000 with respect to any fiscal year of the Company. In no event shall the aggregate grant of awards to non-employee directors (when combined with certain other awards) exceed 5% of the total number of shares of Common Stock reserved for awards under the Plan.

The 2019 Plan requires the Committee to appropriately adjust the individual maximum share limitations, the aggregate number of shares of Common Stock available for the grant of awards, and the exercise price of an award to reflect any change in the Company's capital structure or business by reason of certain corporate transactions or events.

Under the 2019 Plan, the number of shares of Common Stock available for awards is reduced by (i) the total number of options or stock appreciation rights exercised, regardless of whether any of the shares of Common Stock underlying such awards are actually issued to the participant as the result of a net settlement, (ii) any shares of Common Stock used to pay any exercise price or tax withholding obligation with respect to any award and (iii) any shares of Common Stock repurchased by the Company on the open market with the proceeds of a stock option exercise price.

Fungible Share Limit. The 2019 Plan includes a "fungible share limit" to manage authorized shares. Under the 2019 Plan's fungible share design:

- shares of Common Stock subject to awards that are not appreciation awards count against the 2019 Plan's share reserve as 3.0 shares for every share of Common Stock granted;

- each share of Common Stock underlying an appreciation award granted that expires, terminates, is cancelled or is forfeited for any reason, is added back to the 2019 Plan's aggregate maximum share limit and is again available for grant; and
- each share of Common Stock underlying an award that is not an appreciation award that expires, terminates, is cancelled or is forfeited for any reason, is added back to the 2019 Plan's share reserve as 3.0 shares of Common Stock and is again available for grant.

The 2019 Plan's fungible share limit has the effect of reducing the maximum number of awards under the 2019 Plan because awards that are not appreciation awards (such as awards of restricted stock) count against the 2019 Plan's share reserve as 3.0 shares for every share of Common Stock granted, rather than one share, as is the case for options and other appreciation awards.

Awards Under the 2019 Plan. The following types of awards are available under the 2019 Plan:

Stock Options. The Committee may grant nonqualified stock options and incentive stock options (only to eligible employees) to purchase shares of Common Stock. The Committee will determine the number of shares of Common Stock subject to each option, the term of each option, which may not exceed seven years (or five years in the case of an incentive stock option granted to a 10% stockholder), the exercise price, the vesting schedule (if any), and the other material terms of each option. No incentive stock option or nonqualified stock option may have an exercise price less than the fair market value of the Common Stock at the time of grant (or, in the case of an incentive stock option granted to a 10% stockholder, 110% of fair market value).

Options will be exercisable at such time and subject to such terms and conditions as determined by the Committee at grant and the exercisability of such options may be accelerated by the Committee in its sole discretion, provided that no option is exercisable more than seven years after the date the option is granted and, in the case of a ten percent stockholder, five years from the date an incentive stock option is granted. Upon the exercise of an option, the participant must make payment of the full exercise price, either (i) in cash, check, bank draft or money order; (ii) solely to the extent permitted by law, through the delivery of irrevocable instructions to a broker reasonably acceptable to the Company to deliver promptly to the Company an amount equal to the purchase price; or (iii) on such other terms and condition as may be acceptable to the Committee.

Stock Appreciation Rights. The Committee may grant stock appreciation rights (“SARs”) either with a stock option which may be exercised only at such times and to the extent the related option is exercisable (“Tandem SAR”) or independent of a stock option (“Non-Tandem SARs”). A SAR is a right to receive a payment in Common Stock or cash (as determined by the Committee) equal in value to the excess of the fair market value of one share of Common Stock on the date of exercise over the exercise price per share established in connection with the grant of the SAR. The term of each SAR may not exceed seven years. The base price per share covered by a SAR will be the exercise price per share of the related option in the case of a Tandem SAR and will be the fair market value of the Common Stock on the date of grant in the case of a Non-Tandem SAR. The Committee may also grant “limited SARs,” either as Tandem SARs or Non-Tandem SARs, which may become exercisable only upon the occurrence of a change in control (as defined in the 2019 Plan) or such other event as the Committee may, in its sole discretion, designate at the time of grant or thereafter.

Restricted Stock. The Committee may award shares of restricted stock. Except as otherwise provided by the Committee upon the award of restricted stock, the recipient generally has the rights of a stockholder with respect to the shares, including the right to receive dividends, the right to vote the shares of restricted stock and, conditioned upon full vesting of shares of restricted stock, the right to tender such shares, subject to the conditions and restrictions generally applicable to restricted stock or specifically set forth in the recipient’s restricted stock agreement. The Committee may determine at the time of award, that the payment of dividends, if any, will be deferred until the expiration of the applicable restriction period. Recipients of restricted stock are required to enter into a restricted stock agreement with the Company, which states the restrictions to which the shares are subject, which may include satisfaction of pre-established performance goals, and the criteria or date or dates on which such restrictions will lapse.

If the grant of restricted stock or the lapse of the relevant restrictions is based on the attainment of performance goals, the Committee will establish for each recipient the applicable performance goals, formulae or standards and the applicable vesting percentages with reference to the attainment of such goals or satisfaction of such formulas or standards. Such performance goals may incorporate provisions for disregarding (or adjusting for) changes in accounting methods, corporate transactions (including, without limitation, dispositions and acquisitions) and other similar events or circumstances. The performance goals for performance-based restricted stock are based on one or more of the objective criteria set forth on Exhibit A to the 2019 Plan and discussed in general below.

Restricted Stock Units. The Committee may award restricted stock units (“RSUs”). An RSU conveys a right to payment of Common Stock or the cash value of Common Stock after the date on which the award is granted and subject to such conditions, including vesting and performance conditions, as the Committee may determine. Except as otherwise provided upon the award of RSUs, the recipient does not have the rights of a stockholder with respect to the underlying shares, including with respect to voting and dividends or the right to tender shares, until the conditions on the award have been satisfied and the shares have been delivered to the recipient. If the grant of restricted stock or the lapse of the relevant restrictions is based on the attainment of performance goals, the Committee will establish for each recipient the applicable performance goals, formulae or standards and the applicable vesting percentages with reference to the attainment of such goals or satisfaction of such formulae or standards. Such performance goals may incorporate provisions for disregarding (or adjusting for) changes in accounting methods, corporate transactions (including, without limitation, dispositions and acquisitions) and other similar events or circumstances. The performance goals for performance-based restricted stock are based on one or more of the objective criteria set forth on Exhibit A to the 2019 Plan and discussed in general below.

Performance Shares. The Committee may award performance shares. A performance share is counted as one share of Common Stock. The performance goals for performance shares are based on one or more of the objective criteria set forth on Exhibit A to the 2019 Plan and discussed in general below. A minimum level of acceptable achievement will also be established by the Committee. If, by the end of the performance period, the recipient has achieved the specified performance goals, he or she will be deemed to have fully earned the performance shares. To the extent earned, the performance shares will be paid to the recipient at the time and in the manner determined by the Committee in cash, shares of Common Stock or any combination thereof.

Other Stock-Based Awards. The Committee may, subject to limitations under applicable law, make a grant of such other stock-based awards (including, without limitation, performance units, dividend equivalent units, stock equivalent units, restricted stock units and deferred stock units) under the 2019 Plan that are payable in cash or denominated or payable in or valued by shares of Common Stock or factors that influence the value of such shares. The Committee will determine the terms and conditions of any such other awards, which may include the achievement of certain minimum performance goals and/or a minimum vesting period. The performance goals for performance-based other stock-based awards are based on one or more of the objective criteria set forth on Exhibit A to the 2019 Plan and discussed in general below.

Performance-Based Cash Awards. The Committee may, subject to limitations under applicable law, make a grant of individual target awards either alone or in tandem with stock options, SARs or restricted stock under the 2019 Plan that are contingent upon the satisfaction of certain pre-established performance goals that are reached within a specified performance period, each of which, together with any other terms and conditions, shall be determined by the Committee in its sole discretion at the time of grant. At the time the performance goals are established, the Committee will prescribe a formula to determine the percentages (which may be greater than 100%) of the individual target award which may be payable based upon the degree of attainment of the performance goals during the calendar year. The Committee may, in its sole discretion, elect to pay a participant an amount that is less than the participant's individual target award regardless of the degree of attainment of the performance goals; provided that no such discretion to reduce a performance-based cash award earned based on achievement of the applicable performance goals will be permitted for a calendar year in which a change in control occurs. The performance goals for performance-based cash awards are based on one or more of the objective criteria set forth on Exhibit A to the 2019 Plan and discussed in general below.

Limitation. Notwithstanding any other provisions in the 2019 Plan or in any employment agreement, the restrictions or vesting conditions, as applicable, on restricted stock awards, restricted stock units, other stock-based awards and performance-based awards can be no less than (i) one year, if the lapsing of restrictions or vesting schedule, as applicable, is based (in whole or in part) on the attainment of one or more performance goals, and (ii) three years, if the lapsing of restrictions or the vesting schedule, as applicable, is based solely on the continued performance of services by the Plan participant (with restrictions as to no more than 1/3rd of shares of Common Stock subject thereto lapsing on each of the first three anniversaries of the date of grant); provided that, the Committee is authorized to provide for earlier lapsing of the restrictions or acceleration of vesting, as applicable, in the event of a change in control of the Company or a participant's retirement, death or disability. The preceding limitation does not apply with respect to up to 5% (when combined with the 5% limitation for non-employee director award grants) of the total number of shares of Common Stock reserved for awards under the Plan.

Performance Goals. The Committee may grant awards of restricted stock, restricted stock units, performance shares, performance-based cash awards and other stock-based awards that may be granted, vest and be paid based on attainment of specified performance goals established by the Committee. These performance goals are based on the attainment of a certain target level of, or a specified increase or decrease in, one or more of the following criteria selected by the Committee:

- earnings per share, earnings before interest and taxes or earnings before interest, taxes, depreciation and amortization;
- gross profit or gross profit return on investment;
- gross margin or gross margin return on investment;
- operating income, net income, cash flow or economic value added;
- return on assets; return on capital; revenue growth;
- working capital;
- specified objectives with regard to limiting the level of increase in all or a portion of, the Company's bank debt or other long-term or short-term public or private debt or other similar financial obligations of the Company, which may be calculated net of cash balances and/or other offsets and adjustments as may be established by the Committee;
- return on equity, assets or capital;
- total shareholder return;
- fair market value of the shares of the Common Stock;
- market share and/or market segment share;
- the growth in the value of an investment in the Common Stock assuming the reinvestment of dividends;
- customer satisfaction, customer loyalty, brand recognition and/or brand acceptance;
- style indexes;
- employee retention;
- number of new patents, new product innovation and/or introduction;
- product release schedules and/or ship targets; or
- reduction in expenses and/or product cost reduction through advanced technology.

The Committee may also exclude the impact of an event or occurrence such as restructurings, discontinued operations, extraordinary items and other unusual or non-recurring charges, an event either not directly related to the operations of the Company or not within the reasonable control of the Company's management, or a change in accounting standards required by generally accepted accounting principles, which the Committee determines should be appropriately excluded. Performance goals may also be based on individual participant performance goals, as determined by the Committee in its sole discretion, or they may be based upon the attainment of specified levels of Company (or subsidiary, division or other operational unit of the Company) performance under one or more of the measures described above relative to the performance of other corporations. The Committee may designate additional business criteria on which the performance goals may be based or adjust, modify or amend those criteria.

Change in Control. In the event of a change in control (as defined in the 2019 Plan) of the Company, awards under the 2019 Plan may be assumed and continued or substituted in accordance with applicable law. If and to the extent that a successor to the Company converts, assumes, substitutes or replaces an award, the vesting restrictions and/or forfeiture provisions applicable to such award will not accelerate or lapse by reason of the change in control. However, if the participant's employment or other service is terminated, other than for cause, within 12 months

coincident with or immediately following the change in control, unvested awards will become fully vested and exercisable. If the award is not continued as provided above, the awards generally shall become fully exercisable or payable immediately prior to the change in control, and such awards shall terminate at the effective time of the change in control.

Term, Amendment and Termination. The term of the 2019 Plan extends for a period of ten years from February 25, 2019 and, accordingly, will remain in effect through February 24, 2029, unless sooner terminated. Notwithstanding any other provision of the 2019 Plan, the Board may at any time amend any or all of the provisions of the 2019 Plan, or suspend or terminate it entirely, retroactively or otherwise; provided, however, that, unless otherwise required by law or specifically provided in the 2019 Plan, the rights of a participant with respect to awards granted prior to such amendment, suspension or termination may not be adversely affected without the consent of such participant and, provided further that the approval of the Company's stockholders will be obtained to the extent required by Delaware law, Section 422 of the Code, The Nasdaq Global Select Market or the rules of such other applicable stock exchange, as specified in the 2019 Plan.

Repricing Options and Stock Appreciation Rights. The 2019 Plan includes an additional express prohibition against repricing stock options and stock appreciation rights. The Company may not, without stockholder approval, either (i) reduce the exercise price of an outstanding stock option or stock appreciation right or (ii) simultaneously cancel stock options or stock appreciation rights for which the exercise price exceeds the then current fair market value of the underlying Common Stock and grant a new stock option or stock appreciation right with an exercise price equal to the then current fair market value of the underlying Common Stock.

Miscellaneous. Awards granted under the 2019 Plan are generally nontransferable (other than by will or the laws of descent and distribution), except that the Committee may provide for the transferability of nonqualified stock options at the time of grant or thereafter to certain family members.

Certain U.S. Federal Income Tax Consequences

The rules concerning the federal income tax consequences with respect to options granted and to be granted pursuant to the 2019 Plan are quite technical. Moreover, the applicable statutory provisions are subject to change, as are their interpretations and applications, which may vary in individual circumstances. Therefore, the following is designed to provide a general understanding of the federal income tax consequences. In addition, the following discussion does not set forth any gift, estate, Social Security or state or local tax consequences that may be applicable and is limited to the U.S. federal income tax consequences to individuals who are citizens or residents of the U.S., other than those individuals who are taxed on a residence basis in a foreign country.

Incentive Stock Options. In general, an employee will not recognize taxable income upon either the grant or the exercise of an incentive stock option and the Company will not be entitled to an income tax deduction at either such time. In general, however, for purposes of the alternative minimum tax, the excess of the fair market value of the shares of Common Stock acquired upon exercise of an incentive stock option (determined at the time of exercise) over the exercise price of the incentive stock option will be considered income. If the recipient is continuously employed on the date of grant until the date three months prior to the date of exercise and such recipient does not sell Common Stock received pursuant to the exercise of the incentive stock option within either (i) two years after the date of the grant of the incentive stock option or (ii) one year after the date of exercise, a subsequent sale of Common Stock will

result in long-term capital gain or loss to the recipient and will not result in a tax deduction to the Company.

If the recipient is not continuously employed on the date of grant until the date three months prior to the date of exercise or such recipient disposes of Common Stock acquired upon exercise of the incentive stock option within either of the above-mentioned time periods, the recipient will generally recognize as ordinary income an amount equal to the lesser of (i) the fair market value of Common Stock on the date of exercise over the exercise price, or (ii) the amount realized upon disposition over the exercise price. In such event, subject to the limitations of Section 280G of the Code (as described below), the Company generally will be allowed an income tax deduction equal to the amount recognized as ordinary income. Any gain in excess of such amount recognized by the recipient as ordinary income would be taxed at the rates applicable to short-term or long-term capital gains (depending on the holding period).

To the extent that the aggregate fair market value (determined as of the time of grant) of the Common Stock with respect to which incentive stock options are exercisable for the first time by a participant during any calendar year under the 2019 Plan and/or any other stock option plan of the Company or affiliate exceeds \$100,000, such options are treated as non-qualified stock options.

Nonqualified Stock Options. A recipient will not recognize any taxable income upon the grant of a nonqualified stock option and the Company will not be entitled to a deduction at the time of such grant unless such option has a readily ascertainable fair market value (as determined under applicable tax law) at the time of grant. Upon exercise of a nonqualified stock option, the recipient generally will recognize ordinary income in an amount equal to the excess of the fair market value of Common Stock on the date of exercise over the exercise price. Upon a subsequent sale of Common Stock by the recipient, the recipient will recognize short-term or long-term capital gain or loss depending upon his or her holding period for Common Stock. Subject to the limitations of Section 280G of the Code (as described below), the Company will generally be allowed an income tax deduction equal to the amount recognized by the recipient as ordinary income.

All Options. With regard to both incentive stock options and nonqualified stock options, the following also apply: (i) any of the Company's officers and directors subject to Section 16(b) of the Exchange Act may be subject to special tax rules regarding the income tax consequences concerning their stock options, (ii) any entitlement to a tax deduction on the part of the Company is subject to the applicable tax rules, and (iii) in the event that the exercisability or vesting of any award is accelerated because of a change in control, payments relating to the awards (or a portion thereof), either alone or together with certain other payments, may constitute parachute payments under Section 280G of the Code, which excess amounts may be subject to excise taxes and may be nondeductible by the Company.

Section 409A of the Code provides that all amounts deferred under a nonqualified deferred compensation plan are includible in a participant's gross income to the extent such amounts are not subject to a substantial risk of forfeiture, unless certain requirements are satisfied. If the requirements are not satisfied, in addition to current income inclusion, interest at the underpayment rate plus 1% will be imposed on the participant's underpayments that would have occurred had the deferred compensation been includible in gross income for the taxable year in which first deferred or, if later, the first taxable year in which such deferred compensation is not subject to a substantial risk of forfeiture. The amount required to be included in income is also subject to an additional 20% tax. While most awards under the 2019 Plan are anticipated to be exempt from the requirements of Section 409A of the Code, awards not exempt from Section 409A of the Code are intended to comply with Section 409A of the Code.

The 2019 Plan is not subject to any of the requirements of the Employee Retirement Income Security Act of 1974, as amended. The 2019 Plan is not, nor is it intended to be, a "tax-qualified" plan under Section 401(a) of the Code.

The Board of Directors unanimously recommends a vote "FOR" the approval of the Steven Madden, Ltd. 2019 Incentive Compensation Plan.

PROPOSAL FOUR:

RATIFICATION OF THE APPOINTMENT OF EISNERAMPER LLP AS THE COMPANY'S
INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS
FOR THE FISCAL YEAR ENDING DECEMBER 31, 2019

The Audit Committee has appointed EisnerAmper LLP as the Company's independent registered public accounting firm to conduct the audit of the Company's books and records for the fiscal year ending December 31, 2019. EisnerAmper LLP has served as the Company's independent registered public accountants since 1995.

Before making its determination on appointment, the Audit Committee carefully considers the qualifications and competence of candidates for the independent registered public accountants. For EisnerAmper LLP, this has included a review of its performance in prior years, its independence and processes for maintaining independence, the results of the most recent internal quality control review or Public Company Accounting Oversight Board inspection, the key members of the audit engagement team, the firm's approach to resolving significant accounting and auditing matters including consultation with the firm's national office, as well as its reputation for integrity and competence in the fields of accounting and auditing. Although ratification by stockholders is not required by the Company's organizational documents or any applicable law, the Audit Committee has determined that requesting ratification by stockholders of its appointment of EisnerAmper LLP as the Company's independent registered public accountants is a matter of good corporate practice. If stockholders do not ratify the selection, the Audit Committee will reconsider whether or not to retain EisnerAmper LLP, but may still retain the accounting firm. Even if the selection is ratified, the Audit Committee, in its discretion, may change the appointment at any time during the year if it determines that such a change would be in the best interest of the Company and its stockholders.

Representatives of EisnerAmper LLP are expected to be present at the Annual Meeting to respond to appropriate questions and to make a statement should they so desire.

Required Vote

The affirmative vote of the holders of a majority of the outstanding shares of Common Stock present or represented by proxy and entitled to vote at the Annual Meeting is required to ratify the Audit Committee's selection of EisnerAmper LLP.

Recommendation of the Board of Directors

The Board of Directors unanimously recommends a vote "FOR" the ratification of the appointment of EisnerAmper LLP as the Company's independent registered public accountants for the fiscal year ending December 31, 2019. Unless marked to the contrary, proxies received from stockholders will be voted in favor of ratifying the appointment of EisnerAmper LLP as the Company's independent registered public accountants for the fiscal year ending December 31, 2019.

Audit Committee's Pre-Approval Policies and Procedures

Consistent with SEC policies regarding auditor independence, the Audit Committee has responsibility for appointing, setting compensation and overseeing the work of the independent registered public accountants. In recognition of this responsibility, the Audit Committee has established a policy to review and pre-approve all audit and permissible non-audit services provided by the independent registered public accountants. These services may include audit services, audit-related services, tax services and other services.

Prior to engagement of the independent auditor for next year's audit, the Audit Committee will pre-approve all auditing services and all permitted non-audit services (including the fees and terms thereof), except those excluded from requiring pre-approval based upon the de minimus exception set forth in Section 10A(i)(1)(B) of the Exchange Act.

The Audit Committee's pre-approval policies and procedures are as follows: (a) prior to each fiscal year, the Audit Committee pre-approves a schedule of estimated fees for proposed non-prohibited audit and non-audit services, and (b) actual amounts paid are monitored by financial management of the Company and reported to the Audit Committee.

All work performed by EisnerAmper LLP as described above under the captions Audit Fees, Audit-Related Fees, Tax Fees and All Other Fees has been approved or pre-approved by the Audit Committee pursuant to the provisions of the Audit Committee's charter. The Audit Committee has considered and concluded that the provision of non-audit

services is compatible with maintaining the independence of EisnerAmper LLP.

AUDIT COMMITTEE REPORT

The Audit Committee reviewed the Company's audited financial statements for the 2018 Fiscal Year and met with both management and representatives of EisnerAmper LLP, the Company's independent registered public accountants, to discuss such audited financial statements. Management and the Company's independent registered public accountants have represented to the Audit Committee that the financial statements were prepared in accordance with accounting principles generally accepted in the United States of America. The Audit Committee has received from and discussed with EisnerAmper LLP the written disclosures and the letter regarding EisnerAmper LLP's communications with the Audit Committee concerning independence as required by applicable requirements of the Public Company Accounting Oversight Board, and discussed with EisnerAmper LLP the independence of EisnerAmper LLP. The Audit Committee also discussed with EisnerAmper LLP any matters required to be discussed by Auditing Standards No. 1301, "Communications with Audit Committees" issued by the Public Company Accounting Oversight Board. Based on these reviews and discussions, the Audit Committee recommended to the Board that the Company's audited financial statements be included in the Company's Annual Report on Form 10-K for the 2018 Fiscal Year.

PROPOSAL FIVE:

NON-BINDING ADVISORY VOTE ON EXECUTIVE COMPENSATION

Section 14A of the Exchange Act, as created by Section 951 of the Dodd-Frank Act, and the rules and regulations promulgated thereunder, require a publicly traded company to include a resolution in its proxy statement at least once every three years seeking stockholder approval, on an advisory or non-binding basis, of the compensation of the named executive officers as disclosed in such company's proxy statement pursuant to the compensation rules of the SEC. At our 2018 Annual Meeting of Stockholders, the Company's stockholders approved, on an advisory basis, the holding of an advisory vote to approve executive compensation (commonly known as a "say-on-pay" proposal) on an annual basis. Based on these results, the Board of Directors determined to hold its advisory vote to approve executive compensation annually until the next frequency vote, which is scheduled to occur at the 2023 annual meeting of stockholders. Accordingly, we are providing stockholders with a non-binding advisory vote on the compensation of our Named Executive Officers.

As described in more detail in the Compensation Discussion and Analysis section, which begins on page 25 of this Proxy Statement, the overall objective of the Company's executive compensation programs and practices is to support delivery of sustained operating and financial performance results with the ultimate goal being to create and maximize value for our stockholders on a long-term basis. We believe that our executive compensation programs and practices serve the interests of our stockholders by enabling us to attract and retain an experienced and effective management team whose combined knowledge of our business and the footwear and accessories industries has proved extremely valuable in delivering results for our stockholders. The Compensation Committee and the Board of Directors believe that the Company's compensation programs and practices as articulated in the Compensation Discussion and Analysis section of this Proxy Statement effectively implement our philosophy of aligning compensation to stockholder interests and that the compensation received by our Named Executive Officers in the 2018 Fiscal Year reflects and supports such philosophy and goal and is commensurate with the performance and strategic position of the Company. We will continue to review and modify our executive compensation programs to address evolving best practices and changing regulatory requirements.

We encourage stockholders to read the Compensation Discussion and Analysis section of this Proxy Statement, as well as the Summary Compensation Table and other related compensation tables and narrative disclosure contained in this Proxy Statement, all of which describe and explain in detail the compensation of our Named Executive Officers in the 2018 Fiscal Year.

The following resolution is submitted for stockholder approval:

“RESOLVED, that the stockholders of Steven Madden, Ltd. (the ‘Company’) approve, on a non-binding advisory basis, the compensation paid to the Named Executive Officers of the Company as disclosed pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the executive compensation as described in the section captioned ‘Compensation Discussion and Analysis,’ the Summary Compensation Table and related tabular disclosure and narrative discussion regarding compensation of Named Executive Officers under the caption ‘Executive Compensation’ contained in the Company’s Proxy Statement dated April 8, 2019.”

This vote is not intended to address any specific item of compensation, but rather the overall compensation of our Named Executive Officers and the compensation programs and practices described in this Proxy Statement. While this advisory vote on executive compensation, commonly referred to as a “say-on-pay” advisory vote, is required by Section 14A of the Exchange Act, it is not binding on our Board of Directors and may not be construed as overruling any decision by the Board of Directors or the Compensation Committee. However, we value the opinions of our stockholders. To the extent there is a significant vote against the compensation of the Named Executive Officers as disclosed in this Proxy Statement, the Board of Directors and the Compensation Committee will consider the outcome of the vote when considering future compensation arrangements and evaluate whether any actions are necessary to address the stockholders’ concerns.

Required Vote

Approval of this resolution requires the affirmative vote of a majority of the shares of Common Stock present or represented by proxy and entitled to vote at the Annual Meeting.

Recommendation of the Board of Directors

The Board of Directors unanimously recommends a vote “FOR” the resolution approving the overall compensation of the Named Executive Officers for the 2018 Fiscal Year.

PROPOSAL SIX:

STOCKHOLDER PROPOSAL REGARDING HUMAN RIGHTS RISK ASSESSMENT REPORT

The following stockholder proposal was submitted by the New York State Common Retirement Fund, the beneficial owner of 123,896 shares of the Company's Common Stock. The New York State Common Retirement Fund is located at 110 State Street, 14th Floor, Albany, New York 12244-0001. The Board of Directors unanimously recommends a vote "AGAINST" this stockholder proposal.

Stockholder Proposal and Supporting Statement

"RESOLVED, that stockholders of Steven Madden, Ltd. ("Steve Madden"), urge the Board of Directors to report to stockholders, at reasonable cost and omitting proprietary information, on Steve Madden's process for identifying and analyzing potential and actual human rights risks of Steve Madden's operations and supply chain (referred to herein as a "human rights risk assessment") addressing the following:

- Human rights principles used to frame the assessment
- Frequency of assessment
- Methodology used to track and measure performance
- Nature and extent of consultation with relevant stakeholders in connection with the assessment
- How the results of the assessment are incorporated into company policies and decision making

The report should be made available to stockholders on the Steve Madden website no later than December 31, 2019. The report asked for by this proposal is separate and distinct from a sustainability report or adoption of human rights policy statement.

Supporting Statement

As long-term stockholders, we favor policies and practices protecting and enhancing the value of our investments. There is increasing recognition among corporations and investors alike that risks related to human rights violations, such as litigation, reputational damage, and project delays and disruptions, can adversely affect stockholder value.

The importance of human rights risk assessment is reflected in the United Nations Guiding Principles on Business and Human Rights approved by the UN Human Rights Council in 2011. The principles urge that "business enterprises should carry out human rights due diligence assessing actual and potential human rights impacts, integrating and acting upon the findings, tracking responses, and communicating how impacts are addressed."

Because Steve Madden relies on its private label brands for a substantial part of its revenue and over 90 percent of private label production is estimated to be outsourced to developing countries, the company is exposed to risks that substandard treatment of workers in the company's supply chain could result in disruptions in production or reputational harm.

In Steve Madden's 2018 Form 10-K, the company recognizes the reputational risks associated with public scrutiny of labor practices embedded in its supply chain. However, there is no evidence that the company has undertaken any

initiatives to monitor or proactively address these concerns.

Steve Madden has not developed standards in its supplier code of conduct to address human rights issues. Furthermore, Steve Madden has not adequately demonstrated to investors its ability to assess and report the risks to stockholder value posed by human rights practices in its operations and supply chain in order to effectively translate principles into protective practices.

66

The best practices for addressing these risks are: establishing labor management policies meeting stringent international norms, implementing programs to verify compliance with the policies in the supply chain, and introducing incentives for compliance among suppliers.

Human rights risk assessment and reporting would help Steve Madden management to identify and mitigate such risks and stockholders to understand their potential effect on stockholder value.”

The Board of Directors’ Statement in Opposition

We share the proponent stockholder’s concerns for human rights and are committed to supporting and maintaining standards of ethical conduct and respect for human rights. The Board of Directors has carefully considered the above proposal, however, and believes that this type of report is unnecessary and not in the best interest of the stockholders in light of the Company’s development of policies that address fundamental human rights principles and because the costs and resources required to create an additional, separate report on human rights risks would be an unnecessary burden and expense and a diversion of corporate resources without corresponding significant benefit to stockholders.

We have established a comprehensive vendor compliance program, reflected in our Corporate Social Responsibility Policy, which sets forth our expectations for our manufacturers, vendors and suppliers (collectively, “Vendors”) and is codified, with other policies, in our Vendor Compliance Manual. The primary goals of the program are the following:

- to ensure compliance with all applicable local laws, industry standards and the Company’s expectations concerning, among other things, the use of child, prison or forced labor, the proper and timely payment of wages, the reduction of health and safety hazards and the management of working hours;
- where noncompliance exists, to identify the cause of the noncompliance and establish attainable, time-phased progress milestones to work toward improvement where possible; and
- to monitor and promote long-term compliance with our Vendor Compliance Manual and any related requirements as local law and industry standards mandate.

Our Vendor Code of Conduct (the “Vendor Code”), which is available at <https://stevemadden.gcs-web.com/corporate-governance/highlights>, specifically reinforces our commitment to managing our supply chain in accordance with the International Labor Organization’s Declaration on Fundamental Principles and Rights at Work and the United Nations Guiding Principles on Business and Human Rights. The Company seeks to do business with vendors and suppliers that demonstrate commitment to meeting our standards and the Company may terminate a relationship with any Vendor found to be in violation of the standards.

To evaluate compliance with our policies in the supply chain, including, without limitation, compliance with the Company’s standards regarding human trafficking and slavery in supply chains, we periodically review our Vendor Compliance Manual and distribute revised versions to our Vendors asking that they review, acknowledge and agree to the terms contained in the revised manual. Additionally, under the terms of the manual, we have the right to audit our Vendors, conduct on-site inspections of Vendor facilities and engage in announced and unannounced monitoring activities, including confidential employee interviews, to ensure compliance. The Company reviews and monitors its Vendor relationships and may terminate a relationship with any Vendor found to be in violation of the guidelines.

The Company also is crafting a comprehensive training program for all employees, management and key contacts at supply chains detailing the applicable laws and the Company's standards regarding human trafficking, slavery, and child labor in supply chains. The training program will ultimately include a combination of in-person training sessions and online training tools to reiterate the importance of compliance with the applicable laws and Company-specific policies and procedures regarding human trafficking, slavery, and child labor in supply chains.

Further, the Company maintains a robust risk assessment program. As more fully discussed in the section captioned "Corporate Governance – Risk Oversight" above, our management and internal audit areas provide day-to-day oversight of risk management strategy for the ongoing business operations of the Company. This oversight includes identifying, evaluating and addressing potential risks that may exist at the enterprise, strategic, financial, operation, and compliance and reporting levels. These assessments are periodically reviewed with the Audit Committee of the Board of Directors.

In light of our commitment to human rights demonstrated by our existing policies and vendor compliance programs as well as our commitment to training and robust oversight, we believe that the additional human rights risk assessment report requested by this proposal is unnecessary and a diversion of management's attention and of stockholders' resources.

Required Vote

Approval of this resolution requires the affirmative vote of a majority of the shares of Common Stock present or represented by proxy and entitled to vote at the Annual Meeting.

Recommendation of the Board of Directors

For all of the above reasons, the Board of Directors unanimously recommends a vote "AGAINST" this stockholder proposal. Proxies received by the Board of Directors will be so voted unless stockholders specify a contrary choice in their proxies.

OTHER MATTERS

At the date of this Proxy Statement, the Company has no knowledge of any business other than that described above that will be presented at the Annual Meeting. If any other business should properly come before the Annual Meeting in connection therewith, it is intended that the persons named in the accompanying proxy will have discretionary authority to vote the shares which they represent.

WHETHER OR NOT YOU EXPECT TO BE PRESENT AT THE ANNUAL MEETING, PLEASE MARK, SIGN, DATE AND RETURN THE ACCOMPANYING PROXY CARD PROMPTLY. ALTERNATIVELY, YOU MAY VOTE YOUR SHARES BY TELEPHONE OR THROUGH THE INTERNET AS DESCRIBED ON THE ACCOMPANYING PROXY CARD. YOUR VOTE IS IMPORTANT. IF YOU ARE A STOCKHOLDER OF RECORD AND ATTEND THE ANNUAL MEETING AND WISH TO VOTE IN PERSON, YOU MAY WITHDRAW YOUR PROXY AT ANY TIME PRIOR TO THE VOTE.

2019 INCENTIVE COMPENSATION PLAN

(Adopted by the Board of Directors on February 25, 2019 and
Approved by the Stockholders on _____)

ARTICLE I

ESTABLISHMENT OF PLAN

1.1 Establishment of the Plan. Steven Madden, Ltd (“the Company”) established this incentive compensation plan to permit the granting of Nonqualified Stock Options, Incentive Stock Options, Stock Appreciation Rights, Restricted Stock, Restricted Stock Units, Performance Shares, Performance Share Units, Other Stock-Based Awards and Performance-Based Cash Awards to the persons and for the purposes described herein.

1.2 Purposes of the Plan. The purposes of the Plan are to induce certain individuals to remain in the employ, or to continue to serve as directors of, or consultants or advisors to, the Company and its present and future Subsidiaries, to attract new individuals to enter into such employment or service and to encourage such individuals to secure or increase on reasonable terms their stock ownership in the Company. The Board believes that the granting of Awards under the Plan will promote continuity of management and increased incentive and personal interest in the welfare of the Company by those who are or may become primarily responsible for shaping and carrying out the long range plans of the Company and securing its continued growth and financial success.

1.3 Duration of the Plan. No Award may be granted under the Plan after February 24, 2029, or such earlier date as the Board shall determine. The Plan will remain in effect with respect to outstanding Awards until no Awards remain outstanding.

ARTICLE II

2.1 “Acquisition Event” means a merger or consolidation in which the Company is not the surviving entity, any transaction that results in the acquisition of all or substantially all of the Company’s outstanding Common Stock by a single person or entity or by a group of persons and/or entities acting in concert, or the sale or transfer of all or substantially all of the Company’s assets.

2.2 “Affiliate” means each of the following: (a) any Subsidiary; (b) any Parent; (c) any corporation, trade or business (including, without limitation, a partnership or limited liability company) which is directly or indirectly controlled 50% or more (whether by ownership of stock, assets or an equivalent ownership interest or voting interest) by the Company; (d) any corporation, trade or business (including, without limitation, a partnership or limited liability company) which directly or indirectly controls 50% or more (whether by ownership of stock, assets or an equivalent ownership interest or voting interest) of the Company; and (e) any other entity in which the Company or any of its Affiliates has a material equity interest and which is designated as an “Affiliate” by resolution of the Committee; provided that the Common Stock subject to any Award constitutes “service recipient stock” for purposes of Section 409A of the Code or otherwise does not subject the Award to Section 409A of the Code.

2.3 **“Appreciation Award”** means any Award under this Plan of any Stock Option, Stock Appreciation Right or Other Stock-Based Award, provided that such Other Stock-Based Award is based on the appreciation in value of a share of Common Stock in excess of an amount equal to at least the Fair Market Value of the Common Stock on the date such Other Stock-Based Award is granted.

2.4 **“Award”** means any award under this Plan of any Stock Option, Stock Appreciation Right, Restricted Stock, Performance Share, Other Stock-Based Award or Performance-Based Cash Awards. - (j) to set the performance criteria and the Performance Period with respect to any Award for which the grant, vesting or payment of such Award is conditioned upon the attainment of specified performance criteria and to certify the attainment of any such performance criteria.

3.3 Guidelines. Subject to Article XV hereof, the Committee shall, in its sole discretion, have the authority to adopt, alter and repeal such administrative rules, guidelines and practices governing this Plan and perform all acts, including the delegation of its responsibilities (to the extent permitted by applicable law and applicable stock exchange rules), as it shall, from time to time, deem advisable; to construe and interpret the terms and provisions of this Plan and any Award issued under this Plan (and any agreements relating thereto); and to otherwise supervise the administration of this Plan. The Committee may, in its sole discretion, correct any defect, supply any omission or reconcile any inconsistency in this Plan or in any agreement relating thereto in the manner and to the extent it shall deem necessary to effectuate the purpose and intent of this Plan. The Committee may, in its sole discretion, adopt special guidelines and provisions for persons who are residing in or employed in, or subject to, the taxes of, any domestic or foreign jurisdictions to comply with applicable tax and securities laws of such domestic or foreign jurisdictions. This Plan is intended to comply with the applicable requirements of Rule 16b-3, and this Plan shall be limited, construed and interpreted in a manner so as to comply therewith.

3.4 Decisions Final. Any decision, interpretation or other action made or taken in good faith by or at the direction of the Company, the Board or the Committee (or any of its members) arising out of or in connection with this Plan shall be within the absolute discretion of all and each of them, as the case may be, and shall be final, binding and conclusive on the Company and all employees and Participants and their respective heirs, executors, administrators, successors and assigns.

3.5 Procedures. If the Committee is appointed, the Board shall designate one of the members of the Committee as chairman and the Committee shall hold meetings, subject to the By-Laws of the Company, at such times and places as it shall deem advisable, including, without limitation, by telephone conference or by written consent to the extent permitted by applicable law. A majority of the Committee members shall constitute a quorum. All determinations of the Committee shall be made by a majority of its members. Any decision or determination reduced to writing and signed by all the Committee members in accordance with the By-Laws of the Company shall be fully effective as if it had been made by a vote at a meeting duly called and held. The Committee shall keep minutes of its meetings and shall make such rules and regulations for the conduct of its business as it shall deem advisable.

3.6 Delegation of Authority and Employment of Consultants.

The Committee may, in its sole discretion, designate employees of the Company and professional advisors to assist the Committee in the administration of this Plan and (to the extent permitted by applicable law and applicable exchange rules) may grant authority to officers to grant Awards and/or execute agreements or other documents on behalf of the Committee.

(a) The Committee may, in its sole discretion, employ such legal counsel, consultants and agents as it may deem desirable for the administration of this Plan and may rely upon any opinion received from any such counsel or consultant and any computation received from any such consultant or agent. Expenses incurred by the Committee or the Board in the engagement of any such counsel, consultant or agent shall be paid by the Company. The Committee, its members and any person designated pursuant to sub-section (a) above shall not be liable for any action or determination made in good faith with respect to this Plan. Such indemnification shall be in addition to any rights of indemnification the officers, employees, directors or members or former officers, directors or members may have under applicable law or under the Certificate of Incorporation or By-Laws of the Company or any Affiliate. Notwithstanding anything else herein, this indemnification will not apply to the actions or determinations made by an individual with regard to Awards granted to him or her under this Plan.

ARTICLE IV

SHARE LIMITATION

4.1 Shares.

General Limitations. The aggregate number of shares of Common Stock that may be issued or used for reference purposes or with respect to which Awards may be granted under this Plan shall not exceed 11,000,000 shares (subject to any increase or decrease pursuant to Section 4.2), which may be either authorized and unissued Common Stock or Common Stock held in or acquired for the treasury of the Company or both. Any shares of Common Stock that are subject to Awards that are not Appreciation Awards shall be counted against this limit as 3.0 shares for every share granted. If any Appreciation Award granted under this Plan expires, terminates, is cancelled or is forfeited for any reason, the number of shares of Common Stock underlying any such Award shall again be available for the purpose of Awards under this Plan and added back to the aggregate maximum limit. If any Awards that are not Appreciation Awards granted under this Plan to a Participant expire, terminate, are cancelled or are forfeited for any reason, 3.0 shares of Common Stock shall again be available for the purposes of Awards under this Plan and added back to the aggregate maximum limit. If a Tandem Stock Appreciation Right or a Limited Stock Appreciation Right is granted in tandem with an Option, such grant shall only apply once against the maximum number of shares of Common Stock which may be issued under this Plan. The number of shares of Common Stock available for the purpose of Awards under this Plan shall be reduced by (i) the total number of Stock Options or Stock Appreciation Rights exercised, regardless of whether any of the shares of Common Stock underlying such Awards are not actually issued to the Participant as the result of a net settlement, (ii) any shares of Common Stock used to pay any exercise price or tax withholding obligation with respect to any Award and (iii) any shares of Common Stock repurchased by the Company on the open market with the proceeds of an Stock Option exercise price.

(a)

(b) Individual Participant Limitations.

(i) The maximum number of shares of Common Stock subject to any Award of Stock Options, Stock Appreciation Rights, shares of Restricted Stock or Awards parts of Restricted Stock Units for which the grant of such Award or the lapse of the relevant Restriction Period is subject to the attainment of Performance Goals which may be granted under this Plan during any fiscal year of the Company to each Eligible Employee or Consultant shall be 1,000,000 shares per type of Award (which shall be subject to any further increase or decrease pursuant to Section 4.2), provided that the maximum number of shares of Common Stock for all types of Awards does not exceed 1,200,000 (which shall be subject to any further increase or decrease pursuant to Section 4.2) with respect to any fiscal year of the Company. If a Tandem Stock Appreciation Right is granted or a Limited Stock Appreciation Right is granted in tandem with a Stock Option, it shall apply against the Eligible Employee's or Consultant's individual share limitations for both Stock Appreciation Rights and Stock Options.

(ii) The maximum number of shares of Common Stock subject to (A) any Award of Stock Options (other than Incentive Stock Options), Stock Appreciation Rights and any other share appreciation awards which may be granted under this Plan during any fiscal year of the Company to each Non-Employee Director shall be 120,000 shares per type of Award (which shall be subject to any further increase or decrease pursuant to Section 4.2), provided that the maximum number of shares of Common Stock for all such Awards does not exceed 160,000 (which shall be subject to any further increase or decrease pursuant to Section 4.2) with respect to any fiscal year of the Company, and (B) any Award of Restricted Stock, Restricted Stock Units and any other Awards other than Awards described in Section 4.1(b)(ii)(A) which may be granted under this Plan during any fiscal year of the Company to each Non-Employee Director shall be 40,000 shares per type of Award (which shall be subject to any further increase or decrease pursuant to Section 4.2), provided that the maximum number of shares of Common Stock for all such Awards does not exceed 60,000 (which shall be subject to any further increase or decrease pursuant to Section 4.2) with respect to any fiscal year of the Company; provided further, that in no event shall the aggregate grant of Awards to Non-Employee Directors exceed 5% (when combined with the 5% limitation set forth in Sections 6.3(c), 8.3(a)(iv), 9.3(c), 10.2(f) and 11.2(c) of this Plan) of the total number of shares of Common Stock reserved for Awards under this Plan. If a Tandem Stock Appreciation Right is granted or a Limited Stock Appreciation Right is granted in tandem with a Stock Option, it shall apply against the Non-Employee Director's individual share limitations for both Stock Appreciation Rights and Stock Options.

(iii) There are no annual individual Eligible Employee or Consultant share limitations on Restricted Stock for which the grant of such Award or the lapse of the relevant Restriction Period is not subject to attainment of Performance Goals in accordance with Section 8.3(a)(ii) hereof.

(iv) The maximum number of shares of Common Stock subject to any Award of Performance Shares which may be granted under this Plan during any fiscal year of the Company to each Eligible Employee or Consultant shall be 1,000,000 (which shall be subject to any further increase or decrease pursuant to Section 4.2) with respect to any fiscal year of the Company. Each Performance Share shall be referenced to one share of Common Stock and shall be charged against the available shares under this Plan at the time the unit value measurement is converted to a referenced number of shares of Common Stock in accordance with Section 10.1.

(v) The maximum payment under any Performance-Based Cash Award payable with respect to any fiscal year of the Company and for which the grant of such Award is subject to the attainment of Performance Goals in accordance with Section 12.2(c) herein which may be granted under this Plan with respect to any fiscal year of the Company to each Eligible Employee or Consultant shall be \$10,000,000.

(vi) The individual Participant limitations set forth in this Section 4.1(b) shall be cumulative; that is, to the extent that shares of Common Stock for which Awards are permitted to be granted to an Eligible Employee or a Consultant during a fiscal year are not covered by an Award to such Eligible Employee or Consultant in a fiscal year, the number of shares of Common Stock available for Awards to such Eligible Employee or Consultant shall automatically increase in the subsequent fiscal years during the term of the Plan until used.

4.2 Changes.

The existence of this Plan and the Awards granted hereunder shall not affect in any way the right or power of the Board or the stockholders of the Company to make or authorize (i) any adjustment, recapitalization, reorganization or other change in the Company's capital structure or its business, (ii) any merger or consolidation of the Company or any Affiliate, (iii) any issuance of bonds, debentures, preferred or prior preference stock ahead of or affecting the Common Stock, (iv) the dissolution or liquidation of the Company or any Affiliate, (v) any sale or transfer of all or part of the assets or business of the Company or any Affiliate or (vi) any other corporate act or proceeding. Subject to the provisions of Section 4.2(d), if there shall occur any such change in the capital structure of the Company by reason of any stock split, reverse stock split, stock dividend, subdivision, combination or reclassification of shares that may be issued under the Plan, any recapitalization, any merger, any consolidation, any spin off, any reorganization or any partial or complete liquidation, or any other corporate transaction or event having an effect similar to any of the foregoing (a "Section 4.2 Event"), then (i) the aggregate number and/or kind of shares that thereafter may be issued under the Plan, (ii) the number and/or kind of shares or other property (including cash) to be issued upon exercise of an outstanding Award or under other Awards granted under the Plan, (iii) the purchase price thereof, and/or (iv) the individual Participant limitations set forth in Section 4.1(b) (other than those based on cash limitations) shall be appropriately adjusted. In addition, subject to Section 4.2(d), if there shall occur any change in the capital structure or the business of the Company that is not a Section 4.2 Event (an (b) "Other Extraordinary Event"), including by reason of any extraordinary dividend (whether cash or stock), any conversion, any adjustment, any issuance of any class of securities convertible or exercisable into, or exercisable for, any class of stock, or any sale or transfer of all or substantially all the Company's assets or business, then the Committee, in its sole discretion, may adjust any Award and make such other adjustments to the Plan. Any adjustment pursuant to this Section 4.2 shall be consistent with the applicable Section 4.2 Event or the applicable Other Extraordinary Event, as the case may be, and in such manner as the Committee may, in its sole discretion, deem appropriate and equitable to prevent substantial dilution or enlargement of the rights granted to, or available for, Participants under the Plan. Any such adjustment determined by the Committee shall be final, binding and conclusive on the Company and all Participants and their respective heirs, executors, administrators, successors and permitted assigns. Except as expressly provided in this Section 4.2 or in the applicable Award agreement, a Participant shall have no rights by reason of any Section 4.2 Event or any Other Extraordinary Event.

Fractional shares of Common Stock resulting from any adjustment in Awards pursuant to Section 4.2(a) or (b) shall be aggregated until, and eliminated at, the time of exercise by rounding-down for fractions less than one-half and rounding-up for fractions equal to or greater than one-half. No cash settlements shall be made with respect to fractional shares eliminated by rounding. Notice of any adjustment shall be given by the Committee to each Participant whose Award has been adjusted and such adjustment (whether or not such notice is given) shall be effective and binding for all purposes of this Plan.

In the event of an Acquisition Event, the Committee may, in its sole discretion, terminate all outstanding and unexercised Stock Options or Stock Appreciation Rights or any Other Stock Based Award that provides for a Participant-elected exercise effective as of the date of the Acquisition Event, by delivering notice of termination to each Participant at least 20 days prior to the date of consummation of the Acquisition Event, in which case during the period from the date on which such notice of termination is delivered to the consummation of the Acquisition Event, each such Participant shall have the right to exercise in full all of his or her vested Stock Options or Stock Appreciation Rights that are then outstanding (without regard to any limitations on exercisability otherwise contained in the Award agreements), but any such exercise shall be contingent on the occurrence of the Acquisition Event, and, provided that, if the Acquisition Event does not take place within a specified period after giving such notice for any reason whatsoever, the notice and exercise pursuant thereto shall be null and void.

If an Acquisition Event occurs but the Committee does not terminate the outstanding Awards pursuant to this Section 4.2(d), the provisions of Section 4.2(b) and Article XIV shall apply.

4.3 **Minimum Purchase Price.** Notwithstanding any provision of this Plan to the contrary, if authorized but previously unissued shares of Common Stock are issued under this Plan, such shares shall not be issued for a consideration that is less than as permitted under applicable law.
