(1) The price reported in Column 4 is a weighted average price. These shares were sold in multiple transactions at prices ranging from \$59.50 to \$59.53 per share, inclusive. The reporting person undertakes to provide the Issuer, any security holder of the Issuer, or the staff of the Securities and Exchange Commission, upon request, full information regarding the number of shares sold at each separate price within the range set forth in this footnote.

(2) Includes 13,200 restricted stock units and 1,610 dividend units on the restricted stock units. The restricted stock units and the dividend units vest on the fifth anniversary of the award date, however, payment will be delayed until termination of service if the individual is a covered employee under Code Section 162(m) on the date of vesting.

(3) This amendment corrects the amount of dividend units and securities beneficially owned after the transaction. No additional transaction is reported.
