ITEM 5. OTHER EVENTS

On August 30, 2001, we reported financial results for the second quarter ended July 31, 2001. During the second quarter, we activated 40,000 new subscribers to the TiVo Service, bringing the total subscriber base to approximately 229,000 as of July 31, 2001.

## Edgar Filing: TIVO INC - Form 8-K

Revenue for the quarter increased 28% to \$4.1 million, compared with \$3.2 million for the three-month period ended April 30, 2001. Net loss for the quarter was \$34.5 million, or \$(0.82) per share, compared with a net loss of \$50.2 million, or \$(1.20) per share, in the first quarter.

Revenue grew 28%, compared to the first quarter and four-fold over last year's first quarter. Our total subscriber base grew by 21% in the quarter and increased 332% compared to the second quarter of last year. Major drivers contributing to the results were price incentives from our consumer electronics partners, retail execution, increased TiVo brand awareness, and a new advertising campaign.

On August 28, we closed a \$51.75 million private placement with financial and strategic investors. Three of our existing commercial partners, Discovery, NBC and British Sky Broadcasting, contributed a total of \$22 million, consisting of cash and promotional services, to this offering.

We also announced the rollout of a major service upgrade that will allow subscribers to watch and record two shows at once. The dual tuner feature is available through a service update to all current subscribers with a DIRECTV receiver with TiVo. All new DIRECTV TiVo combination receivers will be provided with the upgrade automatically after activation of their TiVo and DIRECTV services.
