PROXY STATEMENT

2007 ANNUAL MEETING OF STOCKHOLDERS

General Information

This Proxy Statement is furnished to holders of Royal Gold, Inc. (the Company) common stock, in connection with the solicitation of proxies on behalf of the Board of Directors of the Company, to be voted at the Annual Meeting of Stockholders of the Company (the Annual Meeting) to be held on Wednesday, November 7, 2007, at 9:30 a.m. This Proxy Statement and the proxy card were first mailed to stockholders on or about October 1, 2007.

Stockholders Entitled to Vote

All voting rights are vested exclusively in the holders of the Company's common stock. Only stockholders of record of the common stock, par value \$0.01 (common stock), of the Company at the close of business on September 26, 2007 (the record date), are entitled to vote at the Annual Meeting and at any and all postponements and adjournments thereof. As of the record date, there were 28,972,523 shares of common stock outstanding and entitled to vote. Each share of common stock entitles the stockholder to one vote on all matters that may come before the Annual Meeting.

Voting Your Shares

Each share of common stock that you own entitles you to one vote. Your proxy card shows the number of shares of common stock that you own.

You may vote your shares by signing and returning the enclosed proxy. If you vote by proxy, the proxy holders (each or any of the individuals named on the proxy) will vote your shares as you instruct on the proxy. If you sign and return the proxy, but do not give instructions on how to vote your shares, your shares will be voted (1) FOR the election of directors as described herein under Proposal 1 Election of Directors, (2) FOR the adoption of an amendment to the Company's Certificate of Incorporation increasing the authorized shares of Common Stock from 40,000,000 to 100,000,000 as described herein under Proposal 2 Adoption of an Amendment to the Company's Certificate of Incorporation Increasing the Authorized Shares of Common Stock and (3) FOR ratification of the appointment of the Company's independent registered public accountants described herein under Proposal 3 Ratification of Appointment of Independent Registered Public Accountants.

You may vote by telephone or by the Internet by following the telephone or Internet voting instructions that are included with your proxy card. If you vote by telephone or the Internet, you do not need to return your proxy card.

You may attend the Annual Meeting and vote in person. You will be given a ballot when you arrive. However, if your stock is held in the name of your broker, bank or another nominee, you must get a signed proxy from the broker, bank or other nominee giving you the right to vote your shares. This will be the only way we can be sure that the broker, bank or other nominee has not already voted your shares on your behalf.

Table of Contents

Revocation of Proxy or Voting Instruction Form

You may revoke your proxy at any time before the proxy is voted at the Annual Meeting. This can be done by either submitting another properly completed proxy card with a later date, sending a written notice of revocation to the Corporate Secretary of the Company with a later date or by attending the Annual Meeting and voting in person. You should be aware that simply attending the Annual Meeting will not automatically revoke your previously submitted proxy; rather you must notify a Company representative at the Annual Meeting of your desire to revoke your proxy and vote in person. Written notice revoking a proxy should be sent to the Corporate Secretary, Royal Gold, Inc., 1660 Wynkoop Street, Suite 1000, Denver, Colorado 80202.

Quorum and Votes Required to Approve Proposals

A majority of the outstanding shares of the Company's common stock entitled to vote, represented in person or by proxy, will constitute a quorum at a meeting of the stockholders. Abstentions and broker non-votes will be counted as being present in person for purposes of determining whether there is a quorum.

With respect to Proposal 1, the election of a director will require an affirmative vote of the majority of the votes cast with respect to that director at a meeting at which quorum is present. With respect to Proposals 2 and 3, the affirmative vote of a majority of the shares that are represented and entitled to vote at a meeting at which a quorum is present shall be the act of the stockholders. For Proposal 1, a WITHHELD vote will have the effect of an AGAINST vote with respect to the director for whom the vote is WITHHELD. Abstentions will have the same effect as a vote AGAINST Proposals 2 and 3. If a stockholder does not give a proxy to his or her broker with instructions as to how to vote the shares, the broker has authority under New York Stock Exchange rules to vote those shares for or against routine matters, such as the increase in the Company's authorized shares of common stock and the ratification of PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm. If a broker votes shares that are unvoted by its customers for or against a routine proposal, these shares will be counted for the purpose of determining the outcome of such routine proposals. If a broker chooses to leave these shares unvoted, the shares will have no effect on Proposal 1 and the same effect as a vote AGAINST Proposals 2 and 3.

In the election of directors, each stockholder eligible to vote may vote the number of shares of common stock held, for each director to be elected, but cumulative voting is not permitted. Under Delaware law, holders of common stock are not entitled to appraisal or dissenters' rights with respect to the matters to be considered at the Annual Meeting.

Tabulation of Votes

Votes at the Annual Meeting will be tabulated and certified by Computershare Trust Company, N.A. (Computershare), the Company's transfer agent.

Solicitation Costs

The enclosed proxy card and voting instruction form is being solicited on behalf of the Board of Directors of the Company. In addition to solicitation of proxies by mail, the Company's directors, officers or employees, without additional compensation, may make solicitations by telephone, facsimile, or personal interview. The Company has retained Georgeson Inc to aid in the solicitation of brokers, banks, intermediaries and other institutional holders in the United States and Canada for a fee of \$9,000, plus reimbursement for out-of-pocket expenses. All costs of the solicitation of proxies will be borne by the Company. The Company will also reimburse the banks and brokers for their reasonable out-of-pocket expenses in forwarding proxy materials to beneficial owners of shares of common stock.

PROPOSAL 1.

ELECTION OF CLASS II DIRECTORS

The Company's Board of Directors consists of three classes of directors, with each class of directors serving for a three-year term ending in a successive year. The Company's current Class I Directors are Messrs. Dempsey, Jensen and Goth; the Class II Directors are Messrs. Stuckert and Marcus; and the Class III Directors are Messrs. Haase, Howell and Worth. Edwin W. Peiker, Jr. served as a Class III director during the fiscal year ended June 30, 2007, until his retirement from the Board of Directors effective July 25, 2007.

If the enclosed proxy is properly signed and received in time for the Annual Meeting, and if the proxy does not indicate otherwise, the represented shares will be voted **FOR** James W. Stuckert and Merritt Marcus as Class II Directors of the Company. If any of the nominees for election as a Class II Director should refuse or be unable to serve (an event that is not anticipated), the proxy will be voted for a substitute nominee who is designated by the Board of Directors. Each Class II Director elected shall serve until the 2010 Annual Meeting, or until his successor is elected and qualified.

The Company's Amended and Restated Bylaws (bylaws) require that each director be elected by the majority of votes cast at a meeting at which a quorum is present with respect to such director in uncontested elections (the number of shares voted for a director nominee must exceed 50% of the votes cast with respect to that director). In a contested election (a situation in which the number of nominees exceeds the number of directors to be elected), the standard for election of directors would be a plurality of the shares represented in person or by proxy at any such meeting and entitled to vote on the election of directors. This year's election was determined to be an uncontested election, and the majority vote standard will apply. If a nominee who is serving as a director is not elected at the annual meeting, Delaware law provides that the director would continue to serve on the Board as a holdover director. Under the Company's bylaws, each director nominee who is serving as a director that is not elected shall offer to tender his or her resignation to the Board of Directors. In that situation, the Compensation, Nominating and Governance Committee would make a recommendation to the Board of Directors on whether to accept or reject the resignation to the Board, or whether to take other action. The Board of Directors will act on the Compensation, Nominating and Governance Committee's recommendation and publicly disclose its decision and the rationale behind it within 90 days from the date of the certification of the election results. The director who tenders his or her resignation will not participate in the Board of Directors' decision. If a nominee who was not already serving as a director fails to receive a majority of votes cast at the annual meeting, Delaware law provides that the nominee does not serve on the Board as a holdover director. All of the Class II director nominees are currently serving on the Board of Directors.

Information concerning the nominees for election as directors is set forth below under Directors and Officers.

Vote Required for Approval. Each director must receive a majority of votes cast with respect to that director at a meeting at which a quorum is present in order to be elected (the number of shares voted for a director nominee must exceed 50% of the votes cast with respect to that director).

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR EACH OF THE DIRECTOR NOMINEES.

MEETINGS AND COMMITTEES OF THE BOARD

During the fiscal year ended June 30, 2007 (fiscal year 2007), the Board of Directors held four regular meetings, each of which included executive sessions of the independent directors, and seven special meetings. Each director attended, in person or by telephone, at least 75% of the aggregate number of meetings of the Board of Directors and of the Committee(s) of the Board of Directors on which he served. It is the Company's policy that each director attends each Annual Meeting of Stockholders. All directors attended last year's Annual Meeting of Stockholders.

Independence of Directors

The independent members of the Board of Directors has determined that each director, except for Messrs. Dempsey and Jensen who are officers of the Company, is independent under the NASDAQ listing standards. The Board of Directors considered Mr. Peiker, who served as a director during fiscal year 2007 until his retirement from the Board of Directors effective July 25, 2007, and who was an executive officer of the Company from April 1988 to February 1992, independent because he had not been involved with the day to day management of the Company since he ceased being an executive officer of the Company in February 1992. The Board of Directors has determined that the directors designated as independent have no relationship with the Company that may interfere with the exercise of their independent judgment.

Lead Director

The Board of Directors has elected a lead, independent director who presides over executive sessions of the independent directors scheduled at each regular meeting of the Board of Directors. This lead director position is a rotating position on a yearly basis. The lead director chairs the executive sessions of the independent directors and serves as liaison between the Executive Chairman and the President and Chief Executive Officer, and the other independent directors. Mr. Merritt Marcus currently serves as lead director.

Audit Committee

The Board of Directors has a standing Audit Committee. The Audit Committee consists of James W. Stuckert, John W. Goth, and Donald Worth. All members of the Audit Committee are independent under the NASDAQ listing standards and Section 10A(m)(3) of the Securities Exchange Act of 1934, as amended. The Audit Committee held five meetings during the fiscal year. The Board of Directors recently reviewed and amended the Charter for the Audit Committee. The Charter is available through the Company's web site at www.royalgold.com.

Table of Contents

The Audit Committee assists the Board of Directors in its oversight of the integrity of the Company's financial statements and compliance with legal and regulatory requirements and corporate policies and controls. The Audit Committee has the sole authority to retain and terminate the Company's independent registered public accountants, review reports of the independent registered public accountants, and approve all auditing services and related fees and the terms of any agreements and to pre-approve any non-audit services to be rendered by the Company's independent registered public accountants. The Audit Committee monitors the effectiveness of the audit process and the Company's financial reporting, reviews the adequacy of financial and operating controls and evaluates the effectiveness of the Committee. The Audit Committee is responsible for confirming the independence and objectivity of the independent registered public accountants. The Audit Committee reviews and approves all transactions between the Company and parties related to the Company. The Audit Committee is also responsible for preparation of the annual report of the Audit Committee for public disclosure in the Company's Proxy Statement. The Board of Directors has determined that James Stuckert is an audit committee financial expert as that term is defined in Item 401(h) of Regulation S-K. As an audit committee financial expert, Mr. Stuckert satisfies the NASDAQ financial literacy and sophistication requirements.

Compensation, Nominating and Corporate Governance Committee

The Board of Directors has a standing Compensation, Nominating and Corporate Governance Committee. The Compensation, Nominating and Corporate Governance Committee consisted of John W. Goth, James W. Stuckert and Edwin W. Peiker, Jr. Mr. Peiker retired from the Board of Directors effective July 25, 2007, simultaneously resigning his position on the Compensation, Nominating and Corporate Governance Committee. On August 23, 2007, Mr. S. Oden Howell was elected by the Board of Directors to serve on the Compensation, Nominating and Corporate Governance Committee. All members of the Compensation, Nominating and Corporate Governance Committee are considered independent directors under the NASDAQ listing standards. The Committee held six meetings during the fiscal year. The Board of Directors recently reviewed and amended the Charter for the Compensation, Nominating and Corporate Governance Committee. The Charter is available through the Company's web site at www.royalgold.com. The Compensation, Nominating and Corporate Governance Committee oversees the Company's compensation policies, plans and programs and reviews and determines the compensation to be paid to executive officers and directors. The Compensation, Nominating and Corporate Governance Committee also administers and implements the Company's incentive compensation plans and equity-based plans.

The Compensation, Nominating and Corporate Governance Committee may form subcommittees and delegate to its subcommittees such power and authority as it deems necessary or advisable. The Compensation, Nominating and Corporate Governance Committee has no current intention to delegate any of its authority with respect to determining executive officer compensation to any subcommittee. The Compensation, Nominating and Corporate Governance Committee does not delegate its responsibilities with respect to executive compensation to any executive officers of the Company.

Pursuant to its charter, the Compensation, Nominating and Corporate Governance Committee is authorized to retain such outside counsel and other advisors as it may deem appropriate in its sole discretion. For fiscal year 2007, the Compensation, Nominating and Corporate Governance Committee retained the firm of Frederic W. Cook & Co., Inc. as independent compensation consultants to assist it in determining the compensation levels for the Company's executive officers and directors. The compensation consultants advised the Committee with respect to trends in executive compensation, assessment of competitive pay levels and mix (e.g., proportion of fixed pay to incentive pay, proportion of annual cash pay to long-term incentive pay), and setting compensation levels for executive officers. The compensation consultants also reviewed and identified the Company's appropriate peer group companies for fiscal year 2007 (as identified below under "Executive Officer Compensation and Other Matters"), and helped design the director compensation program in fiscal year 2007.

In addition to compensation matters, the Compensation, Nominating and Corporate Governance Committee also identifies or reviews individuals proposed to become members of the Board of Directors and recommends director nominees. In selecting director nominees, the Committee assesses the nominee's independence, as well as considers his or her experience, areas of expertise, including experience in the mining industry, diversity, perspective, broad business judgment and leadership, all in the context of an

assessment of the perceived needs of the Board of Directors at that time. Further, the Committee will consider director candidates recommended by stockholders using the same criteria outlined above, provided such written recommendations are submitted to the Secretary of the Company in accordance with the advance notice and other provisions of the Company's bylaws.

The Compensation, Nominating and Corporate Governance Committee also advises the Board of Directors on various corporate governance principles. The Compensation, Nominating and Corporate Governance Committee reviews the content and compliance with the Company's Board of Directors' Governance Guidelines annually.

All recommendations from the Compensation, Nominating and Corporate Governance Committee are submitted to the Board of Directors for approval.

Compensation Committee Interlocks and Insider Participation

The Company's Compensation, Nominating and Corporate Governance Committee during fiscal year 2007 consisted of Mr. Goth, who served as Chairman, Mr. Stuckert and Mr. Peiker. Mr. Peiker retired from the Board of Directors effective July 25, 2007, simultaneously resigning his position on the Compensation, Nominating and Corporate Governance Committee. No member of the Committee was, at any time during fiscal year 2007 or at any other time, an officer or employee of the Company, other than Mr. Peiker, who served as President and Chief Operating Officer from 1988 to 1992. No executive officer of the Company served on the compensation committee of another entity, or any other committee of the Board of Directors of another entity performing similar functions during the Company's past fiscal year, or as a director of any other entity, one of whose executive officers served on the Company's Compensation, Nominating and Corporate Governance Committee.

Any stockholder who desires to contact the Company's Board of Directors may do so by writing to the Vice President and Corporate Secretary, Royal Gold, Inc., 1660 Wynkoop Street, Suite 1000, Denver, Colorado 80202. Any such communication should state the number of shares beneficially owned by the stockholder making the communication. Certain Relationships and Related Transactions

In November 2005, the Company entered into a strategic exploration alliance with Taranis Resources to pursue exploration opportunities in Finland, for which it has provided \$500,000 in funding for a 2.0% net smelter return royalty and future earn-in rights. In January 2006 and in support of the strategic exploration alliance, Mr. Dempsey, Executive Chairman of the Company, became a director of Taranis Resources, Inc. (Taranis Resources), a Colorado-based resource company, listed on the Toronto Stock Exchange. As a director of Taranis Resources, Mr. Dempsey is awarded stock options under Taranis Resources' stock option plan. In January 2006, Mr. Dempsey was awarded 100,000 incentive stock options, exercisable for a period of four and one-half years from the date of grant, at a price of Cdn\$0.35 per share.

In July 2006, the Company entered into an agreement with Mr. Dempsey under which any director fees, consulting fees and other remuneration (whether in cash, securities or otherwise) paid to Mr. Dempsey by Taranis Resources will be remitted to the Company (the Agreement). Pursuant to the Agreement, the Company may require Mr. Dempsey to exercise the stock options granted to him by Taranis Resources at any time or from time to time during the exercise period and under the terms of the Taranis Resources stock option agreement. If the Company requires Mr. Dempsey to exercise the stock options, it will pay Mr. Dempsey the amount necessary to exercise the stock options. The securities gained upon exercise will be transferred to the Company. The Company will reimburse Mr. Dempsey for incurred tax liability, if any.

The Company beneficially owns the stock options granted to Mr. Dempsey by Taranis Resources, exercisable for 100,000 shares of common stock, because it has the right to require Mr. Dempsey to exercise the stock options pursuant to the Agreement and will acquire the shares upon the exercise. The Company currently owns 1,037,500 shares of common stock and has the direct or indirect right to acquire a total of 568,750 shares of common stock, including the shares acquired upon exercise of Mr. Dempsey's stock options, such that, if the Company exercised its rights and there was no other dilution, its holdings would represent 10.04% beneficial ownership of Taranis Resources' common stock. The Company does not have any intention to acquire control of Taranis Resources.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Company's officers and directors, and persons who own more than 10% of a registered class of the Company's equity securities, to file reports of ownership and changes in ownership to the Securities and Exchange Commission. Officers, directors and greater than 10% stockholders are required by the regulations of the Securities and Exchange Commission to furnish the Company with copies of all Section 16(a) reports they file. Based solely on its review of copies of such reports received and written representations from certain persons that no other reports were required for those persons, the Company believes that, other than as described, all filing requirements applicable to its officers, directors and greater than 10% stockholders were met for the fiscal year ended June 30, 2007, and all transactions are reflected in this Proxy Statement. Messrs. Goth, Howell, Marcus, Peiker, Stuckert and Worth filed all required Form 4 filings, but each filed one Form 4 related to an option grant after the filing deadline. Mr. Dempsey filed all required Form 4 filings, but filed one Form 4 after the filing deadline relating to a trustee transaction and one Form 4 relating to a transaction pursuant to his 10b5-1 trading plan. Mr. Stuckert filed all required Form 4 filings, but filed one Form 4 after the filing deadline relating to an option exercise.

PROPOSAL 2.

**ADOPTION OF AN AMENDMENT TO THE COMPANY S CERTIFICATE OF INCORPORATION
INCREASING THE NUMBER OF AUTHORIZED SHARES OF COMMON STOCK**

On August 23, 2007, the Board of Directors unanimously adopted a resolution approving, and recommending for shareholder approval, an amendment to the Company s Certificate of Incorporation increasing the number of authorized shares of common stock, par value \$.01 per share, to 100,000,000 shares. The Company s Certificate of Incorporation currently authorizes the Company to issue 40,000,000 shares of common stock. Such increase in the number of authorized shares of common stock would become effective by restating Article Fourth(a) of the Company s Certificate of Incorporation to read as follows:

FOURTH. (a) The total number of shares of stock which the corporation shall have authority to issue is 110,000,000 shares, consisting of (i) 100,000,000 shares of common stock, each share having a par value of \$.01 and (ii) 10,000,000 shares of preferred stock, each share having a par value of \$.01.

If approved by the stockholders of the Company, the proposed amendment will become effective when it is filed with the Delaware Secretary of State.

The increase in authorized shares of common stock is recommended by the Board of Directors to provide a sufficient reserve of such shares for the present and future needs of the Company. The Board of Directors believes that the availability of additional shares of Common Stock for possible issuance in connection with future acquisitions of properties or businesses, or for future financing needs is necessary for the continued expansion of the Company s business through acquisitions of properties or businesses. This increase could save the Company the expense and delay of having to hold a special shareholders meeting when a specific need arises. These shares of authorized common stock would be available for issuance in the future, from time to time, by action of the Board of Directors without further shareholder approval, unless otherwise required by applicable law or the listing requirements of the NASDAQ Stock Market and for such consideration as our Board of Directors may determine and as may be permitted by applicable law. Except in connection with employee benefits, equity incentive plans and pursuant to the Amended and Restated Agreement and Plan of Merger with Battle Mountain Gold Exploration Corp., the Company s management has no current arrangements, agreements, or understandings, at the present time, to issue additional shares of common stock for any purposes. Royal Gold reviews acquisition opportunities on a regular basis and could enter into an acquisition transaction in which it may issue shares of its common stock at any time.

The additional shares of common stock would be identical to the shares of common stock now authorized and outstanding, and this proposal would not affect the rights of holders of common stock. Any issuances of additional shares of common stock, however, could adversely affect the existing holders of shares of common stock by diluting their ownership, voting power and earnings per share with respect to such shares. The holders of the Company s common stock do not have pre-emptive rights to purchase any shares of authorized capital stock of the Company.

The proposed increase in the number of shares of common stock the Company is authorized to issue is not intended to inhibit a change in control of the Company, and the Company does not intend to use such additional shares for anti-takeover purposes. However, the availability for issuance of additional shares of common stock could discourage, or make more difficult, efforts to obtain control of the Company. The Board of Directors is not currently aware of any attempt to take over or acquire the Company.

Vote Required for Approval. The affirmative vote of a majority of the shares that are represented and entitled to vote at a meeting at which a quorum is present is required to adopt the proposed amendment to the Certificate of Incorporation.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR THE PROPOSAL TO ADOPT AN AMENDMENT TO THE COMPANY S CERTIFICATE OF INCORPORATION INCREASING THE NUMBER OF AUTHORIZED SHARES OF COMMON STOCK.
