GENERAL

Introduction

Fulton Financial Corporation, a Pennsylvania business corporation and registered financial holding company, was organized pursuant to a plan of reorganization adopted by Fulton Bank and implemented on June 30, 1982. On that date, Fulton Bank became a wholly owned subsidiary of Fulton Financial Corporation and the shareholders of Fulton Bank became shareholders of Fulton Financial Corporation. Since that time, Fulton Financial Corporation has acquired other banks and currently owns the following subsidiary banks: Fulton Bank, Delaware National Bank, Lebanon Valley Farmers Bank, FNB Bank, N.A., Hagerstown Trust Company, Lafayette Ambassador Bank, Swineford National Bank, The Bank, The Peoples Bank of Elkton, Skylands Community Bank, Premier Bank, Resource Bank and First Washington State Bank. In addition, Fulton Financial Corporation has the following direct, non-banking subsidiaries: Fulton Financial Realty Company (which owns or leases certain properties on which certain branch and operational facilities are located), Fulton Reinsurance Company, Ltd. (which reinsures credit life, health and accident insurance that is directly related to extensions of credit by subsidiary banks of Fulton Financial Corporation), Central Pennsylvania Financial Corp. (which owns, directly or indirectly, certain limited partnership interests, principally in low-moderate income and elderly housing projects), FFC Management, Inc. (which holds certain investment securities and corporate owned life insurance policies), Fulton Financial Advisors, National Association (which offers fiduciary and investment services), Fulton Insurance Services Group, Inc. (which operates an insurance agency selling life insurance and related insurance products), FFC Penn Square, Inc. (a holder of trust preferred securities), PBI Capital Trust, Premier Capital Trust II, Resource Capital Trust II and Resource Capital Trust III (issuers of trust preferred securities) and Virginia Financial Services, LLC (management consulting services).

On January 11, 2005, Fulton Financial Corporation entered into a definitive agreement to acquire SVB Financial Services, Inc. (SVB), of Somerville, New Jersey. SVB is a \$475 million bank holding company whose primary subsidiary is Somerset Valley Bank, which operates eleven community-banking offices in Somerset, Hunterdon and Middlesex Counties, New Jersey.

Under the terms of the merger agreement, the conversion of each outstanding share of SVB's common stock will be exchanged into either .9519 shares of the Corporation's common stock; \$21.00 in cash (the "Cash Consideration"); or a combination of the Common Stock and the Cash Consideration. At a minimum, 20%, and, at a maximum, 40%, of SVB's outstanding shares will receive the Cash Consideration. In addition, each outstanding option will be exchanged at the option holder's election into Common Stock, the number and exercise price of which shall be based on the Conversion Ratio or cash equal to the number of shares subject to the option, times the difference between \$21.00 and the exercise price of the option. A minimum of 20%, and a maximum of 40%, of SVB's outstanding options will receive the Cash Consideration.

As a result of the acquisition, SVB will merge into Fulton Financial Corporation and Somerset Valley Bank will become a wholly owned subsidiary of Fulton Financial Corporation. The acquisition is expected to be completed in the third quarter of 2005.

The meeting to which this Proxy Statement relates will be the twenty-third Annual Meeting of the shareholders of Fulton Financial Corporation.

Date, Time and Place of Meeting

The regular Annual Meeting of the shareholders of Fulton Financial Corporation will be held on Wednesday, April 13, 2005, at 12:00 noon, at the Hershey Lodge and Convention Center, West Chocolate Avenue and University Drive, Hershey, Pennsylvania.

Shareholders Entitled to Vote

Only those shareholders of record at the close of business on February 24, 2005 shall be entitled to receive notice of, and to vote at, the meeting.

Purpose of Meeting

The shareholders will be asked to consider and vote upon the following matters at the meeting: (i) to elect seven directors for the terms specified herein; (ii) to approve a proposal adopted by the Board of Directors to amend the Articles of Incorporation for the purpose of increasing the number of authorized shares of common stock from 400 million shares to 600 million shares; and (iii) to consider and vote upon such other business as may be properly brought before the meeting and any adjournment thereof.

Solicitation of Proxies

This Proxy Statement is furnished in connection with the solicitation of proxies, in the accompanying form, by the Board of Directors of Fulton Financial Corporation for use at the Annual Meeting of shareholders to be held at 12:00 noon on Wednesday, April 13, 2005, and any adjournments thereof.

The expense of soliciting proxies will be borne by Fulton Financial Corporation. The Corporation has retained Georgeson Shareholder Communications Inc., 17 State Street, New York, New York 10004, to aid in the solicitation. For these services, Fulton Financial Corporation will pay Georgeson a fee of \$8,500 and reimburse it for certain out-of-pocket disbursements and expenses. In addition to the use of the mails and the proxy solicitor, directors, officers and employees of Fulton Financial Corporation and its subsidiaries may, without additional compensation, solicit proxies personally or by telephone.

Revocability and Voting of Proxies

The execution and return of the enclosed proxy will not affect a shareholder's right to attend the meeting and to vote in person. A shareholder may revoke any proxy given pursuant to this solicitation by delivering written notice of revocation to George R. Barr, Jr., Secretary of Fulton Financial Corporation, at any time before the proxy is voted at the meeting. Unless revoked, any proxy given pursuant to this solicitation will be voted at the meeting in accordance with the instructions thereon of the shareholder giving the proxy. In the absence of instructions, all proxies will be voted FOR the election of the seven nominees identified in this Proxy Statement and FOR the approval to amend the Articles of Incorporation. Although the Board of Directors knows of no other business to be presented, in the event that any other matters are properly brought before the meeting, any proxy given pursuant to this solicitation will be voted in accordance with the recommendations of the Board of Directors of Fulton Financial Corporation.

Shares held for the account of shareholders who participate in the Dividend Reinvestment and Stock Purchase Plan and for the account of employees who participate in the Employee Stock Purchase Plan will be voted in accordance with the instructions of each shareholder as set forth in his or her proxy. If a shareholder who participates in these plans does not return a proxy, the shares held for the shareholder's account by the Plan Agent will not be voted.

Shares held for the account of employees of Fulton Financial Corporation and its subsidiaries who participate in the Fulton Financial Stock Fund of the Fulton Financial Corporation Profit Sharing Plan and Affiliate 401(k) Savings Plan will be voted by the Plan Trustee (Fulton Financial Advisors, National Association) in accordance with the instructions of each participant as set forth in the separate voting instruction card sent to the participant with respect to such shares. To allow sufficient time for the Plan Trustee to vote, participants' voting instructions must be received by April 8, 2005. Shares held under the Fulton Financial Stock Fund with respect to which no voting instructions are received by April 8, 2005, will be voted by the Plan Trustee FOR the election of the seven nominees identified in the Proxy Statement and FOR the approval to amend the Articles of Incorporation.

Voting of Shares and Principal Holders Thereof

At the close of business on February 24, 2005, which is the record date for determination of shareholders entitled to receive notice of, and to vote at, the meeting and any adjournment thereof, Fulton Financial Corporation had outstanding _____ shares of common stock. There is no other class of stock outstanding. As of the record date, _____ shares of Fulton Financial Corporation common stock were held by Fulton Financial Advisors, National Association, a subsidiary of Fulton Financial Corporation, as sole fiduciary. The shares held by Fulton Financial Advisors, National Association as sole fiduciary represent in the aggregate approximately ____ percent of the total shares outstanding and will be voted FOR the election of the seven nominees identified in this Proxy Statement and FOR the approval to amend the Articles of Incorporation.

A majority of the outstanding common stock present in person or by proxy constitutes a quorum for the conduct of business. The judge of election will treat shares of Fulton Financial Corporation common stock represented by a properly signed and returned proxy as present at the Annual Meeting for purposes of determining a quorum, without regard to whether the proxy is marked as casting a vote or abstaining. Likewise, the judge of election will treat shares of common stock represented by "broker non-votes" (i.e., shares of common stock held in record name by brokers or nominees as to which (i) instructions have not been received from the beneficial owners or persons entitled to vote, (ii) the broker or nominee does not have discretionary voting power under applicable rules of the National Association of Securities Dealers, Inc. or the instrument under which it serves in such capacity, and (iii) the record holder has indicated on the proxy or otherwise notified Fulton Financial Corporation that it does not have authority to vote such shares on that matter) as present for purposes of determining a quorum.

Each share is entitled to one vote on all matters submitted to a vote of the shareholders. A majority of the votes cast at a meeting at which a quorum is present is required in order to approve any matter submitted to a vote of the shareholders, except in cases where the vote of a greater number of shares is required by law or under the Articles of Incorporation or Bylaws.

In the case of the election of directors, the seven candidates receiving the highest number of votes cast at the Annual Meeting shall be elected to the Board of Directors. Abstentions and broker non-votes will be counted as shares that are present at the meeting, but will not be counted as votes cast on the election of directors.

Under the Articles of Incorporation, the affirmative vote of 66-2/3 percent of the outstanding shares entitled to vote is required to approve the proposal to amend the Articles of Incorporation for the purpose of increasing the number of authorized shares of common stock from 400 million shares to 600 million shares.

To the knowledge of Fulton Financial Corporation, no person owned of record or beneficially on the record date more than five percent of the outstanding common stock of Fulton Financial Corporation.

Recommendation of the Board of Directors

The Board of Directors recommends that the shareholders vote FOR the election of the seven nominees identified in this Proxy Statement and FOR the approval to amend the Articles of Incorporation.

Any shareholder submitting a shareholder proposal to Fulton Financial Corporation must also provide Fulton Financial Corporation with a written statement verifying ownership of stock and confirming the shareholder's intention to continue to hold the stock through the date of the 2006 Annual Meeting. The shareholder, or a qualified representative, must attend the 2006 Annual Meeting to present the proposal.

For example, communications concerning accounting, internal accounting controls or auditing matters will be shared with the Chair of the Audit Committee of the Board of Directors.

Code of Conduct

Fulton Financial Corporation has had a Code of Conduct ("Code") for two decades that governs the conduct of its directors, officers and employees. The Code was revised last year to comply with the requirements of the Sarbanes-Oxley Act of 2002 and NASDAQ listing standards, and Fulton Financial Corporation provides the Code to each director, officer and employee. A copy of the Code of Conduct can be obtained, without cost, by writing to the Corporate Secretary at: Fulton Financial Corporation, P.O. Box 4887, One Penn Square, Lancaster, PA 17604.

SELECTION OF DIRECTORS

General Information

The Bylaws of Fulton Financial Corporation provide that the Board of Directors shall consist of not less than two nor more than thirty-five persons and that the directors shall be classified with respect to the time they shall severally hold office by dividing them into three classes, each consisting as nearly as possible of one third of the number of the whole Board of Directors. The Bylaws further provide that the directors of each class shall be elected for a term of three years, so that the term of office of one class of directors shall expire at the Annual Meeting each year. The Bylaws provide that the Board of Directors shall determine the number of directors in each class of directors.

A majority of the Board of Directors may increase the number of directors between meetings of the shareholders. Any vacancy occurring in the Board of Directors, whether due to an increase in the number of directors, resignation, retirement, death or any other reason, may be filled by appointment by the remaining directors. Any director who is appointed to fill a vacancy shall hold office until the next Annual Meeting of the shareholders and until a successor is elected and shall have qualified. There is a mandatory retirement provision in the Bylaws, which states that the office of a director shall be considered vacant at the Annual Meeting of shareholders next following the director's attaining the age of 70 years.

Procedure for Shareholder Nominations

Section 3 of Article II of the Bylaws of Fulton Financial Corporation requires that nominations, other than those made by or on behalf of the existing management of Fulton Financial Corporation, must be made in writing and must be delivered or mailed to the Chief Executive Officer of Fulton Financial Corporation not less than 14 days nor more than 50 days prior to the date of the Annual Meeting; provided, however, that if less than 21 days' notice of the

meeting is given to the shareholders, such nominations must be mailed or delivered to the Chief Executive Officer of Fulton Financial Corporation not later than the close of business on the sixth day following the day on which notice of the meeting was mailed. The required notice must set forth the name, age, residence address and principal occupation of each nominee. The chairman of the meeting is required to determine whether nominations have been made in accordance with the requirements of the Bylaws and, if he determines that a nomination is defective, the nomination and any votes cast for the nominee shall be disregarded.

Director Qualifications

In considering individuals nominated for board membership, the Board of Directors considers a variety of factors, including whether the candidate is recommended by executive management; the individual's professional and personal qualifications, including business experience, education and community and charitable activities; and the individual's familiarity with the communities in which Fulton Financial Corporation is located or is seeking to locate. In 2004, the Board of Directors formed a nominating committee of the Board, whose members are independent and are responsible for recommending director nominees to the independent members of the Board of Directors. The charter for the nominating committee is available on Fulton Financial Corporation's web site: www.fult.com.

PROPOSAL NO. 2

APPROVAL OF AMENDMENT OF THE ARTICLES OF INCORPORATION

General Information

The Articles of Incorporation of Fulton Financial Corporation, as presently in effect, provide that the authorized capital of Fulton Financial Corporation shall consist exclusively of 400 million shares of common stock, par value \$2.50 per share, and 10 million shares of preferred stock without par value. As of February 24, 2005, there were _____ shares of common stock outstanding, which shares were held by _____ owners of record. In addition, as of that date, _____ shares of common stock were reserved for issuance pursuant to stock option plans, _____ shares were reserved for issuance pursuant to the Dividend Reinvestment and Stock Purchase Plan, _____ shares were reserved for issuance pursuant to the Shareholder Rights Plan adopted on June 20, 1989 and amended and restated April 27, 1999, and 3,585,818 shares which have been reserved for issuance in connection with the acquisition of SVB Financial Services, Inc. Thus, _____ shares of common stock are currently available for future financing, acquisitions and other corporate purposes. (For each additional share issued, one share must be reserved for issuance pursuant to the Shareholders Rights Plan; therefore only _____ shares remain available for discretionary issuance.) No shares of preferred stock have been issued by Fulton Financial Corporation.

On January 18, 2005, the Board of Directors adopted a proposal to amend Article 5 of the Articles of Incorporation of Fulton Financial Corporation for the purpose of increasing the number of authorized shares of common stock from 400 million to 600 million shares. Under the proposed amendment, no change would be made in the number of authorized shares of preferred stock. The Board of Directors believes that it is desirable to have additional authorized shares of common stock available for issuance for the purpose of raising additional capital and for use in connection with stock dividends, stock splits, acquisitions, issuance pursuant to the Dividend Reinvestment and Stock Purchase Plan and employee benefit plans and other general corporate purposes. Having additional authorized shares of common stock available for issuance in the future would provide Fulton Financial Corporation with greater flexibility in pursuing such corporate purposes and would allow additional shares to be issued without the expense and delay of further amendments to the Articles of Incorporation, which would require shareholder approval at an annual or special shareholders meeting. Having this flexibility has supported Fulton Financial Corporation's history of declaring stock splits or dividends and has been a key element of Fulton Financial Corporation's successful acquisition strategy that has resulted in 23 acquisitions since 1982. These acquisitions have been a significant contributing factor to the Corporation's growth and earnings over the years. The rules of the NASDAQ National Market System, on which Fulton Financial Corporation common stock trades, and the Pennsylvania Business Corporation Law, may, however, require shareholder approval before additional shares could be issued under certain circumstances.

The additional shares of Fulton Financial Corporation common stock for which authorization is sought would be part of the existing class of common stock and, if and when issued, would have the same rights and privileges as the shares of common stock presently outstanding. The holders of Fulton Financial Corporation common stock do not have preemptive rights in connection with the issuance of additional shares of common stock.

If approved by the shareholders, the proposed amendment will become effective upon the filing of Articles of Amendment with the Secretary of State of the Commonwealth of Pennsylvania.

The proposed amendment to increase the number of authorized shares of common stock is not proposed to discourage a takeover or change in control of Fulton Financial Corporation. Nevertheless, in certain instances, a proposal to increase the amount of authorized stock may have an anti-takeover effect. In the event that a hostile

takeover of Fulton Financial Corporation is threatened, the Board of Directors could issue shares of common stock or preferred stock to dilute the stock ownership of persons seeking to obtain control of the company.

The Board of Directors believes that its proposal to amend the Articles of Incorporation for the purpose of increasing the number of authorized shares of common stock is in the best interests of Fulton Financial Corporation and its shareholders. **The Board of Directors recommends that the shareholders vote FOR the approval of the amendment of the Articles of Incorporation.**

Vote Required For Proposal No. 2

Under the Articles of Incorporation of Fulton Financial Corporation, the affirmative vote of 66-2/3 percent of the outstanding shares entitled to vote is required in order to approve the proposed amendment.

Abstentions and broker non-votes will be counted as shares that are present at the meeting, but will not be counted as a vote cast on approval of the amendment. Therefore, an abstention or broker non-vote has the effect of a vote against approval of the amendment.

COMMITTEE REPORT ON EXECUTIVE COMPENSATION

For 2004, compensation for executive officers of Fulton Financial Corporation was determined December 16, 2003 by the Board of Directors after receiving recommendations from the Executive Committee of the Board of Directors based upon external salary comparisons and individual performance.² In making recommendations to the Board of Directors regarding the appropriate levels of executive officer compensation for 2004, the Executive Committee first considered the executive management tiers and corresponding base salary ranges which Peter R. Johnson & Company, a consultant on executive compensation, developed in 2001. Fulton Financial Corporation's executive compensation program is based, to a significant degree, on peer group information, because the Board of Directors believes that the Corporation must offer competitive salaries in order to attract and retain qualified executive officers.

In making recommendations to the Board of Directors regarding the appropriate levels of executive officer compensation for 2004, the Executive Committee also considered the individual performance factors described in this paragraph. With regard to the compensation paid to executive officers other than the Chief Executive Officer, the Executive Committee considered information provided by the Chief Executive Officer as to each executive officer's level of individual performance, contribution to the organization, and salary history during the past six years. With regard to the compensation paid to the Chief Executive Officer, the Executive Committee considered his performance level, the results of management decisions made by him, and the earnings of Fulton Financial Corporation during the previous year. The Executive Committee did not assign a particular weight to any of the foregoing individual performance factors, nor did it establish specific target levels for individual performance or corporate earnings. The compensation recommendations of the Executive Committee were based on its overall subjective assessment of the value of the services provided by each executive officer to Fulton Financial Corporation, after giving careful consideration to the peer group compensation information described above and the individual performance factors discussed in this paragraph.

The peer group of bank holding companies used by the Executive Committee for purposes of making a comparative analysis of executive compensation for 2004 included the same bank holding companies that were incorporated in the Corporation's 2003 peer group established to compare shareholder returns, as indicated in the Performance Graph included in this Proxy Statement. The peer group included bank holding companies that at the time were comparable to Fulton Financial Corporation in terms of asset size, although they were not necessarily comparable in terms of financial performance.

Pursuant to the 2004 Stock Option Compensation Plan approved by the Board of Directors on October 21, 2003 and the shareholders in 2004, Fulton Financial Corporation is authorized to award incentive stock options and non-qualified stock options to key employees of Fulton Financial Corporation and its subsidiaries. These stock options enable the recipients to purchase Fulton Financial Corporation common stock at the prices designated in the awarded options. The number of options available for grant in any calendar year is determined based on the performance of Fulton Financial Corporation measured in terms of total shareholder return for the immediately preceding five-year period relative to a peer group selected by the Executive Compensation Committee. The awards of stock options made to the executive officers of Fulton Financial Corporation during 2004 were determined by the Board of Directors based on the recommendations of the Executive Compensation Committee. In making such recommendations, the Executive Compensation Committee considered the number of shares to be optioned and the profitability of Fulton Financial Corporation, as well as information provided by the Chief

2

At its January 20, 2004, regular board meeting, the Board of Directors discussed the NASDAQ listing standards that provide, among other things, for either a compensation committee of the Board consisting solely of "independent" directors or a majority of the "independent" directors of the Board to approve the compensation for executive officers. The Board formed an Executive Compensation Committee in March 2004. At an October 18, 2004 meeting, the Executive Compensation Committee reviewed and evaluated information concerning the compensation and performance of the executive officers of Fulton Financial Corporation and voted to recommend to the independent directors of the Board of Directors increases in the 2005 salaries for each of the executive officers. At a regular board

meeting on December 21, 2004, the independent directors of the Board of Directors, after discussion, approved the recommendations of the Executive Compensation Committee for increasing the 2005 salaries of the executive officers.

Executive Officer concerning the level of individual performance and contribution to the organization of each of the other executive officers. The Executive Compensation Committee used the same criteria in determining the number of options to be awarded to the Chief Executive Officer. The Executive Compensation Committee did not establish specific target levels for individual performance or corporate profitability. The Executive Compensation Committee believes, however, that awards of stock options and bonuses are an appropriate means of compensating executive officers based on the performance of Fulton Financial Corporation.

SEVERANCE AGREEMENTS AND SURVIVORS' BENEFITS

Fulton Financial Corporation has entered into severance agreements with Messrs. Fulton, Smith, Ashby and Nugent (the "Executives"). Under the terms of those agreements, certain limited severance benefits are payable in the event that an Executive is discharged or resigns following, and for reasons relating to, a change in control of Fulton Financial Corporation. Specifically, in the event of such a discharge or resignation, the Executive would be entitled to receive from Fulton Financial Corporation an annual benefit consisting of his then effective base salary, certain fringe benefits in lieu of coverage under employee benefit plans and a supplemental retirement benefit in lieu of his continuing participation in the Fulton Financial Corporation employee retirement plans. Such benefits would be payable, in the case of Mr. Fulton, for a period of five years and, in the cases of Messrs. Smith, Ashby and Nugent, for a period of three years, beginning on the date of the Executive's discharge or resignation and continuing until (i) he elects to terminate benefits in order to accept employment with another financial services institution; (ii) the end of the year in which he attains the age of 65; or (iii) he dies, whichever first occurs.

Officers of Fulton Financial Corporation and certain of its bank subsidiaries as of April 1, 1992, who had been employed by the Corporation for at least five years as of that date, are eligible to participate in a survivors' benefit program. This program provides the employee's spouse, in the event of the employee's death prior to retirement, with an annual income equal to the lesser of \$25,000 or 25 percent of the employee's final annual salary. This benefit is paid from the date of death until the employee's 65th birthday with a minimum of ten annual payments. Messrs. Fulton, Smith and Ashby participate in this program.

INFORMATION CONCERNING DIRECTORS

Meetings and Committees of the Board of Directors

The Board of Directors of Fulton Financial Corporation has a standing Executive Committee, Audit Committee, Nominating Committee, Executive Compensation Committee and Trust Committee. There is also a standing Human Resources Committee which, except with regard to the executive officers of Fulton Financial Corporation, serves as the compensation committee.

Compensation Committee Interlocks and Insider Participation

Historically, the Executive Committee of the Board of Directors of Fulton Financial Corporation functioned as the compensation committee responsible for considering the compensation for executive officers of Fulton Financial Corporation and for presenting salary recommendations for these officers to the Board of Directors for approval. In December 2003, the committee recommended and the Board of Directors approved the 2004 compensation for the executive officers. Members of the Executive Committee are Carolyn R. Holleran, Chair, Donald M. Bowman, Jr., Vice Chair, and Messrs. Freer, Fulton, Gardner, Hodges, and Leshner. In 2004, Mr. Fulton was Chairman and Chief Executive Officer of Fulton Financial Corporation. Mr. Fulton did not participate in discussions as to his own 2004 compensation. There are no interlocking relationships, as defined in regulations of the SEC, involving members of the Executive Committee. Except for the powers expressly excluded in Section 5 of Article III of the Bylaws, the Executive Committee also exercises the powers of the Board of Directors between board meetings. The Executive Committee met once in 2004.

Other Board Committees

Members of the Audit Committee are George W. Hodges, Chair, Eugene H. Gardner, Vice Chair, Mrs. Mary Ann Russell and Messrs. Freer, Hunt and Stewart. All members of the Audit Committee meet the experience and independence requirements of the National Association of Security Dealers, Inc., the Securities and Exchange Act of 1934, and the rules and regulations of the SEC. Directors Gardner and Hunt were determined to qualify, and agreed to serve, as the Audit Committee's "financial expert" as defined by the SEC regulations. The Audit Committee met eleven times during the year. The Audit Committee is governed by a formal charter, which was adopted in 2004. The Audit Committee's pre-approval policy and procedure for audit and non-audit services is set forth in its charter. The functions of the Audit Committee include, among other things, sole authority to appoint or replace the independent auditor; direct responsibility for the compensation and oversight of the work of the independent auditor; oversight of

the overall relationship with the independent auditor; meeting with the independent auditor to review the scope of audit services; reviewing and discussing with management and the independent auditor annual and quarterly financial statements and related disclosures; overseeing the internal audit function; reviewing regulatory examination reports and management's responses thereto; and reviewing periodic reports from the loan review function.

Members of the Nominating Committee are Carolyn R. Holleran, Chair, Donald M. Bowman, Jr., Vice Chair and Messrs. Freer, Gardner, Hodges and Leshner. The Nominating Committee members met one time during the year. Fulton and Smith serve as ex officio members of this Committee. The Trust Committee met seven times during the year. The Trust Committee is responsible for consulting with management of Fulton Financial Advisors, National Association, a subsidiary of Fulton Financial Corporation, and overseeing all trust, investment, insurance and related financial services which Fulton Financial Corporation performs, directly or indirectly through an affiliate.

Members of the Human Resources Committee are Donald W. Leshner, Jr., Chair, Jeffrey G. Albertson, Vice Chair and Messrs. Frame, Horst, Opatut and Shirk. Messrs. Fulton and Smith serve as ex officio members of this Committee. The Committee met seven times during the year to review benefit and salary administration programs (except for executive officers of Fulton Financial Corporation) and other human resources matters affecting Fulton Financial Corporation and its subsidiaries.

There were eight meetings of the Board of Directors of Fulton Financial Corporation and thirty meetings of committees of the Board of Directors of Fulton Financial Corporation during 2004. No director attended fewer than 75% of the aggregate number of meetings of the Board of Directors and of the board committees on which he or she served.

Executive Sessions

The independent directors of the board met three times in executive session in 2004.

Annual Meeting Attendance

In 2004, Fulton Financial Corporation did not have a policy requiring directors to attend the Annual Meeting, however, in order to facilitate their attendance, the corporation held its regularly scheduled board meeting for April at 9 a.m., April 22, 2004, at the Hershey Lodge and Convention Center, the same date and location as the 2004 Annual Meeting, which began at 12:00 noon. One retiring director was absent from that regular board meeting but he did attend the Annual Meeting. Fulton Financial Corporation has scheduled its 2005 regular April board meeting in a similar manner.

Compensation of Directors

Each member of the Board of Directors of Fulton Financial Corporation is paid an annual fee of \$12,000 for his or her services as a director, except that no fee is paid to any director who is also a salaried officer of Fulton Financial

Corporation or one of its subsidiary banks. In addition, directors are paid a fee of \$1,000 for each Board of Directors meeting attended and \$1,000 for each committee meeting attended on non-board meeting days. The chairpersons of the Audit Committee and the Executive Committee also are paid an annual fee of \$2,500. Certain directors have elected to participate in the Fulton Financial Corporation Deferred Compensation Plan, under which a director may elect not to receive the normal director's fees when earned, but instead, to receive them, together with interest, in a lump sum or in installments over a period of up to twenty (20) years following retirement.

Transactions with Directors and Executive Officers

Some of the directors and executive officers of Fulton Financial Corporation and the companies with which they are associated were customers of, and had banking transactions with Fulton Financial Corporation bank subsidiaries during 2004. All loans and commitments to lend made to such persons and to the companies with which they are associated were made in the ordinary course of bank business, on substantially the same terms (including interest rates, collateral and repayment terms) as those prevailing at the time for comparable transactions with other persons, and did not involve more than a normal risk of collectibility or present other unfavorable features. It is anticipated that similar transactions will be entered into in the future.

Some of the directors of Fulton Financial Corporation are members of law firms which provided legal services to Fulton Financial Corporation or its subsidiaries in 2004 and prior years. The law firm of Albertson Ward, Woodbury, New Jersey, has provided legal services to The Bank, a subsidiary of Fulton Financial Corporation, for many years. In 2004, Albertson Ward was paid \$106,550.20 in fees for such services, which constituted more than five percent (5%) of its gross revenues. Director Jeffrey G. Albertson is a partner in this firm. The law firm of Barley Snyder LLC, Lancaster, Pennsylvania, provided legal services to Fulton Financial Corporation and its subsidiaries in 2004. Director John O. Shirk is a partner in this law firm. The law firm of Pierce & Dally, LLP, Nazareth, Pennsylvania, provided legal services to Lafayette Ambassador Bank in 2004. In 2004, Pierce & Dally was paid \$_____ in fees for such services, which constituted more than five percent (5%) of its gross revenues. Director Craig A. Dally is a partner in this law firm. In each case, the law firm is expected to continue to provide legal services to Fulton Financial Corporation or its subsidiaries in the future.

In 2004, a banking subsidiary of Fulton Financial Corporation paid annual rent of \$_____ for a branch office to The Bowman Group, LLP. Director Donald M. Bowman, Jr. is a limited partner in The Bowman Group, LLP.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires the directors and executive officers of Fulton Financial Corporation to file with the Securities and Exchange Commission initial reports of ownership and reports of change in ownership of common stock and other equity securities of Fulton Financial Corporation. To the knowledge of Fulton Financial Corporation, all Section 16(a) filing requirements applicable to its directors and executive officers have been complied with, except in the following case: with respect to Clark S. Frame, the report of a sale of 162 shares of Fulton Financial Corporation stock on November 9, 2004 was filed on January 18, 2005. The failure to file a timely report was inadvertent and occurred as a result of a delay in getting timely and accurate information from the Plan Administrator of Premier Bank 401 (k) Plan.

RELATIONSHIP WITH INDEPENDENT PUBLIC ACCOUNTANTS

For the year ended December 31, 2004, Fulton Financial Corporation engaged KPMG LLP ("KPMG"), independent certified public accountants, to audit the Corporation's financial statements.

The appointment of KPMG for the current year will be reviewed in the second quarter of 2005. Representatives of KPMG are expected to be present at the 2005 Annual Meeting with the opportunity to make a statement and to be available to respond to appropriate questions.

The Audit Committee of the Board of Directors of Fulton Financial Corporation has carefully considered whether the provision of the non-audit services described below which were performed by KPMG in 2004 would be incompatible with maintaining the independence of KPMG in performing its audit services and has determined that, in its judgment, the independence of the auditor has not been compromised.

All fees paid to KPMG in 2004 and 2003 were preapproved by the Audit Committee. The Audit Committee preapproves all auditing and permitted non-auditing services, including the fees and terms thereof, to be performed by its independent auditor, subject to the de minimus exceptions from non-auditing services permitted by the Securities and Exchange Act of 1934. However, these types of services are approved prior to completion of the services. The Committee may form and delegate authority to subcommittees consisting of one or more members, when appropriate, including the authority to grant preapprovals of audit and permitted non-audit services. Any decisions of such subcommittees to grant preapprovals shall be presented to the full Committee for ratification at its next scheduled meeting.

The Audit Committee has stated that, based on its review and discussion of the audited 2004 financial statements of Fulton Financial Corporation with management and the Corporation's auditor, KPMG, it recommended to the Board of Directors that the financial statements be included in the Annual Report on Form 10-K for filing with the Securities and Exchange Commission. A copy of the report of the Audit Committee of its findings that resulted from its financial reporting oversight responsibilities is attached as Exhibit A.
