**De-Registration of Common Shares and Plan Interests**

## Edgar Filing: ABBOTT LABORATORIES - Form S-8 POS

On January 10, 2002, Abbott Laboratories (the "Registrant") registered 750,000 common shares (including preferred stock purchase rights), without par value, and an indeterminate amount of plan interests on a Registration Statement on Form S-8 (file number 333-76516) under the Securities Act of 1933 (the "Registration Statement"), to be issued pursuant to the Abbott Laboratories Employee Share Ownership Plan (the "Plan"). The Registrant believes that the registration of plan interests and common shares under the Plan, which issues shares pursuant to an employee share ownership plan only to employees employed in the United Kingdom, is not necessary. Accordingly, the Registrant is filing this post-effective amendment to deregister the plan interests and each of the 690,374 common shares (including preferred stock purchase rights), that were registered under the Registration Statement and remain unissued as of the date hereof. As a result of this deregistration statement, no securities remain registered under the Registration Statement.
