PROXY STATEMENT

This Proxy Statement is being furnished to the stockholders (the "Stockholders") of Veeco Instruments Inc., a Delaware corporation ("Veeco" or the "Company"), in connection with the Annual Meeting of Stockholders of Veeco to be held at 9:30 a.m. (New York City time) on May 7, 2004, at the Corporate Center, 395 North Service Road, Lower Auditorium, Melville, New York (the "Meeting"). Accompanying this proxy statement ("Proxy Statement") is a notice of such Meeting and a form of proxy solicited by Veeco's Board of Directors. Audited financial statements of Veeco for the fiscal year ended December 31, 2003 are contained in Veeco's Annual Report on Form 10-K which has been mailed with this Proxy Statement. These materials are being mailed to Stockholders on or about April 5, 2004.

Proxies in the accompanying form which are properly executed and duly returned to Veeco and not revoked prior to the voting at the Meeting will be voted as specified. If no contrary specification is made and if such proxy is not designated as broker non-votes, the shares of Veeco's common stock, \$0.01 par value per share ("Shares" or "Common Stock"), represented by the enclosed proxy will be voted:

- Proposal 1 FOR the election of the nominees for director;
- Proposal 2 FOR the approval of the amendment to the Veeco Instruments Inc. First Amended and Restated Employee Stock Purchase Plan, as amended to date (the "ESP Plan");
- Proposal 3 FOR the approval of the amendment and restatement of the Veeco Instruments Inc. 2000 Stock Option Plan, as amended to date (the "2000 Plan"); and

Any Stockholder who provides a proxy has the power to revoke it at any time prior to the voting by filing with the Secretary of Veeco written notice of revocation, by providing a duly executed proxy bearing a later date or by voting in person at the Meeting.

The Board of Directors has fixed the close of business on March 9, 2004 (the "Record Date"), as the record date for the determination of the Stockholders who are entitled to receive notice of and to vote at the Meeting. The holders of at least 50% of the issued and outstanding shares of Common Stock must be present in person, or represented by proxy, to constitute a quorum for the transaction of business at the Meeting. Section 1.6 of Veeco's Bylaws provides that corporate action to be taken by stockholder vote, other than the election of directors, shall be authorized by a majority of the votes cast at a meeting of the stockholders at which a quorum is present. Directors shall be elected by a plurality of the votes cast at the Meeting (Proposal 1). An affirmative vote by the holders of a majority of the votes cast at the Meeting is required for approval of each of Proposals 2, 3 and 4.

As of the Record Date, there were 29,619,290 shares of Common Stock outstanding. Each share of Common Stock is entitled to one vote with respect to each of the matters to be voted upon at the Meeting. PROPOSAL 1 ELECTION OF DIRECTORS

Veeco's Certificate of Incorporation provides for a Board of Directors elected by Stockholders which is divided into three classes of Directors serving staggered terms. Currently, the Board of Directors is comprised of nine members, consisting of three Class I Directors, three Class II Directors and three Class III Directors. Each of the three Class I Directors is up for re-election this year.

Based on the recommendation of the Nominating and Governance Committee, the Board of Directors has nominated the following Directors for re-election, each of whom is currently a Class I Director:

Name	Nominated for Re-Election to:	For a Term Expiring at the Annual Meeting of Stockholders in:
Heinz K. Fridrich	Class I	2007
Roger D. McDaniel	Class I	2007
Irwin H. Pfister	Class I	2007

3

The following Directors will continue in their current positions for the term specified:

Name	Continuing in:	Term Expires at the Annual Meeting of Stockholders in:
Joel A. Elftmann	Class II	2005
Paul R. Low	Class II	2005
Walter J. Scherr	Class II	2005

Edgar Filing: VEECO INSTRUMENTS INC - Form DEF 14A

<u>Name</u>	<u>Continuing in:</u>	<u>Term Expires at the Annual Meeting of Stockholders in:</u>
Edward H. Braun	Class III	2006
Richard A. D'Amore	Class III	2006
Douglas A. Kingsley	Class III	2006

Management does not contemplate that any of the nominees for Director will be unable to serve, but, if such a situation should arise, it is the intention of the persons named in the accompanying proxy to vote for the election of such other person or persons as the remaining members of the Board of Directors may recommend.

Directors are elected by a plurality of the votes cast at the Meeting. Unless authority to vote is specifically withheld by appropriate designation on the face of the proxy or a broker or nominee has indicated on the face of the proxy its lack of discretionary authority to vote, the persons named in the accompanying proxy intend to vote the shares represented thereby for the persons whose names are set forth above as Directors of Veeco. Accordingly, only proxies marked "FOR" the nominees or unmarked (other than broker non-votes) will be counted as "votes" in determining the election of Directors.

The Board of Directors recommends a vote FOR approval of the Director nominees named above.

Edgar Filing: VEECO INSTRUMENTS INC - Form DEF 14A

Nominating and Governance Committee. The Company's Nominating and Governance Committee addresses Board organizational issues and develops and reviews corporate governance principles applicable to Veeco. In addition, the committee searches for persons qualified to serve on the Board of Directors and makes recommendations to the Board of Directors with respect thereto. The Nominating and Governance Committee operates under a charter, a copy of which can be found on the Company's website (www.veeco.com). The Nominating and Governance Committee currently consists of Messrs. Kingsley, Low and McDaniel. The Nominating and Governance Committee will consider nominees recommended by stockholders who submit nominations to Chair, Nominating and Governance Committee, care of the Secretary, Veeco Instruments Inc., 100 Sunnyside Boulevard, Suite B, Woodbury, NY 11797. In order for an unsolicited recommendation to be considered as a possible nominee for director in the Company's proxy statement for a particular year, the recommending stockholder must meet the eligibility requirements for submitting a stockholder proposal for inclusion in that proxy statement, a written recommendation must be received not later than the 120th calendar day before the date of that proxy statement, and the written recommendation must contain the following:

The candidate's name, age, address, principal occupation or employment, the number of shares of common stock such candidate beneficially owns, a brief description of any direct or indirect relationships with the Company, and the information that would be required in a proxy statement soliciting proxies for the election of the candidate as a director;

6

A signed consent of the candidate to cooperate with reasonable background checks, requests for information and personal interviews and to fulfill the responsibilities of a director of the Company, if elected;

A description of all financial and other relationships, arrangements or understandings between the recommending stockholder and the candidate and any other person or persons (including their names) pursuant to which the recommendation is being made, as well as a list of all other companies that the stockholder has recommended the candidate to for election as a director in that year.

In evaluating candidates, the Nominating and Governance Committee will consider the criteria and qualifications set forth in the committee's charter which include personal integrity and honesty, sound business judgment, independence, background and business experience, willingness and capability to actively participate in Board and Committee activities and potential conflict of interest. In any particular situation, the committee may focus on persons possessing a particular background, experience or qualifications which the committee believes would be important to enhance the effectiveness of the Board. The evaluation process for candidates recommended by stockholders is the same as for candidates from any other source.

Communications Between Shareholders and Directors

Shareholders may address communications to one or more members of the Board (other than sales or employment-related communications) by letter addressed to the Secretary, Veeco Instruments Inc., 100 Sunnyside Boulevard, Suite B, Woodbury, NY 11797. Pursuant to the 2000 Plan, each non-employee Director who meets the eligibility criteria for such plan receives an automatic annual grant of 7,000 options with an exercise price equal to the fair market value of a share of Common Stock on the date of grant. In 2003, the Company also made an additional discretionary grant to each non-employee director of 3,000 options. Proposal 3 below describes a proposed amendment to the 2000 Plan to increase the automatic annual grant to non-employee Directors to 10,000 options. In 2003, each of Messrs. D'Amore, Elftmann, Fridrich, Kingsley, Low, McDaniel and Pfister received a grant of 10,000 options at an exercise price of \$16.43. Certain Relationships and Related Transactions

The Company has entered into employment agreements with each of Mr. Braun, Dr. Kania and Mr. Rein. These agreements provide for the payment of severance in the event that (i) the executive's

employment with Veeco is terminated by Veeco for any reason other than "for cause" (defined as specified serious misconduct), or (ii) the executive resigns for "good reason" (defined as any one of: an involuntary downgrading of the executive's responsibilities by Veeco, an involuntary relocation of the executive's office to a location more than 50 miles from its then-current location, non-fulfillment by Veeco of certain contractual commitments to the executive and, in Mr. Braun's case only, a failure to elect Mr. Braun as a member of Veeco's Board of Directors). In such case, the executive will be entitled to severance in an amount equal to 36 months of base salary, in the case of Mr. Braun, or 24 months of base salary, in the case of Dr. Kania and Mr. Rein, as well as a pro-rated bonus for the year in which the termination occurs. In addition, under the agreements, the Company will continue to provide certain health care benefits to Mr. Braun for a period of five years following termination of his employment and will provide a payment to Dr. Kania and Mr. Rein equal to 1.33 times the estimated cost to continue healthcare coverage under COBRA for 18 months following such termination. In addition, upon any such termination, the vesting of any options to purchase common stock of Veeco, which were granted after the date of the employment agreement and which are held by the executive at the time of such termination, will be accelerated and the executive will have 36 months, in the case of Mr. Braun, or 24 months, in the case of each of Dr. Kania and Mr. Rein (or, in each case, until the end of the original term of the options, if earlier) to exercise such options. The severance specified above will also be payable in the event that an executive's employment with Veeco is terminated on account of death or disability. These agreements also include non-compete and non-solicitation provisions applicable to the executives during the employment period and during the period that the executive is entitled to any severance payment thereunder. As a condition to the payment of the severance

described above, the executive will be required to execute a release of claims against the Company.

Veeco has also entered into a letter agreement with Mr. Kiernan which provides for the payment of 18 months severance in the event Mr. Kiernan is terminated without "cause" or for "good reason" (each as defined in the letter agreement). In addition, upon any such termination, Mr. Kiernan will have 12 months to exercise stock options held by him at such time (or until the end of the original term of the options, if earlier) and, if such termination occurs within 12 months of a "change of control" of the Company (as defined in the letter agreement), the vesting of any options to purchase common stock of Veeco, which were granted after the date of the letter agreement and which are held by Mr. Kiernan at the time of such termination, will be accelerated.

Veeco is party to an agreement with Walter J. Scherr, a Director of Veeco, pursuant to which he is employed as a consultant to Veeco with respect to acquisitions and new business opportunities, as well as certain other matters. Mr. Scherr received \$104,200 for his services in such advisory capacity in 2003.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

Compensation Philosophy

The Compensation Committee of the Board of Directors (the "Compensation Committee") is comprised of three outside, non-employee directors. The Compensation Committee reviews and approves all of Veeco's executive compensation programs. The compensation program is based on the following principles:

- a. Executive officers' compensation should be tied to annual performance goals that maximize stockholder value.
- b. Veeco emphasizes variable incentive compensation in order to encourage continuously improving corporate performance and to align the interests of executive officers with those of the stockholders.
- c. Compensation must be competitive in order to attract, motivate and retain the management talent needed to achieve Veeco's business objectives.

In determining competitive levels, the committee reviews information of comparable companies from both independent survey data and public company filings.

Components of Compensation

Veeco's executive compensation program consists of three principal elements:

- a. **Base Salary** Base salaries have been set within salary ranges based on compensation reports for comparable size and type companies. Individual salary increases are based on an officer's contribution to Veeco and the relationship of current pay to the current value of the job.
- b. **Annual Incentive Awards** Annual incentive awards are based on the performance against objectives in the calendar year and are ordinarily payable in the first quarter of the succeeding year. Such objectives include operating performance relative to plan as well as the achievement of other objectives. Incentive awards for executive officers are a percentage of base salary. The percentage at target is 100% of base salary for the chief executive officer and up to 70% of base salary for the other executive officers for achievement of business objectives. If performance targets are exceeded, the incentive award paid will exceed the targets described above by up to an additional 50%. In 2003, the incentive awards were based on operating income criteria, revenue, cash flow and the achievement of individual management objectives. For 2003, no annual incentive award was paid to the Chief Executive Officer, President or Chief Financial Officer.

c.

Stock Option Grants Stock option grants are awarded to motivate and retain employees and to enhance Stockholder value. The committee believes that stock options encourage employees to relate their long-term economic interests to those of other Stockholders. Stock options are granted at an exercise price equal to fair market value on the date of grant and vest over three years. The options have a term of seven years from the date of grant.

Chief Executive Officer's Compensation

The compensation of Veeco's Chief Executive Officer, Edward H. Braun, is determined by the Compensation Committee in accordance with the policies described above relating to all executive officers' compensation. In particular, the Compensation Committee established Mr. Braun's base salary after an evaluation of his personal performance and the committee's objective to have his base salary be comparable to salaries being paid to similarly situated chief executive officers.

15

Policy on Deductibility of Compensation

Section 162(m) of the Code limits Veeco's tax deduction to \$1,000,000 per year for compensation paid to each of the Named Officers, unless certain requirements are met. The Compensation Committee's present intention is to structure executive compensation so that it will be predominantly deductible, while maintaining flexibility to take actions which it deems to be in the best interest of Veeco and the Stockholders but which may result in Veeco paying certain items of compensation that may not be fully deductible.

AUDIT COMMITTEE REPORT

The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements included in the Annual Report on Form 10-K with management, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements.

The Committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Audit Committee under generally accepted auditing standards. In addition, the Audit Committee has discussed with the independent auditors the auditors' independence from management and the Company including the matters in the written disclosures required by the Independence Standards Board and the matters required to be discussed by SAS 61 and considered the compatibility of nonaudit services with the auditors' independence.

Edgar Filing: VEECO INSTRUMENTS INC - Form DEF 14A

The Audit Committee discussed with the Company's internal and independent auditors the overall scope and plans for their respective audits. The Audit Committee meets with the internal and independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting. The Committee held twelve meetings during 2003.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors (and the Board approved) that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2003 for filing with the Securities and Exchange Commission. The Audit Committee and the Board have also recommended, subject to shareholder approval, the selection of the Company's independent auditors.

PROPOSAL 2
AMENDMENT OF VEECO INSTRUMENTS INC.
FIRST AMENDED AND RESTATED EMPLOYEE STOCK PURCHASE PLAN

The Veeco Instruments Inc. First Amended and Restated Employee Stock Purchase Plan (the "ESP Plan") was established to promote employee ownership of Veeco stock. To date, 750,000 shares of Veeco common stock have been authorized by Veeco's stockholders and reserved for issuance to Veeco employees under the ESP Plan. Veeco's Board has approved certain amendments to the ESP Plan, subject to the approval of Veeco's stockholders.

Veeco's Board deems it to be in the best interests of the Company to amend the ESP Plan. The amendment will increase the number of shares issuable under the existing plan by 1,250,000 shares to a total number of 2,000,000 shares of Veeco common stock. The plan currently provides for the issuance of an aggregate of 750,000 shares, of which 356,533 shares remain available for issuance. Veeco's Board believes that increasing the number of shares that may be purchased under the ESP Plan is necessary to permit broad participation by employees in the ESP Plan. Having too few shares eligible for issuance under the ESP Plan would reduce the number of purchases that could be made under the plan and would therefore reduce the extent to which employees could participate in the ESP Plan. The closing price of Veeco's common stock on March 30, 2004 was \$28.25 per share.

Description of Employee Stock Purchase Plan

The following is a summary of the ESP Plan as in effect on the date hereof as well as the amendment currently proposed. This summary of the existing ESP Plan is qualified in its entirety by reference to the complete text of the plan and an amendment thereto as previously filed by Veeco as an exhibit to its Annual Report on Form 10-K for the year ended December 31, 2000 and an exhibit to its Quarterly Report on Form 10-Q for the quarter ended June 30, 2003. A copy of the proposed amendment is attached as Exhibit A to this proxy statement.

Purpose and Eligibility. The ESP Plan is intended to provide an incentive to eligible employees of Veeco and any direct or indirect subsidiary of Veeco to have a greater interest in Veeco's growth by providing them with the opportunity to purchase Veeco common stock at favorable prices by means of payroll deductions. Each employee of Veeco or a subsidiary of Veeco whose customary employment is expected to be more than 20 hours per week and more than five months per year, other than an employee who owns beneficially (or holds options to purchase) five percent or more of Veeco's total combined voting power or value of all classes of stock, will be eligible to participate in the ESP Plan. The approximate number of persons eligible to participate is 1,070.

Administration. The ESP Plan shall be administered by the Compensation Committee of the Veeco Board of Directors. The Compensation Committee shall consist of at least three directors appointed by the Veeco Board. All members of the Compensation Committee shall be "disinterested persons" within the meaning of Rule 16b-3 of the Exchange Act and "outside directors" within the meaning of Section 162(m) of the Code and shall not be eligible to participate in the ESP Plan. Subject to the express provisions of the plan, the Compensation Committee shall have authority to interpret the terms and provisions of the ESP Plan, to adopt, amend and repeal such rules, regulations, agreements and instruments for implementing and administering the plan as it deems necessary or advisable and to make all other determinations and take all other actions necessary or advisable for the implementation and administration of the ESP Plan. The Compensation Committee may also delegate its administrative duties to such other persons as it deems appropriate in administering the plan. All decisions made by the Compensation Committee shall be binding and conclusive on all persons who have an interest under the ESP Plan.

Deferral of Compensation. Each person electing to participate in the ESP Plan must file a payroll deduction authorization with the administrator of the plan named by the committee, or his or her delegate, which indicates the amount to be deducted from the participant's paychecks. This deduction must be between 1% and 10% of the participant's base pay or such other percentage as may be established by the administrator of the ESP Plan.

Offering and Purchase of Stock. Offering periods to purchase Veeco common stock will begin on January 1 and end on December 31 of each calendar year. In the case of an employee who is eligible to participate in the ESP Plan after November 30 and before the following June 1, the initial offering period for such participant will be the six-month period beginning on the following July 1 and ending December 31.

During an offering period, the purchase price of the Veeco common stock shall be the lesser of:

85% of the fair market value on the first business day of the offering period; and

85% of the fair market value on the last business day of the offering period.

Unless a participant elects to withdraw prior to the close of an offering period, a participant's election to purchase stock shall be deemed to be exercised automatically on the last day of the offering period.

The number of shares of Veeco common stock purchased by a participant upon exercise shall be equal to (i) the amount credited to a participant's account as of the close of the offering period divided by (ii) the purchase price per share of Veeco common stock. No participant shall be permitted to purchase stock with an aggregate fair market value in excess of \$25,000 for any given offering period.

Reduction and Discontinuation of Payroll Deductions. A participant may elect to reduce his or her level of payroll deductions during an offering period at any time prior to November 30. A participant may make only one such election during an offering period, absent specific approval by the administrator of the plan. A participant may elect to discontinue his or her payroll deductions during an offering period at any time prior to November 30. A participant who elects to discontinue payroll deductions for an offering period may not again resume payroll deductions for that offering period.

Withdrawal. A participant may withdraw from an offering at any time prior to November 30. A participant who withdraws from an offering may not again participate in that offering, but a participant's withdrawal will not have any effect upon such participant's eligibility to participate in any succeeding offering. Upon withdrawal from the ESP Plan, the balance in the participant's stock purchase account will be returned to the participant.

In the event that a participant's employment is terminated for any reason other than death prior to the close of an offering, the participant will be considered to have withdrawn from the offering. In the event that a participant's employment is terminated because of such participant's death prior to the close of an offering, such participant's beneficiary shall have the right to elect to:

Withdraw from the offering and receive payment of the amount credited to such participant's account under the plan; or

Continue to participate in the offering and purchase shares with the amount credited to such participant's account as of the date of the death.

Adjustment. If the number of shares of Veeco common stock outstanding is increased or decreased or changed into or exchanged for a different number or kind of shares or other securities of Veeco or of another corporation by reason of reorganization, merger, consolidation, recapitalization, reclassification, stock split, reverse stock split, combination of shares, or dividend payable in shares of Veeco common stock, the number of shares for which offerings may be made under the ESP Plan shall be increased or decreased proportionately, as the case may be, and the committee shall make the

appropriate adjustment in the number and kind and price of shares subject to offerings then outstanding and unexercised.

Amendment and Termination. Veeco's Board of Directors or the Compensation Committee may amend, modify or terminate the ESP Plan; *provided, however,* that the Veeco Board of Directors or the Compensation Committee may not, without stockholder approval:

Increase the total amount of Veeco common stock that may be offered under the ESP Plan;

Withdraw the administration of the ESP Plan from the Compensation Committee; or

Permit any person, while a member of the Compensation Committee, to be eligible to participate in the ESP Plan.

Federal Income Tax Consequences. The following discussion is a brief summary of the principal United States federal income tax consequences under current federal income tax laws relating to awards under the ESP Plan. This summary is not intended to be complete and, among other things, does not describe state, local or foreign income tax, federal employment tax or other tax consequences. **Participants in the ESP Plan are urged to consult their own tax advisors with respect to the consequences of their participation in the ESP Plan.**

The ESP Plan is intended to qualify as an "employee stock purchase plan" within the meaning of Section 423(b) of the Code. The plan is not subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended, and is not qualified under Section 401(a) of the Code. No income will be taxable to a participant until the shares purchased under the plan are sold or otherwise disposed. If the shares are sold or otherwise disposed of more than two years from the applicable offering date and more than one year from the date of transfer of the shares to the participant, then the participant generally will recognize ordinary income measured as the lesser of:

The excess of the fair market value of the shares at the time of this sale or disposition over the purchase price; or

An amount equal to 15% of the fair market value of the shares as of the date of grant; any additional gain or loss should be treated as long-term capital gain or loss.

If the shares are sold or otherwise disposed of before the expiration of this holding period, the participant will recognize ordinary income generally measured as the excess of the fair market value of the shares on the date the shares are purchased over the purchase price; any additional gain or loss on a sale or disposition will be long-term or short-term capital gain or loss, depending on the holding period. There are special rules for recognizing income that apply in the case of death. Veeco is not entitled to a deduction for amounts taxed as ordinary income or capital gain to a participant except to the extent ordinary income is recognized by participants upon a sale or disposition of shares prior to the expiration of the holding periods described above. In all other cases, no deduction is allowed to Veeco.

Plan Benefits. Because the number of shares of Veeco common stock to be granted in the future under the ESP Plan is contingent upon the number of employees who elect to participate in the plan, it is not possible to determine the benefits or the amounts received under the plan by Veeco's officers and employees.

A majority of the votes cast on Proposal 2 at the Meeting (including votes cast by proxy) must vote "FOR" the proposed amendment to the ESP Plan in order for the proposal to be approved.

The Board of Directors recommends a vote FOR approval of the proposed amendment to the ESP Plan.

PROPOSAL 3 AMENDMENT AND RESTATEMENT OF VEECO INSTRUMENTS INC. 2000 STOCK OPTION PLAN

The Board of Directors approved amendments to the 2000 Plan on March 30, 2004, subject to stockholder approval, which would: (a) increase the total number of Shares available for issuance under the 2000 Plan by 2,000,000 shares, (b) allow the grant of up to 200,000 shares of restricted stock to eligible participants, (c) increase the amount of the automatic annual grant of stock options to non-employee directors, and (d) change the name of the 2000 Plan to the "Veeco Instruments Inc. 2000 Stock Incentive Plan." As of March 9, 2004, options to purchase an aggregate of 6,066,730 Shares (with a weighted average exercise price per share and term to expiration of \$27.52 and 4.9 years, respectively) were outstanding under the Company's stock option plans or option plans of CVC, Inc. and Applied Epi, Inc. which were assumed by the Company in connection with acquisitions of those entities. As of March 9, 2004, 719,338 options remained available for future grant under the Company's stock option plans. The Board of Directors believes that an increase in the number of shares available for grant is necessary in order to provide Veeco with an effective incentive to attract and retain key employees.

The Company currently intends to continue utilizing stock options as the principal form of award under its stock incentive plans. However, the Board of Directors believes that the Company needs to preserve the flexibility to grant other types of equity compensation awards in order to retain and to compete successfully for talented employees, in light of potential accounting, legal and other changes. For this reason, the Board determined to amend the 2000 Plan to permit up to 200,000 of the shares authorized under the 2000 Plan to be granted in the form of restricted stock, subject to the approval of stockholders at the Annual Meeting.

The Board of Directors has also determined that it would be in the best interests of Veeco to amend the 2000 Plan in order to increase the amount of the automatic annual grant to non-employee directors from 7,000 to 10,000 stock options. The annual stock option grant to

non-employee directors has been 7,000 stock options since 1997. In 2003, the Company compared its director compensation to that of other companies in its industry and made certain adjustments to its director compensation. At that time, it was determined that the annual grant of stock options to non-employee directors should be increased to 10,000 stock options and, accordingly, the Board made a discretionary grant of 3,000 stock options to non-employee directors. The Company would now like to amend the 2000 Plan to reflect the increased automatic annual option grant to non-employee directors.

In light of the changes to the types of awards to be authorized under the 2000 Plan, it is also proposed that the name of the 2000 Plan be changed to the "Veeco Instruments Inc. 2000 Stock Incentive Plan."

Veeco Instruments Inc. Amended and Restated 2000 Stock Option Plan

The following is a summary of the 2000 Plan as proposed to be amended and restated. The 2000 Plan, as proposed to be amended and restated, is referred to as the "2000 Incentive Plan." The full text of the 2000 Incentive Plan is attached as *Exhibit B* to this Proxy Statement. This summary does not purport to be complete and is qualified in its entirety by reference to the 2000 Incentive Plan.

Purpose. The purpose of the 2000 Incentive Plan is to provide a means through which the Company and its affiliates may attract capable persons to enter and remain in the employ of the Company and affiliates and to provide a means whereby employees, directors and consultants of the Company and its affiliates can acquire and maintain Common Stock ownership, thereby strengthening their commitment to the welfare of the Company and affiliates and promoting an identity of interest between stockholders and these employees. The number of persons expected to participate is approximately 450.

23

Administration. The 2000 Incentive Plan will be administered by the Compensation Committee. It is intended, but not required, that the directors appointed to serve on the Compensation Committee shall be "Non-Employee Directors" (within the meaning of Rule 16b-3 under the Exchange Act) and "Outside Directors" within the meaning of Section 162(m) of the Code, to the extent Rule 16b-3 and 162(m) are applicable; however, the fact that a Compensation Committee member shall fail to qualify under the foregoing requirements shall not invalidate any award which is otherwise validly made under the 2000 Incentive Plan. The members of the Compensation Committee may be changed at any time and from time to time in the discretion of the Board of Directors of the Company. Subject to the terms of the 2000 Incentive Plan, and except with respect to automatic grants to Non-Employee Directors, as discussed below, the Compensation Committee shall have authority to grant awards, to determine the number of Shares for which each award shall be granted and the price and conditions pertaining to the exercise, vesting of, or restrictions applicable to each award. The Compensation Committee shall have full power to construe and interpret the 2000 Incentive Plan and any agreement executed pursuant to the 2000 Incentive Plan, to establish and amend rules for its administration and to establish in its discretion terms and conditions applicable to the exercise of awards. The determination of the Compensation Committee on all matters relating to the 2000 Incentive Plan or any agreement executed pursuant to the 2000 Incentive Plan shall be conclusive.

Eligibility. Any officer, employee, director or consultant of the Company or any of its subsidiaries or affiliates shall be eligible to be designated a participant under the 2000 Incentive Plan. The Compensation Committee has the sole and complete authority to determine the participants to whom awards shall be granted under the 2000 Incentive Plan.

Number of Shares Authorized. A maximum of 5,030,000 Shares have previously been authorized for granting awards under the 2000 Plan. The proposed amendment would increase this amount to 7,030,000 Shares, of which up to 200,000 Shares could be granted in the form of restricted stock. In no event may the aggregate number of Shares with respect to which options are granted under the 2000 Incentive Plan to any individual exceed 300,000 in any one calendar year. In no event may the aggregate number of Shares with respect to which restricted stock is granted under the 2000 Incentive Plan to any individual exceed 50,000 in any one calendar year. As described more fully in the 2000 Incentive Plan, if an award expires or terminates for any reason during the term of the 2000 Incentive Plan and prior to the exercise in full of such option or termination in full of restrictions with respect to restricted stock, the number of Shares previously subject to but not delivered under such option or restricted stock award shall be available to be awarded thereafter.

In addition, if the Compensation Committee determines that certain corporate transactions or events (as described in the 2000 Incentive Plan), such as a stock split, affect the Shares such that an adjustment is determined by the Compensation Committee in its discretion to be consistent with such event and necessary or equitable to carry out the purposes of the 2000 Incentive Plan, the 2000 Incentive Plan provides the Compensation Committee the discretion to appropriately adjust (a) the maximum number of Shares and the classes or series of such Common Stock which may be delivered pursuant to the 2000 Incentive Plan, (b) the number of Shares and the classes or series of Common Stock subject to outstanding awards, (c) the price per share of all Common Stock subject to outstanding awards, and (d) any other provisions of the 2000 Incentive Plan; provided, however, that (i) any adjustments made in accordance with clauses (b) and (c) shall make any such outstanding award, as nearly as practicable, equivalent to such award immediately prior to such change and (ii) no such adjustment shall give any participant any

additional benefits under any outstanding award.

Terms and Conditions of Awards. Under the 2000 Incentive Plan, the Compensation Committee may grant awards of nonqualified stock options ("NSOs"), incentive stock options ("ISOs") or restricted stock ("Restricted Stock"). In addition, automatic grants of NSOs shall be made to Non-Employee Directors, as discussed below.

24

An option granted under the 2000 Incentive Plan provides a participant with the right to purchase, within a specified period of time, a stated number of Shares at the price specified in the option. Restricted Stock awards are shares that vest based on a schedule or other criteria established by the Compensation Committee. Awards granted under the 2000 Incentive Plan will be subject to such terms, including exercise price and the conditions and timing of exercise, not inconsistent with the 2000 Incentive Plan, as may be determined by the Compensation Committee and specified in the applicable award agreement. The maximum term of an option granted under the 2000 Incentive Plan shall be seven years from the date of grant (five years in the case of an ISO granted to a participant who owns more than ten percent of the voting power of the Company).

The price per share of Common Stock paid by the participant with respect to any NSO or ISO shall not be less than 100 percent of the fair market value (as defined in the 2000 Incentive Plan) of one Share on the date the option is granted (110 percent in the case of a "more than ten percent shareholder"). Payment in respect of the exercise of an option may be made in cash or by check, except that the Compensation Committee may, in its discretion, allow such payment to be made by surrender of unrestricted Shares (at their fair market value on the date of exercise) which have been held by the optionee for at least six months or have been purchased on the open market, or by a combination of the foregoing. In addition, if and to the extent provided for in the option agreement, payment may be deemed satisfied through delivery of irrevocable instructions to a broker to sell the Shares otherwise deliverable upon the exercise of the stock option and to deliver promptly to the Company an amount equal to the aggregate exercise price.

Automatic Grants to Non-Employee Directors. Upon initial election to office and thereafter annually on the date of the Company's annual meeting of stockholders (provided that such date is at least 6 months following initial election to office), each Director who is not then an employee of the Company shall receive NSOs to purchase 10,000 Shares (Options granted to directors pursuant to this paragraph may be referred to as "Director Options"). Subject to the provisions of the Plan, each such Director Option shall have a term of seven years, shall be fully vested and exercisable as of the date of grant and shall have an exercise price equal to 100% of the fair market value of one Share on the date of grant.

Restricted Stock. Awards of shares of Restricted Stock will be made on such terms as determined by the Compensation Committee and shall include provisions regarding the forfeiture of such Shares in the event employment by the participant, or service as a director, terminates prior to the termination of the restrictions applicable to such Shares. The terms of such awards will be contained in a Restricted Stock Agreement entered into between the Company and the participant and may include, among other provisions, the ability of the Company to purchase such Shares under certain circumstances and that such Shares will be held in escrow by the Company until the termination of the applicable restrictions. The holder of Shares of Restricted Stock will generally be entitled to voting and other rights of ownership prior to the termination of restrictions.

Transferability

Subject to the following paragraph, each option, and each right under any option may be exercised, during the participant's lifetime, only by the participant or, if permissible under applicable law, by the participant's guardian or legal representative, and may not be assigned, alienated, pledged, attached, sold or otherwise transferred or encumbered by a participant other than by will or by the laws of descent and distribution provided that the designation of a beneficiary will not constitute an assignment, alienation, pledge, attachment, sale, transfer or encumbrance for purposes of the 2000 Incentive Plan.

Notwithstanding the foregoing, the Compensation Committee may provide that options granted under the 2000 Incentive Plan may be transferred by the participant to whom such option was granted

25

Edgar Filing: VEECO INSTRUMENTS INC - Form DEF 14A

without consideration to certain Permitted Transferees (as defined in the 2000 Incentive Plan), pursuant to the terms of the 2000 Incentive Plan and subject to such rules as the Compensation Committee may adopt to preserve the purposes of the 2000 Incentive Plan.

Change of Control. Upon a Change of Control of the Company (as defined in the 2000 Incentive Plan), all options shall become immediately exercisable and all restrictions applicable to Restricted Stock shall terminate; *provided, however*, that no such vesting shall occur if provision has been made in writing in connection with such transaction for (a) the continuation of the 2000 Incentive Plan and/or assumption of such awards by a successor corporation (or a parent or subsidiary thereof) or (b) the substitution for such awards of new awards covering the stock of a successor corporation (or a parent or subsidiary thereof), with appropriate adjustments as to the number and kinds of shares and exercise prices. In addition, in the event of a Change of Control, the Compensation Committee may, in its discretion and upon at least ten days prior notice to the participants, cancel all outstanding awards and pay the holders thereof the value of such options in a form and an amount equal to what they would have received or been entitled to receive had they exercised all such awards immediately prior to such Change of Control.

Amendment. The Board may amend, alter, suspend, discontinue, or terminate the 2000 Incentive Plan or any portion thereof at any time; *provided, that* no such action may be taken without shareholder approval if such approval is necessary to comply with any regulatory requirement, *provided, further, that* no such action may lower the exercise price of a previously granted award or cancel and regrant an option with the effect of repricing an option without shareholder approval, and, *provided, further, that* no such action that would impair any rights under any previous award shall be effective without the consent of the person to whom such award was made. In addition, the Board or the Compensation Committee is authorized to amend the terms of any award granted under the 2000 Incentive Plan provided that the amendment would not impair the rights of any participant without his consent.

Federal Income Tax Consequences.

The following discussion is a brief summary of the principal United States federal income tax consequences of the grant and exercise of NSOs, ISOs and Restricted Stock awarded under the 2000 Incentive Plan and the disposition of Shares purchased pursuant to the exercise of such options and is intended to reflect the current provisions of the Code and the regulations thereunder. This summary is not intended to be a complete statement of applicable law, nor does it address state, local or foreign income tax considerations. Moreover, the federal income tax consequences to any particular participant may differ from those described herein by reason of, among other things, the particular circumstances of such participant. **For these reasons, participants are urged to consult their own tax advisors with respect to the consequences of their participation in the 2000 Incentive Plan.**

NSOs

No income will be realized by an optionee upon grant of an NSO. Upon exercise of an NSO (or the exercise of an ISO by the participant more than three months after the termination of his employment or 12 months in the case of the participant's total disability), the optionee will recognize ordinary compensation income in an amount equal to the excess, if any, of the fair market value of the underlying stock over the option exercise price (the "Spread") at the time of exercise. The Spread will generally be deductible by the Company for federal income tax purposes. The optionee's tax basis in the underlying Shares acquired by exercise of an NSO will equal the exercise price plus the amount taxable as compensation to the optionee. Upon sale of the Shares received by the optionee upon exercise of the NSO, any gain or loss is generally long-term or short-term capital gain or loss, depending on the holding period. The optionee's holding period for Shares acquired pursuant to the exercise of an NSO will begin on the date of exercise of such Option.

26

If a participant is permitted to use previously owned unrestricted Shares to pay all or part of the exercise price of a NSO, the transaction will not be considered to be a taxable disposition of the previously owned Shares, and the participant's tax basis and holding period of the previously owned Shares will be carried over to the equivalent number of Shares received upon exercise. The participant's tax basis for the additional Shares received upon exercise will be the fair market value of the Shares on the date of exercise (but not less than the amount of cash or cash equivalent used in payment), and the holding period for such additional Shares will begin on the day after the date of exercise.

ISOs

ISO holders will generally incur no federal income tax liability at the time of grant or upon exercise of such options if the ISO is exercised by the participant while employed by the Company or within three months after the termination of his employment (12 months in the case of the participant's total disability). However, the spread at exercise will be an "item of tax preference" which may give rise to "alternative minimum tax" liability for the taxable year in which the exercise occurs. If the optionee does not dispose of the Shares before two years following the date of grant and one year following the date of exercise, the difference between the exercise price and the amount realized upon disposition of the

Shares will constitute long-term capital gain or loss, as the case may be. Assuming both holding periods are satisfied, no deduction will be allowed to the Company for federal income tax purposes in connection with the grant or exercise of the Option. If, within two years following the date of grant or within one year following the date of exercise, the holder of Shares acquired through the exercise of an ISO disposes of such Shares, the optionee will generally realize ordinary taxable compensation at the time of such disposition equal to the difference between the exercise price and the lesser of the fair market value of the stock on the date of initial exercise or the amount realized on the subsequent disposition, and such amount will generally be deductible by the Company for federal income tax purposes.

If a participant is permitted to use previously owned unrestricted Shares to pay all or a portion of the exercise price of an ISO, the transaction will be considered a taxable disposition of the previously owned Shares if such Shares were acquired on the exercise of an ISO (or is otherwise statutory stock option stock) and the applicable holding period requirements for those Shares was not satisfied at the time that they were used to pay the exercise price of the ISO. In that case, there is an "anti-pyramiding" rule that provides that such use will be a disqualifying disposition of the previously owned Shares at the time that they are used to pay the exercise price of an ISO. If the anti-pyramiding rule does not apply, (a) the participant's tax basis in the previously owned Shares and the holding period of such Shares will be carried over to the equivalent number of Shares received upon the exercise and (b) the additional Shares received will have a tax basis of zero and a holding period beginning on the date of the transfer of the Shares.

Restricted Stock

In general, a recipient of Restricted Stock will not incur any federal income tax liability upon grant because the Shares will be subject to a substantial risk of forfeiture. Instead, he or she will recognize ordinary income at the time of vesting (at the time all restrictions lapse) equal to the excess, if any, of the fair market value of the Shares on the vesting date of the Shares over any amount paid for the Shares. Alternatively, a recipient may elect to recognize income at the time of grant by making a Section 83(b) election and filing such election with the IRS within 30 days of the date of grant, in which case the recipient will recognize ordinary income at the time of grant equal to the excess, if any, of the fair market value of the stock at the time of grant over any amount paid for the Shares; in that case, there is no further income recognition when the restrictions lapse. The Company is entitled to a tax deduction in an amount equal to the ordinary income recognized by the participant.

27

Code Section 162(m)

In general, Section 162(m) of the Code denies a publicly held corporation a deduction for federal income tax purposes for compensation in excess of \$1,000,000 per year per person to its chief executive officer and the four other officers whose compensation is disclosed in its proxy statement, subject to certain exceptions. Options will generally qualify under one of these exceptions if they are granted under a plan that states the maximum number of shares with respect to which options may be granted to any employee during a specified period, the exercise price is not less than the fair market value of the common stock at the time of grant, and the plan under which the options are granted is approved by stockholders and is administered by a committee comprised of outside directors. The 2000 Incentive Plan is intended to satisfy these requirements with respect to grants of options to covered employees. In addition to the requirements applicable to stock option grants, Restricted Stock will qualify under one of these exceptions only if the vesting of the Restricted Stock is based on performance criteria (and not merely the passage of time). Performance criteria on which the Compensation Committee may condition the vesting of Restricted Stock include the achievement of objectives for one or more of: annual revenue, cash flow, earnings per share, EBITA, net income, new orders, personal goals, return on assets or return on sales (each as defined in the 2000 Incentive Plan).

The full text of the proposed amendment and restatement of the 2000 Plan as described in this Proposal 3 (referred to herein as the 2000 Incentive Plan) is attached as *Exhibit B* hereto.

A majority of the votes cast on Proposal 3 at the Meeting (including votes cast by proxy) must vote "FOR" the proposed amendment and restatement of the 2000 Plan in order for the proposal to be approved.

The Board of Directors recommends a vote FOR approval of the proposed amendment and restatement of the 2000 Plan.

**PROPOSAL 4
RATIFICATION OF THE APPOINTMENT OF
ERNST & YOUNG LLP AS AUDITORS**

Based on the recommendation of the Audit Committee, the Board of Directors has appointed the firm of Ernst & Young LLP, independent certified public accountants, to examine the financial statements of Veeco for the year ending December 31, 2004. Ernst & Young LLP has been employed as independent auditors of Veeco since 1990. Fees for the last two years were as follows:

	Year Ended December 31,	
	2003	2002
Audit fees	\$ 549,650	\$ 618,300
Audit-related fees	47,000	1,004,094
Tax fees	73,961	264,835
Total	\$ 670,611	\$ 1,887,229

Audit-related services primarily include fees for due diligence related to mergers and acquisitions, accounting consultations in connection with acquisitions, assistance with a private placement offering and employee benefit plan audits. Tax services provided to the Company include tax planning and advice related to mergers and acquisitions, as well as international tax issues. The significant decrease in 2003 fees compared to 2002 is due to a reduction in merger and acquisition due diligence services. The Company did not engage Ernst & Young LLP to perform any work related to financial information systems design or implementation services during 2003 or 2002.

Representatives of Ernst & Young LLP will be present at the Meeting and may make a statement if they so desire. They will also be available to respond to appropriate questions.

Stockholders are asked to ratify the action of the Board of Directors in making this appointment. If this appointment is not ratified by the Stockholders, the selection of other independent auditors will be considered by the Audit Committee for recommendation to the Board of Directors.

Edgar Filing: VEECO INSTRUMENTS INC - Form DEF 14A

A majority of the votes cast on Proposal 4 at the Meeting (including votes cast by proxy) must vote "FOR" the ratification of the appointment of Ernst & Young LLP as the Company's independent auditors for the year ending December 31, 2004 in order for the proposal to be approved.

The Board of Directors recommends a vote FOR ratification of the appointment of Ernst & Young LLP as the Company's independent auditors for the year ending December 31, 2004.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires Veeco's officers and directors, and persons who own more than 10% of Veeco's common stock to file reports of ownership and changes in ownership with the Securities and Exchange Commission. These persons are required by SEC regulations to furnish Veeco with copies of all Section 16(a) forms they file.

SEC regulations require us to identify in this proxy statement anyone who filed a required report late or failed to file a required report. Based on our review of forms we received, or written representations from reporting persons stating that they were not required to file there forms, we believe that during 2003, all Section 16(a) filing requirements were satisfied on a timely basis.

Each Option so granted shall be subject to the following conditions of this Section 7, or to such other conditions as may be reflected in the applicable Plan Award Agreement.
- (ii) *Eligible Directors.* In addition to discretionary grants of Options pursuant to Section 7(a)(i), each Participant who is a Non-Employee Director of the Company shall receive upon initial election to office and thereafter annually on the date of the Company's annual meeting of stockholders (*provided* that such date is at least 6 months following such Eligible Director's initial election to office) an Option to acquire 10,000 shares of Stock at a price equal to the Fair Market Value of the shares of Stock subject to such Option on the Date of Grant.

(b) **Option Price.** The exercise price ("Option Price") per share of Stock for each Option shall be set by the Committee at the time of grant but shall not be less than the Fair Market Value of a share of Stock on the Date of Grant subject, in the case of an Incentive Stock Option, to Section 7(g).

(c) **Manner of Exercise and Form of Payment.** No shares of Stock shall be delivered pursuant to any exercise of an Option until payment in full of the aggregate exercise price therefor is received by the Company. Options which have become exercisable may be exercised by delivery of written notice of exercise to the Committee accompanied by payment of the Option Price. The Option Price shall be payable in cash and/or, at the sole discretion of the Committee, shares of Stock valued at the Fair Market Value at the time the Option is exercised (including by means of attestation of ownership of a sufficient number of shares of Stock in lieu of actual delivery of such shares to the Company), *provided* that such shares of Stock are Mature Shares, or, in the discretion of the Committee, either (i) in other property having a fair market value on the date of exercise equal to the Option Price, (ii) by delivering to the Committee a copy of irrevocable instructions to a stockbroker to deliver promptly to the Company an amount of loan proceeds, or proceeds of the sale of the Stock subject to the Option, sufficient to pay the Option Price or (iii) by such other method as the Committee may allow.

(d) **Vesting.**

(i)

In General. Unless otherwise provided in a Stock Option Agreement or other written agreement between the Company and a Participant, Options shall vest and become exercisable as follows:

(x)

with respect to one-third of the shares of Stock covered by the Option, on the first anniversary of the Date of Grant;

(y)

with respect to an additional one-third of the shares of Stock covered by the Option, on the second anniversary of the Date of Grant;

(z)

with respect to the remaining one-third of the shares of Stock covered by the Option, on the third anniversary of the Date of Grant.

Notwithstanding the foregoing, the Committee may, in its sole discretion, accelerate the exercisability of any Option, which acceleration shall not affect the terms and conditions of any such Option other than with respect to exercisability. If an Option is exercisable in installments, such installments or portions thereof which become exercisable shall remain exercisable until the Option expires.

(ii)

Non-Employee Directors. Notwithstanding Section 7(d)(i), Options granted to Eligible Directors shall be immediately vested and exercisable as of the Date of Grant.

B-8

(e) **Option Period and Termination.** An Option may be exercised by the holder thereof in accordance with Section 7(d) above; *provided, however,* that no Option shall be exercisable later than seven years from the Date of Grant (the "Option Period"). Notwithstanding the foregoing, unless the applicable Stock Option Agreement or other written agreement between the Company and a Participant provides otherwise, an Option shall expire earlier than the end of the Option Period in the following circumstances:

(i)

If prior to the end of the Option Period, the Participant shall undergo a Normal Termination, the Option shall expire on the earlier of the last day of the Option Period and the date that is three months after the date of such Normal Termination; *provided, however,* that any Participant whose employment with the Company or any Affiliate is terminated and who is subsequently rehired by the Company or any Affiliate prior to the expiration of the Option shall not be considered to have undergone a termination. In the event of a Normal Termination, the Option shall remain exercisable by the Participant for the period described in the first sentence of this Section 7(e)(i), only to the extent the Option was exercisable at the time of such Normal Termination.

(ii)

If the Participant dies prior to the end of the Option Period and while still in the employ or service of the Company or an Affiliate, or following a Normal Termination but prior to the expiration of an Option, the Option shall expire on the earlier of the last day of the Option Period and the date that is one year after the date of death of the Participant. In such event, the Option shall remain exercisable by the person or persons to whom the Participant's rights under the Option pass by will or the applicable laws of descent and distribution until its expiration, only to the extent the Option was exercisable by the Participant at the time of death.

(iii)

If the Participant ceases employment or service with the Company and Affiliates for reasons other than Normal Termination or death, the Option shall expire immediately upon such cessation of employment or service.

(f) **Other Terms and Conditions.** Except as specifically provided otherwise in a Stock Option Agreement, each Option granted under the Plan shall be subject to the following terms and conditions:

Edgar Filing: VEECO INSTRUMENTS INC - Form DEF 14A

- (i) Each Option or portion thereof that is exercisable shall be exercisable for the full amount of such exercisable portion or for any part thereof.
- (ii) Each Option shall cease to be exercisable, as to any share of Stock, when the Participant purchases the share or when the Option expires.
- (iii) Subject to Section 9(h), Options shall not be transferable by the Participant except by will or the laws of descent and distribution and shall be exercisable during the Participant's lifetime only by the Participant.
- (iv) Each Option shall vest and become exercisable by the Participant in accordance the provisions of Section 7(d).
- (v) At the time of any exercise of an Option, the Committee may, in its sole discretion, require a Participant to deliver to the Committee a written representation that the shares of Stock to be acquired upon such exercise are to be acquired for investment and not for resale or with a view to the distribution thereof. Upon such a request by the Committee, delivery of such representation prior to the delivery of any shares of Stock issued upon exercise of an Option shall be a condition precedent to the right of the Participant or such other person to purchase any such shares. In the event certificates for Stock are delivered under the Plan with respect to which such investment representation has been obtained, the Committee may cause a legend or legends to be placed on such certificates to make appropriate reference to such

B-9

representation and to restrict transfer in the absence of compliance with applicable federal or state securities laws.

- (vi) Each Participant awarded an Incentive Stock Option under the Plan shall notify the Company in writing immediately after the date he or she makes a disqualifying disposition of any shares of Stock acquired pursuant to the exercise of such Incentive Stock Option. A disqualifying disposition is any disposition (including any sale) of such Stock before the later of (a) two years after the Date of Grant of the Incentive Stock Option and (b) one year after the date the Participant acquired the Stock by exercising the Incentive Stock Option.

B-10

- (g) **Incentive Stock Option Grants to 10% Stockholders.** Notwithstanding anything to the contrary in this Section 7, if an Incentive Stock Option is granted to a Participant who owns stock representing more than ten percent of the voting power of all classes of stock of the Company or of a Subsidiary, the Option Period shall not exceed five years from the Date of Grant of such Option and the Option Price shall be at least 110 percent of the Fair Market Value (on the Date of Grant) of the Stock subject to the Option.
- (h) **\$100,000 Per Year Limitation for Incentive Stock Options.** To the extent the aggregate Fair Market Value (determined as of the Date of Grant) of Stock for which Incentive Stock Options are exercisable for the first time by any Participant during any calendar year (under all plans of the Company) exceeds \$100,000, such excess Incentive Stock Options shall be treated as Nonqualified Stock Options.
- (i) **Voluntary Surrender.** The Committee may permit the voluntary surrender of all or any portion of any Nonqualified Stock Option granted under the Plan to be conditioned upon the granting to the Participant of a new Option for the same or a different number of shares of Stock as the Option surrendered or require such voluntary surrender as a condition precedent to a grant of a new Option to such Participant. Such new Option shall be exercisable at an Option Price, during an Option Period, and in accordance with any other terms or conditions specified by the Committee at the time the new Option is granted, all determined in accordance with the provisions of the Plan without regard to the Option Price, Option Period, or

any other terms and conditions of the Nonqualified Stock Option surrendered.

8. Restricted Stock

(a)

Award of Restricted Stock.

(i)

The Committee is authorized to award shares of Restricted Stock to any Eligible Person. Each award of Restricted Stock shall be subject to the following conditions of this Section 8, or to such other conditions as may be reflected in the applicable Restricted Stock Agreement.

(ii)

The Committee shall from time to time, in its sole and absolute discretion, (A) select which Eligible Persons shall be awarded Restricted Stock, (B) determine the purchase price, if any, and form of payment for Restricted Stock; and (C) determine any other terms and conditions applicable to such Restricted Stock, consistent with this Plan.

(iii)

Upon the selection of a Participant to be awarded Restricted Stock, the Committee shall instruct the Secretary of the Company to issue a certificate representing such Restricted Stock and may impose such conditions on the issuance of such Restricted Stock as it deems appropriate.

(b)

General Restrictions.

(i)

All shares of Restricted Stock issued under this Plan (including any shares received by holders thereof with respect to shares of Restricted Stock as a result of stock dividends, stock splits or any other form of recapitalization) shall, be subject to such restrictions as the Committee shall provide, which restrictions shall be set forth in the applicable Restricted Stock Agreement and may include, without limitation, restrictions concerning voting rights and transferability and restrictions based on duration of employment with the Company, Company performance and individual performance; provided, however, that the Committee, on such terms and conditions as it determines to be appropriate, may remove any or all of the restrictions imposed by the terms of the Restricted Stock Agreement including, without limitation, upon a Change in Control. Restricted Stock may not be transferred, sold or encumbered until all restrictions terminate or expire.

B-11

(ii)

The Committee, in its sole discretion, may impose such other restrictions on Shares of Restricted Stock as it may deem advisable or appropriate, in accordance with this Section 8.

(iii)

The Committee may set restrictions based upon the achievement of specific performance objectives (Company-wide, divisional, or individual), applicable federal or state securities laws, or any other basis determined by the Committee in its discretion.

(c)

Section 162(m) Performance Restrictions. For purposes of qualifying grants of Restricted Stock as "performance-based compensation" under Section 162(m) of the Code, the Committee, in its discretion, may set restrictions based upon the achievement of Performance Goals. The Performance Goals shall be set by the Committee on or before the latest date permissible to enable the Restricted Stock to qualify as "performance-based compensation" under Section 162(m) of the Code. In granting Restricted Stock which is intended to qualify under Section 162(m) of the Code, the Committee shall follow any procedures determined by it from time to time to be necessary or appropriate to ensure qualification of the Restricted Stock under Section 162(m) of the Code (e.g., in determining the Performance Goals).

(d)

Legend on Certificates. The Committee, in its discretion, may legend the certificates representing Restricted Stock to give appropriate notice of such restrictions. For example, the Committee may determine that some or all certificates representing Shares of Restricted Stock shall bear the following legend:

"The sale or other transfer of the shares of stock represented by this certificate, whether voluntary, involuntary, or by operation of law, is subject to certain restrictions on transfer as set forth in the Veeco Instruments Inc. 2000 Stock Incentive Plan and in a Restricted Stock Agreement. A copy of the Plan and such Restricted Stock Agreement may be obtained from the Secretary of Veeco Instruments Inc."

(e)

Termination of Employment. Except as otherwise expressly provided for herein or in the applicable Restricted Stock Agreement, any shares of Restricted Stock which are subject to restriction at the time of an Employee's termination of employment with the Company for any reason, or when a director's service as director of the Company ends or when a consulting arrangement terminates, as applicable, shall be forfeited upon such termination and the Participant shall have no further rights to or with respect to such shares.

(f)

Repurchase of Restricted Stock. The Committee shall provide in the terms of each individual Restricted Stock Agreement that upon a termination of employment of a Participant or, if applicable, upon a termination of any consulting relationship between the restricted stockholder and the Company, the Company shall have the right but not the obligation, to purchase any Restricted Stock held by such Participant or consultant at a cash price per share equal to the price paid by the Participant or consultant for such Restricted Stock; provided, however, that provision may be made that no such right of repurchase shall exist in the event of a Normal Termination or termination of consultancy without Cause.

(g)

Restricted Stock Agreement. Restricted Stock shall be issued only pursuant to a written Restricted Stock Agreement, which shall be executed by the Participant and an authorized officer of the Company and which shall contain such terms and conditions as the Committee shall determine, consistent with this Plan.

(h)

Escrow; Rights as a Stockholder. The Secretary of the Company or such other escrow holder as the Committee may appoint shall retain physical custody of each certificate representing Restricted Stock until all of the restrictions imposed under the Restricted Stock Agreement with respect to the shares evidenced by such certificate expire or shall have been removed. While such shares are held by the escrow holder, the Participant shall have, unless otherwise

B-12

provided by the Committee and subject to the provisions of this Section 8, all the rights of a stockholder with respect to said shares, subject to any restrictions among other shareholders of Common Stock, including the right to receive all dividends and other distributions paid or made with respect to the shares represented by such certificate; provided, however, that in the discretion of the Committee, any extraordinary distributions with respect to the Common Stock shall be subject to the restrictions set forth in this Section 8.

(i)

Return of Restricted Stock to Company. On the date set forth in the applicable Restricted Stock Agreement, the Restricted Stock for which restrictions have not lapsed shall revert to the Company and again shall become available for grant under the Plan.

9. General

(a)

Additional Provisions of a Plan Award. Plan Awards granted to a Participant under the Plan also may be subject to such other provisions (whether or not applicable to the benefit awarded to any other Participant) as the Committee determines appropriate including, without limitation, provisions to assist the Participant in financing the purchase of shares of Stock upon the exercise of options, provisions for the forfeiture of or restrictions on resale or other disposition of shares of Stock acquired under any Plan Award, provisions giving the Company the right to repurchase shares of Stock acquired under any Plan Award in the event the Participant elects to dispose of such shares, provisions allowing the Participant to elect to defer the receipt of shares of Stock upon the exercise of Options for a specified time or until a specified event, and provisions to comply with Federal and state securities laws and Federal and state tax withholding requirements. Any such provisions shall be reflected in the applicable Plan Award Agreement.

(b)

Privileges of Stock Ownership. Except as otherwise specifically provided in the Plan, no person shall be entitled to the privileges of ownership in respect of shares of Stock which are subject to Plan Awards hereunder until such shares have been issued to that person.

(c)

Government and Other Regulations. The obligation of the Company to make payment of Plan Awards in shares of Stock or otherwise shall be subject to all applicable laws, rules, and regulations, and to such approvals by governmental agencies as may be required. Notwithstanding any terms or conditions of any Plan Award to the contrary, the Company shall be under no obligation to issue, offer to sell or to sell and shall be prohibited from issuing, offering to sell or selling any shares of Stock pursuant to a Plan Award unless such shares have been properly registered for issuance or sale pursuant to the Securities Act with the Securities and Exchange Commission or unless the Company has received an opinion of counsel, satisfactory to the Company, that such shares may be issued, offered or sold without such registration pursuant to an available exemption therefrom and the terms and conditions of such exemption have been fully complied with. The Company shall be under no obligation to register for issuance or sale under the Securities Act any of the shares of Stock to be issued, offered or sold under the Plan. If the shares of Stock issued, offered for sale or sold under the Plan are issued, offered or sold pursuant to an exemption from registration under the Securities Act, the Company may restrict the transfer of such shares and may legend Stock certificates representing such shares of Stock in such manner as it deems advisable to ensure the availability of any such exemption.

(d) Tax Withholding.

(i)

A Participant may be required to pay to the Company or any Affiliate and the Company or any Affiliate shall have the right and is hereby authorized to withhold from any shares of Stock or other property deliverable under any Plan Award or from any compensation

B-13

or other amounts owing to a Participant the amount (in cash, Stock or other property) of any required tax withholding and payroll taxes in respect of the issuance, vesting or exercise of any Plan Award, or any payment or transfer under a Plan Award or under the Plan and to take such other action as may be necessary in the opinion of the Company to satisfy all obligations for the payment of such taxes.

(ii)

Without limiting the generality of clause (i) above, the Committee may, in its sole discretion, permit a Participant to satisfy, in whole or in part, the foregoing withholding liability (but no more than the minimum required withholding liability) by (A) delivery of shares of Stock owned by the Participant (which shares must be Mature Shares) with a Fair Market Value equal to such withholding liability or (B) having the Company withhold from the number of shares of Stock otherwise issuable pursuant to the exercise of an Option or from any Restricted Stock Award a number of shares of Stock with a Fair Market Value equal to such withholding liability.

(e)

Claim to Plan Awards and Employment Rights. No employee of the Company or any Affiliate, or other person, shall have any claim or right to be granted a Plan Award under the Plan or, having been selected for the grant of a Plan Award, to be selected for a grant of any other Award. Neither the Plan nor any action taken hereunder shall be construed as giving any Participant any right to be retained in the employ or service of the Company or any Affiliate.

(f)

No Liability of Committee Members. No member of the Committee shall be personally liable by reason of any contract or other instrument executed by such member or on his behalf in his capacity as a member of the Committee nor for any mistake of judgment made in good faith, and the Company shall indemnify and hold harmless each member of the Committee and each other employee, officer or director of the Company to whom any duty or power relating to the administration or interpretation of the Plan may be allocated or delegated, against any cost or expense (including counsel fees) or liability (including any sum paid in settlement of a claim) arising out of any act or omission to act in connection with the Plan unless arising out of such person's own fraud or willful bad faith; *provided, however*, that approval of the Board shall be required for the payment of any amount in settlement of a claim against any such person. The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such persons may be entitled under the Company's Articles of Incorporation or By-Laws, as a matter of law, or otherwise, or any power that the Company may have to indemnify them or hold them harmless.

(g)

Governing Law. The Plan shall be governed by and construed in accordance with the internal laws of the State of Delaware without regard to the principles of conflicts of law thereof, or principles of conflicts of law of any other jurisdiction which could cause the application of the laws of any jurisdiction other than the State of Delaware.

(h)

Nontransferability.

(i)

Each Option shall be exercisable only by the Participant during the Participant's lifetime, or, if permissible under applicable law, by the Participant's legal guardian or representative. No Plan Award may be assigned, alienated, pledged, attached, sold or otherwise transferred or encumbered by a Participant otherwise than by will or by the laws of descent and distribution and any such purported assignment, alienation, pledge, attachment, sale, transfer or encumbrance shall be void and unenforceable against the Company or any Affiliate; *provided* that the designation of a beneficiary shall not constitute an assignment, alienation, pledge, attachment, sale, transfer or encumbrance.

(ii)

Notwithstanding the foregoing, the Committee or its delegate may, in its sole discretion, permit Nonqualified Stock Options or Restricted Stock to be transferred by a Participant,

B-14

without consideration, subject to such rules as the Committee may adopt consistent with any applicable Plan Award Agreement to preserve the purposes of the Plan, to:

(A)

any person who is a "family member" of the Participant, as such term is used in the instructions to Form S-8 (collectively, the "Immediate Family Members");

(B)

a trust solely for the benefit of the Participant and his or her Immediate Family Members;

(C)

a partnership or limited liability company whose only partners or shareholders are the Participant and his or her Immediate Family Members; or

(D)

any other transferee as may be approved either (a) by the Board or the Committee in its sole discretion, or (b) as provided in the applicable Plan Award Agreement;

(each transferee described in clauses (A), (B), (C) and (D) above is hereinafter referred to as a "Permitted Transferee"); *provided* that the Participant gives the Committee advance written notice describing the terms and conditions of the proposed transfer and the Committee notifies the Participant in writing that such a transfer would comply with the requirements of the Plan. For purposes of this paragraph, "delegate" shall refer to the Chief Executive Officer of the Company, except with respect to the transfer of any of Chief Executive Officer's own Plan Awards.

(iii)

The terms of any Plan Award transferred in accordance with the preceding paragraph (ii) shall apply to the Permitted Transferee and any reference in the Plan, or in any applicable Plan Award Agreement, to a Participant shall be deemed to refer to the Permitted Transferee, except that (A) Permitted Transferees shall not be entitled to transfer any Plan Awards, other than by will or the laws of descent and distribution; (B) Permitted Transferees shall not be entitled to exercise any transferred Plan Awards unless there shall be in effect a registration statement on an appropriate form covering the shares of Stock to be acquired pursuant to the exercise of such Plan Award if the Committee determines, consistent with any applicable Plan Award Agreement, that such a registration statement is necessary or appropriate, (C) the Committee or the Company shall not be required to provide any notice to a Permitted Transferee, whether or not such notice is or would otherwise have been required to be given to the Participant under the Plan or otherwise, and (D) the consequences of termination of the Participant's employment by, or services to, the Company or any Affiliate under the terms of the Plan and the applicable Plan Award Agreement shall continue to be applied with respect to the Participant, following which the Plan Awards

Edgar Filing: VEECO INSTRUMENTS INC - Form DEF 14A

shall be exercisable by the Permitted Transferee only to the extent, and for the periods, specified in the Plan and the applicable Plan Award Agreement.

- (i) **Reliance on Reports.** Each member of the Committee and each member of the Board shall be fully justified in relying, acting or failing to act, and shall not be liable for having so relied, acted or failed to act in good faith, upon any report made by the independent public accountant of the Company and upon any other information furnished in connection with the Plan by any person or persons other than himself.
- (j) **Relationship to Other Benefits.** No payment under the Plan shall be taken into account in determining any benefits under any pension, retirement, profit sharing, group insurance or other benefit plan of the Company or any Affiliate, except as otherwise specifically provided in such other plan.
- (k) **Expenses.** The expenses of administering the Plan shall be borne by the Company.
- (l) **Pronouns.** Masculine pronouns and other words of masculine gender shall refer to both men and women.

B-15

- (m) **Titles and Headings.** The titles and headings of the sections in the Plan are for convenience of reference only, and in the event of any conflict, the text of the Plan, rather than such titles or headings shall control.
- (n) **Termination of Employment.** For all purposes herein, a person who transfers from employment or service with the Company to employment or service with an Affiliate or vice versa, or from employment or service with one Affiliate to employment or service with another Affiliate, shall not be deemed to have terminated employment or service with the Company or any such Affiliate.
- (o) **Severability.** If any provision of the Plan or any Plan Award Agreement is or becomes or is deemed to be invalid, illegal, or unenforceable in any jurisdiction or as to any person or Plan Award, or would disqualify the Plan or any Plan Award under any law deemed applicable by the Committee, such provision shall be construed or deemed amended to conform to the applicable laws, or if it cannot be construed or deemed amended without, in the determination of the Committee, materially altering the intent of the Plan or the Plan Award, such provision shall be stricken as to such jurisdiction, person or Plan Award and the remainder of the Plan and any such Plan Award shall remain in full force and effect.

10. Changes in Capital Structure

Plan Awards granted under the Plan and any Plan Award Agreements, the maximum number of shares of Stock subject to all Plan Awards and Incentive Stock Options stated in Section 5(a) and the maximum number of shares of Stock with respect to which any one person may be granted Plan Awards during any period stated in Section 5(d) shall be subject to adjustment or substitution, as determined by the Committee in its sole discretion, as to the number, price or kind of a share of Stock or other consideration subject to such Plan Awards or as otherwise determined by the Committee to be equitable (i) in the event of changes in the outstanding Stock or in the capital structure of the Company by reason of stock or extraordinary cash dividends, stock splits, reverse stock splits, recapitalization, reorganizations, mergers, consolidations, combinations, exchanges, or other relevant changes in capitalization occurring after the Date of Grant of any such Plan Award or (ii) in the event of any change in applicable laws or any change in circumstances which results in or would result in any substantial dilution or enlargement of the rights granted to, or available for, Participants, or which otherwise warrants equitable adjustment because it interferes with the intended operation of the Plan. Any adjustment in Incentive Stock Options under this Section 10 shall be made only to the extent not constituting a "modification" within the meaning of Section 424(h)(3) of the Code, and any adjustments under this Section 10 shall be made in a manner which does not adversely affect the exemption provided pursuant to Rule 16b-3 under the Exchange Act. Further, with respect to Plan Awards intended to qualify as "performance-based compensation" under Section 162(m) of the Code, such adjustments or substitutions shall be made only to the extent that the Committee determines that such adjustments or substitutions may be made without causing the Company to be denied a tax deduction on account of Section 162(m) of the Code. The Company shall give each Participant notice of an adjustment hereunder and, upon notice, such adjustment shall be conclusive and binding for all purposes.

Notwithstanding the above, in the event of any of the following:

- A. The Company is merged or consolidated with another corporation or entity and, in connection therewith, consideration is received by shareholders of the Company in a form other than stock or other equity interests of the surviving entity;
- B. All or substantially all of the assets of the Company are acquired by another person;
- C. The reorganization or liquidation of the Company; or

B-16

- D. The Company shall enter into a written agreement to undergo an event described in clauses A, B or C above,

then the Committee may, in its discretion and upon at least 10 days advance notice to the affected persons, cancel any outstanding Plan Awards and pay to the holders thereof, in cash or Stock, or any combination thereof, the value of such Plan Awards based upon the price per share of Stock received or to be received by other shareholders of the Company in the event. The terms of this Section 10 may be varied by the Committee in any particular Plan Award Agreement.

11. Effect of Change in Control

Except to the extent reflected in a particular Plan Award Agreement or other written agreement between the Company and a Participant:

- (a) In the event of a Change in Control, all Plan Awards shall become immediately vested and exercisable and any restrictions applicable to shares of Restricted Stock shall terminate with respect to 100 percent of the shares subject to such Plan Award; *provided, however*, that no such vesting or termination shall occur if provision has been made in writing in connection with such transaction for (a) the continuation of the Plan and/or assumption of such Plan Awards by a successor corporation (or a parent or subsidiary thereof) or (b) the substitution for such Plan Awards of new options on Restricted Stock awards covering the stock of a successor corporation (or a parent or subsidiary thereof), with appropriate adjustments as to the number and kinds of shares and exercise prices. In the event of any such continuation, assumption or substitution, the Plan and/or such Plan Awards shall continue in the manner and under the terms so provided.
- (b) In addition, in the event of a Change in Control, the Committee may in its discretion and upon at least 10 days' advance notice to the affected persons, cancel any outstanding Plan Awards and pay to the holders thereof, in cash or stock, or any combination thereof, the value of such Plan Awards based upon the price per share of Stock received or to be received by other shareholders of the Company in the event.
- (c) The obligations of the Company under the Plan shall be binding upon any successor corporation or organization resulting from the merger, consolidation or other reorganization of the Company, or upon any successor corporation or organization succeeding to substantially all of the assets and business of the Company. The Company agrees that it will make appropriate provisions for the preservation of Participants' rights under the Plan in any agreement or plan which it may enter into or adopt to effect any such merger, consolidation, reorganization or transfer of assets.

12. Nonexclusivity of the Plan

Neither the adoption of this Plan by the Board nor the submission of this Plan to the stockholders of the Company for approval shall be construed as creating any limitations on the power of the Board to adopt such other incentive arrangements as it may deem desirable, including, without limitation, the granting of stock options otherwise than under this Plan, and such arrangements may be either applicable generally or only in specific cases.

13. Amendments and Termination

- (a) **Amendment and Termination of the Plan.** The Board may amend, alter, suspend, discontinue, or terminate the Plan or any portion thereof at any time; *provided* that no such amendment, alteration, suspension, discontinuation or termination shall be made without shareholder approval if such approval is necessary to comply with any tax or regulatory requirement

B-17

applicable to the Plan (including as necessary to prevent the Company from being denied a tax deduction on account of Section 162(m) of the Code); and *provided further* that any such amendment, alteration, suspension, discontinuance or termination that would impair the rights of any Participant or any holder or beneficiary of any Plan Award theretofore granted shall not to that extent be effective without the consent of the affected Participant, holder or beneficiary.

- (b) **Amendment of Plan Award Agreements.** The Committee may waive any conditions or rights under, amend any terms of, or alter, suspend, discontinue, cancel or terminate, any Plan Award theretofore granted or the associated Plan Award Agreement, prospectively or retroactively; provided that any such waiver, amendment, alteration, suspension, discontinuance, cancellation or termination that would impair the rights of any Participant in respect of any Plan Award theretofore granted shall not to that extent be effective without the consent of the affected Participant.
- (c) **Repricing.** Notwithstanding any other provision of this Plan, no amendment or modification of the Plan or of any Stock Option Agreement may lower the exercise price of a previously granted award, nor may the Board, the Committee or the Company cancel and regrant an Option with the effect of repricing an Option, without in either case shareholder approval.
