Item 1.01 Entry into a Material Definitive Agreement

The disclosure set forth under Item 2.01 of this Current Report on Form 8-K is incorporated by reference herein.

Item 2.01 Completion of Acquisition or Disposition of Assets.

On December 13, 2004, NEON Systems, Inc. ("NEON") entered into and closed the transactions contemplated by an Asset Purchase Agreement among NEON, ClientSoft, Inc., a Delaware corporation ("ClientSoft") and U.S. Bank, National Association, as escrow agent (the "Asset Purchase Agreement"). Pursuant to the Asset Purchase Agreement NEON acquired substantially all of the assets and the business of ClientSoft and assumed certain of the liabilities of ClientSoft, for a cash purchase price of \$10.5 million and the issuance to ClientSoft of a warrant to acquire up to 1,125,000 shares of NEON common stock (the "Warrant"). Approximately \$2.3 million of the cash and the Warrant were placed in escrow at closing. The assets acquired by NEON include intellectual property, contracts and equipment and other tangible personal property. The Warrant is exercisable in whole or in part at any time prior to or on June 13, 2008. The exercise price per share of the Warrant is \$4.80, which is the closing price per share of NEON common stock on the NASDAQ Stock Market on December 13, 2004, multiplied by 1.33.

In connection with the issuance of the Warrant, NEON entered into a registration rights agreement with ClientSoft (the "Registration Rights Agreement"). The Registration Rights Agreement obligates NEON to file, as soon as practicable following the Company's filing of its annual report on Form 10-K for the fiscal year ended March 31, 2005, a shelf registration on Form S-3 to register the shares of Common Stock underlying the Warrant for resale by the holder(s) of the Warrant.

ClientSoft develops, markets and licenses web services technology and provides services related to the integration of mainframe data sources with modern distributed computing systems. In connection with the asset purchase, NEON added approximately 22 former ClientSoft employees. NEON now has approximately 100 employees worldwide.

The Asset Purchase Agreement is filed as Exhibit 10.1 to this Current Report on Form 8-K. The Warrant is filed as Exhibit 4.1 to this Current Report on Form 8-K. The Registration Rights Agreement is filed as Exhibit 4.2 to this Current Report on Form 8-K. The press release announcing the closing of this transaction is filed as Exhibit 99.1 to this Current Report on Form 8-K.

Item 5.02 Departure of Directors or Principal Officers; Election of Directors; Appointment of Principal Officers

On December 13, 2004, NEON announced that Robert Evelyn, the Chief Operating Officer of ClientSoft, will be added to NEON's executive management as its Senior Vice President of Strategy and Solutions. In addition, effective upon the closing of the transaction, the NEON Board of Directors voted to expand the number of directors on its Board from five to six directors and appointed William Wilson III, the former Chief Executive Officer of ClientSoft, to fill the open board seat.
