**ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.**

On March 29, 2005, the Compensation Committee of the Board of Directors (the "Compensation Committee") of Monster Worldwide, Inc. (the "Company") approved the individual performance goals for the Company's executive officers to be utilized for the determination of 2005 calendar year performance awards under the Company's 1999 Long Term Incentive Plan (the "LTIP") for the year ending December 31, 2005.

The performance goals are based upon the attainment by the Company of a range of specified percentage increases in earning per share ("EPS") over calendar 2004, determined on a consolidated fully diluted basis from continuing operations and excluding the effects of changes in accounting principles, business reorganization and other special charges, write-offs of goodwill, and the effects of discontinued operations. Subject to the terms of the LTIP and the adjustments described below, upon achievement of specified 2005 EPS goals, each of Andrew J. McKelvey, William Pastore, Charles "Lanny" Baker, Paul Camara, Jeffrey Taylor, John McLaughlin, Peter Dolphin, Myron Olesnycky, Chris Power, Jonathan Trumbull and Brian Farrey will be entitled to receive bonuses in specified amounts.

Payments of such performance awards shall be subject to the relevant executive officer remaining employed by the Company through December 31, 2005 (irrespective of whether any cessation or termination of employment is voluntary or involuntary) and shall be subject to the terms and conditions of the LTIP, including the Compensation Committee's right to reduce the amount that would otherwise be payable pursuant to a performance-based award. To the maximum extent permissible under the LTIP, the bonuses shall be payable first in cash and then in shares of the Company's common stock, par value \$.001 per share ("Common Stock"). The maximum aggregate cash amount that may be actually paid to any single individual named above under the LTIP with respect to calendar 2005 (whether under the performance-based awards outlined above or other performance-based awards which end with or within calendar 2005) is \$1,000,000, any amount in excess of such \$1,000,000 that would otherwise be payable to a single individual under the LTIP with respect to calendar 2005 shall instead be payable to such individual in fully vested shares of Company Common Stock issued under the LTIP on March 14, 2006, and the maximum number of shares of Common Stock that may actually be issued to any single individual named above under the LTIP with respect to calendar 2005 is 2,000,000.

In addition, on March 29, 2005, the Compensation Committee authorized the form of 2005 Management Incentive Plan for Brian Farrey, an executive officer of the Company, pursuant to which he can receive an additional target bonus upon the attainment of individual performance goals based on meeting certain expense budgets, and increased his annual base salary by \$13,925. A copy of the form of 2005 Management Incentive Plan is attached hereto as Exhibit 10.1.
