The Offeror shall not be required to make the Offer to any person whose participation in the Offer would require delivery of a prospectus, offering circular or similar document in addition to the Offer Document or any registration by the Company or the Offeror or other similar measures be taken, other than those required under Swedish law and other than the filing of a registration statement on Form F-4 and the filing of other material relating to the Offer with the SEC pursuant to the Securities Act.

Prior to the registration with the FSA of the Offer Document, the Offeror shall provide the Company with an opportunity to review and comment on the Offer Document, recognizing that whether or not such comments are appropriate will be determined (except for sections covered by 2.2(c)) by the Offeror, acting reasonably.

The Company shall from time to time furnish the Offeror with such additional information, including updated or additional lists of Shareholders, mailing labels and lists of securities positions and other assistance as the Offeror may reasonably request in order to be able to communicate the Offer to the Shareholders and to such other persons as are entitled to receive the Offer under applicable Laws.

### **2.3 Directors**

Promptly upon the purchase by the Offeror of such number of Shares as represents, when aggregated with the Shares held by the Offeror on the date hereof, at least a majority of the outstanding Shares, upon the request of the Offeror the Board of Directors shall convene an extraordinary general meeting of the Shareholders to resolve on the following matter: replacing that number of the then current directors of the Company with such replacement directors as the Offeror shall designate.

If the Offer has been accepted by holders of Shares to such an extent that, following the completion of the Offer, the Offeror holds more than 90 percent of the Shares on a fully-diluted basis, the Offeror currently intends, to the extent possible, to acquire, directly or indirectly through a wholly-owned subsidiary, the remainder of the Shares from those Shareholders who have not accepted the Offer. The Offeror may pursue other means of acquiring the remaining Shares not tendered to the Offer. The Company agrees with the Offeror that in the event the Offeror takes up and pays for Shares under the Offer, it will assist in compliance with Laws the Offeror in connection with any proposed amalgamation, merger, capital reorganization or other transaction of the Company and the Offeror or an affiliate of the Offeror (a "Subsequent Acquisition Transaction") to acquire the remaining Shares.

**4.21 Restrictions on Business Activities**

There is no agreement, judgement, injunction, order or decree binding upon any of the Group Companies that has, or could reasonably be expected to have, the effect of materially prohibiting, restricting or impairing any business practice of any of the Group Companies, any acquisition of property by any of the Group Companies or the conduct of business by any of the Group Companies as currently conducted.

## ARTICLE 6

### MISCELLANEOUS

#### **6.1 Further Assurances**

Subject to the conditions herein provided, each party agrees to use all reasonable efforts to take, or cause to be taken, all action and to do, or cause to be done, all things necessary, proper or advisable to consummate and make effective as promptly as is practicable the transactions contemplated by the Offer and this Agreement, including: (a) the execution and delivery of such documents as the other party may reasonably require; and (b) obtaining such information, documents or consents required in connection with the preparation of the Offer Document, and using reasonable best efforts to obtain all necessary waivers, consents and approvals and to effect all necessary registrations and filings, including filings under applicable Laws and submissions of information requested by governmental authorities. Each of the parties shall cooperate in all reasonable respects with the other parties in taking such actions.

#### **6.2 No Solicitations, Opportunity to Match, Etc.**

(a) On and after the date hereof, the Company and each of the Subsidiaries and the Joint Venture shall not, directly or indirectly, through any officer, director, employee, advisor, representative, agent or otherwise, make, solicit, initiate or encourage enquiries from or submissions of proposals or offers from any other person, company, partnership or other business organization whatsoever (including any of its directors, officers, employees, advisors, representatives or agents) relating to any liquidation, dissolution, recapitalization, merger, amalgamation or acquisition or purchase of all or a material portion of the assets of, or any equity interest (including Shares) in, any of the Company, any Subsidiary or the Joint Venture or other similar transaction or business combination (each an "Acquisition Proposal"), or participate in any discussions or negotiations regarding, or furnish to any person any information with respect to, or otherwise cooperate in any way with, or assist or participate in, facilitate or encourage, any effort or attempt by any other person to do or seek to do any of the foregoing.

(b) Notwithstanding the foregoing, nothing contained in this Section 6.2(a) or any other provision of this Agreement shall prevent the Board of Directors from receiving, considering, negotiating, approving, implementing and recommending to holders of Shares any *bona fide* written Acquisition Proposal made by a third party after the date hereof, for which financing, to the extent required, is then committed or capable of being obtained (as determined reasonably and in good faith by the Board of Directors after consultation with the third party offeror and the Company's financial advisors), that was not solicited on or after April 21, 2005 and which did not otherwise result from a breach of this Agreement, in respect of which the Board of Directors determines reasonably and in good faith (after receiving a written opinion of its financial advisors stating that such Acquisition Proposal is more favourable to Shareholders than the offer, both from a financial perspective and otherwise) and after receiving the written advice from its outside legal counsel to the effect that the failure to do so would be inconsistent with the fiduciary duties of the Board of Directors) would, if consummated in accordance with its terms, result in a transaction more favourable, both from a financial perspective and otherwise, to the Shareholders than the Offer (any such Acquisition Proposal being referred to herein as a "Superior Acquisition Proposal").

## Edgar Filing: AGNICO EAGLE MINES LTD - Form 6-K

(c) For greater certainty, nothing in this section shall be interpreted to prohibit the Company and its representatives from engaging in normal course investor relations activities consistent with past practice including, without limitation, by issuing press releases in respect of drilling activities, financial results, reserve reports and other corporate developments or which are otherwise required by applicable law or stock exchange requirements

(d) The Company shall by the date hereof have ceased and caused to be terminated any existing discussions or negotiations with any parties (other than the Offeror) with respect to any potential Acquisition Proposal. The Company agrees not to release any third party from any confidentiality or standstill agreement to which the Company and such third party are parties. The Company shall immediately request the return and destruction of all information provided to any third parties who have entered into a confidentiality agreement with the Company relating to any potential Acquisition Proposal and shall use all reasonable efforts to ensure that such requests are honoured.

(e) The Company will, as soon as practicable (but in no event later than 24 hours) following receipt thereof, ensure that the Offeror is notified of any future *bona fide* Acquisition Proposal or any request for non-public information relating to the Company or any of the Subsidiaries or the Joint Venture in connection with such a *bona fide* Acquisition Proposal or for access to the properties, books or records of the Company or any Subsidiary or the Joint Venture by any person or entity that informs the Company, any member of the Board of Directors or such Subsidiary or the Joint Venture that it is considering making, or has made, an Acquisition Proposal. Such notice to the Offeror shall be made, from time to time, first immediately orally and then promptly in writing and shall indicate the identity of the person making such proposal, inquiry or contact, all material terms thereof and such other details of the proposal, enquiry or contact known to the Company as the Offeror may reasonably request.

(f) If the Board of Directors receives a request for non-public information from a party who proposes to the Company a *bona fide* Acquisition Proposal and the Board of Directors determines, in the manner contemplated by Section 6.2(b), that such proposal is a Superior Acquisition Proposal, then, and only in such case, the Company may provide such party with access to information regarding the Company, subject to the execution of a confidentiality and standstill agreement which is customary in such situations and which is no less favourable to the Company and no more favourable to the counterparty than the confidentiality provisions of the confidentiality agreement dated April 26, 2005 between the Company and the Offeror, provided that the Company delivers a copy of any such confidentiality and standstill agreement to the Offeror immediately upon its execution and the Offeror is provided with a list of or copies of the information provided to such person and immediately provided with access to similar information to which such person was provided.

(g) The Company agrees that it shall not accept, approve, recommend or enter into any agreement (a "Proposed Agreement"), other than a confidentiality and standstill agreement as contemplated by Section 6.2(f), with any third party providing for or to facilitate any other Acquisition Proposal unless such Acquisition Proposal is a Superior Acquisition Proposal and then will do so only after the Company ensures that the Offeror is provided with a copy of any Proposed Agreement, together with a written notice from the Board of Directors regarding the value in financial terms that the Board of Directors has in consultation with the financial advisors determined should be ascribed to any non-cash consideration offered under the Proposed Agreement, not less than five business days prior to its proposed execution by the Company. During such five day period, the Company acknowledges and agrees that the Offeror shall have the opportunity but not the obligation, to offer to amend the terms of this Agreement in order to provide for financial terms at least equivalent to those included in the Proposed Agreement. The Board of Directors shall review any offer by the Offeror to amend the terms of this Agreement to determine, acting reasonably, in good faith and in accordance with its fiduciary duties, whether the Offeror's amended Offer provides for financial terms at least equivalent to those included in the Proposed Agreement. If the Board of Directors so determines, the Company will enter into an amended agreement with the Offeror reflecting the amended Offer. If the Board of Directors continues to believe, acting in good faith and in the proper discharge of its fiduciary duties (after consultation with its financial advisors and after receiving the written advice from its outside legal counsel) that the Acquisition Proposal provided for in the Proposed Agreement continues to be a Superior Acquisition Proposal with respect to the amended Offer, and therefore rejects the amended Offer, the Company shall be entitled to enter into the Proposed Agreement. The Company acknowledges and agrees that each successive modification of any Acquisition Proposal shall constitute a new Acquisition Proposal for purposes of the requirement of this Section 6.2(g) to initiate an additional five business day notice period.

(h) The Company shall ensure that the directors, officers and employees of the Company and each of the Subsidiaries and the Joint Venture and any investment bankers, counsel or other advisors, representatives or agents retained by the Company are aware of the provisions of this Section, and the Company shall be responsible for any breach of this Section 6.2 by such directors, officers, employees, investment bankers, counsel, advisors, representatives or agents.

### **6.3 Notification of Certain Matters**

Each party shall give prompt notice to the others of: (a) the occurrence or failure to occur of any event, which occurrence or failure would cause or may cause any representation or warranty on its part contained in this Agreement to be untrue or inaccurate in any material respect at any time from the date hereof to the Effective Time; and (b) any failure of such party, or any officer, director, employee or agent thereof, to comply with or satisfy any covenant, condition or agreement to be complied with or satisfied by it hereunder.

**6.4 Shareholder Claims**

The Company shall notify the Offeror of any claim brought by any present, former or purported holder of any securities of the Company in connection with the transactions contemplated by this Agreement prior to the Effective Time and shall not settle or compromise any such claim prior to the Effective Time without the prior written consent of the Offeror.

**6.5 Transaction Structuring**

The Offeror and the Company agree to cooperate in good faith and to take all reasonable steps and action after the date hereof, as are not adverse to the party requested to take any such step or action, to complete the Offer and the other transactions contemplated hereby in a manner which is most tax effective for the parties hereto and the Shareholders.

- (c) by the Company if an Offer has not been made through a public announcement in accordance with the NBK Rules within five days from the signing of this Agreement;
- (d) by the Offeror, if the Minimum Condition or any other condition of the Offer shall not be satisfied or waived at the Expiry Time and the Offeror shall not elect to waive such condition or extend the Offer; or

This Agreement may not be amended except by an instrument signed by each of the parties hereto.

**7.3 Waiver**

At any time prior to the Effective Time, any party hereto may: (a) extend the time for the performance of any of the obligations or other acts of any other party thereto; or (b) waive compliance with any of the agreements of any other party or with any conditions to its own obligations, in each case only to the extent such obligations, agreements and conditions are intended for its benefit.

**7.4 Effect of Termination**

If this Agreement is terminated as provided in Section 7.1, there shall be no liability or further obligation on the part of any party hereto or any of their respective shareholders, officers or directors, except for liability arising from a breach of any representations or warranties in this Agreement, a wilful breach of any covenants in this Agreement or fraud and any action with respect thereto must be commenced within two years of the date hereof.
