The Company will pay the cost of solicitation of proxies. The record date for the annual general meeting is February 2, 2009. Only shareholders of record at the close of business on that date may vote at the meeting or any adjournment thereof.

Please mark, sign and date the enclosed Proxy Card as soon as possible and return it to our agent, indicated on the enclosed envelope, which postage is pre-paid if mailed in the United States or the United Kingdom. Proxies must be received by 1.00 a.m. central time on March 19, 2009 in order to be valid. You are urged to complete and submit a Proxy Card regardless of whether or not you plan to attend the annual general meeting.

Items of Business

To receive the financial statements of the Company for the fiscal year ended November 30, 2008.

To re-elect Mr. Steve Barber as a Class II director to hold office until the 2012 annual general meeting of shareholders, as proposed by the Board.

To re-elect Mr. Jonathan Brooks as a Class II director to hold office until the 2012 annual general meeting of shareholders, as proposed by the Board.

To approve the re-appointment of PricewaterhouseCoopers LLP of Savannah House, 3 Ocean Way, Ocean Village, Southampton, SO14 3TJ, United Kingdom, as the independent registered public accounting firm of the Company for the Company's fiscal year ending November 30, 2009 and to authorize the Audit Committee of the Board of Directors to agree the remuneration of the independent registered public accounting firm.

To consider such other business as may properly be brought before the meeting.

Recommendation of the Board of Directors

The Board of Directors recommends that you vote "FOR" the re-election of each of Mr. Steve Barber and Mr. Jonathan Brooks, the nominees to the Board, and "FOR" the approval of the re-appointment of PricewaterhouseCoopers LLP as the independent registered public accounting firm of the Company for its fiscal year ending November 30, 2009 and the authorization of the Audit Committee of the Board of Directors to agree the remuneration of the independent registered public accounting firm. If any other matter is properly presented at the meeting, your proxy will vote your shares using his or her best judgment.

Who Can Vote?

Only shareholders of record at the close of business on February 2, 2009 will be entitled to vote at the annual general meeting. On this record date, there were 29,262,611 common shares outstanding

and entitled to vote. Shareholders will be entitled to vote at the meeting on the basis of one vote for each share held.

Shareholder of Record: Shares Registered in Your Name

If on February 2, 2009 your shares were registered directly in your name with the Company's transfer agent, Computershare Investor Services, then you are a shareholder of record. As a shareholder of record, you may vote in person at the meeting or vote by proxy. Whether or not you plan to attend the meeting, we urge you to fill out and return the enclosed Proxy Card as instructed below to ensure your vote is counted.

Beneficial Owner: Shares Registered in the Name of a Broker or Bank

If on February 2, 2009 your shares were held in an account at a brokerage firm, bank, dealer, or other similar organization, then you are likely to be the beneficial owner of shares held in "street name" and these proxy materials are being forwarded to you by that organization. The organization holding your account is considered the shareholder of record for the purposes of voting at the annual general meeting. As a beneficial owner, you may have the right to direct your broker or other agent on how to vote the shares in your account. You are also invited to attend the annual general meeting. However, since you are not the shareholder of record, you may not vote your shares in person at the meeting unless you request, obtain from and submit a valid Proxy Card to your broker or other agent.

How to Vote?

Shareholder of Record: Shares Registered in Your Name

If you are a shareholder of record, you may vote in person at the annual general meeting or vote by proxy using the enclosed Proxy Card. Whether or not you plan to attend the meeting, we urge you to submit a Proxy Card to ensure your vote is counted. You may still attend the meeting and vote in person if you have already submitted a Proxy Card.

To vote in person, bring the admission ticket included with these proxy materials to the annual general meeting and we will give you a ballot form when you arrive.

To vote using the Proxy Card, simply complete, sign and date the enclosed Proxy Card and return it promptly using the envelope provided. If you return your signed Proxy Card so that it arrives by 1.00 a.m. central time on March 19, 2009, the proxy will vote your shares as you direct.

Beneficial Owner: Shares Registered in the Name of Broker or Bank

If you are a beneficial owner of shares registered in the name of your broker, bank, or other agent, you should have received a Proxy Card and voting instructions with these proxy materials from that organization rather than from the Company. Follow the instructions from your broker or bank included with these proxy materials. If you wish to vote in person at the annual general meeting you must obtain a valid proxy from your broker, bank, or other agent.

Appointment of Proxy

By completing and returning the enclosed Proxy Card you will appoint Andrew Sukawaty and Ernest Sampias, or either of them, as your attorneys and proxies, with full power of substitution, to vote all of the common shares of Xyratex Ltd which you may be entitled to vote at the annual general meeting. You may also choose to appoint a different individual to act as your attorney and proxy by so indicating on the Proxy Card.

Change or Revocation of Proxies

You can change your vote or revoke your proxy at any time before the final vote at the annual general meeting. You may revoke your proxy in any one of four ways:

You may submit another properly completed Proxy Card with a later date (but within the time limit referred to above).

If you are a shareholder of record (i.e., your shares are registered in your name) you may send a written notice that you are revoking your proxy to our transfer agent, Computershare Proxy Operations, 250 Royall Street, Canton, MA 02021, U.S.A.

If you are the beneficial owner (i.e. the shares are registered in the name of a broker or bank), you must send a written notice that you are revoking your proxy to your bank or broker.

You may attend the annual general meeting and vote in person. Attendance at the meeting will not cause your previously granted proxy to be revoked unless you specifically so request or ask to vote yourself.

Return of a Proxy Card Without Making Specific Choices

If you return a signed and dated Proxy Card without marking any voting selections, your shares will be voted "FOR" the re-election of Mr. Steve Barber as a Class II director to hold office until the 2012 annual general meeting of shareholders, "FOR" the re-election of Mr. Jonathan Brooks as a Class II director to hold office until the 2012 annual general meeting of shareholders, and "FOR" the approval of the re-appointment of PricewaterhouseCoopers LLP as the independent registered public accounting firm of the Company for its fiscal year ending November 30, 2009 and the authorization of the Audit Committee of the Board of Directors to agree the remuneration of the independent registered public accounting firm. If any other matter is properly presented at the meeting, your proxy will vote your shares using his or her best judgment.

Quorum and Voting Requirements

The Chairman of the meeting intends to call for a poll to be taken in relation to each item of business. On a poll, each common share receives one vote on all matters properly brought before the annual general meeting. In order to conduct business at the annual general meeting, at least ten persons present in person at the start of the meeting and representing in person or by proxy in excess of 33 $\frac{1}{3}$ % of the total issued voting shares in the Company are required in order to constitute a quorum. The required vote for each proposal to be considered at the meeting is a simple majority of the votes cast.

Other than the items of business described in this Proxy Statement, the Board of Directors knows of no other matters to be acted upon at the annual general meeting. If any other matter should be presented at the annual general meeting upon which a vote properly may be taken, shares represented by all proxies properly submitted will be voted with respect thereto in accordance with the judgment of the persons named as attorneys in the Proxy Card.

Computershare Investor Services, our transfer agent, will tally the proxy instructions and our Group Secretary and Legal Counsel, will tally the votes. Proxy instructions, ballots and voting tabulations that identify individual shareholders are handled in a manner that protects your voting privacy. We will not disclose your vote except to allow for the tabulation of votes and certification of the vote, to facilitate a successful proxy solicitation and as necessary to meet applicable legal requirements.

Annual General Meeting Admission Tickets

If you plan to attend the annual general meeting, please mark the appropriate box on the Proxy Card and return the Proxy Card promptly in the enclosed envelope and bring the admission ticket included with these proxy materials to the meeting. If you are a shareholder of record and you arrive at the annual general meeting without an admission ticket, you will only be admitted once we verify your share ownership. If you are a beneficial owner and you do not bring an admission ticket to the meeting, you can obtain tickets by presenting evidence of your identity, such as a valid passport, and beneficial holdings, such as a bank or brokerage firm account statement.

REPORT OF THE AUDIT COMMITTEE

The following Report of the Audit Committee shall not be deemed to be "soliciting material" or filed with the SEC, nor shall it be deemed to be incorporated by reference in any filing of the Company under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, whether made before or after the date hereof and irrespective of any general incorporation language in any such filing.

The Audit Committee oversees the Company's corporate accounting and financial reporting process. Management of the Company has the primary responsibility for the financial statements and the reporting process, including the systems of internal controls. In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements in the Annual Report with management and discussed with management the quality, in addition to the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements.

The Audit Committee reviewed with the independent registered public accounting firm, who are responsible for expressing an opinion on the conformity of those audited financial statements with accounting principles generally accepted in the United States of America, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Audit Committee under auditing standards generally accepted in the United States of America including the matters required to be discussed by SAS 61. In addition, the Audit Committee has received the written disclosures and the letter from the independent registered public accounting firm required by Independence Standards Board Standard No. 1 and has discussed with the independent registered public accounting firm their independence from management and the Company, including the matters in the written disclosures required by the Independence Standards Board.

The Audit Committee discussed with the Company's independent registered public accounting firm the overall scope and plans for their audit. The Audit Committee met with the independent registered public accounting firm, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board (and the Board has approved) that the audited financial statements be included in the Company's Annual Report on Form 20-F for the year ended November 30, 2008 for filing with the Securities and Exchange Commission.

**REPORT OF THE COMPENSATION COMMITTEE
ON EXECUTIVE COMPENSATION**

The following Report of the Compensation Committee shall not be deemed to be "soliciting material" or filed with the SEC, nor shall it be deemed to be incorporated by reference in any filing of the Company under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, whether made before or after the date hereof and irrespective of any general incorporation language in any such filing.

The Compensation Committee administers the Company's compensation policies and programs and has primary responsibility for executive compensation matters, including the establishment of the base salaries of the Company's executive officers, the approval of individual bonuses and bonus programs for executive officers and senior employees. In addition, the Compensation Committee has responsibility for approval of grants of restricted stock units, grants of share options and direct share issuances which may be made to executive officers and other employees under the Company's employee benefit plans.

Compensation decisions with respect to base salaries, cash bonuses and equity compensation for the Company's executive officers for the 2008 fiscal year were made by the Compensation Committee of the Board of Directors (the Committee) comprised of three non-employee directors, Andrew Sukawaty, Jonathan Brooks and Steve Sanghi. The members of this Committee meet the independence requirements for non-employee directors under the Nasdaq Marketplace Rules. The Compensation Committee considered internal data, including financial and non-financial corporate goals and individual performance, and data from comparable high technology companies.

General Compensation Policy. The overall policy of the Compensation Committee is to offer the Company's executive officers competitive compensation opportunities based upon their personal performance, the financial performance of the Company and their contribution to that performance. One of the primary objectives is to have a significant portion of each executive officer's compensation contingent upon the Company's financial success as well as upon such executive officer's own level of performance. Each executive officer's compensation package is comprised of three elements: (i) base salary, which is determined on the basis of the individual's qualifications, position and responsibilities with the Company, the level of his or her performance and competitive salary levels, (ii) incentive performance awards payable in cash and which are determined based on Company and individual performance, and (iii) long-term share-based incentive awards designed to strengthen the mutuality of interests between the executive officers and the Company's shareholders. Generally, as an executive officer's level of responsibility increases, a greater portion of that individual's total compensation becomes dependent upon the Company's performance and share price appreciation rather than base salary.

Factors. The primary factors taken into consideration in establishing the components of each executive officer's compensation package for the 2008 fiscal year are summarized below. However, the Compensation Committee may, in its discretion, apply entirely different factors, such as different measures of financial performance, for future fiscal years.

Base Salary. In setting the base salary for each executive officer, the Compensation Committee may review published compensation survey data for the industry and data from comparable high technology companies. The base salary for each officer is designed to be competitive with the salary levels for comparable positions in the market as well as to reflect the individual's personal performance and internal alignment considerations. The relative weight given to each factor varies with each individual at the sole discretion of the Compensation Committee.

Incentive Compensation. The Compensation Committee believes that a cash incentive bonus plan and restricted stock units can serve to motivate the Company's executive officers and management to

address annual performance goals, using more immediate measures for performance than those reflected in the appreciation in value of share options.

Restricted Stock Units. This incentive combines the annual performance goals with retention as the vesting is usually over a four year period and is dependent on the executive remaining in office.

Long-Term Share-Based Incentive Compensation. From time-to-time, the Compensation Committee may make option grants to the Company's executive officers under the Company's employee benefit plans. The grants are designed to align the interests of each executive officer with those of the shareholders and provide each individual with a significant incentive to manage the Company from the perspective of an owner with an equity stake in the business. Each grant allows the officer to acquire shares of the Company's Common Shares at a fixed price per share (the market price on the grant date) over a specified period of time (up to ten (10) years), thus providing a return to the executive officer only if the market price of the shares appreciates over the option term and the officer continues in the Company's employ. The size of the option grant to each executive officer is designed to create a meaningful opportunity for share ownership and is based upon the executive officer's current position with the Company, internal comparability with option grants made to other Company executives, the executive officer's current level of performance and the executive officer's potential for future responsibility and promotion over the option term. The Compensation Committee also takes into account the number of vested and unvested options held by the executive officer in order to maintain an appropriate level of equity incentive for that individual. However, the Compensation Committee does not intend to adhere to any specific guidelines as to the relative option holdings of the Company's executive officers.
