### PROXY STATEMENT 2016 ANNUAL MEETING OF STOCKHOLDERS

The proxy card that accompanies this proxy statement is being solicited by the board of directors (the "Board") of Ares Capital Corporation, a Maryland corporation (the "Company," "we," "us" or "our"), for use at the Company's 2016 Annual Meeting of Stockholders (the "Annual Meeting") to be held on May 12, 2016 at 9:00 a.m., Los Angeles Time, at The Century Plaza Towers, 2029 Century Park East, Concourse Level, Conference Room B, Los Angeles, California 90067, or at any adjournment or postponement thereof. This proxy statement, the Notice of Annual Meeting of Stockholders, the accompanying proxy card and the Company's Annual Report on Form 10-K, which includes audited financial statements for the year ended December 31, 2015, are first being released to the Company's stockholders on or about March 24, 2016.

We encourage you to vote your shares, either by voting in person at the Annual Meeting or by granting a proxy (i.e., authorizing someone to vote your shares). If you properly authorize your proxy and the Company receives it in time for the Annual Meeting, the persons named as proxies will vote the shares registered directly in your name in the manner that you specify. **If no specification is made, the votes entitled to be cast by such shares will be cast FOR the election of the three director nominees and FOR the ratification of KPMG LLP as the Company's independent registered public accounting firm for the year ending December 31, 2016.**

Any stockholder "of record" (i.e., stockholders holding shares directly in their name) giving a valid proxy for the Annual Meeting may revoke it before it is exercised by giving a later-dated properly executed proxy, by giving notice of revocation to the Company in writing before or at the Annual Meeting or by attending the Annual Meeting and voting in person. However, the mere presence of the stockholder at the Annual Meeting does not revoke the proxy. If your shares are held for your account by a broker, bank or other institution or nominee, you may vote such shares at the Annual Meeting only if you obtain proper written authority from your institution or nominee and present it at the meeting. If your shares are held for your account by a broker, bank or other institution or nominee, to revoke any voting instructions prior to the time the vote is taken at the Annual Meeting, you must contact such broker, bank or other institution or nominee to determine how to revoke your vote in accordance with its policies a sufficient time in advance of the Annual Meeting.

Unless revoked as stated above, the shares of common stock represented by valid proxies will be voted on all matters to be acted upon at the Annual Meeting. With respect to the election of directors, proxies cannot be voted for a greater number of persons than the number of nominees named.

The Board is not aware of any matter to be presented for action at the Annual Meeting other than the matters set forth herein. Should any other matter requiring a vote of stockholders arise, it is the intention of the persons named in the proxy to vote in accordance with their discretion on such matters. Stockholders have no dissenters' or appraisal rights in connection with any of the proposals described herein.

The record date for determination of stockholders entitled to vote at the Annual Meeting is the close of business on March 4, 2016. As of March 4, 2016, there were 314,347,064 shares of the Company's common stock outstanding. Each share of common stock has one vote. The presence, in

---

## Edgar Filing: ARES CAPITAL CORP - Form DEF 14A

person or by proxy, of the holders of shares of common stock of the Company entitled to cast a majority of the votes entitled to be cast shall constitute a quorum for the purposes of the Annual Meeting. If there are not sufficient votes for a quorum or to approve or ratify any of the foregoing proposals at the time of the Annual Meeting, the chairman of the meeting may adjourn the Annual Meeting in order to permit further solicitation of proxies by the Company.

Abstentions and broker non-votes will be deemed to be present for the purpose of determining a quorum for the Annual Meeting. However, abstentions and broker non-votes are not counted as votes cast. A "broker non-vote" with respect to a matter occurs when a broker, bank or other institution or nominee holding shares on behalf of a beneficial owner has not received voting instructions from the beneficial owner on a particular proposal and does not have, or chooses not to exercise, discretionary authority to vote the shares on such proposals.

You may vote "For" or "Against," or abstain from voting on, Proposal 1 (to elect three directors to serve for a term of three years, and until their successors are duly elected and qualify). The affirmative vote of holders of at least a majority of the total outstanding shares of the Company's common stock is required under the Company's Bylaws (as amended, the "Bylaws") to elect each director in Proposal 1 (meaning that of the outstanding shares of the Company's common stock, a majority of them must be voted "For" a director for him or her to be elected). For purposes of the vote on Proposal 1, abstentions and broker non-votes will have the same effect as votes "Against" the election of such director. If an incumbent director nominee does not receive the required number of votes for re-election, then under Maryland law, he or she will continue to serve as a director of the Company until his or her successor is duly elected and qualifies.

You may vote "For" or "Against," or abstain from voting on, Proposal 2 (to ratify the selection of KPMG LLP as the Company's independent registered public accounting firm). The affirmative vote of holders of at least a majority of all of the votes cast at a meeting at which a quorum is present is required for approval of Proposal 2 (meaning that the number of shares voted "For" the proposal must exceed the number of shares voted "Against" the proposal). For purposes of the vote on Proposal 2, abstentions and broker non-votes will not be counted as votes cast and will have no effect on the result of the vote.

The Company will bear the cost of solicitation of proxies in the form accompanying this statement. Proxies will be solicited by mail or by requesting brokers and other custodians, nominees and fiduciaries to forward proxy soliciting material to the beneficial owners of shares of common stock held of record by such brokers, custodians, nominees and fiduciaries, each of whom the Company will reimburse for its expenses in so doing. In addition to the use of mail, directors, officers and regular employees of Ares Capital Management LLC, the Company's investment adviser ("Ares Capital Management" or the "investment adviser"), or Ares Operations LLC, the Company's administrator ("Ares Operations" or the "administrator"), without special compensation therefor, may solicit proxies personally or by telephone, electronic mail, facsimile or other electronic means from stockholders. The address of each of Ares Capital Management and Ares Operations is 2000 Avenue of the Stars, 12th Floor, Los Angeles, California 90067.

The Company has engaged the services of D.F. King & Co., Inc. ("D.F. King") for the purpose of assisting in the solicitation of proxies at an anticipated cost of approximately \$7,500, plus reimbursement of certain expenses and fees for additional services requested. Please note that D.F. King may solicit stockholder proxies by telephone on behalf of the Company. They will not attempt to influence how you vote your shares, but only ask that you take the time to authorize your proxy. You may also be asked if you would like to authorize your proxy over the telephone and to have your voting instructions transmitted to the Company's proxy tabulation firm.

**PROPOSAL 1: ELECTION OF DIRECTORS**

Under the Company's charter (as amended, the "Charter") and the Bylaws (together with the Charter, the "Charter Documents"), the Company's directors are divided into three classes. Directors are elected for a staggered term of three years each, with a term of office of only one of these three classes of directors expiring each year. Each director will hold office for the term to which he or she is elected and until his or her successor is duly elected and qualifies.

The terms of R. Kipp deVeer, Frank E. O'Bryan and Eric B. Siegel, the Class III directors, will expire at the Annual Meeting. Mr. O'Bryan has notified the Company that he will retire as a director of the Company at the end of his term and will not stand for re-election. Mr. O'Bryan has served on the Board since 2005 and currently serves as a member of the nominating and governance committee of the Board. Mr. O'Bryan's decision to retire was not the result of any disagreement relating to the Company's operations, policies or practices. As a result, based on the recommendation of the nominating and governance committee of the Board, the Board, in accordance with the Bylaws, has nominated Daniel G. Kelly, Jr. for election as a Class III director and to hold office until the annual meeting to be held in 2019 and until his successor is duly elected and qualifies. The nominating and governance committee also has recommended, and the Board has nominated, Messrs. deVeer and Siegel to stand for re-election at the Annual Meeting and to hold office until the annual meeting to be held in 2019 and until their successors are duly elected and qualify. Mr. deVeer was appointed to the Board on October 28, 2015 to fill the vacancy created by Antony Ressler's resignation. Messrs. deVeer, Kelly and Siegel have agreed to serve as directors if elected and have consented to be named as nominees. The Charter Documents provide that directors shall be elected by the affirmative vote of holders of at least a majority of the shares of common stock outstanding and entitled to vote in such election. Therefore, the affirmative vote of holders of at least a majority of the shares of common stock outstanding as of the close of business on the record date is required to elect Messrs. deVeer, Kelly and Siegel as directors of the Company for the term for which they have been nominated.

A stockholder can vote for or against or abstain from voting with respect to each such nominee. **In the absence of instructions to the contrary, it is the intention of the persons named as proxies to vote such proxy FOR the election of the nominees named herein. If any nominee should decline or be unable to serve as a director, it is intended that the proxy will be voted for the election of such person as is nominated as a replacement by the nominating and governance committee and by the Board.** The Board has no reason to believe that any nominee will be unable or unwilling to serve.

**The Board recommends that you vote FOR the election of R. Kipp deVeer, Daniel G. Kelly, Jr. and Eric B. Siegel as directors of the Company for the term for which they have been nominated.**

## CORPORATE GOVERNANCE

### Director Independence

The Board has a majority of directors who are independent under the listing standards of The NASDAQ Global Select Stock Market LLC. The NASDAQ Marketplace Rules provide that a director of a business development company ("BDC") shall be considered to be independent if he or she is not an "interested person" of the Company, as defined in Section 2(a)(19) of the Investment Company Act. Section 2(a)(19) of the Investment Company Act defines an "interested person" to include, among other things, any person who has, or within the last two years had, a material business or professional relationship with the Company.

The Board has determined that the director nominee, Daniel G. Kelly, Jr., and the following directors are independent: Ms. Bates and Messrs. Bartlett, McKeever, O'Bryan and Siegel. Based upon information requested from each such director concerning his or her background, employment and affiliations, the Board has affirmatively determined that none of the independent directors has a material business or professional relationship with the Company, other than in his or her capacity as a member of the Board or any committee thereof.

### Organization of the Board of Directors

The Board has established an audit committee and a nominating and governance committee. During 2015, the Board held 15 formal meetings, the audit committee held four formal meetings, and the nominating and governance committee held four formal meetings. The Company encourages, but does not require, the directors to attend the annual meeting of the Company's stockholders in person. Eight of nine directors attended last year's annual meeting of stockholders in person. All directors attended at least 75% of the aggregate number of meetings of the Board held during the period for which they were a director and of the respective committees on which they served during 2015.

### Board Leadership Structure

The Board monitors and performs an oversight role with respect to the business and affairs of the Company, including with respect to investment practices and performance, compliance with regulatory requirements and the services, expenses and performance of service providers to the Company. Among other things, the Board approves the appointment of the investment adviser, administrator and officers, reviews and monitors the services and activities performed by the investment adviser, administrator and officers and approves the engagement, and reviews the performance of, the Company's independent registered public accounting firm.

Under the Bylaws, the Board may designate a chairman to preside over the meetings of the Board and meetings of the stockholders and to perform such other duties as may be assigned to him by the Board. The Company does not have a fixed policy as to whether the chairman of the Board should be an independent director and believes that its flexibility to select its chairman and reorganize its leadership structure from time to time is in the best interests of the Company and its stockholders.

Presently, Mr. Arougheti and Mr. Rosenthal serve as co-chairs of the Board. Mr. Arougheti is an interested director because he is an Executive Vice President of the Company, is on the Investment Committee of the investment adviser, is a Co-Founder and President of Ares and serves as a member of the Board of Directors and Management Committee of Ares. The Company believes that Mr. Arougheti's depth of experience in investment management, leveraged finance and financial services, as well as his intimate knowledge of the Company's business and operations, gives the Board valuable industry-specific knowledge and expertise on these and other matters. Mr. Rosenthal is an interested director because he is on the Investment Committee of the investment adviser, is a Co-Founder and Partner of Ares and serves on the Board of Directors and Management Committee of

## Edgar Filing: ARES CAPITAL CORP - Form DEF 14A

Ares. The Company believes that Mr. Rosenthal's history with the Company, familiarity with the Ares investment platform and extensive experience in the management of private equity and debt investments qualifies him to serve as co-chairman of the Board. Moreover, the Company believes that it is best served through its existing leadership structure with Mr. Arougheti and Mr. Rosenthal as co-chairs of the Board, as Mr. Arougheti and Mr. Rosenthal's relationships with the investment adviser provide an effective bridge between the Board and the investment adviser, thus ensuring an open dialogue between the Board and the investment adviser and that both groups act with a common purpose.

The independent directors have designated a lead independent director whose duties include, among other things, chairing executive sessions of the independent directors, acting as a liaison between the independent directors and the co-chairs of the Board and between the independent directors and officers of the Company and the investment adviser, facilitating communication among the independent directors and the Company's counsel, reviewing and commenting on Board and committee meeting agendas and calling additional meetings of the independent directors as appropriate. In August 2010, the Board designated and appointed Mr. Siegel as the lead independent director and Mr. Siegel has served as lead independent director since that time.

The Company believes that board leadership structures must be evaluated on a case-by-case basis and that its existing board leadership structure is appropriate. However, the Company continually re-examines its corporate governance policies on an ongoing basis to ensure that they continue to meet the Company's needs.

### **Board Role in Risk Oversight**

The Board performs its risk oversight function and fulfills its risk oversight responsibilities primarily (a) through its two standing committees, which report to the entire Board and are comprised solely of independent directors, and (b) by working with the Company's Chief Compliance Officer to monitor risk in accordance with the Company's compliance policies and procedures.

As described below in more detail under "Audit Committee" and "Nominating and Governance Committee," the audit committee and the nominating and governance committee assist the Board in performing its risk oversight function and fulfilling its risk oversight responsibilities. The audit committee's risk oversight responsibilities include overseeing the Company's accounting and financial reporting processes, assisting the Board in fulfilling the Board's oversight responsibilities relating to the Company's systems of internal controls over financial reporting, audits of the Company's financial statements and disclosure controls and procedures, assisting the Board in determining the fair value of securities that are not publicly traded or for which current market values are not readily available, and discussing with management the Company's major financial risk exposures and the steps management has taken to monitor and control such exposures, including the Company's risk assessment and risk management policies. The nominating and governance committee's risk oversight responsibilities include developing, reviewing and updating certain policies regarding the nomination of directors, identifying, evaluating and nominating directors to fill vacancies on the Board or to stand for election by the Company's stockholders, reviewing the Company's policies relating to corporate governance, and overseeing the evaluation of the Board and its committees.

The Board also performs its risk oversight function and fulfills its risk oversight responsibilities by working with the Company's Chief Compliance Officer to monitor risk in accordance with the Company's policies and procedures. The Chief Compliance Officer prepares a written report annually discussing the adequacy and effectiveness of the compliance policies and procedures of the Company and certain of its service providers. The Chief Compliance Officer's report, which is reviewed by and discussed with the Board, addresses at a minimum (a) the operation of the compliance policies and procedures of the Company and certain of its service providers since the last report; (b) any material

changes to such policies and procedures since the last report; (c) any recommendations for material changes to such policies and procedures as a result of the Chief Compliance Officer's annual review; and (d) any compliance matter that has occurred since the date of the last report about which the Board would reasonably need to know to oversee the Company's compliance activities and risks. In addition, the Chief Compliance Officer reports to the Board on a quarterly basis with respect to material compliance matters and meets separately in executive session with the independent directors periodically, but in no event less than once each year.

The Company believes that the Board's role in risk oversight is effective and appropriate given the extensive regulation to which it is already subject as a BDC. Specifically, as a BDC the Company must comply with certain regulatory requirements and restrictions that control the levels of risk in its business and operations. For example, the Company's ability to incur indebtedness is limited such that its asset coverage must equal at least 200% immediately after each time it incurs indebtedness, the Company generally has to invest at least 70% of its total assets in "qualifying assets" and, subject to certain exceptions, the Company is subject to restrictions on its ability to engage in transactions with Ares and its affiliates. In addition, the Company has elected to be treated as a regulated investment company ("RIC") under the Internal Revenue Code. As a RIC the Company must, among other things, meet certain source of income and asset diversification requirements.

The Company believes that the extent of the Board's (and its committees') role in risk oversight complements the Board's leadership structure because it allows the Company's independent directors, through the two fully independent Board committees, a lead independent director, executive sessions with each of the Company's Chief Compliance Officer, the Company's independent registered public accounting firm and independent valuation providers, and otherwise, to exercise oversight of risk without any conflict that might discourage critical review.

The Company believes that board roles in risk oversight must be evaluated on a case-by-case basis and that the Board's existing role in risk oversight is appropriate. However, the Board re-examines the manner in which it administers its risk oversight function on an ongoing basis to ensure that it continues to meet the Company's needs.

#### **Audit Committee**

The members of the audit committee are Ms. Bates and Messrs. Bartlett and Siegel, each of whom is independent for purposes of the Investment Company Act and The NASDAQ Global Select Market's corporate governance regulations. Ms. Bates currently serves as chairperson of the audit committee.

The role of the audit committee is to assist the Board in fulfilling its oversight responsibilities by (i) overseeing the Company's accounting and financial reporting processes and the audits of the Company's financial statements and internal control over financial reporting and (ii) reviewing the financial reports and other financial information provided by the Company to the public. The audit committee is also responsible for approving the Company's independent registered public accounting firm and recommending them to the Board (including a majority of the independent directors) for approval and submission to its stockholders for ratification, reviewing with its independent registered public accounting firm the plans and results of the audit engagement, approving professional services provided by its independent registered public accounting firm, reviewing the independence of its independent registered public accounting firm and reviewing the adequacy of its internal controls and procedures.

The audit committee also assists the Board in determining the fair value of debt and equity securities that are not publicly traded or for which current market values are not readily available, and in connection therewith recommends valuation policies to the Board, considers valuation issues with respect to liquid securities and reviews valuations of illiquid securities proposed by the investment

adviser. The audit committee also receives input from independent valuation firms that have been engaged at the direction of the Board to value certain portfolio investments. In addition, the audit committee is responsible for discussing with the Company's officers and management of the investment adviser the Company's major financial risk exposures and the steps the Company has taken to monitor and control such exposures, including the Company's risk assessment and risk management policies. The audit committee also reviews and approves all transactions with related persons of the Company that are brought to the audit committee's attention, including each annual renewal of the Company's investment advisory and management agreement and the Company's administration agreement.

This description of the audit committee's role and responsibilities is summary in nature, is not exhaustive and is qualified in its entirety by reference to the charter of the audit committee, which can be accessed via the Company's website at [www.arescapitalcorp.com](http://www.arescapitalcorp.com). The contents of the Company's website are not intended to be incorporated by reference into this proxy statement or in any other report or document it files with the Commission, and any references to the Company's website are intended to be inactive textual references only.

The Board has determined that Ms. Bates is an "audit committee financial expert" within the meaning of the rules of the Commission.

### **Nominating and Governance Committee**

The members of the nominating and governance committee are Messrs. McKeever, O'Bryan and Siegel, each of whom is independent for purposes of the Investment Company Act and The NASDAQ Global Select Market's corporate governance regulations. Mr. McKeever currently serves as chairman of the nominating and governance committee. The nominating and governance committee is responsible for (i) developing, reviewing and, as appropriate, updating certain policies regarding the nomination of directors and recommending such policies or any changes in such policies to the Board for approval, (ii) identifying individuals qualified to become directors, (iii) evaluating and recommending to the Board nominees to fill vacancies on the Board or a committee thereof or to stand for election by the stockholders of the Company, (iv) reviewing the Company's policies relating to corporate governance and recommending any changes in such policies to the Board, and (v) overseeing the evaluation of the Board (including its leadership structure) and its committees.

The role of the nominating and governance committee is to identify potential nominees based on suggestions from the members of the nominating and governance committee, other members of the Board, the Company's executive officers, management of the investment adviser and stockholders of the Company and by other means, and to evaluate such persons as a committee. In addition, from time to time, the Board may determine that it requires a director with a particular expertise or qualification and will actively recruit such a candidate.

In considering which persons to nominate as directors for election by stockholders, the Board and the nominating and governance committee consider the diversity of skills, experiences and perspectives of candidates. The nominating and governance committee has adopted certain policies regarding director nominations that provide that the Board shall take into account candidates that represent a range of backgrounds and experience. As required by such policies, qualified candidates for membership on the Board will be considered without regard to race, color, creed, religion, national origin, age, gender, sexual orientation or disability. The nominating and governance committee will review and evaluate each candidate's character, judgment, skills (including financial literacy), background, experience and other qualifications (without regard to whether a nominee has been recommended by the Company's stockholders), as well as the overall size and composition of the Board, and recommend to the Board for its approval the slate of directors to be nominated for election at the annual meeting of the Company's stockholders. In general, the Company seeks a Board that includes a diversity of perspectives and a broad range of experiences and includes individuals that

## Edgar Filing: ARES CAPITAL CORP - Form DEF 14A

possess backgrounds, skills, expertise and attributes that allow them to function collaboratively and effectively together in their oversight of the Company. The Board and its nominating and governance committee periodically review board composition and the policies with respect thereto and as part of this review, the nominating and governance committee evaluates the effectiveness of its policies, including the provisions with respect to diversity.

In considering possible candidates for election as a director, the nominating and governance committee takes into account, in addition to such other factors as it deems relevant, the desirability of selecting directors who:

are of high character and integrity;

are accomplished in their respective fields, with superior credentials and recognition;

have relevant expertise and experience upon which to be able to offer advice and guidance to the Company's officers and management of the investment adviser and the administrator;

have sufficient time available to devote to the affairs of the Company;

are able to work with the other members of the Board and contribute to the success of the Company;

can represent the long-term interests of the Company's stockholders as a whole; and

are selected such that the Board represents a range of backgrounds and experience.

The nominating and governance committee also considers all applicable legal and regulatory requirements that govern the composition of the Board.

The nominating and governance committee may consider recommendations for nomination of directors from the Company's stockholders. Nominations made by stockholders must be delivered to or mailed (setting forth the information required by the Bylaws) and received at the Company's principal executive offices not earlier than the 150th day and not later than 5:00 p.m., Eastern Time, on the 120th day prior to the first anniversary of the date on which the Company first mailed its proxy materials for the previous year's annual meeting of stockholders; *provided, however*, that if the date of the annual meeting has changed by more than 30 days from the prior year, the nomination must be received no earlier than the 150th day prior to the date of such annual meeting or later than 5:00 p.m., Eastern Time, on the later of (1) the 120th day prior to the date of such annual meeting or (2) the 10th day following the day on which public announcement of such meeting date is first made.

In addition to information regarding the nominating stockholder as set forth in the Bylaws, a stockholder's notice shall set forth as to each individual whom the stockholder proposes to nominate for election or reelection as a director:

the name, age, business address and residence address of such individual;

the class, series and number of any shares of stock of the Company that are beneficially owned by such individual;

the date such shares were acquired and the investment intent of such acquisition;

whether such stockholder believes any such individual is, or is not, an "interested person" of the Company, as defined in the Investment Company Act or is, or is not, "independent" as set forth in the requirements established by The NASDAQ Global Select Market or any other exchange or automated quotation service on which the Company's securities are listed, and information regarding such individual that is sufficient, in the discretion of the Board or any committee thereof or any authorized officer of the Company, to make either such determination; and

## Edgar Filing: ARES CAPITAL CORP - Form DEF 14A

all other information relating to such individual that is required to be disclosed in solicitations of proxies for election of directors in an election contest (even if an election contest is not involved), or is otherwise required, in each case pursuant to Regulation 14A under the Exchange Act (including such individual's written consent to being named in the proxy statement as a nominee and to serving as a director if elected).

All nominees properly submitted to the Company (or which the nominating and governance committee otherwise elects to consider) will be evaluated and considered by the members of the nominating and governance committee using the same criteria as nominees identified by the nominating and governance committee itself.

This description of the nominating and governance committee's role and responsibilities is summary in nature, is not exhaustive and is qualified in its entirety by reference to the charter of the nominating and governance committee, which can be accessed via the Company's website at [www.arescapitalcorp.com](http://www.arescapitalcorp.com). The contents of the Company's website are not intended to be incorporated by reference into this proxy statement or in any other report or document it files with the Commission, and any references to the Company's website are intended to be inactive textual references only.

### **Compensation Committee**

The role of the compensation committee is performed by the audit committee, which is comprised entirely of independent directors for purposes of the NASDAQ corporate governance requirements and rules and regulations of the Commission, including the compensation committee requirements of NASDAQ Marketplace Rule 5605(d) and Rule 5605(a)(2). The Company's executive officers do not receive any direct compensation from the Company. The audit committee charter contains all of the provisions that a compensation committee charter would be required to include under the NASDAQ corporate governance listing requirements and the rules and regulations of the Commission. In addition, pursuant to the audit committee charter, the amounts payable to the investment adviser and the administrator pursuant to the investment advisory and management agreement and administration agreement, respectively, are separately approved by the audit committee. The compensation payable to the investment adviser pursuant to the investment advisory and management agreement is also separately approved by a majority of the independent directors in accordance with Section 15(c) of the Investment Company Act.

The specific responsibilities of the audit committee, including those related to compensation, are set forth in the charter of the audit committee, which can be accessed via the Company's website at [www.arescapitalcorp.com](http://www.arescapitalcorp.com). The contents of the Company's website are not intended to be incorporated by reference into this proxy statement or in any other report or document it files with the Commission, and any references to the Company's website are intended to be inactive textual references only.

## COMPENSATION DISCUSSION

Our executive officers do not receive any direct compensation from us. We do not currently have any employees and do not currently expect to have any employees. Services necessary for our business are provided by individuals who are employees or other affiliates of the investment adviser or the administrator, pursuant to the terms of our investment advisory and management agreement and our administration agreement, respectively. Each of our executive officers is an employee or other affiliate of the investment adviser or the administrator. Our day-to-day investment operations are managed by the investment adviser. Most of the services necessary for the origination and administration of our investment portfolio are provided by individuals employed by the investment adviser or the administrator. In addition, we reimburse the administrator for its allocable portion of expenses incurred by it in performing its obligations under the administration agreement, including its allocable portion of the cost of certain of our officers and their respective staffs, and the investment adviser for certain expenses under the investment advisory and management agreement.

For the year ended December 31, 2015, in accordance with the investment advisory and management agreement, we accrued, and the investment adviser earned, base management fees and income-based incentive fees of \$134.3 million and \$121.4 million, respectively. Additionally, for the year ended December 31, 2015, the reduction in capital gains incentive fees calculated in accordance with United States generally accepted accounting principles was \$26.6 million and as of December 31, 2015, the total capital gains incentive fee payable calculated in accordance with GAAP was \$42.3 million. However, there was no capital gains incentive fee actually payable to the investment adviser as calculated under our investment advisory and management agreement for the year ended December 31, 2015. In addition, during the year ended December 31, 2015, Ares Operations incurred \$14.2 million of allocable expenses that were payable by the Company under the administration agreement.

The Company has entered into indemnification agreements with each of its current directors and officers and members of the investment adviser's investment committee and intends to enter into indemnification agreements with each of its future directors and officers and future members of the investment adviser's investment committee. The indemnification agreements provide these directors, officers and other persons the maximum indemnification permitted under Maryland law and the Investment Company Act. The agreements provide, among other things, for the advancement of expenses and indemnification for liabilities that such person may incur by reason of his or her status as a present or former director or officer or member of the investment adviser's investment committee in any action or proceeding arising out of the performance by such person as a present or former director or officer or member of the investment adviser's investment committee.

### **CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS**

The Company has procedures in place for the review, approval and monitoring of transactions involving the Company and certain persons related to it. For example, the Company has a code of conduct that generally prohibits any employee, officer or director of the Company from engaging in any transaction where there is a conflict between such individual's personal interest and the interests of the Company. Waivers to the code of conduct can generally only be obtained from the Chief Compliance Officer, the co-chairs of the Board or the chairperson of the audit committee and are publicly disclosed as required by applicable law and regulations. In addition, the audit committee is required to review and approve all related-party transactions (as defined in Item 404 of Regulation S-K).

As a BDC, the Company is also subject to certain regulatory requirements that restrict the Company's ability to engage in certain related-party transactions. The Company has separate policies and procedures that have been adopted to ensure that it does not enter into any such prohibited transactions without seeking necessary approvals.

The Company is party to an investment advisory and management agreement with Ares Capital Management, a subsidiary of Ares Management, an entity in which certain directors and officers of the Company and members of the investment committee of the investment adviser may have indirect ownership and pecuniary interests. Certain directors and officers of the Company and members of the investment committee of the investment adviser also serve as officers or principals of other investment managers affiliated with Ares Management that currently, and may in the future, manage investment funds with investment objectives similar to the Company's investment objective. In addition, certain of the Company's officers and directors and the members of the investment committee of the investment adviser serve or may serve as officers, directors or principals of entities that operate in the same or related line of business as the Company or of investment funds managed by the Company's affiliates. Accordingly, the Company may not be made aware of and/or be given the opportunity to participate in certain investments made by investment funds managed by advisers affiliated with Ares Management. However, the investment adviser intends to allocate investment opportunities in a fair and equitable manner in accordance with the investment adviser's investment allocation policy.

Pursuant to the terms of the administration agreement between Ares Operations and the Company, Ares Operations, a subsidiary of Ares Management, currently provides the Company with certain administrative and other services necessary to conduct the Company's day-to-day operations, and the Company reimburses Ares Operations, at cost, for the Company's allocable portion of overhead and other expenses (including travel expenses) incurred by Ares Operations in performing its obligations under the administration agreement, including the Company's allocable portion of the cost of certain of its officers (including its chief compliance officer, chief financial officer, chief accounting officer, general counsel, secretary and treasurer) and their respective staffs, but not investment professionals.

The Company's portfolio company, Ivy Hill Asset Management, L.P. ### **PROPOSAL 2: RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The audit committee and the Board, including a majority of the independent directors, have selected KPMG LLP as the independent registered public accounting firm for the Company for the year ending December 31, 2016 and are submitting the selection of KPMG LLP to the stockholders for ratification.

If the stockholders fail to ratify the selection, the audit committee and the Board will reconsider whether or not to continue to retain KPMG LLP. Even if the selection is ratified, the audit committee and the Board may direct the appointment of a different independent registered public accounting firm at any time during the year if they determine that such a change would be in the best interests of the Company and its stockholders.

KPMG LLP has advised the Company that neither the firm nor any present member or associate of it has any financial interest, direct or indirect, in the Company or its affiliates.

The Company expects that a representative of KPMG LLP will be present at the Annual Meeting, will have an opportunity to make a statement if he or she so chooses and will be available to answer questions.

*Notwithstanding anything to the contrary set forth in any of the Company's previous filings under the Securities Act of 1933, as amended (the "Securities Act"), or the Exchange Act that might incorporate future filings, including this proxy statement, in whole or in part, the following Report of the Audit Committee shall not be deemed to be "soliciting material" or to be "filed" with the Commission, nor shall such information be incorporated by reference into any such filings under the Securities Act or the Exchange Act.*

**REPORT OF THE AUDIT COMMITTEE**

The role of the audit committee (the "Audit Committee") of the board of directors (the "Board") of Ares Capital Corporation (the "Company") is to assist the Board in fulfilling its oversight responsibilities by (1) overseeing the Company's accounting and financial reporting processes and the audits of the Company's financial statements and internal control over financial reporting and (2) reviewing the financial reports and other financial information provided by the Company to the public. However, it is not the Audit Committee's duty to plan or conduct the audits or to determine that the Company's financial statements are complete, accurate and in accordance with generally accepted accounting principles or that its internal control over financial reporting is effective. The Company's management is responsible for the preparation, presentation and integrity of its financial statements, for its accounting and financial reporting principles and for the establishment and effectiveness of internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations.

The independent registered public accounting firm is responsible for performing an independent audit of the Company's financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) and expressing an opinion as to the conformity of such financial statements with generally accepted accounting principles in the United States of America and for auditing and reporting on the effectiveness of the Company's internal control over financial reporting.

The Audit Committee has reviewed and discussed the Company's audited financial statements, along with management's assessment of the effectiveness of the Company's internal control over financial reporting and the independent registered public accounting firm's evaluation of the Company's internal control over financial reporting, with management and with KPMG LLP, the Company's independent registered public accounting firm for 2015. The Audit Committee has received from KPMG LLP the written disclosures and the letter required by applicable requirements of the Public Company Accounting Oversight Board Rule 3526, *Communication with Audit Committees Concerning Independence*, regarding the independent registered public accounting firm's communications with the Audit Committee concerning independence, and have discussed with the independent registered public accounting firm its independence.

The Board has determined that each member of the Audit Committee is independent for purposes of the Investment Company Act of 1940, as amended, and The NASDAQ Global Select Market's corporate governance regulations. The Board has also determined that each member is able to read and understand fundamental financial statements, as such qualifications are defined under the rules of The NASDAQ Global Select Market's corporate governance regulations, and that Ms. Bates is an "audit committee financial expert" within the meaning of the rules of the Securities and Exchange Commission (the "Commission").

Based on the review and discussions referred to above, the Audit Committee has recommended to the Board that the audited consolidated financial statements for the year ended December 31, 2015 be included in the Company's Annual Report on Form 10-K for such year for filing with the Commission. In addition, the Audit Committee has approved, and recommended to the Board that it approve, KPMG LLP to serve as the Company's independent registered public accounting firm for the year ending December 31, 2016 and that the selection of KPMG LLP be submitted to the Company's stockholders for ratification.

**HOUSEHOLDING OF PROXY MATERIALS**

The Commission has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement and annual report addressed to those stockholders. This process, which is commonly referred to as "householding," potentially means extra convenience for stockholders and cost savings for companies.

This year a number of brokers with account holders who are the Company's stockholders will be "householding" the Company's proxy materials. A single proxy statement will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. If you have received notice from your broker that it will be "householding" communications to your address, "householding" will continue until you are notified otherwise or until you revoke your consent. We will promptly deliver a separate copy of these documents to you upon written or oral request to our Investor Relations Department at Ares Capital Corporation, 245 Park Avenue, 44<sup>th</sup> Floor, New York, New York 10167 or 888-818-5298. If, at any time, you no longer wish to participate in "householding" and would prefer to receive a separate proxy statement and annual report, please notify your broker. Stockholders who currently receive multiple copies of the proxy statement and annual report at their addresses and would like to request "householding" of their communications should contact their brokers.

**Important Notice Regarding the Availability of Proxy Materials for the Annual Meeting of Stockholders to be held on May 12, 2016**

**The Notice of Annual Meeting, Proxy Statement and Annual Report on Form 10-K for the fiscal year ended December 31, 2015 are available at <https://materials.proxyvote.com/04010L>.**
