ANNUAL MEETING OF STOCKHOLDERS

To Be Held Thursday, September 8, 2016

PROXY STATEMENT

The Board of Directors of Marathon Patent Group, Inc. (the "Company") is soliciting proxies from its stockholders to be used at the annual meeting of stockholders to be held at 11111 Santa Monica Blvd., Suite 210, Los Angeles, CA 90025, on Thursday, September 8, 2016, beginning at 10:00 a.m. local time, and at any postponements or adjournments thereof. This proxy statement contains information related to the annual meeting. This proxy statement and the accompanying form of proxy are first being sent to stockholders on or about August 1, 2016.

ABOUT THE ANNUAL MEETING

Why did I receive these materials?

Our Board of Directors is soliciting proxies for the 2016 annual meeting of stockholders. You are receiving a proxy statement because you owned shares of our common stock on August 1, 2016 (the "Record Date") and that entitles you to vote at the meeting. By use of a proxy, you can vote whether or not you attend the meeting. This proxy statement describes the matters on which we would like you to vote and provides information on those matters so that you can make an informed decision.

What information is contained in this proxy statement?

The information in this proxy statement relates to the proposals to be voted on at the annual meeting, the voting process, our Board, the compensation of Directors and Executive Officers and other information that the Securities and Exchange Commission requires us to provide annually to our stockholders.

Who is entitled to vote at the meeting?

Holders of our voting capital stock as of the close of business on the Record Date will receive notice of, and be eligible to vote at, the annual meeting and at any adjournment or postponement of the annual meeting. At the close of business on the Record Date, we had outstanding and entitled to vote 982,004 shares of common stock and 982,004 shares of Series B Preferred Stock, convertible into 982,004 shares of common stock.

How many votes do I have?

Each outstanding share of our common stock you owned as of the Record Date will be entitled to one vote for each matter considered at the meeting. There is no cumulative voting.

Who can attend the meeting?

Only persons with evidence of stock ownership as of the Record Date or who are invited guests of the Company may attend and be admitted to the annual meeting of the stockholders. Stockholders with evidence of stock ownership as of the record date may be accompanied by one guest. Photo identification may be required (a valid driver's license, state identification or passport). If a stockholder's shares are registered in the name of a broker, trust, bank or other nominee, the stockholder must bring a proxy or a letter from that broker, trust, bank or other nominee or their most recent brokerage account statement that confirms that the stockholder was a beneficial owner of shares

Table of Contents

of stock of the Company as of the Record Date. Since seating is limited, admission to the meeting will be on a first-come, first-served basis.

Cameras (including cell phones with photographic capabilities), recording devices and other electronic devices will not be permitted at the meeting.

What constitutes a quorum?

The presence at the meeting, in person or by proxy, of the holders of a majority of the voting power of our capital stock issued and outstanding on the Record Date will constitute a quorum, permitting the conduct of business at the meeting. Proxies received but marked as abstentions or broker non-votes, if any, will be included in the calculation of the number of votes considered to be present at the meeting for purposes of a quorum.

How do I vote?

If you are a holder of record (that is, your shares are registered in your own name with our transfer agent), you can vote either in person at the annual meeting or by proxy without attending the annual meeting. We urge you to vote by proxy even if you plan to attend the annual meeting so that we will know as soon as possible that enough votes will be present for us to hold the meeting.

Each stockholder receiving proxy materials by mail may vote by proxy by using the accompanying proxy card. When you return a proxy card that is properly signed and completed, the shares represented by your proxy will be voted as you specify on the proxy card.

If you hold your shares in "street name," you must either direct the bank, broker or other record holder of your shares as to how to vote your shares, or obtain a proxy from the bank, broker or other record holder to vote at the meeting. Please refer to the voter instruction cards used by your bank, broker or other record holder for specific instructions on methods of voting, including by telephone or by using the Internet.

Your shares will be voted as you indicate. If you return the proxy card but you do not indicate your voting preferences, then your shares will not be voted with respect to any proposal. The Board and management do not intend to present any matters at this time at the annual meeting other than those outlined in the notice of the annual meeting. Should any other matter requiring a vote of stockholders arise, stockholders returning the proxy card confer upon the individuals designated as proxy's discretionary authority to vote the shares represented by such proxy on any such other matter in accordance with their best judgment.

Can I change my vote?

Yes. If you are a stockholder of record, you may revoke or change your vote at any time before the proxy is exercised by filing a notice of revocation with our Secretary or by mailing a proxy bearing a later date or by attending the annual meeting and voting in person. For shares you hold beneficially in "street name," you may change your vote by submitting new voting instructions to your bank, broker, other record holder of your shares or other nominee or, if you have obtained a legal proxy from your bank, broker, other record holder of your shares or other nominee giving you the right to vote your shares, by attending the meeting and voting in person. In either case, the powers of the proxy holders will be suspended if you attend the meeting in person and so request, although attendance at the meeting will not by itself revoke a previously granted proxy.

Who is soliciting this proxy?

We are soliciting this proxy on behalf of our Board of Directors and will pay all expenses associated with this solicitation. In addition to mailing these proxy materials, certain of our officers and

Table of Contents

other employees may, without compensation other than their regular compensation, solicit proxies through further mailing or personal conversations, or by telephone, facsimile or other electronic means. We will also, upon request, reimburse brokers and other persons holding stock in their names, or in the names of nominees, for their reasonable out-of-pocket expenses for forwarding proxy materials to the beneficial owners of our stock and to obtain proxies.

Will stockholders be asked to vote on any other matters?

To the knowledge of the Company and its management, stockholders will vote only on the matters described in this proxy statement. However, if any other matters properly come before the meeting, the persons named as proxies for stockholders will vote on those matters in the manner they consider appropriate.

What vote is required to approve each item?

Election of Class II director requires a plurality of the votes cast at the annual meeting. The approval of the issuance of securities in one or more non-public offerings where the maximum discount at which securities will be offered will be equivalent to a discount of 25% below the market price of our common stock, as required by and in accordance with Nasdaq Marketplace Rule 5635(d), the approval of any change of control that could result from the potential issuance of securities in the non-public offerings following approval of Proposal 2, as required by and in accordance with Nasdaq Marketplace Rule 5635(b) and the ratification of the appointment of SingerLewak LLP ("SingerLewak") requires the affirmative vote of a majority of the votes cast for these proposals.

How are votes counted?

With regard to the election of directors, votes may be cast in favor or withheld and votes that are withheld will be excluded entirely from the vote and will have no effect. You may not cumulate your votes for the election of directors.

For the other proposals, you may vote "FOR," "AGAINST" or "ABSTAIN." Abstentions are considered to be present and entitled to vote at the meeting and, therefore, will have the effect of a vote against each of the proposals.

If you hold your shares in "street name," the Company has supplied copies of its proxy materials for its 2016 annual meeting of stockholders to the broker, bank or other nominee holding your shares of record and they have the responsibility to send these proxy materials to you. Your broker, bank or other nominee that have not received voting instructions from their clients may not vote on any proposal other than the appointment of SingerLewak. These so-called "broker non-votes" will be included in the calculation of the number of votes considered to be present at the meeting for purposes of determining a quorum, but will not be considered in determining the number of votes necessary for approval of any of the proposals and will have no effect on the outcome of any of the proposals other than the approval of the amendment to our articles of incorporation to provide for a classified board of directors. Your broker, bank or other nominee is permitted to vote your shares on the appointment of SingerLewak as our independent auditor without receiving voting instructions from you.

What should I do if I receive more than one set of voting materials?

You may receive more than one set of voting materials, including multiple copies of this proxy statement and multiple proxy cards or voting instruction cards. For example, if you hold your shares in more than one brokerage account, you may receive a separate voting instruction card for each brokerage account in which you hold shares. If you are a stockholder of record and your shares are registered in more than one name, you will receive more than one proxy card. Please vote your shares applicable to each proxy card and voting instruction card that you receive.

Table of Contents

How can I find out the Results of the Voting at the Annual Meeting?

Preliminary voting results will be announced at the Annual Meeting. Final voting results will be published in a Current Report on Form 8-K, which we will file within four business days of the meeting.

Do I Have Dissenters' Rights of Appraisal?

Under the Nevada Revised Statutes and our charter documents, holders of our common stock will not be entitled to statutory rights of appraisal, commonly referred to as dissenters' rights or appraisal rights (i.e., the right to seek a judicial determination of the "fair value" of their shares and to compel the purchase of their shares for cash in that amount) with respect to the proposals contained herein.

What Interest Do Officers and Directors Have in Matters to Be Acted Upon?

No person who has been a director or executive officer of the Company at any time since the beginning of our fiscal year, and no associate of any of the foregoing persons, has any substantial interest, direct or indirect, in any matter to be acted upon, other than Proposal 1, the election of two nominees as Class II directors set forth herein.

Our Board does not have a policy on whether the same person should serve as both the Chief Executive Officer and Chairman of the Board or, if the roles are separate, whether the Chairman should be selected from the non-employee directors or should be an employee. Our Board believes that it should have the flexibility to periodically determine the leadership structure that it believes is best for the Company. The Board believes that its current leadership structure, with Mr. Croxall serving as both Chief Executive Officer and Board Chairman, is appropriate given the efficiencies of having the Chief Executive Officer also serve in the role of Chairman.

Vote Required

The affirmative vote of the holders of a plurality of the common stock present at the 2016 annual meeting of stockholders is required for approval of this proposal.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THIS PROPOSAL NO. 1.

PROPOSAL NO. 2

APPROVAL OF ISSUANCE OF SECURITIES IN ONE OR MORE NON-PUBLIC OFFERINGS WHERE THE MAXIMUM DISCOUNT AT WHICH SECURITIES WILL BE OFFERED WILL BE EQUIVALENT TO A DISCOUNT OF 25% BELOW THE MARKET PRICE OF OUR COMMON STOCK IN ACCORDANCE WITH NASDAQ MARKETPLACE RULE 5635(d)

Our common stock is currently listed on The Nasdaq Capital Market and, as such, we are subject to Nasdaq Marketplace Rules. Nasdaq Marketplace Rule 5635(d) ("Rule 5635(d)") requires us to obtain stockholder approval prior to the issuance of our common stock in connection with certain non-public offerings involving the sale, issuance or potential issuance by the Company of common stock (and/or securities convertible into or exercisable for common stock) equal to 20% or more of the common stock outstanding before the issuance. Shares of our common stock issuable upon the exercise or conversion of warrants, options, debt instruments, preferred stock or other equity securities issued or granted in such non-public offerings will be considered shares issued in such a transaction in determining whether the 20% limit has been reached, except in certain circumstances such as issuing warrants that are not exercisable for a minimum of six months and have an exercise price that exceeds market value. We may effectuate the approved offerings or transactions in one or more transactions, subject to the limitations herein.

We may seek to raise additional capital to implement our business strategy and enhance our overall capitalization. We have not determined the particular terms for such prospective offerings. Because we may seek additional capital that triggers the requirements of Rule 5635(d), we are seeking stockholder approval now, so that we will be able to move quickly to take full advantage of any opportunities that may develop in the equity markets.

Edgar Filing: Marathon Patent Group, Inc. - Form PRE 14A

Table of Contents

We hereby submit this Proposal 2 to our stockholders for their approval of the potential issuance of shares of our common stock, or securities convertible into our common stock, in one or more non-public capital-raising transactions, or offerings, subject to the following limitations:

The maximum discount at which securities will be offered (which may consist of a share of common stock and a warrant for the issuance of up to an additional share of common stock) will be equivalent to a discount of 25% below the market price of our common stock at the time of issuance in recognition of the limited public float of our traded common stock and historical volatility making the pricing discount of our stock required by investors at any particular time difficult, at this time, to predict. For example, as reported in our Annual Report on Form 10-K filed with the SEC on March 30, 2016, the range of high and low closing prices for our common stock as reported by The Nasdaq Capital Market, for the period December 31, 2014 through December 31, 2015 was \$8.43 and \$1.34, respectively;

The aggregate number of shares issued in the offerings will not exceed 12,000,000 shares of our common stock, subject to adjustment for any reverse stock split effected prior to the offerings (including pursuant to preferred stock, options, warrants, convertible debt or other securities exercisable for or convertible into common stock);

The total aggregate consideration will not exceed \$35,000,000;

Such offerings will occur, if at all, on or before September 8, 2017, unless a shorter time is required by Nasdaq; and

Such other terms as the Board of Directors shall deem to be in the best interests of the Company and its stockholders, not inconsistent with the foregoing.

The issuance of shares of our common stock, or other securities convertible into shares of our common stock, in accordance with any offerings would dilute, and thereby reduce, each existing stockholder's proportionate ownership in our common stock. The stockholders do not have preemptive rights to subscribe to additional shares that may be issued by the Company in order to maintain their proportionate ownership of the common stock.

The issuance of shares of common stock in one or more non-public offerings could have an anti-takeover effect. Such issuance could dilute the voting power of a person seeking control of the Company, thereby deterring or rendering more difficult a merger, tender offer, proxy contest or an extraordinary corporate transaction opposed by the Company.

The Board of Directors has not yet determined the terms and conditions of any offerings. As a result, the level of potential dilution cannot be determined at this time, but as discussed above, we may not issue more than 12,000,000 shares of common stock in the aggregate pursuant to the authority requested from stockholders under this proposal (subject to adjustment for any reverse stock split). It is possible that if we conduct a non-public stock offering, some of the shares we sell could be purchased by one or more investors who could acquire a large block of our common stock. This would concentrate voting power in the hands of a few stockholders who could exercise greater influence on our operations or the outcome of matters put to a vote of stockholders in the future.

We cannot determine what the actual net proceeds of the offerings will be until they are completed, but as discussed above, the aggregate dollar amount of the non-public offerings will be no more than \$35,000,000. If all or part of the offerings is completed, the net proceeds will be used for general corporate purposes. We currently have no arrangements or understandings regarding any specific transaction with investors, so we cannot predict whether we will be successful should we seek to raise capital through any offerings.

PROPOSAL NO. 3

APPROVAL OF ANY CHANGE OF CONTROL THAT COULD RESULT FROM THE POTENTIAL ISSUANCE OF SECURITIES IN ONE OR MORE NON-PUBLIC OFFERINGS AS AUTHORIZED BY THE STOCKHOLDERS IN PROPOSAL 2 IN ACCORDANCE WITH NASDAQ MARKETPLACE RULE 5635(b)

Nasdaq Marketplace Rule 5635(b) requires us to obtain stockholder approval prior to certain issuances with respect to common stock or securities convertible into common stock which will result in a change of control of the Company. This rule does not specifically define when a change in control of a Company may be deemed to occur. However, guidance suggests that a change of control would occur, subject to certain limited exceptions, if after a transaction a person or an entity will hold 20% or more of the Company's then outstanding capital stock. For the purpose of calculating the holdings of such person or entity, The Nasdaq Capital Market would take into account, in addition to the securities received by such person or entity in the transaction, all of the shares owned by such person or entity unrelated to the transaction and would assume the conversion of any convertible securities held by such person or entity. We do not anticipate that the issuance of securities pursuant to Proposal 2, as applicable, if authorized by the stockholders, will result in a change in control. We are seeking the stockholders' approval on any change in control in accordance with Nasdaq Marketplace Rule 5635(b) in the event that potential issuance of securities in the offerings proposed in Proposal 2, as applicable, would result in a change in control.

Stockholders should note that a change of control as described under Nasdaq Marketplace Rule 5635(b) applies only with respect to the application of such Nasdaq rule. Neither Nevada law nor our articles of incorporation or bylaws requires us to obtain stockholder approval of such change in control.

Vote Required for Approval

The affirmative vote of a majority of the votes cast for this proposal is required to approve any change of control that could result from the potential issuance of securities in the non-public offerings following approval of Proposal 2, as required by and in accordance with Nasdaq Marketplace Rule 5635(b).

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE "FOR" THIS PROPOSAL NO. 3.

INDEPENDENT REGISTERED CERTIFIED PUBLIC ACCOUNTING FIRM FEES AND SERVICES

During the years ended December 31, 2015, and 2014, we engaged SingerLewak LLP as our independent auditor. For the years ended December 31, 2015, and 2014, we incurred fees as discussed below:

	Fiscal Year Ended	
	December 31, 2015	December 31, 2014
Audit fees	\$ 246,947	\$ 214,891
Audit-related fees		
Tax fees	12,297	13,382
All other fees		

Audit fees consist of fees related to professional services rendered in connection with the audit of our annual financial statements. All other fees relate to professional services rendered in connection with the review of the quarterly financial statements.

Our policy is to pre-approve all audit and permissible non-audit services performed by the independent accountants. These services may include audit services, audit-related services, tax services and other services. Under our audit committee's policy, pre-approval is generally provided for particular services or categories of services, including planned services, project based services and routine consultations. In addition, the audit committee may also pre-approve particular services on a case-by-case basis. Our audit committee approved all services that our independent accountants provided to us in the past two fiscal years.

AUDIT COMMITTEE REPORT

The Audit Committee has reviewed and discussed the audited financial statements with management, which has represented that the financial statements were prepared in accordance with accounting principles generally accepted in the United States. The Audit Committee discussed with management the quality and acceptability of the accounting principles employed, including all critical accounting policies used in the preparation of the financial statements and related notes, the reasonableness of judgments made, and the clarity of the disclosures included in the statements.

The Audit Committee also reviewed our consolidated financial statements for fiscal 2015 with SingerLewak, our independent auditors for fiscal 2015, who are responsible for expressing an opinion on the conformity of those audited financial statements with accounting principles generally accepted in the United States. The Board of Directors has discussed with SingerLewak the matters required to be discussed by Statement on Auditing Standards No. 61, as amended.

Table of Contents

The Audit Committee has received the written disclosures and the letter from SingerLewak mandated by applicable requirements of the Public Company Accounting Oversight Board regarding the independent auditors' communications with the Board of Directors concerning independence and has discussed with SingerLewak its independence and has considered whether the provision of non-audit services provided by SingerLewak is compatible with maintaining SingerLewak's independence.

Based on the reviews and discussions referred to above, the Board of Directors recommended that the audited financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2015 for filing with the Securities and Exchange Commission. The Board of Directors has selected SingerLewak as our independent auditor for 2016.

Respectfully submitted by the Audit Committee,

Edward Kovalik
William Rosellini
Richard Tyler

The foregoing Audit Committee Report does not constitute soliciting material and shall not be deemed filed or incorporated by reference into any other filing of our company under the Securities Act of 1933, as amended, or the Exchange Act, except to the extent we specifically incorporate this Audit Committee Report by reference therein.
