VOTING AT ANNUAL MEETING

General

The close of business on the Record Date of April 16, 2015 has been fixed as the record date for determination of the Shareholders entitled to notice of, and to vote at the Annual Meeting (the [Record Date](#)). As of the Record Date, there were issued and outstanding 5,158,667 shares of Common Stock entitled to vote. A majority of such shares will constitute a quorum for the transaction of business at the Annual Meeting. The holders of record on the Record Date of the shares entitled to be voted at the Annual Meeting are entitled to cast one vote per share on each matter submitted to a vote at the Annual Meeting. All action proposed herein may be taken upon a favorable vote of the

holders of a majority of such shares of Common Stock represented at the Annual Meeting provided a quorum is present at the meeting in person or by proxy.

Proxies

Shares of Common Stock which are entitled to be voted at the Annual Meeting and which are represented by properly executed proxies will be voted in accordance with the instructions indicated in such proxies. If no instructions are indicated, such shares will be voted: **(1) FOR election of Melvin H. Brown and Robert Southworth to the Corporation's Board of Directors; (2) FOR ratification of DeCoria, Maichel & Teague P.S. as Independent Auditors; (3) FOR the advisory vote/ say on pay ; (4) Other business.**

A Shareholder who has executed and returned a proxy may revoke it at any time before it is voted at the Annual Meeting by executing and returning a proxy bearing a later date, by giving written notice of revocation to the Secretary of the Corporation, or by attending the Annual Meeting and voting in person or delivering instruction to the Corporation via email and with written confirmation. A proxy is not revoked by the death or incompetence of the maker unless, before the authority granted there under is exercised, written notice of such death or incompetence is received by the Corporation from the executor or administrator of the estate or from a fiduciary having control of the shares represented by such proxy.

The indication of an abstention on a proxy or the failure to vote either by proxy or in person will be treated as neither a vote for nor against the election of any Director. Each of the other matters must be approved by the affirmative vote of a majority of shares present in person or represented by proxy at the meeting and entitled to vote, assuming a quorum is present. Abstention from voting will have the practical effect of voting against these matters since it is one less vote for approval. The shares of a Shareholder whose ballot on any or all proposals is marked as abstain will be included in the number of shares present at the Annual Meeting for the purpose of determining the presence of a quorum.

Broker non-votes, shares held by brokers or custodians for the accounts of others as to which voting instructions have not been given, will be treated as shares that are present for determining a quorum, but will not be counted for purposes of determining the number of votes cast with respect to a proposal. If you are the beneficial owner of shares held by a broker or other custodian, you may instruct your broker how you would like your shares voted through the voting instruction form included with this Proxy Statement.

If you wish to vote the shares you own beneficially at the meeting, you must first request and obtain a legal proxy from your broker or other custodian. If you choose not to provide instructions or a legal proxy, your shares are referred to as uninstructed shares. Whether your broker or custodian has the discretion to vote these shares on your behalf are routine matters for consideration at the meeting, in this case, items 2 and 3, the advisory vote for say on pay proposals. Prior to January 1, 2010 brokers and custodians were allowed to vote uninstructed shares in uncontested director elections. **As of January 1, 2010, brokers and custodians can no longer vote uninstructed shares on your**

behalf in director elections. For your vote to be counted, you must submit your voting instruction form to your broker or custodian.

1	Election of Directors	Majority of shares cast	Not counted	Not voted
2	Ratification of	Majority of shares cast	Not counted	Discretionary vote

The Corporation will bear all the costs and expenses relating to the solicitation of proxies, including the costs of preparing, printing and mailing this Proxy Statement and accompanying material to shareholders. DeCoria, Maichel & Teague P.S. Independent Certified Public Accountants (DM-T), have been selected by the Board of Directors as the Independent Auditors for the Company for the fiscal year ending December 31, 2015. Shareholder ratification of the selection of DM-T as the Company's Independent Auditors is not required by the Bylaws or otherwise. However, Management is submitting the selection of DM-T to the Shareholders for ratification as a matter of corporate practice. If the Shareholders fail to ratify the selection, Management will reconsider whether or not to retain that firm. Even if the selection is ratified, Management in its discretion may direct the appointment of a different independent accounting firm at any time during the year if the Audit Committee determines that such a change would be in the best interests of the Company and its Shareholders.

All audit, non-audit, tax services, and other services performed by the independent accountants are pre-approved by the Board of Directors to assure that such services do not impair the auditors' independence from the Company. The Company does not use DM-T for financial information system design and implementation. We do not engage DM-T to provide compliance outsourcing services.

All audit, non-audit, tax services, and other services performed by our independent accountants are pre-approved by our Audit Committee to assure that such services do not impair the auditors' independence from us. We do not use DeCoria Maichel & Teague for financial information system design and implementation. These services, which include designing or implementing a system that aggregates source data underlying the financial statements or generates information that is significant to our financial statements, are provided internally. THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR PROPOSAL 2

PROPOSAL 3: Say on Pay

The Company is providing its shareholders with the opportunity to cast an advisory vote on executive compensation (a *say-on-pay-proposal*) as described below. Pursuant to Section 14A of the Securities Exchange Act of 1934, as amended, stockholders are entitled to an advisory (non-binding) vote on compensation programs for our named executive officers (sometimes referred to as *say on pay*). In accordance, we are asking stockholders to approve, on an advisory basis, the compensation of the Company's listed officers disclosed in the Compensation Discussion and Analysis, and Executive Compensation Summary Compensation Table and the related compensation tables, notes, and narrative in this Proxy Statement for our 2015 Annual Stockholders Meeting. The Company believes that it is appropriate to seek the views of shareholders on the design and effectiveness of the Company's executive compensation program. Therefore, in accordance with that policy and pursuant to Section 14A of the Securities Exchange Act of 1934, as amended, we are asking stockholders to approve, on an advisory basis, the compensation of the Company's listed officers disclosed in Compensation Discussion and Analysis, the Summary Compensation table and the related compensation tables, notes, and narrative in this proxy statement for our 2015 Annual Stockholders Meeting.

As described below in the Compensation Discussion and Analysis section of this proxy statement, our compensation program and stock option plan are designed to support its business goals and promote short- and long-term profitable growth of the Company and align compensation with the long-term interests of our stockholders.

We urge stockholders to read the Compensation Discussion and Analysis section of this proxy statement, which describes in more detail how our executive compensation policies and procedures operate and are designed to achieve our compensation objectives, as well as the Summary Compensation table and other related compensation tables and narratives, which provide detailed information on the compensation of our listed officers. The Board believes that the policies and procedures articulated in Compensation Discussion and Analysis are effective in achieving our goals and that the compensation of our listed officers reported in this proxy statement has supported and contributed to the company's recent and long-term success.

Approval of this proposal requires the affirmative vote of a majority of the shares present at the meeting, in person or represented by proxy, and entitled to vote. Because the vote is advisory, it will not be binding upon the Board and the Board will not be required to take any action as a result of the outcome of the vote on this proposal. The Board will carefully assess the voting results, and if those results reflect any broadly held issues or concerns, we will consult directly with stockholders to better understand their views.

PROPOSAL 4: OTHER MATTERS

As of the date of this Proxy Statement, the Board of Directors is not aware of any matters that will be presented for action at the Annual Meeting other than those described above. Should other business properly be brought before the Annual Meeting, it is intended that the accompanying Proxy will be voted thereon in the discretion of the persons named as proxies.

The Corporation's By-Laws address indemnification of Directors and Officers. Washington Law provides that Washington corporations may include within their Articles of Incorporation provisions eliminating or limiting the personal liability of their Directors and Officers in Shareholder actions brought to obtain damages for alleged breaches of fiduciary duties, as long as the alleged acts or omissions did not involve intentional misconduct, fraud, a knowing violation of law or payment of dividends in violation of the Washington statutes. Washington law also allows Washington corporations to include in their Articles of Incorporation or Bylaws provisions to the effect that expenses of Officers and Directors incurred in defending a civil or criminal action must be paid by the Corporation as they are incurred, subject to an undertaking on behalf of the Officer or Director that he or she will repay such expenses if it is ultimately determined by a court of competent jurisdiction that such Officer or Director is not entitled to be indemnified by the Corporation because such Officer or Director did not act in good faith and in a manner reasonably believed to be in or not opposed to the best interests of the Corporation. The Corporation's Articles of Incorporation provide that a Director or Officer is not personally liable to the Corporation or its Shareholders for damages for any breach of fiduciary duty as a Director or Officer, except for liability for (i) acts or omissions which involve intentional misconduct, fraud or a knowing violation of law, or (ii) the payment of distribution in violation of Washington Business Corporation Act.

COMPENSATION DISCUSSION AND ANALYSIS/ EXECUTIVE COMPENSATION

The following discussion reflects compensation paid to Named Executive Officers (NEOs) during our fiscal year 2014, Please see the Summary Compensation Table and the footnotes therein, below.

General Philosophy and Objectives

In general, our objectives in structuring compensation programs for our NEOs is to attract, retain, incentivize, and reward talented executives who can contribute to our growth and success and thereby build value for our shareholders over the long term. In the past, we have focused on cash compensation in the form of base salary as the primary element of our compensation program for NEOs.

As in past years, we do not have any executive compensation policies in place, and our Board of Directors is responsible for annually evaluating individual executive performance. Our Board of Directors reviews and approves all of our executive compensation packages, and determined the appropriate level of each compensation component for each NEO based upon available compensation data. The Board of Directors also relies on its members' business judgment and collective experience. Although it did not benchmark our executive compensation program and practices, the Board of Directors believes that our executive compensation levels have historically been at or below compensation levels for comparable executives in other companies of similar size and stage of development in similar industries and locations.

Say-on-Pay Vote

SEC rules require ELST to disclose whether and, if so, how it considered the results of the most recent Say-on-Pay vote in determining compensation policies and decisions and how that consideration has affected its executive compensation decisions and policies.

Responsive to the foregoing requirement, the Board of Directors considered the fact that over 63.23% of the votes represented at the 2013 Annual Meeting that could be cast, were cast FOR the Say-on-Pay proposal at the 2013 Annual Meeting with respect to 2013 named executive officer compensation, as disclosed in the 2013 proxy statement. Because of the substantial support from shareholders, the Board of Directors did not make any changes to ours executive compensation decisions and policies as a result of the Say-on-Pay vote in 2013. The Board of Directors will continue to consider the results of the annual Say-on-Pay votes in their future compensation policies and decisions.

Elements of Our Compensation Program

The three primary components of our executive compensation program are: (i) base salary, (ii) incentive compensation in the form of cash bonuses, and (iii) equity compensation.

Base salary is determined by the Board of Directors for the CEO, and by the CEO for the other named Executive Officer. Cash bonuses are based on profitability of the company at year end. Bonuses are not paid if net income before taxes is less than \$100,000. Equity compensation is awarded by the Board of Directors.

Except as disclosed above, no other compensation in the form of stock grants, options or bonuses were given to the above Officers and Directors during the year ending December 31, 2014.

The Company does not have written employment agreements with Messrs. Kirchner or Eller.

Compensation Risk Assessment

As required by rules adopted by the SEC, Management has made an assessment of the Company's compensation policies and practices with respect to all employees to determine whether risks arising from those policies and practices are reasonably likely to have a material adverse effect on the Company. In doing so, Management considered various features and elements of the compensation policies and practices that discourage excessive or unnecessary risk taking. As a result of the assessment, the Company has determined that its compensation policies and practices do not create risks that are reasonably likely to have a material adverse effect on the Company.

Compensation and Assessment

The Board determines the compensation for the Company's directors and officers, based on industry standards and the Company's financial situation. Other than stock options granted to directors from time to time and reasonable expenses. The Board of Directors voted for remuneration of \$300 per quarter to be paid in arrears for their acting in such capacity, effective January 1, 2015. The Board assesses, on an annual basis, the contribution of the Board as a whole and each individual Director, in order to determine whether each is functioning effectively. If prudent, changes are made.

Summary Compensation Table

CORPORATE GOVERNANCE

Board Meetings

During the fiscal year ended December 31, 2014 the Board of Directors held three meetings on February 27, 2014, June 6, 2014 and December 19, 2014. The Audit Committee met on one occasion in 2014. All Directors attended the meetings either physically or via teleconference.

Committees

There are two continuing committees of the Board of Directors, namely, an Audit Committee and Employee/Director Stock Option Committee. There is no Compensation, Nominating or other committees.

Audit Committee

The Board has established an Audit Committee. The Audit Committee of the Board of Directors as of December 31, 2014 is comprised of Robert Southworth (Chairman), Melvin Brown, and John Schooley. It operates under a written charter adopted by the Board, a copy of which is included in the proxy statement as Appendix I. Melvin Brown is considered to be non-independent members of the Audit Committee, however their serving on the Audit Committee was deemed by the Board to be in the best interest of the Corporation due to their experience and familiarity with the Corporation. The Board of Directors has determined that none of the Audit Committee members can be classified as an audit committee financial expert as defined by the Securities Exchange Act. The Board of Directors does not contain a member that can be classified as an audit committee financial expert under the referenced definition. The Board of Directors believes that attracting and retaining at least one audit committee member that could be classified as an audit committee financial expert is unlikely due to the high cost of such Director candidates.

The Audit Committee's report for the Financial Statements for the year ended December 31, 2014 is attached to this proxy statement as Appendix II. The Sarbanes-Oxley Act of 2002 added a number of provisions to Federal law to strengthen the authority of, and increase the responsibility of, corporate audit committees. In accordance with the Sarbanes-Oxley Act, the Audit Committee has ultimate authority and responsibility to select, compensate, evaluate and, when appropriate, replace the Corporation's independent auditors. The Audit Committee members are not professional accountants or auditors and their functions are not intended to duplicate or to certify the activities of Management and the independent auditors, nor can the Audit Committee certify that the independent auditors are independent under applicable rules. The Audit Committee serves as a board-level oversight, in which it provides advice, counsel and direction to Management and the auditors on the basis of the information it receives, discussion with Management and the auditors, and the experience of the Audit Committee's members in business and financial matters.

Employee/Director Stock Option Committee

On February 10, 2012, the Board of Directors established an Employee/Director Stock Option Committee comprised of T. L. Kirchner. The Committee existed for the sole purpose of recommending recipients and amounts of stock options awarded during 2014. There is no charter for the Employee/Director Stock Option Committee.

Compensation Committee Interlocks and Insider Participation

The following Director and Executive Officer served as a member of the Employee/Director Stock Option Committee during some or all of fiscal year 2014: Tom Kirchner.

Related Person Transactions Policy and Procedures

As set forth in the written charter of the Audit Committee, any related person transaction involving a Company Director or Executive Officer must be reviewed and approved by the Audit Committee. Any member of the Audit Committee who is a related person with respect to a transaction under review may not participate in the deliberations or vote on the approval or ratification of the transaction. Related persons include any Director or Executive Officer, certain Shareholders and any of their immediate family members (as defined by SEC regulations). In addition, the Board of Directors determines on an annual basis which directors meet the definition of Independent Director under the Nasdaq Listing Rules and reviews any Director relationship that would potentially interfere with his or her exercise of independent judgment in carrying out the responsibilities of a director.

Code of Ethics

The Company has adopted a Code of Ethics, which applies to the business conduct of Directors, Officers, and Employees. On June 2, 2005, our Board of Directors adopted a code of ethics that applies to all of our Employees, Officers and Directors, including those Officers responsible for financial reporting. Our Code of Ethics is available for viewing on our website at www.esteem.com. A copy of the Code of Ethics may also be obtained without charge by written request to the Company's Corporate Secretary. If we make any substantive amendments to our Code or grant any waiver, including any implicit waiver from a provision of the Code for our directors or executive officers, we will disclose the nature of such amendment or waiver in a report on Form 8-K. Our Code of Ethics is attached as

an exhibit to our report on Form 8-K, as filed March 26, 2008.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act requires that the Corporation's Directors, Executive Officers, and the holders of 10% or more of the Corporation's common stock, to file reports of ownership and changes in ownership with the Securities and Exchange Commission. Officers, Directors, and Shareholders holding more than 10% of the Corporation's common stock are required by the Regulation to furnish the Corporation with copies of all Section 16(a) forms they have filed.

During the year ended December 31, 2014, to the knowledge of Management, there was no Director, Officer, or Beneficial Owner of more than 10% of any class of equity securities of the registrant who failed to file on a timely basis the required disclosure form as required by Section 16(a) of the Securities and Exchange Act of 1934.

SHAREHOLDER PROPOSALS AND OTHER MATTERS

The Corporation's next annual meeting is scheduled for June 4, 2016. A Shareholder who desires to have a qualified proposal considered for inclusion in the Proxy Statement for that meeting must notify the Secretary of the terms and content of the proposal no later than March 17, 2016. The Corporation's By-Laws outline the procedures including notice provisions, for Shareholder nomination of Directors and other Shareholder business to be brought before Shareholders at the Annual Meeting. At the time of submission of such proposal a Shareholder must have been of record or beneficial owner of at least 1% of the outstanding shares or \$1,000 worth of stock in the Corporation, and have held such stock for at least one year and through the date on which the meeting is held. A copy of the pertinent By-Law provisions is available upon written request to Michael Eller, Vice President, Electronic Systems Technology, Inc., 415 North Quay Street, Building B1, Kennewick, Washington 99336.

FORM 10-K

Any Shareholder of record may obtain a copy of the Corporation's Annual Report on Form 10-K for the fiscal year ended December 31, 2014 (the "Form 10-K"), without cost, upon written request to the Secretary of the Corporation.

The Form 10-K is not part of the proxy solicitation material for the Annual Meeting.
