Item 8.01 Other Events

On March 24, 2016, the Company answered and counterclaimed the revised Complaint, previously reported as the original Complaint served on December 21, 2015, in the Ada County District Court, State of Idaho, styled *Idaho State Gold Co. II, LLC, an Idaho limited liability company v. South Mountain Mines Inc.* Case No. CV OC 1510506 (the Lawsuit). The Original Complaint named as defendants South Mountain Mines, Inc. and Thunder Mountain Resources, both of which are Nevada corporations, wholly-owned by THMG, but according to a judge's Order, was withdrawn and resubmitted on March 14, 2016.

In the March 24, 2016 detailed Answer and Counter Claim, the Company details that Idaho Gold Company II, LLC (ISGC II) failed to make its Initial Contribution described by the relevant Agreement; and, in any case, ISGC II has not provided accounting consistent with generally accepted accounting practices nor an independent audit required for issuance of ownership units and that significant damages are payable by ISGC II to the Company. The Company response also proves that the allegations and claims in the Complaint are without merit.

The initial Lawsuit alleged that the Company's subsidiary has wrongly failed to issue ownership units in Owyhee Gold Territory, LLC, in connection with the operation and management of the Owyhee Gold Territory LLC (previously referred to as Owyhee Gold Trust, LLC (hereinafter OGT LLC) and the South Mountain Project.

The information contained in this Current Report shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the Exchange Act) or incorporated by reference in any filing under the Exchange Act or the Securities Act of 1933, as amended, except as shall be expressly set forth by specific reference in such a filing.
