On February 3, 2012, Cash Paymaster Services (Pty) Ltd, a wholly-owned subsidiary of Net 1 UEPS Technologies, Inc. (CPS) and the South African Social Security Agency (SASSA) entered into a Contract for the Payment of Social Grants, together with a related Service Level Agreement (collectively, the Agreements) pursuant to which CPS will provide SASSA with its payment service for social grants in all of South Africa's nine provinces.

Under the Agreements, CPS will effect payment, on behalf of SASSA, of social grants to all persons who are entitled to receive such grants in all of South Africa's provinces, for a firm price of ZAR16.44 per beneficiary paid, inclusive of VAT. CPS's primary services include the enrollment of all eligible recipients, issuance of a smart card to each recipient and the biometric validation and payment of social grants to such recipients. The Agreements do not provide for a minimum or maximum number of beneficiaries. SASSA is required to fund all grants two working days prior to the date on which the grant payment is to be made by CPS.

The term of the Agreements commences on April 1, 2012 and terminates on March 31, 2017. The Agreements contain provisions for enrollment of new recipients and transition to CPS's payment service prior to the commencement date for beneficiaries who were previously paid by other service providers.

The foregoing description of the Agreements does not purport to be complete and is qualified in its entirety by reference to the full text of the Agreements, which are attached hereto as Exhibits 99.1 and 99.2 and incorporated herein by reference.
