PROXY STATEMENT

The Board of Directors (the **Board**) of Leatt Corporation, a Nevada corporation (the **Company, we, us** or **our**) is furnishing this proxy statement (the **Proxy Statement**) and the accompanying proxy to you to solicit your proxy for the 2015 Annual Meeting of Stockholders (the **Annual Meeting**). The Annual Meeting will be held on Tuesday, December 15, 2015, at 10:00 a.m., ET, at DresnerAllenCaron, a division of Dresner Corporate Service, 276 Fifth Avenue, Suite 604, New York, New York, USA.

It is anticipated that the Notice of Internet Availability of Proxy Materials will be mailed to stockholders on or about November 4, 2015.

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING

What is this proxy statement?

You have received this Proxy Statement and our 2014 annual report (the **Annual Report**) because our Board is soliciting your proxy to vote your shares at the Annual Meeting. This Proxy Statement includes information that we are required to provide to you under the rules of the Securities and Exchange Commission (**SEC**) and that is designed to assist you in voting your shares.

What is the purpose of the Annual Meeting?

At the Annual Meeting, our stockholders will act upon the matters described in this Proxy Statement. These actions include the election of directors; ratification of the appointment of the independent registered public accounting firm (which we sometimes refer to as the **independent auditors**); and approval of the amendment of the Company's 2011 Equity Incentive Plan to increase the maximum number of shares of common stock of the Company that may be issued and sold to 920,000. An additional purpose of the Annual Meeting is to transact any other business that may properly come before the Annual Meeting and any and all adjournments or postponements of the Annual Meeting.

Who can attend the Annual Meeting?

All stockholders of record at the close of business on November 2, 2015 (the **Record Date**), or their duly appointed proxies, may attend the Annual Meeting.

What proposals will be voted on at the Annual Meeting?

Stockholders will vote on three proposals at the Annual Meeting:

- the election of directors;
- the ratification of the appointment of Fitzgerald as the Company's independent auditors for the year ending December 31, 2015;
- the approval of the amendment of the Company's 2011 Equity Incentive Plan to increase the maximum number of shares of common stock of the Company that may be issued and sold to 920,000;
- an advisory vote to approve the compensation of our named executive officers as disclosed in this Proxy Statement; and
- an advisory vote on the frequency of holding an advisory vote on executive compensation.

What are the Board's recommendations?

Our Board recommends that you vote:

- **FOR** election of the three individuals listed in this proxy statement to the Board of Directors;
- **FOR** ratification of the appointment of Fitzgerald as the Company's independent auditors for the year ending December 31, 2015;
- **FOR** approval of the amendment of the 2011 Equity Incentive Plan to increase the maximum number of shares of common stock of the Company that may be issued and sold to 920,000; and
- **FOR** approval of the compensation of our named executive officers as disclosed in this Proxy Statement.

The Board has not made a recommendation on the frequency of holding an advisory vote on executive compensation. Stockholders may vote for having an advisory vote every year, every two years, or every three years, or they may abstain from voting on this proposal.

Will there be any other business on the agenda?

The Board knows of no other matters that are likely to be brought before the Annual Meeting. If any other matters properly come before the Annual Meeting, however, the persons named in the enclosed proxy, or their duly appointed substitute acting at the Annual Meeting, will be authorized to vote or otherwise act on those matters in accordance with their judgment.

Who is entitled to vote?

Only stockholders of record at the close of business on November 2, 2015, which we refer to as the Record Date, are entitled to notice of, and to vote at, the Annual Meeting. As of the Record Date, there were 5,231,823 shares of our common stock outstanding and 120,000 shares of our preferred stock issued and outstanding. Holders of common stock as of the Record Date are entitled to one vote for each share of common stock held for each of the proposals. Holders of our preferred stock as of the Record date are entitled to 100 votes for each share of preferred stock held for each of the proposals. No other class of voting securities is outstanding on the date of mailing of this Proxy Statement.

What is the difference between holding shares as a stockholder of record and as a beneficial owner?

Stockholder of Record. If your shares are registered directly in your name with our transfer agent, Interwest Transfer Company, Inc., you are considered, with respect to those shares, the stockholder of record. This proxy and our Annual Report have been sent directly to you by us.

Beneficial Owner. If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in street name. This proxy and the Annual Report have been forwarded to you by your broker, bank or nominee who is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker, bank or nominee how to vote your shares by using the voting instructions included in with your proxy materials.

How do I vote my shares?

Whether you hold shares directly as a registered stockholder of record or beneficially in street name, you may vote without attending the Annual Meeting. You may vote by granting a proxy or, for shares held beneficially in street name, by submitting voting instructions to your stockbroker, trustee or nominee. In most cases, you will be able to do this by using the Internet or telephone or by mail, if you received a printed set of the proxy materials.

By Internet If you have Internet access, you may submit your proxy via the Internet by following the instructions provided in the Notice of Annual Meeting of Stockholders accompanying this Proxy Statement (the **Notice**), or if you received a printed version of the proxy materials by mail, by following the instructions provided with your proxy materials and on your proxy card or voting instruction card.

By Telephone or Mail If you received printed proxy materials, you may submit your proxy by telephone by following the instructions provided on your proxy card or voting instruction card. If you received a Notice, you may submit your proxy by telephone after accessing the proxy materials via the Internet. You may also submit your proxy by mail by signing your proxy card if your shares are registered or, for shares held beneficially in street name, by following the voting instructions included by your stockbroker, trustee or nominee, and mailing it in the envelope provided. If you provide specific voting instructions, your shares will be voted as you have instructed. Voting by telephone is not available to persons outside of the United States.

Telephone and Internet voting facilities for stockholders of record will be available 24 hours a day and will close at 11:59 p.m. (EDT) on December 14, 2015.

If you vote by proxy, the individuals named on the proxy card (your “**proxies**”) will vote your shares in the manner you indicate.

You may specify how your shares should be voted for each of the proposals. If you grant a proxy without indicating your instructions, your shares will be voted as follows:

- FOR election of the three individuals listed in this proxy statement to the Board of Directors;
- FOR ratification of the appointment of Fitzgerald as the Company’s independent auditors for the year ending December 31, 2015;
- FOR approval of the amendment of the Company’s 2011 Equity Incentive Plan to increase the maximum number of shares of common stock of the Company that may be issued and sold to 920,000; and
- FOR approval of the compensation of our named executive officers as disclosed in this Proxy Statement.

Each share of our common stock is entitled to one vote and each share of our preferred stock is entitled to 100 votes per share voting with the common stock.

What constitutes a quorum?

A quorum is the presence, in person or by proxy, of the holders of a majority of the shares of the common stock entitled to vote. Under Nevada law, an abstaining vote and a broker “non-vote” are counted as present and are, therefore, included for purposes of determining whether a quorum of shares is present at the Annual Meeting.

What is a broker “non-vote” and what is its effect on voting?

If you are a beneficial owner of shares held in street name and do not provide the organization that holds your shares with specific voting instructions, under the rules of various national and regional securities exchanges, the organization that holds your shares may generally vote on routine matters but cannot vote on non-routine matters. If the organization that holds your shares does not receive instructions from you on how to vote your shares on a non-routine matter, the organization that holds your shares does not have the authority to vote on the matter with respect to those shares. This is generally referred to as a “broker non-vote.”

Proposal 2 (ratification of auditors) involves a matter that we believe will be considered routine. All other proposals involve matters that we believe will be considered non-routine. We encourage you to provide voting instructions to the organization that holds your shares by carefully following the instructions provided on your proxy card.

What is required to approve each item?

- For Proposal No. 1 (election of directors), each director must be elected by a majority of votes cast with respect to such director (i.e., the number of shares voted “for” a director nominee must exceed the number of votes “withheld” from that nominee). Abstentions and broker non-votes are not counted for purposes of the election of directors.
- For Proposal No. 2 (ratification of independent auditors) and Proposal No. 3 (amendment of 2011 Equity Incentive Plan), the affirmative vote of the holders of a majority of the stockholders’ shares present in person or represented by proxy at the Annual Meeting and entitled to vote, is required.
- For any other matters on which stockholders are entitled to vote, the affirmative vote of the holders of a majority of the stockholders’ shares present in person or represented by proxy at the Annual Meeting and entitled to vote, is required.

For the purpose of determining whether the stockholders have approved matters other than the election of directors, abstentions are treated as shares present or represented and voting, so abstaining has the same effect as a negative vote. If stockholders hold their shares through a broker, bank or other nominee and do not instruct them how to vote, the broker may have authority to vote the shares for routine matters.

Stockholders may not cumulate votes in the election of directors, which means that each stockholder may vote no more than the number of shares he or she owns for a single director candidate.

Our bylaws require that, in uncontested elections, each director be elected by the majority of votes cast with respect to such director. This means that the number of shares voted “for” a director nominee must exceed the number of votes “withheld” from that nominee in order for that nominee to be elected. Only votes “for” or “withheld” are counted as votes cast with respect to a director. Abstentions and broker non-votes will have no effect.

How will shares of common stock represented by properly executed proxies be voted?

All shares of common stock represented by proper proxies will, unless such proxies have previously been revoked, be voted in accordance with the instructions indicated in such proxies. If you do not provide voting instructions, your shares will be voted in accordance with the Board’s recommendations as set forth herein. In addition, if any other matters properly come before the Annual Meeting, the persons named in the enclosed proxy, or their duly appointed substitute acting at the Annual Meeting, will be authorized to vote or otherwise act on those matters in accordance with their judgment.

Can I change my vote or revoke my proxy?

Any stockholder executing a proxy has the power to revoke such proxy at any time prior to your shares being voted. You may revoke your proxy prior to your shares being voted by calling 1-866-752-VOTE (8683), or by accessing the Internet website <https://www.iproxydirect.com/LEAT>, or in writing by execution of a subsequently dated proxy, or by a written notice of revocation, sent to the attention of the Corporate Secretary at Leatt Corporation, Suite 109, Private Bag X3, Bloubaerg, 7443, Western Cape, South Africa, or by attending and voting in person at the Annual Meeting. Unless revoked, the shares represented by timely received proxies will be voted in accordance with the directions given therein. Your most current proxy card or telephone or Internet proxy is the one that is counted.

If the Annual Meeting is postponed or adjourned for any reason, at any subsequent reconvening of the Annual Meeting, all proxies will be voted in the same manner as the proxies would have been voted at the previously convened Annual Meeting (except for any proxies that have at that time effectively been revoked or withdrawn), even if the proxies had been effectively voted on the same or any other matter at a previous Annual Meeting.

How are proxies solicited?

In addition to the mail solicitation of proxies, our officers, directors, employees and agents may solicit proxies by written communication, telephone or personal call. These persons will receive no special compensation for any solicitation activities. We will reimburse banks, brokers and other persons holding common stock for their expenses in forwarding proxy solicitation materials to beneficial owners of our common stock.

Who paid for this proxy solicitation?

The cost of preparing, printing, assembling and mailing this proxy statement and other material furnished to stockholders in connection with the solicitation of proxies is borne by us.

What is “householding?”

The SEC has adopted rules that allow a company to deliver a single proxy statement or annual report to an address shared by two or more of its stockholders. This method of delivery, known as “householding,” permits us to realize significant cost savings, reduces the amount of duplicate information stockholders receive, and reduces the environmental impact of printing and mailing documents to you. Under this process, certain stockholders of record who do not participate in electronic delivery of proxy materials will receive only one copy of our proxy materials and

any additional proxy materials that are delivered until such time as one or more of these stockholders notifies us that they want to receive separate copies.

Any stockholders who wish to opt out of, or wish to begin, householding may contact our Corporate Secretary through one of the following methods:

- by sending a written request by mail to:

Leatt Corporation
Suite 109, Private Bag X3, Bloubergrant, 7443, Western Cape, South Africa
Attention: Corporate Secretary

- by calling our Corporate Secretary, at +(27) 21-557-7257.

How do I learn the results of the voting at the Annual Meeting?

The preliminary voting results will be announced at the Annual Meeting. The final results will be published in our current report on Form 8-K to be filed with the SEC within four business days after the date of the Annual Meeting, provided that the final results are available at such time. In the event the final results are not available within such time period, the preliminary voting results will be published in our current report on Form 8-K to be filed within such time period, and the final results will be published in an amended current report on Form 8-K/A to be filed within four business days after the final results are available.

Can I receive future stockholder communications electronically through the Internet?

Yes. You may elect to receive future notices of meetings, proxy materials and annual reports electronically through the Internet. To consent to electronic delivery, vote your shares using the Internet. At the end of the Internet voting procedure, the on-screen Internet voting instructions will tell you how to request future stockholder communications be sent to you electronically.

Once you consent to electronic delivery, you must vote your shares using the Internet and your consent will remain in effect until withdrawn. You may withdraw this consent at any time during the voting process and resume receiving stockholder communications in print form.

Whom may I contact for further assistance?

If you have any questions about giving your proxy or require any assistance, please contact our Corporate Secretary:

- by mail to:

Leatt Corporation
Suite 109, Private Bag X3, Bloubergrant, 7443, Western Cape, South Africa
Attention: Corporate Secretary

- by telephone at +(27) 21-557-7257.

Except as set forth below and in our previous reports filed with the SEC, we believe that all of our executive officers, directors and beneficial owner of more than 10% of a registered class of our equity securities complied with the applicable filing requirements during fiscal year 2014.

In making these statements, we have relied upon examination of the copies of all Section 16(a) forms provided to us and the written representations of our executive officers, directors and beneficial owners of more than 10% of a registered class of our equity securities.

CORPORATE GOVERNANCE

Our current corporate governance practices and policies are designed to promote stockholder value and we are committed to the highest standards of corporate ethics and diligent compliance with financial accounting and reporting rules. Our Board provides independent leadership in the exercise of its responsibilities. Our management oversees a system of internal controls and compliance with corporate policies and applicable laws and regulations, and our employees operate in a climate of responsibility, candor and integrity.

The Board and Committees of the Board

We are governed by a Board that currently consists of three members as identified above. Our board of directors currently has two standing committees: the Audit Committee and Compensation Committee, which, pursuant to delegated authority, perform various duties on behalf of and report to the Board. From time to time, the Board may establish other committees.

Audit Committee

Our Audit Committee is currently composed of two members: Mr. Jeffrey Guzy and Mr. Macdonald. Mr. Guzy serves as Chair of the Audit Committee and our Board determined that he is an independent director within the meaning of the NASDAQ Marketplace Rules.

Our Audit Committee oversees our accounting and financial reporting processes and the audits of our financial statements. It is responsible for, among other things:

- selecting our independent auditors and pre-approving all auditing and non-auditing services permitted to be performed by our independent auditors;
- reviewing with our independent auditors any audit problems or difficulties and management's response;
- reviewing and approving all proposed related-party transactions;
- discussing the annual audited financial statements with management and our independent auditors;
- reviewing the adequacy and effectiveness of our internal control over financial reporting;
- annually reviewing and reassessing the adequacy of our audit committee charter;
- such other matters that are specifically delegated to our Audit Committee by our Board from time to time;
- meeting separately and periodically with management and our internal and independent auditors; and
- reporting regularly to the full Board.

Our Board has determined that Mr. Guzy is the audit committee financial expert as such term is defined in Item 407(d) of Regulation S-K promulgated by the SEC and also meets NASDAQ's financial sophistication requirements.

Compensation Committee

Our Compensation Committee is currently composed of one member: Mr. Jeffrey Guzy. Only Mr. Guzy, who serves as Chair of the Compensation Committee, is independent within the meaning of the NASDAQ Marketplace Rules.

Our Compensation Committee assists the Board in reviewing and approving the compensation structure of executive officers, including all forms of compensation to be provided to our executive officers. Our chief executive officer may not be present at any committee meeting during which his compensation is deliberated.

The Compensation Committee is responsible for, among other things:

- approving and overseeing the compensation package for our executive officers;
- reviewing and approving corporate goals and objectives relevant to the compensation of our chief executive officer, evaluating the performance of our chief executive officer in light of those goals and objectives, and setting the compensation level of our chief executive officer based on this evaluation; and
- reviewing periodically and making recommendations to the Board regarding any long-term incentive compensation or equity plans, programs or similar arrangements, annual bonuses, employee pension and welfare benefit plans.

Governance Structure

The Board believes that the interests of all stockholders are best served at the present time through a leadership model with a separate Board Chair and CEO. However, the Board retains authority to combine the positions of Board Chair

and CEO at any time. The current CEO and Board Chair possess an in-depth knowledge of the Company, its integrated operations, and the array of challenges to be faced, gained through years of combined experience in the industry. The Board believes that these experiences and other insights put them in the best position to provide broad leadership for the Company and the Board, respectively, as they consider strategy and exercise fiduciary responsibilities to stockholders, as the case may be.

The Board's Role in Risk Oversight

The Board oversees that the assets of the Company are properly safeguarded, that the appropriate financial and other controls are maintained, and that the Company's business is conducted wisely and in compliance with applicable laws and regulations and proper governance. Included in these responsibilities is the Board of Directors' oversight of the various risks facing the Company. In this regard, the Board seeks to understand and oversee critical business risks. The Board does not view risk in isolation. Risks are considered in virtually every business decision and as part of the Company's business strategy. The Board recognizes that it is neither possible nor prudent to eliminate all risk. Indeed, purposeful and appropriate risk-taking is essential for the Company to be competitive on a global basis and to achieve its objectives.

While the Board oversees risk management, Company management is charged with managing risk. The Company has internal processes and an internal control environment to identify and manage risks and to communicate with the Board. The Board and the Audit Committee monitor and evaluate the effectiveness of the internal controls and the risk management program at least annually. The Board implements its risk oversight function both as a whole and through Committees. Much of the work is delegated to various Committees, which meet regularly and report back to the full Board. All Committees play significant roles in carrying out the risk oversight function. In particular:

- The Audit Committee oversees risks related to the Company's financial statements, the financial reporting process, accounting and legal matters. The Audit Committee oversees the internal audit function and the Company's ethics programs, including the Code of Ethics. The Audit Committee members meet separately with representatives of the independent auditing firm; and
- The Compensation Committee evaluates the risks and rewards associated with the Company's compensation philosophy and programs. The Compensation Committee reviews and approves compensation programs with features that mitigate risk without diminishing the incentive nature of the compensation. Management discusses with the Compensation Committee the procedures that have been put in place to identify and mitigate potential risks in compensation.

Independent Directors

Our Board has determined that the Mr. Jeffrey Guzy qualifies as an independent director of the Board within the meaning of applicable NASDAQ Marketplace Rules and Section 301 of the Sarbanes-Oxley Act of 2002. Mr. Guzy serves as Chairman of each of the Audit Committee and Compensation Committee of the Board.

Board, Committee and Annual Meeting Attendance

During 2015, the Board held three meetings and acted by written consent 3 times. During the period our Audit Committee met twice and acted by written consent once. Each director attended at least 75% of all Board and applicable committee meetings. During 2015, the Compensation Committee acted once by consent.

Our directors are expected to attend Board meetings as frequently as necessary to properly discharge their responsibilities and to spend the time needed to prepare for each such meeting. We encourage our directors to attend annual shareholder meetings, but we do not have a formal policy requiring them to do so.

Code of Ethics

On April 30, 2012, our Board adopted a code of ethics, which applies to all of our directors, officers and employees, including our principal executive officer, principal financial officer, and principal accounting officer. The code of ethics is designed to deter wrongdoing and to promote honest and ethical conduct, including the ethical handling of actual or apparent conflicts of interest between personal and professional relationships; full, fair, accurate, timely and understandable disclosure in reports and documents that we file with, or submit to, the SEC, and in other public

communications that we made; compliance with applicable government laws, rules and regulations; the prompt internal reporting of violations of the code to the appropriate person or persons; and accountability for adherence to the code. We believe that our reputation is a valuable asset and must continually be guarded by all associated with us so as to earn the trust, confidence and respect of our suppliers, customers and stockholders.

Printed copies of our code of ethics may be obtained, without charge, by contacting the Corporate Secretary, Leatt Corporation, 50 Kiepersol Drive, Atlas Gardens, Contermanskloof Road, Durbanville, Western Cape, South Africa, 7441. During the year ended December 31, 2014, there were no waivers of our code of ethics.

Stockholder Communication with the Board

Stockholders and other interested parties may communicate with the Board, including non-management directors, by sending a letter to our board of directors, c/o Corporate Secretary, Leatt Corporation, Suite 109, Private Bag X3, Bloubergrant, 7443, Western Cape, South Africa, for submission to the Board or committee or to any specific director to whom the correspondence is directed. REPORT OF THE AUDIT COMMITTEE

The Audit Committee of the Board is comprised of one non-employee Director, who has been determined by the Board to be independent under the meaning of Rule 10A-3(b)(1) under the Exchange Act. The Board has determined, based upon an interview of Mr. Jeffrey Guzy and a review of Mr. Guzy's responses to a questionnaire designed to elicit information regarding his experience in accounting and financial matters, that Mr. Guzy shall be designated as an Audit Committee financial expert within the meaning of Item 401(e) of SEC Regulation S-K, as Mr. Guzy has past employment experience in finance or accounting, requisite professional certification in accounting, or any other comparable experience or background which results in his financial sophistication. The Audit Committee operates pursuant to a written charter adopted by the Board. The Audit Committee is responsible for overseeing the corporate accounting and financing reporting practices, recommending the selection of the Company's registered public accounting firm, reviewing the extent of non-audit services to be performed by the auditors, and reviewing the disclosures made in the Company's periodic financial reports. The Audit Committee also reviews and recommends to the Board that the audited financial statements be included in the Company's Annual Report on Form 10-K.

Following the end of the fiscal year ended December 31, 2014, the Audit Committee (1) reviewed and discussed the audited financial statements for the fiscal year ended December 31, 2014 with Company management; (2) discussed with the independent auditors the matters required to be discussed by SAS 61 as amended, (AICPA, Professional Standards, Vol.1 AU Section 380), as adopted by the Public Company Accounting Oversight Board (United States) and (3) received the written disclosures and the letter from the independent public accounting firms required by applicable requirements of the Public Company Accounting Oversight Board (United States) regarding the independent public accounting firm's communications with the Audit Committee concerning independence, and has discussed with the independent public accounting firm its independence.

Based on the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2014 for filing with the SEC.

Since December 31, 2014, the Company has entered into a Director Agreement, dated July 8, 2015, with Board Chairman, Dr. Christopher Leatt, pursuant to which, in addition to his duties with the Company's Research and Development department, Dr. Leatt agreed to devote as much time as is necessary to perform the duties of a director

of the Company, including duties as a member of any committees that he may be appointed to by the Board of Directors, including but not limited to assisting the Company with the development of business and new business strategies relating to the objectives of the Company, participation in the Company's investor relations activities, including road shows and shareholder communication activities, and participation in corporate strategy decisions of the Company. Dr. Leatt will receive a base fee of \$5,000 per month as compensation for his services, and the Company has agreed to indemnify him to the full extent allowed by law except where such indemnification is prohibited due to intentional misconduct, fraud or knowing violation of law. Either party may terminate the Director Agreement at any time upon six months' written notice unless he resigns from his position or is removed by shareholders of the Company prior to such termination.

Limitation of Liability and Indemnification

Section 78.138 of the NRS provides that a director or officer will not be individually liable unless it is proven that (i) the director's or officer's acts or omissions constituted a breach of his or her fiduciary duties, and (ii) such breach involved intentional misconduct, fraud or a knowing violation of the law.

Section 78.7502 of NRS permits a company to indemnify its directors and officers against expenses, judgments, fines and amounts paid in settlement actually and reasonably incurred in connection with a threatened, pending or completed action, suit or proceeding if the officer or director (i) is not liable pursuant to NRS 78.138 or (ii) acted in good faith and in a manner the officer or director reasonably believed to be in or not opposed to the best interests of the corporation and, if a criminal action or proceeding, had no reasonable cause to believe the conduct of the officer or director was unlawful.

Section 78.751 of NRS permits a Nevada company to indemnify its officers and directors against expenses incurred by them in defending a civil or criminal action, suit or proceeding as they are incurred and in advance of final disposition thereof, upon receipt of an undertaking by or on behalf of the officer or director to repay the amount if it is ultimately determined by a court of competent jurisdiction that such officer or director is not entitled to be indemnified by the company. Section 78.751 of NRS further permits the company to grant its directors and officers additional rights of indemnification under its articles of incorporation or bylaws or otherwise.

Section 78.752 of NRS provides that a Nevada company may purchase and maintain insurance or make other financial arrangements on behalf of any person who is or was a director, officer, employee or agent of the company, or is or was serving at the request of the company as a director, officer, employee or agent of another company, partnership, joint venture, trust or other enterprise, for any liability asserted against him and liability and expenses incurred by him in his capacity as a director, officer, employee or agent, or arising out of his status as such, whether or not the company has the authority to indemnify him against such liability and expenses.

Our Articles of Incorporation provide that no director or officer of the Company will be personally liable to the Company or any of its stockholders for damages for breach of fiduciary duty as a director or officer; provided, however, that the foregoing provision shall not eliminate or limit the liability of a director or officer (i) for acts or omissions which involve intentional misconduct, fraud or knowing violation of law, or (ii) the payment of dividends in violation of Section 78.300 of NRS. In addition, our Bylaws implement the indemnification and insurance provisions permitted by Chapter 78 of the NRS by providing that:

- The Company shall indemnify its directors to the fullest extent permitted by the NRS and may, if and to the extent authorized by the board of directors, so indemnify its officers and any other person whom it has the power to indemnify against liability, reasonable expense or other matter whatsoever.
- The Company may at the discretion of the board of directors purchase and maintain insurance on behalf of any person who holds or who has held any position identified in the paragraph above against any and all liability incurred by such person in any such position or arising out of his status as such.

Insofar as indemnification by us for liabilities arising under the Securities Act may be permitted to our directors, officers or persons controlling the company pursuant to provisions of our articles of incorporation and bylaws, or otherwise, we have been advised that in the opinion of the SEC, such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable. In the event that a claim for indemnification by such director, officer or controlling person of us in the successful defense of any action, suit or proceeding is asserted by such director, officer or controlling person in connection with the securities being offered, we will, unless in the opinion of our counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by us is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

Other than as disclosed herein, there is no pending litigation or proceeding involving any of our directors or executive officers to which indemnification is required or permitted, and we are not aware of any threatened litigation or proceeding that may result in a claim for indemnification.

TRANSACTIONS WITH RELATED PERSONS, PROMOTERS AND CERTAIN CONTROL PERSONS

Transactions with Related Persons

The following includes a summary of transactions since the beginning of the last fiscal year, or any currently proposed transaction, in which we were or are to be a participant and the amount involved exceeded or exceeds \$120,000, and in which any related person had or will have a direct or indirect material interest (other than compensation described under Executive Compensation). We believe the terms obtained or consideration that we paid or received, as applicable, in connection with the transactions described below were comparable to terms available or the amounts that would be paid or received, as applicable, in arm's-length transactions.

On March 1, 2006, we entered into a Licensing Agreement with Xceed Holdings (formerly, Leatt Brace Holdings), a South African company that is controlled by Dr. Leatt, the Company's Chairman, and by Mr. De Villiers until his resignation on August 29, 2006. Under the terms of the Licensing Agreement, we are obligated to pay Xceed Holdings 4% of all sales revenue billed and received by us, on a quarterly basis based on sales of the previous quarter. In addition, pursuant to a separate license agreement between us and Mr. De Villiers, we are obligated to pay a royalty fee of 1% of all our billed and received sales revenue, in quarterly installments, based on sales of the previous quarter, to a trust that is beneficially owned and controlled by Mr. De Villiers. Royalties totaled \$480,689 and \$465,316 for the years ended December 31, 2014 and 2013, respectively.

Since the end of the 2014 year, the Company has entered into a consulting agreement with Innovate Services Limited, a Seychelles limited company in which, Dr. Christopher Leatt, the Company's founder, chairman and executive director of research and development, is an indirect beneficiary. Pursuant to the terms of the Consulting Agreement, Innovate has agreed to serve as the Company's exclusive research, development and marketing consultant in exchange for a monthly fee of \$35,639; provided that Dr. Leatt personally performs the services to be performed by Innovate under the Agreement (the Services) pursuant to a separate employment agreement between Innovate and Dr. Leatt. The parties further agreed that all intellectual property generated in connection with the Services provided under the Consulting Agreement will be the sole property of the Company. The Consulting Agreement is effective as of May 15, 2015, and will continue unless terminated by either party in accordance with its terms. Either party has the right to terminate the Consulting Agreement upon 6 months' prior written notice, except that the Consulting Agreement may be terminated immediately without notice if the Services to be performed under the Consulting Agreement cease to be performed by Dr. Leatt or for any other material breach of the Agreement by any of the parties. The parties have agreed to settle any dispute under the Consulting Agreement through arbitration in accordance with the Commercial Arbitration Rules of the American Arbitration Association (AAA), and that the resulting arbitration award will be final and binding on both parties and will not be subject to any appeal. Simultaneously with the closing of the Consulting Agreement, the Company also entered into a Side Letter Agreement, dated July 8, 2015, with Dr. Leatt, pursuant to which the parties agreed to terminate Dr. Leatt's existing employment agreement, dated as of May 15, 2014, with the Company in its entirety, in lieu of Dr. Leatt undertaking to perform the services under the Consulting Agreement. Under the terms of the Side Letter, Dr. Leatt also agreed, among other things: (1) not to perform services similar to the services provided under the Consulting Agreement for any current or future, direct or indirect competitor of the Company or any similar company; (2) not to solicit any current or future employees of the Company for employment with Innovate or any other entity with which he may become affiliated, or to contact or solicit any current or future stockholder or investor of the Company in connection with any matter that is not directly related to the ongoing or future business operations of the Company; and (3) that he will apprise the Company of any business opportunity that he becomes aware of that could benefit the Company so that the Company, can in its sole discretion, make a determination regarding whether to pursue such opportunity in the best interest of the Company and its

stockholders. Dr. Leatt further agreed to continue dedicating a majority of his time on matters related to performance of his duties as a director of the Company and to the fulfillment of his obligations to the Company's research and development efforts under the Consulting Agreement, and the Company will have the right to adjust the amount of the fees payable under the Consulting Agreement to the extent of any substantial diminution in his fulfillment of such duties and obligations.

Except as set forth in our discussion above, none of our directors, director nominees or executive officers has been involved in any transactions with us or any of our directors, executive officers, affiliates or associates which are required to be disclosed pursuant to the rules and regulations of the SEC.

Policies and Procedures for Review, Approval or Ratification of Transactions with Related Persons

As we increase the size of our board of directors to include additional independent directors, we expect to prepare and adopt a written related-person transactions policy that sets forth our policies and procedures regarding the identification, review, consideration and approval or ratification of related-persons transactions. For purposes of our policy only, a related-person transaction will be a transaction, arrangement or relationship (or any series of similar transactions, arrangements or relationships) in which we and any related person are participants involving an amount that exceeds \$120,000. Transactions involving compensation for services provided to us as an employee, director, consultant or similar capacity by a related person will not be covered by this policy. A related person will be any executive officer, director or a holder of more than five percent of our common stock, including any of their immediate family members and any entity owned or controlled by such persons.

We anticipate that, where a transaction has been identified as a related-person transaction, the policy will require management to present information regarding the proposed related-person transaction to our audit committee (or, where approval by our audit committee would be inappropriate, to another independent body of our board of directors) for consideration and approval or ratification. Management's presentation will be expected to include a description of, among other things, the material facts, the direct and indirect interests of the related persons, the benefits of the transaction to us and whether any alternative transactions are available.

To identify related-person transactions in advance, we are expected to rely on information supplied by our executive officers, directors and certain significant stockholders. In considering related-person transactions, our board of directors will take into account the relevant available facts and circumstances including, but not limited to:

- the risks, costs and benefits to us;
- the impact on a director's independence in the event the related person is a director, immediate family member of a director or an entity with which a director is affiliated;
- the terms of the transaction;
- the availability of other sources for comparable services or products; and
- the terms available to or from, as the case may be, unrelated third parties or to or from our employees generally.

We also expect that the policy will require any interested director to excuse himself from deliberations and approval of the transaction in which the interested director is involved.

Promoters and Certain Control Persons

We did not have any promoters at any time during the past five fiscal years.

PROPOSAL 1**ELECTION OF DIRECTORS**

The Board is responsible for establishing broad corporate policies and monitoring the overall performance of the Company. It selects our executive officers, delegates authority for the conduct of our day-to-day operations to those officers, and monitors their performance. There are currently three directors serving on the Board. At the Annual Meeting, three directors will be elected. The individuals who have been nominated for election to the Board at the Annual Meeting are listed in the table below. Each of the nominees is a current director of the Company.

The Board has no reason to believe that any of the nominees will be unwilling or unable to serve, if elected as a director. The three nominees for election as directors are uncontested. In uncontested elections, directors are elected by majority of the votes cast at the Annual Meeting. **Proxies submitted on the accompanying proxy card will be voted for the election of the nominees listed below, unless the proxy card is marked otherwise.**

The Board of Directors recommends a vote FOR the election of the nominees listed below.

The names, the positions with the Company and the ages as of the Record Date of the individuals who are our nominees for election as directors are:

PROPOSAL 3

APPROVAL OF THE AMENDMENT OF 2011 EQUITY INCENTIVE PLAN TO INCREASE THE MAXIMUM NUMBER OF SHARES OF COMMON STOCK OF THE COMPANY THAT MAY BE ISSUED AND SOLD

On October 30, 2015, the Board of Directors approved the amendment and restatement of the 2011 Leatt Corporation Equity Incentive Plan (the Amended 2011 Plan), with the only change being to increase the maximum number of shares of common stock of the Company, par value \$0.001 per share that may be issued and sold under the 2011 Plan from 460,000 (after giving effect to the Reverse Split) to 920,000, and recommended approval of the amendment by the Stockholders in accordance with the 2011 Plan. The Board of Directors believes that such arrangements will be instrumental for us to be able to continue to attract and retain outstanding employees. A copy of the Amended 2011 Plan is attached as Exhibit A to this Proxy Statement.

Reason for Amendment

The Company has almost issued the maximum amount of shares of common stock issuable under the current 2011 Plan and the Board of Directors believes that increasing the maximum number of shares of common stock that may be issued under the Plan will be instrumental for us to continue to attract and retain outstanding employees.

Summary of the Amended 2011 Plan

Purpose. The purpose of the Amended 2011 Plan is to promote the interests of the Company, by providing eligible persons employed by or serving the Company or any subsidiary or parent with the opportunity to acquire a proprietary interest, or otherwise increase their proprietary interest, in the Company as an incentive for them to continue in such employ or service.

Administration of the Plan. The Amended 2011 Plan may be administered by either the Board of Directors or, at the discretion of the Board, a committee of the Board (the Administrator). The Administrator has broad discretion and authority in administering the Amended 2011 Plan, including the right to reduce the exercise price of any option, or to accelerate vesting.

Types of Awards. The Administrator may authorize the following types of awards under the Amended 2011 Plan: (1) the grant of incentive stock options which are options intended to satisfy the requirements of Section 422 of the Internal Revenue Code of 1986, as amended (ISOs); and (2) the grant of options which do not meet those requirements (Non-Qualified Options).

Eligible Participants. All employees, directors, consultants and advisors of the Company and any of its subsidiaries are eligible to receive awards under the Amended 2011 Plan.

Shares Subject to the Plan. We may issue up to 920,000 shares of our Common Stock pursuant to the Amended 2011 Plan. Any share subject to an option that terminates or expires without being exercised becomes available for future awards under the Amended 2011 Plan. No eligible person shall be granted options during any twelve-month period covering shares of common stock with the aggregate fair market value of more than \$100,000.

Terms and Conditions of Options. The exercise price of any option, may not be less than the fair market value of the Common Stock on the date of grant (110% of the fair market value for options granted to 10% stockholders). No option may be exercised more than 10 years after the date of grant (five years with respect to options granted to 10% stockholders). No option may be transferred or assigned without the consent of the Administrator except by will or the laws of descent and distribution. The exercise price of options may be paid in cash or, with the consent of the Administrator, by a full recourse promissory note, delivery of other shares of Common Stock (including shares

acquired upon exercise of the related options), or by cashless exercise, to the extent and subject to applicable regulations.

Amendments to the Plan. The Board may amend, alter, suspend or discontinue the Plan at any time. No amendment, alteration, suspension or discontinuance requires stockholder approval unless such approval is required to preserve incentive stock option treatment for federal income tax purposes or the Board otherwise concludes that stockholder approval is advisable or required by law.

Termination of the Plan. The Plan shall terminate upon the earlier of (1) the expiration of the ten year period measured from the date the Plan is adopted by the Board or (2) termination by the Board. All options and unvested stock issuances outstanding at the time of the termination of the Plan shall continue in effect in accordance with the provisions of the documents evidencing those options or issuances.

Certain U.S. Federal Tax Consequences

The following is a brief summary of the principal federal income tax consequences of awards under the Amended 2011 Plan based on applicable provisions of the Internal Revenue Code and Treasury Regulations now in effect.

General. A recipient of an award of options under the Amended 2011 Plan realizes no taxable income at the time of grant.

Incentive Stock Options. The holder of an ISO does not recognize taxable income upon exercise of the ISO. In order to retain this tax benefit, the holder must make no disposition of the shares so received for at least one year from the date of exercise and at least two years from the grant of the ISO. Assuming compliance with this and other applicable tax provisions, the holder will realize long-term capital gain or loss when he or she disposes of the shares, measured by the difference between the exercise price and the amount received for the shares at the time of disposition. If a holder disposes of shares acquired by exercise of an ISO before the expiration of the above-noted periods, the gain arising from such disqualifying disposition will be taxable as ordinary income in the year of disposition to the extent that the lesser of (i) the fair market value of the shares on the date the ISO was exercised or (ii) the amount realized upon such disposition exceeds the exercise price. Any amount realized in excess of the fair market value on the date of exercise is treated as long-term or short-term capital gain, depending upon the holding period of the shares. If the amount realized upon such disposition is less than the exercise price, the loss will be treated as long-term or short-term capital loss, depending upon the holding period of the shares.

For purposes of the alternative minimum tax, the holder will recognize as an addition to his or her tax base, upon the exercise of an ISO, an amount equal to the excess of the fair market value of the shares at the time of exercise over the exercise price. If the holder makes a disqualifying disposition in the year of exercise, the holder will recognize taxable income for purposes of the regular income tax and the holder's alternative minimum tax base will not be additionally increased.

Nonqualified Options. The holder of a Non-Qualified Option recognizes ordinary income at the time of the exercise in an amount equal to the excess of the fair market value of the shares on the date of exercise over the exercise price. This taxable income is subject to payroll tax withholding if the holder is an employee. When a holder disposes of shares acquired upon the exercise of a Non-Qualified Option, any amount received in excess of the fair market value of the shares on the date of exercise will be treated as long-term or short-term capital gain, depending upon the holding period of the shares, and if the amount received is less than the fair market value of the shares on the date of exercise, the loss will be treated as long-term or short-term capital loss, depending upon the holding period of the shares.

Deduction to the Company. The Company will be entitled to a deduction for federal income tax purposes at the same time and in the same amount as the recipient of an award is considered to have realized ordinary income as a result of the award, assuming that the limitation under Section 162(m) of the Internal Revenue Code is not applicable.

Outstanding Awards

The following table sets forth the equity awards outstanding at December 31, 2014 for each of our named executive officers.

	OPTION AWARDS

⁽¹⁾ The Company effected a one-for-twenty-five reverse stock split on September 20, 2012, which decreased the number of option shares and increased the exercise price to \$1.00 per share.

On February 1, 2012, the Board of Directors of the Company approved the grant to Dr. Christopher Leatt, the Company's Chairman, of a 5-year option to purchase 1,300,000 shares of the Company's common stock at \$0.04 per share under the Company's 2011 Plan. The option to purchase 520,000 of the shares vested on February 1, 2012, the grant date, and the option to purchase the remaining shares vested in equal portions on December 31, 2012, 2013 and 2014. After giving effect to the reverse split effected on September 20, 2012, Dr. Leatt has vested options to purchase 52,000 shares of the Company's common stock at \$1.00 per share.

On February 1, 2012, the Board of Directors of the Company approved the grant to Sean Macdonald, the Company's Chief Executive Officer and Chief Financial Officer, of a 5-year option to purchase 1,950,000 shares of the Company's common stock at \$0.04 per share under the Company's 2011 Plan. The option to purchase 780,000 of the shares vested on February 1, 2012, the grant date, and the option to purchase the remaining shares vested in equal portions on December 31, 2012, 2013 and 2014. After giving effect to the reverse split effected on September 20, 2012, Mr. Macdonald has vested options to purchase 78,000 shares of the Company's common stock at \$1.00 per share.

The Board of Directors recommends a vote FOR approval of the amendment of the 2011 Equity Incentive Plan to increase the maximum number of shares of common stock of the Company that may be issued and sold under the Plan.

PROPOSAL 4

ADVISORY VOTE TO APPROVE EXECUTIVE COMPENSATION

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 enables our stockholders to vote to approve, on an advisory (nonbinding) basis, the compensation of our named executive officers as disclosed in this Proxy Statement in accordance with the SEC's rules.

Our executive compensation programs are designed to attract, motivate, and retain our named executive officers, who are critical to our success. Under these programs, our named executive officers are rewarded for the achievement of specific annual, long-term and strategic goals, business unit goals, corporate goals, and the realization of increased stockholder value.

Our Compensation Committee continually reviews the compensation programs for our named executive officers to ensure they achieve the desired goals of aligning our executive compensation structure with our stockholders' interests and current market practices. We are asking our stockholders to indicate their support for our named executive officer compensation as described in the Compensation Discussion and Analysis and related compensation tables. This proposal, commonly known as a say-on-pay proposal, gives our stockholders the opportunity to express their views on our named executive officers' compensation. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the philosophy, policies and practices described in this proxy statement. Accordingly, we will ask our stockholders to vote for the approval of the compensation of the named executive officers, as disclosed in this Proxy Statement pursuant to the compensation disclosure rules of the SEC.

The say-on-pay vote is advisory, and therefore not binding on the Company, the Compensation Committee or our Board. Our Board and our Compensation Committee value the opinions of our stockholders and to the extent there is any significant vote against the approval of the named executive officer compensation as disclosed in this Proxy Statement, they will consider our stockholders' concerns and the Compensation Committee will evaluate whether any actions are necessary to address those concerns.

The Board of Directors recommends a vote FOR the approval of the compensation of our named executive officers, as disclosed in the Compensation Discussion and Analysis and related compensation tables.

PROPOSAL 5

ADVISORY VOTE ON THE FREQUENCY OF AN ADVISORY VOTE ON EXECUTIVE COMPENSATION

The Dodd-Frank Act also enables our stockholders to indicate how frequently we should seek an advisory vote on the compensation of our named executive officers, as disclosed pursuant to the SEC's compensation disclosure rules, such as Proposal No. 3 above. By voting on this Proposal No. 4, stockholders may indicate whether they would prefer an advisory vote on named executive officer compensation once every one, two, or three years.

The Board has not made a recommendation on the frequency of holding an advisory vote on executive compensation. Stockholders may vote for having an advisory vote every year, every two years, or every three years, or they may abstain from voting on this proposal.

The option of one year, two years or three years that receives the highest number of votes cast by stockholders will be the frequency for the advisory vote on executive compensation that has been selected by stockholders. However, because this vote is advisory and not binding on the Board of Directors or the Company in any way, the Board may decide that it is in the best interests of our stockholders and the Company to hold an advisory vote on executive compensation more or less frequently than the option approved by our stockholders.

STOCKHOLDER PROPOSALS FOR THE 2016 ANNUAL MEETING

If you wish to have a proposal included in our proxy statement for next year's annual meeting in accordance with Rule 14a-8 under the Exchange Act, your proposal must be received by the Corporate Secretary of Leatt Corporation at Suite 109, Private Bag X3, Bloubaerg, 7443, Western Cape, South Africa, no later than the close of business on December 31, 2015. A proposal which is received after that date or which otherwise fails to meet the requirements for stockholder proposals established by the SEC will not be included. The submission of a stockholder proposal does not guarantee that it will be included in the proxy statement.

Stockholder proposals to be brought before the 2016 Annual Meeting, made outside the Rule 14a-8 processes, must be submitted to the Company pursuant to Rule 14a-8, no later than December 31, 2015, or will be considered untimely and entitle the Company to discretionary voting under Rule 14a-4.

ANNUAL REPORT ON FORM 10-K

We will provide without charge to each person solicited by this Proxy Statement, on the written request of such person, a copy of our Annual Report on Form 10-K, including the financial statements and financial statement schedules, as filed with the SEC for our most recent fiscal year. Such written requests should be directed to Leatt Corporation, c/o Corporate Secretary, Suite 109, Private Bag X3, Bloubaerg, 7443, Western Cape, South Africa. A copy of our Annual Report on Form 10-K is also made available on our website at <http://www.leatt-corp.com> after it is filed with the SEC.

OTHER MATTERS

As of the date of this Proxy Statement, the Board has no knowledge of any business which will be presented for consideration at the Annual Meeting other than the election of directors, the ratification of the appointment of the independent public accounting firm of the Company and the advisory vote on executive compensation. Should any other matters be properly presented, it is intended that the enclosed proxy card will be voted in accordance with the best judgment of the persons voting the proxies.

 - iv. to approve forms of agreement for use under the Plan;

v. to determine the terms and conditions, not inconsistent with the terms of the Plan, of any Award granted hereunder. Such terms and conditions include, but are not limited to, the exercise price, the time or times when Awards may be exercised (which may be based on continued employment, continued service or performance criteria), any vesting acceleration (whether by reason of a Change of Control or otherwise) or waiver of forfeiture restrictions, and any restriction or limitation regarding any Award or the Shares relating thereto, based in each case on such factors as the Administrator, in its sole discretion, will determine;

A-4

- vi. to construe and interpret the terms of the Plan and Awards granted pursuant to the Plan, including the right to construe disputed or doubtful Plan and Award provisions;
 - vii. to prescribe, amend and rescind rules and regulations relating to the Plan;
 - viii. to modify or amend each Award (subject to Section 19(c)) to the extent any modification or amendment is consistent with the terms of the Plan. The Administrator shall have the discretion to extend the exercise period of Options generally provided the exercise period is not extended beyond the earlier of the original term of the Option or 10 years from the original grant date, or specifically (1) if the exercise period of an Option is extended (but to no more than 10 years from the original grant date) at a time when the exercise price equals or exceeds the fair market value of the Optioned Shares or (2) an Option cannot be exercised because such exercise would violate Applicable Laws, provided that the exercise period is not extended more than 30 days after the exercise of the Option would no longer violate Applicable Laws.
 - ix. to allow Participants to satisfy withholding tax obligations in such manner as prescribed in Section 14;
 - x. to authorize any person to execute on behalf of the Company any instrument required to effect the grant of an Award previously granted by the Administrator;
 - xi. to delay issuance of Shares or suspend Participant's right to exercise an Award as deemed necessary to comply with Applicable Laws; and
 - xii. to make all other determinations deemed necessary or advisable for administering the Plan.
- c. Effect of Administrator's Decision. The Administrator's decisions, determinations and interpretations will be final and binding on all Participants and any other holders of Awards. Any decision or action taken or to be taken by the Administrator, arising out of or in connection with the construction, administration, interpretation and effect of the Plan and of its rules and regulations, shall, to the maximum extent permitted by Applicable Laws, be within its absolute discretion (except as otherwise specifically provided in the Plan) and shall be final, binding and conclusive upon the Company, all Participants and any person claiming under or through any Participant.
5. Eligibility. NSOs, Restricted Stock, Restricted Stock Units, SARs, Performance Units and Performance Shares may be granted to Service Providers. ISOs may be granted as specified in Section 15(a).
6. Stock Options.
- a. Grant of Options. Subject to the terms and conditions of the Plan, the Administrator, at any time and from time to time, may grant Options to Service Providers in such amounts as the Administrator will determine in its sole discretion. For purposes of the foregoing sentence, Service Providers shall include prospective employees or consultants to whom Options are granted in connection with written offers of employment or engagement of services, respectively, with the Company; provided that no Option granted to a prospective employee or consultant may be exercised prior to the commencement of employment or services with the Company. The Administrator may grant NSOs, ISOs, or any combination of the two. ISOs shall be granted in accordance with Section 15(a) of the Plan.
 - b. Option Award Agreement. Each Option shall be evidenced by an Award Agreement that shall specify the type of Option granted, the Option price, the exercise date, the term of the Option, the number of Shares to which the Option pertains, and such other terms and conditions (which need not be identical among Participants) as the Administrator shall determine in its sole discretion. If the Award Agreement does not specify that the Option is to be treated as an ISO, the Option shall be deemed a NSO.
 - c. Exercise Price. The per Share exercise price for the Shares to be issued pursuant to exercise of an Option will be no less than the Fair Market Value per Share on the Grant Date.

d. Term of Options. The term of each Option will be stated in the Award Agreement. Unless terminated sooner in accordance with the remaining provisions of this Section 6, each Option shall expire either ten (10) years after the Grant Date, or after a shorter term as may be fixed by the Board. Each Award Agreement shall set forth the extent to which the Option may be exercised following termination of Service. Each Award Agreement shall provide the holder with the right to exercise the Option following the Service Provider's termination of Service during the Option term, to the extent the Option was exercisable for vested Shares upon termination of Service, for at least thirty (30) days if termination of Service is due to any reason other than cause (as defined for this purpose by applicable law, the terms of the Award Agreement or a contract of employment), death or Disability, and for at least six (6) months after termination of Service if due to death or Disability (but in no event later than the expiration of the Option term). If Service is terminated for cause, the Award Agreement may provide that the right to exercise the Option terminates immediately on the effective date of termination of Service. To the extent the Option was not exercisable for vested Shares upon termination of Service, the Option shall terminate on the date of termination of Service. Subject to the foregoing, such provisions shall be determined in the sole discretion of the Administrator, need not be uniform among all Options issued pursuant to the Plan, and may reflect distinctions based on the reasons for termination of Service.

e. Time and Form of Payment.

i. Exercise Date. Each Award Agreement shall specify how and when Shares covered by an Option may be purchased. The Award Agreement may specify waiting periods, the dates on which Options become exercisable or vested and, subject to the termination provisions of this section, exercise periods. The Administrator may accelerate the exercisability of any Option or portion thereof.

ii. Exercise of Option. Any Option granted hereunder will be exercisable according to the terms of the Plan and at such times and under such conditions as determined by the Administrator and set forth in the Award Agreement. An Option may not be exercised for a fraction of a Share. An Option will be deemed exercised when the Company receives: (1) notice of exercise (in such form as the Administrator specify from time to time) from the person entitled to exercise the Option, and (2) full payment for the Shares with respect to which the Option is exercised (together with all applicable withholding taxes). Full payment may consist of any consideration and method of payment authorized by the Administrator and permitted by the Award Agreement and the Plan (together with all applicable withholding taxes). Shares issued upon exercise of an Option will be issued in the name of the Optionee or, if requested by the Optionee, in the name of the Optionee and his or her spouse. Until the Shares are issued (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company), no right to vote or receive dividends or any other rights as a stockholder will exist with respect to the Optioned Shares, notwithstanding the exercise of the Option. The Company will issue (or cause to be issued) such Shares promptly after the Option is exercised. No adjustment will be made for a dividend or other right for which the record date is prior to the date the Shares are issued, except as provided in Section 13.

iii. Payment. The Administrator will determine the acceptable form of consideration for exercising an Option, including the method of payment. Such consideration may consist entirely of:

- (1) cash;
- (2) check;
- (3) to the extent not prohibited by Section 402 of the Sarbanes-Oxley Act of 2002, a promissory note;
- (4) other Shares, provided Shares have a Fair Market Value on the date of surrender equal to the aggregate exercise price of the Shares as to which said Option will be exercised;
- (5) to the extent not prohibited by Section 402 of the Sarbanes-Oxley Act of 2002, in accordance with any broker-assisted cashless exercise procedures approved by the Company and as in effect from time to time;
- (6) by asking the Company to withhold Shares from the total Shares to be delivered upon exercise equal to the number of Shares having a value equal to the aggregate Exercise Price of the Shares being acquired;
- (7) any combination of the foregoing methods of payment; or
- (8) such other consideration and method of payment for the issuance of Shares to the extent permitted by Applicable Laws.

f. Forfeiture of Options. All unexercised Options shall be forfeited to the Company in accordance with the terms and conditions set forth in the Award Agreement and again will become available for grant under the Plan.

7. Restricted Stock.

a. Grant of Restricted Stock. Subject to the terms and conditions of the Plan, the Administrator, at any time and from time to time, may grant Shares of Restricted Stock to Service Providers in such amounts as the Administrator will determine in its sole discretion.

b. Restricted Stock Award Agreement. Each Award of Restricted Stock will be evidenced by an Award Agreement that will specify the Period of Restriction, the number of Shares granted, and such other terms and conditions (which need not be identical among Participants) as the Administrator will determine in its sole discretion. Unless the Administrator determines otherwise, the Company as escrow agent will hold Shares of Restricted Stock until the restrictions on such Shares have lapsed.

c. Vesting Conditions and Other Terms.

i. Vesting Conditions. The Administrator, in its sole discretion, may impose such conditions on the vesting of Shares of Restricted Stock as it may deem advisable or appropriate, including but not limited to, achievement of Company-wide, business unit, or individual goals (including, but not limited to, continued employment or service), or any other basis determined by the Administrator in its discretion. The Administrator, in its discretion, may accelerate the time at which any restrictions will lapse or be removed. The Administrator may, in its discretion, also provide for such complete or partial exceptions to an employment or service restriction as it deems equitable.

ii. Voting Rights. During the Period of Restriction, Service Providers holding Shares of Restricted Stock granted hereunder may exercise full voting rights with respect to those Shares, unless the Administrator determines otherwise.

iii. Dividends and Other Distributions. During the Period of Restriction, Service Providers holding Shares of Restricted Stock will be entitled to receive all dividends and other distributions paid with respect to such Shares, unless the Administrator determines otherwise. If any such dividends or distributions are paid in Shares, the Shares will be subject to the same restrictions on transferability and forfeitability as the Shares of Restricted Stock with respect to which they were paid.

iv. Transferability. Except as provided in this Section, Shares of Restricted Stock may not be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated until the end of the applicable Period of Restriction.

d. Removal of Restrictions. All restrictions imposed on Shares of Restricted Stock shall lapse and the Period of Restriction shall end upon the satisfaction of the vesting conditions imposed by the Administrator. Vested Shares of Restricted Stock will be released from escrow as soon as practicable after the last day of the Period of Restriction or at such other time as the Administrator may determine, but in no event later than the 15th day of the third month following the end of the year in which vesting occurred.

e. Forfeiture of Restricted Stock. On the date set forth in the Award Agreement, the Shares of Restricted Stock for which restrictions have not lapsed will be forfeited and revert to the Company and again will become available for grant under the Plan.

8. Restricted Stock Units.

a. Grant of Restricted Stock Units. Subject to the terms and conditions of the Plan, the Administrator, at any time and from time to time, may grant Restricted Stock Units to Service Providers in such amounts as the Administrator will determine in its sole discretion.

b. Restricted Stock Units Award Agreement. Each Award of Restricted Stock Units will be evidenced by an Award Agreement that will specify the number of Restricted Stock Units granted, vesting criteria, form of payout, and such other terms and conditions (which need not be identical among Participants) as the Administrator will determine in its sole discretion.

A-7

c. Vesting Conditions. The Administrator shall set vesting criteria in its discretion, which, depending on the extent to which the criteria are met, will determine the number of Restricted Stock Units that will be paid out to the Participant. The Administrator may set vesting criteria based upon the achievement of Company-wide, business unit, or individual goals (including, but not limited to, continued employment or service), or any other basis determined by the Administrator in its discretion. At any time after the grant of Restricted Stock Units, the Administrator, in its sole discretion, may reduce or waive any vesting criteria that must be met to receive a payout.

d. Time and Form of Payment. Upon satisfaction of the applicable vesting conditions, payment of vested Restricted Stock Units shall occur in the manner and at the time provided in the Award Agreement, but in no event later than the 15th day of the third month following the end of the year in which vesting occurred. Except as otherwise provided in the Award Agreement, Restricted Stock Units may be paid in cash, Shares, or a combination thereof at the sole discretion of the Administrator. Restricted Stock Units that are fully paid in cash will not reduce the number of Shares available for issuance under the Plan.

e. Forfeiture of Restricted Stock Units. All unvested Restricted Stock Units shall be forfeited to the Company on the date set forth in the Award Agreement and again will become available for grant under the Plan.

9. Stock Appreciation Rights.

a. Grant of SARs. Subject to the terms and conditions of the Plan, the Administrator, at any time and from time to time, may grant SARs to Service Providers in such amounts as the Administrator will determine in its sole discretion.

b. Award Agreement. Each SAR grant will be evidenced by an Award Agreement that will specify the exercise price, the number of Shares underlying the SAR grant, the term of the SAR, the conditions of exercise, and such other terms and conditions (which need not be identical among Participants) as the Administrator will determine in its sole discretion.

c. Exercise Price and Other Terms. The per Share exercise price for the exercise of an SAR will be no less than the Fair Market Value per Share on the Grant Date.

d. Term of SARs. The term of each SAR will be stated in the Award Agreement. Unless terminated sooner in accordance with the remaining provisions of this Section 9, each SAR shall expire either ten (10) years after the Grant Date, or after a shorter term as may be fixed by the Board. Each Award Agreement shall set forth the extent to which the SAR may be exercised following termination of Service. Each Award Agreement shall provide the holder with the right to exercise the SAR following the Service Provider's termination of Service during the SAR term, to the extent the SAR was vested upon termination of Service, for at least thirty (30) days if termination of Service is due to any reason other than cause (as defined for this purpose by applicable law, the terms of the Award Agreement or a contract of employment), death or Disability, and for at least six (6) months after termination of Service if due to death or Disability (but in no event later than the expiration of the SAR term). If Service is terminated for cause, the Award Agreement may provide that the right to exercise the SAR terminates immediately on the effective date of termination of Service. To the extent the SAR was not vested upon termination of Service, the SAR shall terminate on the date of termination of Service. Subject to the foregoing, such provisions shall be determined in the sole discretion of the Administrator, need not be uniform among all SARs issued pursuant to the Plan, and may reflect distinctions based on the reasons for termination of Service.

e. Time and Form of Payment of SAR Amount. Upon exercise of a SAR, a Participant will be entitled to receive payment from the Company in an amount no greater than: (i) the difference between the Fair Market Value of a Share on the date of exercise over the exercise price; times (ii) the number of Shares with respect to which the SAR is exercised. An Award Agreement may provide for a SAR to be paid in cash, Shares of equivalent value, or a combination thereof.

f. Forfeiture of SARs. All unexercised SARs shall be forfeited to the Company in accordance with the terms and conditions set forth in the Award Agreement and again will become available for grant under the Plan.

- b. Award Agreement. Each Award of Performance Units and Shares will be evidenced by an Award Agreement that will specify the initial value, the Performance Period, the number of Performance Units or Performance Shares granted, and such other terms and conditions (which need not be identical among Participants) as the Administrator will determine in its sole discretion.
- c. Value of Performance Units and Performance Shares. Each Performance Unit will have an initial value that is established by the Administrator on or before the Grant Date. Each Performance Share will have an initial value equal to the Fair Market Value of a Share on the Grant Date.
- d. Vesting Conditions and Performance Period. The Administrator will set performance objectives or other vesting provisions (including, without limitation, continued status as a Service Provider) in its discretion which, depending on the extent to which they are met, will determine the number or value of Performance Units or Performance Shares that will be paid out to the Service Providers. The time period during which the performance objectives or other vesting provisions must be met will be called the Performance Period. The Administrator may set performance objectives based upon the achievement of Company-wide, divisional, or individual goals or any other basis determined by the Administrator in its discretion.
- e. Time and Form of Payment. After the applicable Performance Period has ended, the holder of Performance Units or Performance Shares will be entitled to receive a payout of the number of vested Performance Units or Performance Shares by the Participant over the Performance Period, to be determined as a function of the extent to which the corresponding performance objectives or other vesting provisions have been achieved. Vested Performance Units or Performance Shares will be paid as soon as practicable after the expiration of the applicable Performance Period, but in no event later than the 15th day of the third month following the end of the year the applicable Performance Period expired. An Award Agreement may provide for the satisfaction of Performance Unit or Performance Share Awards in cash or Shares (which have an aggregate Fair Market Value equal to the value of the vested Performance Units or Performance Shares at the close of the applicable Performance Period) or in a combination thereof.
- f. Forfeiture of Performance Units and Performance Shares. All unvested Performance Units or Performance Shares will be forfeited to the Company on the date set forth in the Award Agreement, and again will become available for grant under the Plan.
11. Leaves of Absence/Transfer Between Locations. Unless the Administrator provides otherwise or as required by Applicable Laws, vesting of Awards will be suspended during any unpaid leave of absence. An Employee will not cease to be an Employee in the case of (i) any leave of absence approved by the Company or (ii) transfers between locations of the Company or between the Company, its Parent, or any Subsidiary.
12. Transferability of Awards. Unless determined otherwise by the Administrator, an Award may not be sold, pledged, assigned, hypothecated, transferred, or disposed of in any manner other than by will or by the laws of descent or distribution and may be exercised, during the lifetime of the Participant, only by the Participant. If the Administrator makes an Award transferable, such Award will contain such additional terms and conditions as the Administrator deems appropriate, and transfers will be permitted only to a revocable trust or to one or more family members or a trust established for the benefit of the Participant and/or one or more family members to the extent permitted by Rule 701 of the Securities Act.
13. Adjustments; Dissolution or Liquidation; Merger or Change in Control.
- a. Adjustments. In the event that any dividend or other distribution (whether in the form of cash, Shares, other securities, or other property), recapitalization, stock split, reverse stock split, reorganization, merger, consolidation, split-up, spin-off, combination, repurchase, or exchange of Shares or other securities of the

Company, or other change in the corporate structure of the Company affecting the Shares occurs, the Administrator, in order to prevent diminution or enlargement of the benefits or potential benefits intended to be made available under the Plan, shall appropriately adjust the number and class of Shares that may be delivered under the Plan and/or the number, class, and price of Shares covered by each outstanding Award.

b. Dissolution or Liquidation. In the event of the proposed dissolution or liquidation of the Company, the Administrator will notify each Participant as soon as practicable prior to the effective date of such proposed transaction. To the extent it has not been previously exercised, an Award will terminate immediately prior to the consummation of such proposed action.

A-9

c. Change in Control. In the event of a merger or Change in Control, any or all outstanding Awards may be assumed by the successor corporation, which assumption shall be binding on all Participants. In the alternative, the successor corporation may substitute equivalent Awards (after taking into account the existing provisions of the Awards). The successor corporation may also issue, in place of outstanding Shares of the Company held by the Participant, substantially similar shares or other property subject to vesting requirements and repurchase restrictions no less favorable to the Participant than those in effect prior to the merger or Change in Control.

In the event that the successor corporation does not assume or substitute for the Award, unless the Administrator provides otherwise, the Participant will fully vest in and have the right to exercise all of his or her outstanding Options and SARs, including Shares as to which such Awards would not otherwise be vested or exercisable, all restrictions on Restricted Stock and Restricted Stock Units will lapse, and, with respect to Performance Shares and Performance Units, all Performance Goals or other vesting criteria will be deemed achieved at target levels and all other terms and conditions met. In addition, if an Option or SAR is not assumed or substituted in the event of a Change in Control, the Administrator will notify the Participant in writing or electronically that the Option or SAR will be exercisable for a period of time determined by the Administrator in its sole discretion, and the Option or SAR will terminate upon the expiration of such period.

For the purposes of this Section 13(c), an Award will be considered assumed if, following the Change in Control, the Award confers the right to purchase or receive, for each Share subject to the Award immediately prior to the Change in Control, the consideration (whether stock, cash, or other securities or property) or, in the case of a SAR upon the exercise of which the Administrator determines to pay cash or a Performance Share or Performance Unit which the Administrator can determine to pay in cash, the fair market value of the consideration received in the merger or Change in Control by holders of Common Stock for each Share held on the effective date of the transaction (and if holders were offered a choice of consideration, the type of consideration chosen by the holders of a majority of the outstanding Shares); provided, however, that if such consideration received in the Change in Control is not solely common stock of the successor corporation or its Parent, the Administrator may, with the consent of the successor corporation, provide for the consideration to be received upon the exercise of an Option or SAR or upon the payout of a Restricted Stock Unit, Performance Share or Performance Unit, for each Share subject to such Award (or in the case of Restricted Stock Units and Performance Units, the number of implied shares determined by dividing the value of the Restricted Stock Units and Performance Units, as applicable, by the per share consideration received by holders of Common Stock in the Change in Control), to be solely common stock of the successor corporation or its Parent equal in fair market value to the per share consideration received by holders of Common Stock in the Change in Control.

Notwithstanding anything in this Section 13(c) to the contrary, an Award that vests, is earned or paid-out upon the satisfaction of one or more performance goals will not be considered assumed if the Company or its successor modifies any of such performance goals without the Participant's consent; provided, however, a modification to such performance goals only to reflect the successor corporation's post-Change in Control corporate structure will not be deemed to invalidate an otherwise valid Award assumption.

14. Tax Withholding.

a. Withholding Requirements. Prior to the delivery of any Shares or cash pursuant to an Award (or exercise thereof), the Company will have the power and the right to deduct or withhold, or require a Participant to remit to the Company, an amount sufficient to satisfy federal, state, local, foreign or other taxes required by Applicable Laws to be withheld with respect to such Award (or exercise thereof).

b. Withholding Arrangements. The Administrator, in its sole discretion and pursuant to such procedures as it may specify from time to time, may permit a Participant to satisfy such tax withholding obligation, in whole or in part by (without limitation) (i) paying cash, (ii) electing to have the Company withhold otherwise

deliverable Shares having a Fair Market Value equal to the amount required to be withheld, or (iii) delivering to the Company already-owned Shares having a Fair Market Value equal to the amount required to be withheld. The amount of the withholding requirement will be deemed to include any amount which the Administrator agrees may be withheld at the time the election is made. The Fair Market Value of the Shares to be withheld or delivered will be determined as of the date that the taxes are required to be withheld.

A-10

15. Provisions Applicable In the Event the Company or the Service Provider is Subject to U.S. Taxation.

- a. Grant of Incentive Stock Options. If the Administrator grants Options to Employees subject to U.S. taxation, the Administrator may grant such Employee an ISO and the following terms shall also apply:
 - i. Maximum Amount. Subject to the provisions of Section 13, to the extent consistent with Section 422 of the Code, not more than an aggregate of Nine Hundred and Twenty Thousand (920,000) Shares may be issued as ISOs under the Plan.
 - ii. General Rule. Only Employees shall be eligible for the grant of ISOs.
 - iii. Continuous Employment. The Optionee must remain in the continuous employ of the Company or its Subsidiaries from the date the ISO is granted until not more than three months before the date on which it is exercised. A leave of absence approved by the Company may exceed ninety (90) days if reemployment upon expiration of such leave is guaranteed by statute or contract. If reemployment upon expiration of a leave of absence approved by the Company is not so guaranteed, then three (3) months following the ninety-first (91st) day of such leave any ISO held by the Optionee will cease to be treated as an ISO.
 - iv. Award Agreement.
 - (1) The Administrator shall designate Options granted as ISOs in the Award Agreement. Notwithstanding such designation, to the extent that the aggregate Fair Market Value of the Shares with respect to which ISOs are exercisable for the first time by the Optionee during any calendar year (under all plans of the Company and any Parent or Subsidiary) exceeds one hundred thousand dollars (\$100,000), Options will not qualify as an ISO. For purposes of this section, ISOs will be taken into account in the order in which they were granted. The Fair Market Value of the Shares will be determined as of the time the Option with respect to such Shares is granted.
 - (2) The Award Agreement shall specify the term of the ISO. The term shall not exceed ten (10) years from the Grant Date or five (5) years from the Grant Date for Ten Percent Owners.
 - (3) The Award Agreement shall specify an exercise price of not less than the Fair Market Value per Share on the Grant Date or one hundred ten percent (110%) of the Fair Market Value per Share on the Grant Date for Ten Percent Owners.
 - (4) The Award Agreement shall specify that an ISO is not transferable except by will, beneficiary designation or the laws of descent and distribution.
 - v. Form of Payment. The consideration to be paid for the Shares to be issued upon exercise of an ISO, including the method of payment, shall be determined by the Administrator at the time of grant in accordance with Section 6(e)(iii).
 - vi. Disability , for purposes of an ISO, means total and permanent disability as defined in Section 22(e)(3) of the Code.
 - vii. Notice. In the event of any disposition of the Shares acquired pursuant to the exercise of an ISO within two years from the Grant Date or one year from the exercise date, the Optionee will notify the Company thereof in writing within thirty (30) days after such disposition. In addition, the Optionee shall provide the Company with such information as the Company shall reasonably request in connection with determining the amount and character of Optionee's income, the Company's deduction, and the Company's obligation to withhold taxes or other amounts incurred by reason of a disqualifying disposition, including the amount thereof.

- b. Performance-based Compensation. If the Company pays salaries for which it claims deductions that are subject to the Code Section 162(m) limitation on its U.S. tax returns, then the following terms shall be applied in a manner consistent with the requirements of, and only to the extent required for compliance with, the exclusion from the limitation on deductibility of compensation under Code Section 162(m):

A-11

i. Outside Directors. The Board shall consider in selecting the Administrator and the membership of any committee acting as Administrator the provisions regarding outside directors within the meaning of Code Section 162(m).

ii. Maximum Amount.

(1) Subject to the provisions of Section 13, the maximum number of Shares that can be awarded to any individual Participant in the aggregate in any one fiscal year of the Company is Seventy-Eight Thousand (78,000) Shares;

(2) For Awards denominated in Shares and satisfied in cash, the maximum Award to any individual Participant in the aggregate in any one fiscal year of the Company is the Fair Market Value of Seventy-Eight Thousand (78,000) Shares on the Grant Date; and

(3) The maximum amount payable pursuant to any cash Awards to any individual Participant in the aggregate in any one fiscal year of the Company is the Fair Market Value of Seventy-Eight Thousand (78,000) Shares on the Grant Date.

iii. Performance Criteria. All performance criteria must be objective and be established in writing prior to the beginning of the performance period or at later time as permitted by Code Section 162(m). Performance criteria may include alternative and multiple performance goals and may be based on one or more business and/or financial criteria. In establishing the performance goals, the Committee in its discretion may include one or any combination of the following criteria in either absolute or relative terms, for the Company or any Subsidiary:

- (1) Increased revenue;
- (2) Net income measures (including but not limited to income after capital costs and income before or after taxes);
- (3) Stock price measures (including but not limited to growth measures and total stockholder return);
- (4) Market share;
- (5) Earnings per Share (actual or targeted growth);
- (6) Earnings before interest, taxes, depreciation, and amortization (EBITDA);
- (7) Cash flow measures (including but not limited to net cash flow and net cash flow before financing activities);
- (8) Return measures (including but not limited to return on equity, return on average assets, return on capital, risk-adjusted return on capital, return on investors' capital and return on average equity);
- (9) Operating measures (including operating income, funds from operations, cash from operations, after-tax operating income, sales volumes, production volumes, and production efficiency);
- (10) Expense measures (including but not limited to overhead cost and general and administrative expense);
- (11) Margins;

- (12) Stockholder value;
- (13) Total stockholder return;
- (14) Proceeds from dispositions;

A-12

- (15) Production volumes;
 - (16) Total market value; and
 - (17) Corporate values measures (including but not limited to ethics compliance, environmental, and safety).
- c. Stock Options and SARs Exempt from Code section 409A. If the Administrator grants Options or SARs to Employees subject to U.S. taxation the Administrator may not modify or amend the Options or SARs to the extent that the modification or amendment adds a feature allowing for additional deferral within the meaning of Code section 409A.
16. No Effect on Employment or Service. Neither the Plan nor any Award will confer upon any Participant any right with respect to continuing the Participant's relationship as a Service Provider with the Company or any Parent or Subsidiary of the Company, nor will they interfere in any way with the Participant's right or the Company's or its Parent's or Subsidiary's right to terminate such relationship at any time, with or without cause, to the extent permitted by Applicable Laws.
17. Effective Date. The Plan's effective date is the date on which it is adopted by the Board, so long as it is approved by the Company's stockholders at any time within twelve (12) months of such adoption. Upon approval of the Plan by the stockholders of the Company, all Awards issued pursuant to the Plan on or after the Effective Date shall be fully effective as if the stockholders of the Company had approved the Plan on the Effective Date. If the stockholders fail to approve the Plan within one year after the Effective Date, any Awards made hereunder shall be null and void and of no effect.
18. Term of Plan. The Plan will terminate 10 years following the earlier of (i) the date it was adopted by the Board or (ii) the date it became effective upon approval by stockholders of the Company, unless sooner terminated by the Board pursuant to Section 19.
19. Amendment and Termination of the Plan.
- a. Amendment and Termination. The Board may at any time amend, alter, suspend or terminate the Plan.
 - b. Stockholder Approval. The Company will obtain stockholder approval of any Plan amendment to the extent necessary and desirable to comply with Applicable Laws.
 - c. Effect of Amendment or Termination. No amendment, alteration, suspension or termination of the Plan will impair the rights of any Participant, unless mutually agreed otherwise between the Participant and the Administrator, which agreement must be in writing and signed by the Participant and the Company. Termination of the Plan will not affect the Administrator's ability to exercise the powers granted to it hereunder with respect to Awards granted under the Plan prior to the date of such termination.
20. Conditions Upon Issuance of Shares.
- a. Legal Compliance. The Administrator may delay or suspend the issuance and delivery of Shares, suspend the exercise of Options or SARs, or suspend the Plan as necessary to comply Applicable Laws. Shares will not be issued pursuant to the exercise of an Award unless the exercise of such Award and the issuance and delivery of such Shares will comply with Applicable Laws and will be further subject to the approval of counsel for the Company with respect to such compliance.

- b. Investment Representations. As a condition to the exercise of an Award, the Company may require the person exercising such Award to represent and warrant at the time of any such exercise that the Shares are being purchased only for investment and without any present intention to sell or distribute such Shares if, in the opinion of counsel for the Company, such a representation is required.
21. Inability to Obtain Authority. The inability of the Company to obtain authority from any regulatory body having jurisdiction, which authority is deemed by the Company's counsel to be necessary to the lawful issuance and sale of any Shares hereunder, will relieve the Company of any liability in respect of the failure to issue or sell such Shares as to which such requisite authority will not have been obtained.

A-13

22. Repricing Prohibited: Exchange And Buyout of Awards. The repricing of Options or SARs is prohibited without prior stockholder approval. The Administrator may authorize the Company, with prior stockholder approval and the consent of the respective Participants, to issue new Option or SAR Awards in exchange for the surrender and cancellation of any or all outstanding Awards. The Administrator may at any time repurchase Options with payment in cash, Shares or other consideration, based on such terms and conditions as the Administrator and the Participant shall agree.
23. Substitution and Assumption of Awards.
