## ITEM 1. SECURITY AND ISSUES

This Amendment No. 6 on Schedule 13D (this Statement ) relates to the Common Stock, Par Value \$1 Per Share (the Common Stock ), of The Brink's Company, a Virginia corporation (the Issuer ), the principal executive offices of which are located at 1801 Bayberry Court, Richmond, Virginia 23226-8100. This Amendment No. 6 amends and restates in full each of the items set forth below. Terms not defined in this Amendment No. 6 shall have the respective meanings given to such terms in the Schedule 13D as originally deemed filed on February 6, 2004 ("Original 13D").

## ITEM 4. PURPOSE OF TRANSACTION

MMI Investments purchased the Shares as part of its investment activities. The Reporting Persons intend to review and evaluate the investment by MMI Investments in the Common Stock of the Issuer on an ongoing basis and may, depending upon their evaluation of the business and prospects of the Issuer, or such other considerations as they may deem relevant, determine to increase, decrease, or dispose of MMI Investments' holdings of Common Stock. As a part of such review and evaluation, the Reporting Persons may communicate with the Issuer's management, directors and other shareholders, including as described below.

On April 20, 2005, MMI Investments submitted to the Issuer's Board of Directors a letter and attachment, filed as Exhibit 2, hereto, discussing MMI's views concerning the desirability of the Issuer exiting BAX.

On December 15, 2006, MMI Investments submitted to the Issuer's Board of Directors the presentation, with attachments, filed as Exhibit 3 hereto concerning a then-intended stockholder value proposal by an unaffiliated stockholder of the Issuer. A copy of the cover letter used to transmit a copy of such presentation to the Board of Directors of the Issuer is filed as Exhibit 4 hereto.

On March 30, 2007, MMI Investments submitted to the Issuer's Board of Directors the presentation, with attachments, filed as Exhibit 5 hereto recommending that the Issuer consider a spin-off of one of its two business segments for the reasons described in such presentation. A copy of the letter, with related enclosure, used to transmit a copy of such presentation to the Board of Directors of the Issuer is filed as Exhibit 6 hereto.

On July 11, 2007, MMI Investments submitted to the Issuer's Board of Directors the letter, with attachments, filed as Exhibit 7 hereto presenting MMI's views concerning the potential desirability of a spin-off of one of its two business segments.

Other than as described in this Item 4, neither Reporting Person, nor, to the knowledge of each Reporting Person, any individuals listed on Schedule I, has any current plan or proposal that relates to or would result in any of the transactions or other matters specified in clauses (a) through (j) of Item 4 of Schedule 13D; provided that the Reporting Persons reserve the right to develop such plans or proposals.

**ITEM 5. INTEREST IN SECURITIES OF THE ISSUER**

(a)-(b) Based on 48,498,658 shares of Common Stock outstanding as of May 1, 2007, as reported in the Issuer's Form 10-Q filed on May 3, 2007 (which reflects issuances of Common Stock by the Issuer subsequent to the filing of Amendment No. 5 to the Original 13D), the Shares owned by MMI Investments represent approximately 8.3% of the outstanding Common Stock. MMI Investments has the sole power to direct the vote and disposition of such Shares on the date of this Statement. However, by virtue of being the general partner of MMI Investments, MCM may be deemed to be the beneficial owner of the Shares owned by MMI Investments and have sole power over the voting and disposition of such Shares as a result of its having the sole power to make voting and disposition decisions on behalf of MMI Investments with respect to such Shares.

Except for the Shares owned by MMI Investments, as of the date hereof, neither MCM nor, to MMI Investments' and MCM's knowledge, any of the persons listed on Schedule I, owns any Common Stock of the Issuer or has any right to acquire, directly or indirectly, any beneficial ownership of other Common Stock of the Issuer.

(c) There have been no transactions with respect to the Common Stock during the past 60 days by MMI Investments, MCM, or, to either Reporting Person's knowledge, any of the persons listed on Schedule I.

(d) No person other than MMI Investments is known to either Reporting Person to have the right to receive or the power to direct the receipt of dividends from or the proceeds from the sale of, any of the Shares referred to in Item 5(a) above.

(e) Not applicable.

**ITEM 7. MATERIAL TO BE FILED AS EXHIBITS**

See Exhibit Index appearing elsewhere herein, which is incorporated herein by reference.

**SIGNATURE**

After reasonable inquiry and to the best of my knowledge and belief, the undersigned certify that the information set forth in this statement is true, complete, and correct.

Pursuant to Rule 13d-1(k) (1) (iii) of Regulation 13D-G of the General Rules and Regulations of the Securities and Exchange Commission under the Securities Exchange Act of 1934, as amended, the undersigned agree that the attached statement is filed on behalf of each of them.

[MMI Investments, L.P. Letterhead]

July 11, 2007

The Board of Directors

c/o Mr. Michael T. Dan

Chairman, Chief Executive Officer and President

The Brink's Company

1801 Bayberry Court

Richmond, Virginia 23226-8100

Dear Members of the Board,

Last week BCO's largest competitor in security monitoring, Tyco, completed its long awaited spin-offs; in turn transforming itself into a virtual pureplay in security monitoring (with nearly 60% of its EBITDA derived from ADT and no more than 13% in any other business). The new Tyco currently trades at 10.2x calendar 2007 EBITDA (versus BCO at 6.6x). The Tyco spin follows the successful example of BCO's largest European competitor, Securitas, which spun-off its own security monitoring business, Securitas Direct, late last year. Securitas Direct currently trades at 9.7x 2007 EBITDA. Since the Securitas Direct spin-off there have also been two major strategic acquisitions in the security monitoring space (HSM Electronic and IASG) and one in cash-in-transit (ATI), all at robust valuations.

In contrast to this high level of strategic activity in its industries, BCO has taken no action despite repeated demands from stockholders. More than six months have passed since MMI presented the Board with its review of BCO's strategic alternatives to enhance stockholder value, and more than three months have passed since MMI refined that review to recommend a tax-free split-up of BCO as the best option. Our concerns now extend beyond maximizing BCO's value—we fear that the public markets are passing BCO by, to the potential detriment of all its stakeholders.

For the Board's benefit, we have enclosed herein updated analysis of a split-up of BCO's two subsidiaries, which includes an expanded comparable public company universe at more robust multiples than in our March 30, 2007 presentation. We continue to believe that the aggregate value of achieving the business purposes of a tax-free split-up would be worth more than \$79 per BCO share (an increase of 26% or more from today's closing stock price), but also note that this updated analysis suggests our expectations may be unduly conservative. As always, we are at your disposal to discuss the enclosed analysis.

Sincerely,

/s/ CLAY LIFFLANDER

Clay Lifflander
