**ITEM 7.01 REGULATION FD DISCLOSURE**

Charter Communications, Inc. (“Charter”) will post on its website today selected pro forma financial data of Charter for each quarter of 2005 and the first and second quarters of 2006. This pro forma data reflect the sales of assets in July 2005 to Rapid Communications, LLC and McDonald Investment Company, Inc. and the sales to Cebridge Connections, Inc., NewWave Communications, Orange Broadband Holding Company, LLC and Allegiance Communications, LLC in the third quarter of 2006 and the purchase of assets from Seren Innovations, Inc. in January of 2006 as if such transactions had occurred as of January 1, 2005 for the statement of operations data and other financial data and as if such transactions had occurred as of the last day of the respective period for the operating data.

The pro forma data does not include adjustments for financing transactions completed by Charter during the periods presented because those transactions did not impact Charter’s adjusted EBITDA or operating statistics presented. Charter is providing this pro forma data in advance of its third quarter earnings release to assist investors and analysts in their analysis of Charter’s operating results following the recent acquisitions and divestitures.

The pro forma information should be read in conjunction with our “Management’s Discussion and Analysis of Financial Condition and Results of Operations” and the historical consolidated financial statements and related notes in Charter’s annual report on Form 10-K for the fiscal year ended December 31, 2005 and Charter’s quarterly report on Form 10-Q for the fiscal quarter ended June 30, 2006 both of which were filed with the Securities and Exchange Commission (“SEC”) and are available on Charter’s website, [www.charter.com](http://www.charter.com), in the Investor Center in “SEC filings.”

The pro forma information is available on Charter’s website in the Investor Center under Other Financial Information.
