### EXPLANATORY NOTE

This Quarterly Report on Form 10-QSB/A ("Form 10-QSB/A") is being filed as Amendment No. 2 to the Registrant's Quarterly Report on Form 10-QSB filed with the Securities and Exchange Commission on May 20, 2002 ("Form 10-QSB") for the purpose of amending Part I, Item 1 and Part II, Item 6 of Registrant's Form 10-QSB. Specifically, we have made the following three changes: 1) on the Balance Sheet, the asset (merchant portfolio purchased from Northwest Systems, LLC) previously referred to as "Goodwill" has been renamed "Intangible Asset"; 2) on the Notes to Consolidated Financial Statements, Notes I and J have been updated; and 3) as an Exhibit, we have attached the Northwest Systems Merchant Portfolio Purchase Agreement. We have no further changes to the previously filed Form 10-QSB. All information in this Form 10-QSB/A is as of March 31, 2002, and does not reflect, unless otherwise noted, any subsequent information or events other than the changes mentioned above.

### INDEPENDENT ACCOUNTANT'S REPORT

To the Board of Directors  
Accesspoint Corporation  
Los Angeles, California

Members of the Board:

We have reviewed the accompanying consolidated balance sheet of Accesspoint Corporation and its subsidiaries ("the Company") as of March 31, 2002 and the related consolidated statements of operations, changes in stockholders' equity, and cash flows for the three month periods ended March 31, 2002 and 2001. These financial statements are the responsibility of the Company's management.

## Edgar Filing: ACCESSPOINT CORP /NV/ - Form 10QSB/A

We conducted our review in accordance with standards established by the American Institute of Certified Public Accountants. A review of interim financial information consists principally of inquiries of persons responsible for financial and accounting matters and analytical procedures applied to financial data. It is substantially less in scope than an audit in accordance with generally accepted auditing standards generally accepted in the United States of America, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to the accompanying consolidated financial statements in order for them to be in conformity with generally accepted accounting principles in the United States of America.

We previously audited in accordance with auditing standards generally accepted in the United States of America, the consolidated balance sheet as of December 31, 2001, and the related consolidated statements of operations, changes in stockholders' equity and cash flows for the year then ended (not presented herein), and in our report dated April 4, 2002 we expressed an unqualified opinion on those consolidated financial statements. In our opinion, the information set forth in the accompanying consolidated balance sheet as of December 31, 2001 is fairly stated in all material respects in relation to the consolidated balance sheet from which it has been derived.

As discussed in Note I to the financial statements the Company has corrected for various errors discovered on its March 31, 2002 financial statements. As discussed in Note K to the financial statements, the Company's Deferred Financing Costs should have been reported as \$6,326,381 with related amortization of \$316,319. These discoveries were made subsequent to the issuance of the financial statements. The financial statements have been restated to reflect these corrections. Note J discusses a subsequent event that occurred subsequent to May 16, 2002.

May 16, 2002, except for Notes I and K, as to which the date is July 29, 2002.

### ACCESSPOINT CORPORATION NOTES TO CONSOLIDATED FINANCIAL STATEMENTS MARCH 31, 2002 AND 2001

#### NOTE I - CORRECTIONS TO FINANCIAL STATEMENTS

On February 25, 2002, the Company purchased a portfolio of residual compensation identified as a merchant base held by Chase Merchant Services from another corporation. The purchase price was \$500,000, payable in installments starting February 27, 2002 and ending November 25, 2002. This transaction was not originally reported in the Company's financial statements. The merchant base is now recorded as an intangible asset at a cost of \$500,000 with a related remaining liability of \$300,000 added to the current portion of notes payable. An initial \$200,000 down payment was made through an advance on the company's line of credit, which resulted in an equal increase to the amount originally reported for the line of credit. Subsequent to March

31, 2002 this purchase was rescinded (see Note J).

The Company corrected an amount owed from a customer for clearing costs which resulted in an increase in accounts receivable and an equal decrease in cost of sales of \$57,734.

The Company corrected its residual payment accruals for an error on a vendor account which resulted in a reduction in the accrual and in cost of sales of \$48,653.

The Company corrected its cash balances for checks it voided that resulted in an increase in the cash balance and a decrease to general and administrative expenses of \$31,059.

The Company made additional immaterial corrections to various accounts as of March 31, 2002 that included interest, general and administrative, selling, and bad debt expenses and line of credit, cash, accounts receivable and accounts payable.

### NOTE J - SUBSEQUENT EVENTS

MERCHANTWAREHOUSE.COM - In April 2002, a former agent of the Company filed suit against the Company. The firm is claiming improper termination of agency agreement and has requested \$1,000,000. The Company has not had time to respond to the demand, however, it does not believe that the allegations have any merit. The claim asks for binding arbitration. It is not possible at this time to determine the outcome of the case or the possible loss. No amounts have been accrued in this matter.

PORTFOLIO PURCHASE - In July 2002, the Company rescinded its purchase agreement related to the purchase of a portfolio of residual compensation identified as a merchant base held by Chase Merchant Services from another corporation (see Note I). Accordingly the Company will book a receivable for its initial \$200,000 payment under the terms of the agreement and reverse its original entry to record the purchase
