ITEM 5.            OTHER EVENTS

The Company has received a letter from the American Stock Exchange (AMEX) which informed it that pursuant to an analysis of the Company's recent SEC filings, it has been determined that the Company's shareholder's equity has fallen below the required \$4,000,000 and has suffered losses in three out of four recent fiscal years. As such the AMEX has initiated a review of the Company's continued eligibility for listing on the American Stock Exchange and has requested certain information to support the Company's plan for addressing the compliance issues.

The Company's management has submitted a response to the AMEX and believes that it will be able to mitigate the deficiency in shareholder's equity and is dedicated to working with AMEX officials in order to maintain its listing on the exchange.
