| (b) | Security purchased on a delayed delivery basis.                                                                                                                                                                                                                                                                   |
| (c) | The issuer has filed for bankruptcy protection under Chapter 11. Income is not being accrued. As of August 31, 2004, the value of these securities amounted to \$731,365, which represents 0.4% of net assets.                                                                                                    |
| (d) | Security exempt from registration pursuant to Rule 144A under the Securities Act of 1933. These securities may be resold in transactions exempt from registration, normally to qualified institutional buyers. At August 31, 2004, these securities amounted to \$1,405,901, which represents 0.7% of net assets. |
| (e) | The Trust has been informed that this issuer has placed direct obligations of the U.S. Government in an irrevocable trust, solely for the payment of principal and interest.                                                                                                                                      |
| (f) | Variable rate security. The interest rate shown reflects the rate as of August 31, 2004.                                                                                                                                                                                                                          |
| (g) | A portion of the security with a market value of \$1,104,154 pledged as collateral for open future contracts                                                                                                                                                                                                      |
| (h) | Variable rate demand notes. These securities are payable upon demand and are secured by letters of credit or other credit support agreements from banks. The interest rates change periodically and the interest rates shown reflect the rates as of August 31, 2004.                                             |
| (i) | Cost for federal income tax purposes is \$177,854,684.                                                                                                                                                                                                                                                            |

At August 31, 2004, the Trust held the following open short futures contracts:

| Type                         | Value         | Aggregate<br>Face Value | Expiration<br>Date | Unrealized<br>Depreciation |
|------------------------------|---------------|-------------------------|--------------------|----------------------------|
| 10 - Year U.S. Treasury Note | \$ 32,346,000 | 32,244,515              | Dec - 2004         | \$ (101,485)               |
| U.S. Long Bond               | 15,027,187    | 14,823,143              | Dec - 2004         | (204,044)                  |
|                              |               |                         |                    | \$ (305,529)               |

Edgar Filing: COLONIAL INVESTMENT GRADE MUNICIPAL TRUST - Form N-Q

| Acronym | Name                       |

| AMT     | Alternative Minimum Tax    |
| IFRN    | Inverse Floating Rate Note |

**Item 2. Controls and Procedures.**

(a) The registrant's principal executive officer and principal financial officer, based on their evaluation of the registrant's disclosure controls and procedures as of a date within 90 days of the filing of this report, have concluded that such controls and procedures are adequately designed to ensure that information required to be disclosed by the registrant in Form N-Q is accumulated and communicated to the registrant's management, including the principal executive officer and principal financial officer, or persons performing similar functions, as appropriate to allow timely decisions regarding required disclosure.

(b) There were no changes in the registrant's internal control over financial reporting that occurred during the registrant's last fiscal quarter that has materially affected, or is reasonably likely to materially affect, the registrant's internal control over financial reporting.

**Item 3. Exhibits.**

Certifications pursuant to Rule 30a-2(a) under the Investment Company Act of 1940 (17 CFR 270.30a-2(a)) attached hereto as Exhibit 99.CERT.

---
