ITEM 7.01 REGULATION FD DISCLOSURE

Attached as Exhibit 99.1 is a copy of a press release, dated March 23, 2005, announcing Pacific Energy Partners, L.P. reports oil release on its Line 63 pipeline. In addition, on March 24, 2005, we issued a press release providing an update on the oil release. The press release is furnished as Exhibit 99.2 to this report.

In a press release dated February 2, 2005, we provided guidance for net income per unit for the first quarter of 2005 as well as the full year 2005. We are currently assessing the financial impact associated with the oil release described in Exhibits 99.1 and 99.2. It is unclear at this time as to whether the costs to be incurred, or a potential reduction in volumes, will have a material adverse impact on our net income.

The information in Item 7.01 of this report is being furnished, not filed, pursuant to Regulation FD. Accordingly, the information in Item 7.01 of this report will not be incorporated by reference into any registration statement filed by the Partnership under the Securities Act of 1933, as amended, unless specifically identified therein as being incorporated therein by reference.
