Item 1.01. Entry into a Material Definitive Agreement.

On September 30, 2005, Reliant Energy, Inc. (Reliant Energy or we) and Orion Power Holdings, Inc., a subsidiary of Reliant Energy (Seller), signed a Purchase and Sale Agreement (Sale Agreement) with Astoria Generating Company Acquisitions, L.L.C. (Buyer). Pursuant to the Sale Agreement, Buyer has agreed to buy subsidiaries of Seller that own three electric power generation facilities with a combined summer capacity rating of approximately 2,100 megawatts. The purchase price, subject to adjustment for changes in assumed working capital and capital expenditures, is \$975,000,000. In connection with the transaction, one of the subsidiaries has sold forward a two-year fixed for floating heat rate option to a financial institution for 1,100 megawatts (in March and April, 2006, 700 megawatts).

The closing of the transaction is subject to customary closing conditions, including the expiration of the waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, the approvals of the Federal Energy Regulatory Commission and the New York State Public Service Commission, and the satisfaction of specified conditions in the Buyer's commitment letter for debt financing.

Subject to the satisfaction of closing conditions, the transaction is expected to close in the first quarter of 2006. Reliant Energy expects to record a pre-tax loss of approximately \$160 million on the sale in the third quarter of 2005. For accounting purposes, the New York City assets, along with the debt required to be repaid, will be treated as discontinued operations beginning in the third quarter of 2005.

Madison Dearborn Capital Partners IV, L.P and US Power Generating Company, LLC own the equity interests of Buyer. Other than in respect of the Sale Agreement, there are no material relationships between the Seller and its affiliates and the Buyer and its affiliates.

The summary description of the transaction is qualified by reference to the Sale Agreement, which is filed as an exhibit to this report.

Item 9.01. Financial Statements and Exhibits.
