**Item 1.01 Entry into a Material Definitive Agreement**

OfficeMax Incorporated (the Company) has a Director Stock Compensation Plan (the Plan) under which non-employee directors may elect to receive their cash compensation for service on the Company's board in the form of discounted stock options. As a result of negative tax consequences for discounted stock option programs arising under recently enacted Internal Revenue Code Section 409(a), on October 20, 2005, the Executive Compensation Committee of the board determined that the six directors who in December 2004, elected to receive discounted stock options under the Plan for their compensation in 2005 should be offered the opportunity to elect one of the two other compensation options that were originally offered to all directors at the end of 2004, (1) electing to participate in the 2005 Directors Deferred Compensation Plan or (2) electing to receive the compensation in cash.
