Compensation of Directors

Except with regard to Special Committee meetings discussed below and as noted with respect to Mr. Maudlin, in 2005, each non-employee director was paid an annual retainer of \$15,000, paid quarterly; \$1,500 for each Board meeting attended in person or \$1,000 for each Board meeting participated in by means of conference telephone; \$1,500 for each Audit Committee meeting attended in person (other than an Audit Committee meeting held on the same date as a Board meeting); \$1,000 for each Audit Committee meeting held on the same date as a Board meeting or participated in by means of conference telephone; \$1,250 for each non-Audit Committee meeting attended in person (other than a non-Audit Committee meeting held on the same date as a Board meeting); and \$750 for each non-Audit Committee meeting held on the same date as a Board meeting or participated in by means of conference telephone. The chairman of the Audit Committee received an additional annual retainer fee of \$4,000 and the chairman of each non-Audit Committee received an additional annual retainer fee of \$3,000. Commencing June 1, 2005, Mr. Maudlin, Mr. English and Mr. Berce each received a monthly retainer of \$4000 for participation in meetings of a Special Committee of the Board established to consider certain financial issues of the Company. Effective March 1, 2005, Mr. Maudlin received a monthly retainer of \$5000, in recognition of his role as Chairman of the Board and in lieu of receiving the annual retainer, paid quarterly, to non-employee directors.

In 1993, the Company established a Director Share Purchase Program (the Program) to encourage ownership of its Common Stock by its directors. Under the program, each non-employee director can elect to forego receipt of annual retainer and meeting fees in cash and, in lieu thereof, receive shares of Common Stock having a market value at the date of issuance equal to the cash payment.

In 1995, the Company established a Non-Employee Director Stock Option Plan (the Director Plan). The purpose of the Director Plan is to promote the success of the Company by attracting and retaining non-employee directors by supplementing their cash compensation and providing a means for such directors to increase their holdings of Common Stock. The Company believes it is important that the interest of the directors be aligned with those of its shareholders and that the Director Plan strengthens that link. The Director Plan provides for an automatic initial grant of options to purchase 15,000 shares of Common Stock, at market value on date of grant, to a non-employee director upon his or her initial election as a member of the Board. The Director Plan also provides for the automatic grant of an option to purchase 15,000 shares of Common Stock, at market value on the date of grant, each time a non-employee director is re-elected as a member of the Board. The Director Plan terminated on August 23, 2005.

Employment and Other Agreements

Each of Messrs. Paul F. McConnell, John C. Prior, Thomas Axmacher, W. Leroy McKinley and Andrew C. Walk (each an Officer and together, the Officers) has or has had an employment agreement with the Company (an Employment Agreement). Mr. Axmacher's Employment Agreement was superseded by a Settlement and Separation Agreement (the Settlement Agreement) dated March 22, 2006. The terms of the Settlement Agreement are set forth separately below.

Except as noted, the Employment Agreements are on substantially identical terms. Under the Employment Agreements, each Officer receives an annual base salary and is entitled to participate in any incentive compensation program in effect from time to time for executives of the Company. The annual base salary of each of the Officers under his or her Employment Agreement as of December 31, 2005 was as follows: Mr. McConnell \$425,000, Mr. Prior \$325,000, Mr. McKinley \$220,000, Mr. Axmacher \$290,000 and Mr. Walk \$230,000. The salary under each Employment Agreement is subject to annual review and increase by the Compensation Committee. Except for Mr. Walk's Employment Agreement and Mr. McConnell's Employment Agreement, each Employment Agreement has an initial term of one year and renews automatically for additional one-year periods unless notice of termination is given at least three months prior to renewal. Mr. Walk's Employment Agreement has an initial term of one year and renews automatically for additional one-year periods unless notice of termination is given at least 30 days prior to renewal. Mr. McConnell's Employment Agreement has an initial term of three years and renews automatically for additional one-year periods unless notice of termination is given at least 30 days prior to renewal. Mr. McConnell's agreement provides for a \$400,000 (100%) bonus guaranteed for the first year of his employment. Mr. Walk's Employment Agreement provides that he would receive a non-qualified stock option to purchase 50,000 shares of the Company's common stock pursuant to the Company's 2001 Broad-Based Stock Incentive Plan.

The Company may terminate each Employment Agreement at any time with or without cause upon 30 days' prior written notice to the Officer, and the Officer may terminate the Employment Agreement at any time upon 30 days' prior written notice to the Company.

Except as noted below for Mr. Walk and Mr. McConnell, in the event the Company terminates the Employment Agreement without cause prior to a change of control or elects not to renew, the Officer will be entitled to receive a lump sum severance payment equal to the Officer's then current base salary plus the arithmetic average of payments made to the Officer pursuant to the Company's Executive Bonus Compensation Program with respect to the three years immediately preceding the fiscal year in which the date of termination occurs. Mr. Walk's Employment Agreement provides that under such circumstances, he would be entitled to receive a lump sum severance payment equal to six months of his then current base salary plus a pro-rated bonus based on his performance in the fiscal year in which termination occurs. Mr. McConnell's agreement provides that if termination of his employment occurs after April 23, 2005 but prior to April 23, 2007, his severance payment shall equal his then current base salary plus the arithmetic average of payments made to him with respect to the years in which he was employed by the Company. In addition, to the extent not otherwise required under the Company's stock option plan, any unvested stock option awards that would have vested during the twelve-month period following the date of termination of the Employment Agreement shall vest and become immediately exercisable in full.

Except for Mr. Walk, if the Employment Agreement is terminated (or not renewed) by the Company without cause or by the Officer for good reason during the twelve-month period immediately following a change in control (or is terminated or not renewed prior to a change in control at the request or insistence of any person in connection with a change in control), the Officer shall be entitled to a lump sum severance payment equal to the product of two times the sum of the then current annual base salary plus the arithmetic average of payments made to the Officer pursuant to the Company's Executive Bonus Compensation Program with respect to the three fiscal years immediately preceding the fiscal year in which the date of termination occurs. Mr. Walk's Employment Agreement provides that under such circumstances, he would be entitled to receive a lump sum severance payment equal to his then current base salary plus a pro-rated bonus based on his performance in the fiscal year in which termination occurs. In addition, to the extent not otherwise required under the Company's stock option plan, any unvested stock option awards received by the Officer shall vest and become immediately exercisable in full.

Except for Mr. Walk, the Employment Agreement also restricts the Officer from competing with the Company under certain circumstances during the Officer's employment with the Company and for a period of two years thereafter. Mr. Walk's Employment Agreement provides for such restrictions during the term of his employment with the Company and for a period of one year thereafter.

Additional Terms of Mr. McConnell's Employment Agreement

In addition, Mr. McConnell received \$3.5 million in cash and stock stay bonuses, subject to certain conditions. \$1.5 million of this stay bonus shall be paid in cash on April 23, 2007,

subject to his remaining continuously employed by the Company until such date. However, such payment shall be accelerated if prior to such date, a person or entity which is not then controlling, controlled by or under common control with the Company acquires (i) all or substantially all of the assets of the Company, or (ii) common stock of the Company (other than from the Company), with the effect that after such acquisition of stock, such person or entity holds an aggregate amount of common stock of the Company greater than 50% of the then outstanding Company common stock (a Bonus Acceleration Event). If either of these events occur, such cash stay bonus shall become due and payable within 5 business days of such event.

Notwithstanding the above, Mr. McConnell's stay bonus shall not be accelerated in the event that Mr. McConnell is terminated for cause, and payment of such stay bonus shall not be accelerated in connection with any issuance of any security by the Company. However, if prior to April 23, 2007, a Bonus Acceleration Event occurs and during the twelve month period immediately following the Bonus Acceleration Event, Mr. McConnell's employment with the Company is terminated (or not renewed) by the Company without cause, or by Mr. McConnell because he was assigned duties inconsistent with his position or his base salary was decreased, then such stay bonus shall become due and payable within 5 business days of such termination of employment.

The remaining \$2.0 million of stay bonus is an award of 157,604 restricted stock units, one third of which will vest on April 23, 2005, with the balance vesting in equal quarterly installments on the last date of each of the eight successive three-month periods following April 23, 2005. In addition, pursuant to his employment agreement, Mr. McConnell purchased certain shares of the Company's Common Stock in the open market. These shares are subject to lockup restrictions and can only be transferred under limited circumstances during the lockup period. Half of such shares shall be subject to this lockup restriction until 30 days after April 23, 2005, and the other half shall be subject to this lockup restriction until 30 days after April 23, 2006. In addition to the other exceptions provided in his employment agreement for transferring such shares during this lockup period, Mr. McConnell may sell or otherwise transfer such shares during the lockup period if his employment with the Company is terminated for any reason, other than for cause.

Terms of Mr. Axmacher's Settlement Agreement

Mr. Axmacher's Settlement Agreement provides that Mr. Axmacher shall remain in the active employ of the Company as Executive Vice President Finance and Chief Financial Officer until April 30, 2006. Under the Agreement, Mr. Axmacher will perform the duties of the foregoing position and such other duties as may reasonably be directed by the Chief Executive Officer. Under the Settlement Agreement, Mr. Axmacher's employment with the Company will be terminated on April 30, 2006 unless sooner terminated by reason of the Executive's death, voluntary resignation or involuntary termination for Cause (as defined in his former Employment Agreement). During the term of his employment through April 30, 2006, Mr. Axmacher continued to receive his annual base salary of \$290,000 in effect under his prior Employment Agreement in bi-weekly installments, reduced by applicable employment withholdings, and employment benefits on the same basis as in effect under his prior Employment Agreement.

The Settlement Agreement contains waivers and releases by Mr. Axmacher of claims against the Company prior to the effective date of the Agreement. In addition, the Settlement Agreement provides that, if Mr. Axmacher remains in the continuous employ of the Company until April 30, 2006, or if the Company terminates his employment prior to April 30, 2006 without Cause, the Company shall deposit with an escrow agent a settlement payment in a cash lump-sum equal to \$300,000 plus accrued vacation, less applicable employment withholdings (collectively, the Settlement Payment) on May 1, 2006. Under the terms of the Escrow Agreement, the Settlement Payment shall be paid to Mr. Axmacher upon his execution of a waiver and release in the form attached to the Settlement Agreement, provided that the Company has not issued to the escrow agent a notice of dispute concerning payment of the Settlement Payment. If notice of dispute is issued by the Company, the Settlement Payment shall not be made until the parties deliver to the escrow agent notice that the dispute has been resolved. The Settlement Agreement further provides that the Company shall obtain a letter of credit in favor of the foregoing escrow agent in the amount of the Settlement Payment pursuant to which the escrow agent may draw down payment in the event the Company fails to make the Settlement Payment in accordance with the terms of the Settlement Agreement. The Settlement Agreement provides that if Mr. Axmacher is required to return the Settlement Payment after his receipt thereof, his waiver and release of claims shall not include any claim he may have for amounts due pursuant to his prior the Employment Agreement with the Company.

Compensation Committee Interlocks and Insider Participation

The members of the Compensation Committee during 2005 consisted of Messrs. Auerbach, Berce and English (who replaced Mr. Maudlin as Chair of the Compensation Committee in March 2005). Mr. Maudlin served as President of the Company from October 1985 through December 1986. In December 2001, the Company loaned Mr. Maudlin \$133,683. In January 2002, the Company loaned Dr. Auerbach \$77,495. Each of the loans represented 80% of the aggregate exercise price payable to the Company by the directors in connection with an exercise of certain Company stock options. As of March 1, 2005, all of such loans had been fully repaid. See [Certain Transactions](#) for more information about these loans.

Item 12. Security Ownership of Certain Beneficial Owners and Management and Related Stockholder Matters

The following table summarizes the Company's equity compensation plans as of December 31, 2005:

EQUITY COMPENSATION PLAN INFORMATION

Plan Category	Number of securities to be issued upon exercise of outstanding options, warrants and rights (a)	Weighted average exercise price of outstanding options, warrants and rights (b)	Number of securities remaining available for future issuance under equity compensation plans (excluding securities reflected in column (a)) (c)
Equity compensation plans approved by security holders	1,490,137 \$	9.87	1,311,390(i)
Equity compensation plans not approved by security holders	1,022,808(ii) \$	12.14	338,953(iii)
Total	2,512,945 \$	10.86	1,650,343

(i) This number includes 1,214,891 shares under the 2000 Stock Incentive Plan and 96,499 shares under the 1995 Non-Employee Director Plan.

(ii) This number includes 956,808 securities under the 2001 Broad-Based Stock Incentive Plan (the 2001 Plan) and 66,000 securities under the non-plan employee option agreements.

(iii) This number reflects 338,953 shares under the 2001 Plan.

The 2001 Plan. Under the 2001 Broad-Based Stock Incentive Plan (the Plan), the Company can grant options, stock appreciation rights (SAR), restricted stock, restricted stock units, performance awards, other stock grants or other stock-based awards. The total number of shares of common stock authorized to be granted pursuant to Awards (as defined in the Plan, not incentive stock options) granted under the Plan is 2,000,000. As of December 31, 2005, options to purchase an aggregate of 956,808 shares of the Company s common stock were outstanding under the Plan. Any employee, officer, consultant, independent contractor and non-employee directors providing services to the Company or any of its affiliates is eligible to receive awards under the Plan. The Plan is administered by the Compensation Committee of the Board of Directors (the Committee). The Committee shall not have the authority to grant Awards to

officers and directors in an aggregate amount that equals or exceeds fifty percent (50%) of the common stock authorized to be granted pursuant to Awards granted under the Plan. No awards may be granted under the Plan after July 30, 2011. The exercise price per share under any stock option, the grant price of any SAR, and the purchase price of any security which may be purchased under any other stock-based award shall not be less than 100% of the fair market value of the Company's common stock on the date of grant of such option, SAR or award.

The Plan provides that the Committee may grant reload options, separately or together with another option, and may establish the terms and conditions of such reload options. Pursuant to a reload option, the optionee would be granted a new option to purchase the number of shares not exceeding the sum of (i) the number of shares of common stock tendered as payment upon the exercise of the option to which such reload option relates, and (ii) the number of shares of the Company's common stock tendered as payment of the amount to be withheld under income tax laws in connection with the exercise of the option to which such reload option relates. Reload options may be granted with respect to options granted under any stock option plan of the Company.

The holder of restricted stock may have all of the rights of a shareholder of the Company, including the right to vote the shares subject to the restricted stock award and to receive any dividends with respect thereto, or such rights may be restricted as the Committee imposes. Restricted stock may not be transferred by the holder until any restrictions established by the Committee have lapsed. Upon termination of the holder's employment during the restriction period, restricted stock and restricted stock units are forfeited, unless the Committee determines otherwise.

If any dividend or other distribution, recapitalization, stock split, reverse stock split, reorganization, merger, consolidation, split-up, spin-off, combination, repurchase, or exchange of shares of common stock or other securities of the Company or other similar corporate transaction or events affects the shares of common stock such that an adjustment is appropriate in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan or under an award, the Committee may, in such manner as it deems equitable or appropriate in order to prevent such dilution or enlargement of any such benefits or potential benefits, adjust any or all of (a) the number and type of shares (or other securities or property) which thereafter may be made the subject of awards, (b) the number and type of shares (or other securities or property) subject to outstanding awards, and (c) the purchase or exercise price with respect to any award.

The Board of Directors may amend, alter, suspend, discontinue or terminate the Plan at any time, provided that no such amendment, alteration, suspension, discontinuation or termination shall be made that would violate the rules or regulations of the NASDAQ National Market or of any securities exchange applicable to the Company.

The Non-Plan Option Agreements. Free-standing options granted include options issued as an inducement for new hires and/or in connection with new hires associated with acquisitions by the Company. These options are issued pursuant to Non-Qualified Stock Option Agreements. These options terminate 10 years after the effective date of the grant, unless earlier

terminated upon termination of employment, death or disability. Upon termination or employment, death or disability, the employee will, in certain circumstances, get an additional period of months following such event to exercise the options to the extent of the full number of shares the employee was entitled to purchase on the date of such event. The options generally become exercisable after one year with respect to one-third of the shares with the balance of the shares becoming exercisable in equal installments on the last day of each of the eight successive three-month periods following the initial exercisability date, and are not transferable or assignable by the employees that receive the grant. The exercise price per share varies and is specified in the individual Non-Qualified Stock Option Agreements.

In some cases, the non-plan Non-Qualified Stock Option Agreements and agreements under the 2001 Plan may contain provisions that restrict the activities of the employee once the term of employment is over. These restrictions include restrictions on the former employee's ability to compete with the Company for up to one year with respect to certain activities and restrictions on the former employee's ability to hire or contract for services with any employees for former employees of the Company.

Item 13. Certain Relationships and Related Transactions

CERTAIN TRANSACTIONS

Edgar Filing: CURATIVE HEALTH SERVICES INC - Form 10-K/A

In December 2001 and January 2002, in order to encourage the executive officers of the Company to increase their equity stake in the Company, the Board of Directors offered to accelerate the exercisability of certain options held by executive officers (provided that the underlying shares could not be sold until such time, if any, as the option would have become exercisable under its original terms) and to provide the directors and officers with loans to cover 80% of the aggregate exercise price of any options they elected to exercise. Under this program, in December 2001 Mr. Maudlin borrowed \$133,683. In 2002, Dr. Auerbach borrowed \$77,495, Mr. Prior borrowed \$600,870, Mr. Mckinley borrowed \$245,345 and Mr. Axmacher borrowed \$103,795 to fund 80% of the exercise price of certain options. All of these loans bore interest at an annual rate of 2.46% and matured three years from the date of origination, provided that, to the extent that any of the shares acquired pursuant to the exercise of the related option were sold, the proceeds of that sale must be used to repay the principal and interest due on the loan. As of March 1, 2005, all of such loans had been repaid in full.

In connection with the acquisition by the Company of all of the outstanding stock of Critical Care Systems, Inc. in April 2004 (the Acquisition), the Company made certain purchase price payments to the stockholders of Critical Care Systems, Inc., and also paid a portion of the purchase price into an escrow account, to be released to the such stockholders, subject to certain net working capital purchase price adjustment and indemnification obligations of such stockholders, all pursuant to the Stock Purchase Agreement entered into among the Company, Critical Care Systems, Inc. and such stockholders. Mr. McConnell and Mr. Vollmer were stockholders of Critical Care Systems, Inc. and Mr. Walk held an interest in Inland Solutions LLC, which was also a stockholder of Critical Care Systems, Inc.
