PACIFIC PREMIER BANCORP, INC.

**PROXY STATEMENT
ANNUAL MEETING OF STOCKHOLDERS
May 31, 2006**

Solicitation and Voting of Proxies

This Proxy Statement is being furnished to stockholders of Pacific Premier Bancorp, Inc. (the Company) in connection with the solicitation by the Board of Directors of the Company (Board of Directors or Board) of proxies to be used at the Annual Meeting of Stockholders (the Annual Meeting) and all postponements or adjournments of the Annual Meeting. The Annual Meeting will be held on May 31, 2006 at 9:00 a.m., Pacific Time, at the corporate headquarters of Pacific Premier Bank located at 1600 Sunflower Avenue, Costa Mesa, California. The 2005 Annual Report to Stockholders, including consolidated financial statements for the fiscal year ended December 31, 2005, accompanies this Proxy Statement, which is first being mailed to record-holders of the Company's common stock (the Common Stock) on or about May 5, 2006.

Regardless of the number of shares of Common Stock owned, it is important that record-holders of a majority of the shares be represented by proxy or present in person at the Annual Meeting. Stockholders are requested to vote by completing the enclosed proxy card and returning it, signed and dated, in the enclosed postage-paid envelope or by voting by telephone or the Internet per the instructions on the proxy card. Proxies solicited by the Board of Directors will be voted in accordance with the directions given therein. Where no instructions are indicated, the proxy will be voted FOR the election of the nominees for director named in this proxy statement and FOR the ratification of the appointment of Vavrinek, Trine, Day & Co., LLP as independent auditors of the Company for the fiscal year ended December 31, 2006. The telephone and Internet voting facilities will close at 12 midnight, Pacific Time, on May 30, 2006.

Other than the matters set forth on the attached Notice of Annual Meeting of Stockholders, the Board of Directors knows of no additional matters that will be presented for consideration at the Annual Meeting. Execution of a proxy, however, confers on the designated proxy committee of the Board discretionary authority to vote the shares in accordance with their best judgment on such other business, if any, which may properly come before the Annual Meeting and at any adjournments thereof.

A proxy may be revoked at any time prior to its exercise by (i) filing a written notice of revocation with the Secretary of the Company (mailed to the attention of John Shindler, Corporate Secretary, Pacific Premier Bancorp, Inc., 1600 Sunflower Avenue, Costa Mesa, California 92626); (ii) filing a later dated proxy; or (iii) attending the Annual Meeting and voting in person. However, if you are a stockholder whose shares are not registered in your own name, you will need appropriate documentation from your record-holder to vote at the Annual Meeting.

The cost of solicitation of proxies on behalf of the Board will be borne by the Company. In addition to the solicitation of proxies by mail, American Stock Transfer and Trust Company, a proxy solicitation firm, will assist the Company in soliciting proxies for the Annual Meeting and will be paid a fee of \$3,500, plus out-of-pocket expenses. Directors, officers and other employees of the Company and its subsidiary, Pacific Premier Bank (the Bank), may also solicit proxies personally or by telephone, without additional compensation therefore. The Company will also request persons, firms and corporations holding shares in their names, or in the names of their nominees, which are beneficially owned by others, to send proxy material to and obtain proxies from such beneficial owners and will reimburse such holders for their reasonable expenses in doing so.

Voting Securities

The Board of Directors has fixed the close of business on March 31, 2006 as the record date (the "Record Date") for the determination of stockholders of record entitled to notice of and to vote at the Annual Meeting and at any adjournments thereof. The securities that may be voted at the Annual Meeting are the issued and outstanding shares of Common Stock of the Company as of the Record Date, with each share entitling its owner to one vote on all matters to be voted on at the Annual Meeting. There is no cumulative voting for the election of directors. The total number of shares of Common Stock outstanding on the Record Date was 5,265,988 shares.

As provided in the Company's Certificate of Incorporation, record-holders of Common Stock who beneficially own in excess of 10% of the outstanding shares of Common Stock (the "Limit") are not entitled to any vote in respect of the shares held in excess of the Limit. A person or entity is deemed to beneficially own shares owned by an affiliate of, as well as, by persons acting in concert with, such person or entity. The Company's Certificate of Incorporation authorizes the Board of Directors (i) to make all determinations necessary to implement and apply the Limit, including determining whether persons or entities are acting in concert and (ii) to demand that any person who is reasonably believed to beneficially own stock in excess of the Limit supply information to the Company to enable the Board of Directors to implement and apply the Limit.

The presence, in person or by proxy, of the holders of at least a majority of the total number of shares of Common Stock entitled to vote (after subtracting any shares in excess of the Limit pursuant to the Company's Certificate of Incorporation) is necessary to constitute a quorum at the Annual Meeting. Abstentions and broker "non-votes" are counted as present for purposes of determining whether a quorum exists. A broker "non-vote" occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received voting instructions from the beneficial owner. In the event there are not sufficient votes for a quorum or to approve or ratify any proposal at the time of the Annual Meeting, the Annual Meeting may be adjourned in order to permit the further solicitation of proxies.

As to the election of the directors set forth in Proposal 1, the proxy card being provided by the Board of Directors enables a stockholder (i) to vote FOR the election of the nominees proposed by the Board of Directors or (ii) to WITHHOLD authority to vote for the nominees being proposed. Under Delaware law and the Company's Bylaws, directors will be elected by a plurality of votes cast, without regard to proxies as to which authority to vote for the nominee being proposed is withheld. The two persons who receive the greatest number of votes of the holders of the Common Stock cast at the Annual Meeting will be elected directors of the Company.

The affirmative vote of a majority of the votes cast by the holders of common stock present, in person or by proxy, and entitled to vote thereon, is required to ratify the appointment of Vavrinek, Trine, Day & Co., LLP ("VTD") as the Company's independent auditors for fiscal year ended December 31, 2006, and to approve any other matter properly submitted to stockholders for their consideration at the Annual Meeting. Abstentions may be specified on each of these proposals. Shares that are voted as abstaining on the ratification of the appointment of the Company's independent auditors will be treated as shares present and entitled to vote that were not cast in favor of such proposal, and thus will be counted as votes against such proposal. Under the rules of the New York Stock Exchange, the proposals for the election of directors and to ratify the appointment of VTD are considered "routine" matters upon which brokerage firms may vote in their discretion and for which there will not be any broker "non-votes".

Proxies solicited hereby will be returned to the Company's transfer agent, American Stock Transfer and Trust Company, and will be tabulated by inspectors of election designated by the Board of Directors, who will not be employed by, or be directors of, the Company or any of its affiliates. After the final adjournment of the Annual Meeting, the proxies will be returned to the Company for safekeeping.

Security Ownership of Certain Beneficial Owners

The following table sets forth information as to those persons believed by management to be beneficial owners of more than 5% of the Company's outstanding shares of Common Stock on the record date or as represented by the owner or as disclosed in certain reports regarding such ownership filed by such persons with the Company and with the Securities and Exchange Commission (SEC), in accordance with Sections 13(d) and 13(g) of the Securities Exchange Act of 1934, as amended (the Exchange Act). Other than those persons listed below, the Company is not aware of any person, as such term is defined in the Exchange Act, that beneficially owns more than 5% of the Company's Common Stock as of the Record Date.

| Title of Class | Name and Address of Beneficial Owner | Amount and Nature of Beneficial Ownership | Percent of Class(1) |
|-----------------------|---|--|----------------------------|
| Common Stock | Wellington Management Company, LLP 75 State Street Boston, MA 02109 | 478,100 (2) | 9.079 % |

(1) Based on 5,265,988 shares of Common Stock outstanding on the Record Date.

In the event that any of the nominees is unable to serve or declines to serve for any reason, it is intended that the proxies will be voted for the election of such other person as may be designated by the present Board of Directors. The Board of Directors has no reason to believe that the persons named will be unable or unwilling to serve. Unless authority to vote for the nominees is withheld, it is intended that the shares represented by the enclosed proxy card, if executed and returned, will be voted FOR the election of the nominees proposed by the Board of Directors.

The Board of Directors unanimously nominated all persons standing for election as director. No person being nominated as a director is being proposed for election pursuant to any agreement or understanding between any such person and the Company. Officers, directors and greater than ten percent stockholders of the Company are required by SEC regulation to furnish the Company with copies of all Section 16(a) forms they file.

Based solely on a review of copies of such reports of ownership furnished to the Company, or written representations that no forms were necessary, the Company believes that each of the officers, directors and greater than ten percent stockholders of the Company have complied with all filing requirements that are applicable to them under Section 16(a) during the past fiscal year.

Board of Directors Meetings, Board Committees and Compensation of Directors

The Board of Directors of the Company conducts its business through meetings of the Board of Directors and through activities of its committees. The Board of Directors of the Company meets monthly and may have additional special meetings upon the request of the Chairman of the Board. Pursuant to applicable Nasdaq National Market requirements, the Board of Directors has affirmatively determined that the following members of the Board of Directors are independent within the meaning of such rule: Sam Yellen, Ronald G. Skipper, Kenneth A. Boudreau, Michael L. McKennon, John D. Goddard and Kent G. Snyder. As such, and pursuant to applicable Nasdaq National Market requirements, a majority of the members of the Board of Directors is independent as so defined. During the year ended December 31, 2005, the Board of Directors of the Company held 12 meetings. Each of the directors of the Company attended at least 90% of the total number of the Company's Board meetings held and committee meetings on which such directors served during 2005, with the exception of Mr. Yellen who attended 75%

of the meetings and Mr. Boudreau who became a director in December 2005. Directors are encouraged to attend the Annual Meeting. Messrs. Goddard, Yellen, and Boudreau were not present at the last annual meeting of stockholders. All other directors were present.

It is the Company's policy that the independent directors of the Company meet in executive sessions without management at least twice on an annual basis in conjunction with regularly scheduled board meetings. Executive sessions at which the independent directors meet with the Chief Executive Officer also may be scheduled.

The Board of Directors of the Company maintains committees; the nature and composition of which are described below:

Audit Committee. In February 2004, the Chairman of the Board of Directors appointed Messrs. McKennon, Snyder and Yellen to constitute the Audit Committee. The members of the committee accepted their appointment and the Board of Directors approved the appointments. The Audit Committee is responsible for selecting and communicating with the independent auditors, reporting to the Board on the general financial condition of the Company and the results of the annual audit, and ensuring that the Company's activities are being conducted in accordance with applicable laws and regulations. The Audit Committee and the internal auditor of the Company met five times during 2005.

No member of the Audit Committee receives any consulting, advisory or other compensation fee from the Company other than fees for service as member of the Board of Directors, committee member or officer of the Board. Each of the Audit Committee members is considered independent under the listing standards of the Nasdaq National Market and rules of the SEC. The Board of Directors has determined that Mr. Yellen satisfies the requirements established by the SEC for qualification as an audit committee financial expert. The Audit Committee operates pursuant to a written charter, a copy of which was filed as an exhibit to the 2003 proxy statement.

Report of the Audit Committee. **The report of the Audit Committee shall not be deemed incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933, as amended (the Securities Act), or the Exchange Act, except to the extent that the Company specifically incorporates this information by reference, and shall not otherwise be deemed filed under such Acts.**

The Audit Committee has reviewed and discussed the audited financial statements for fiscal year 2005 with management and with the independent auditors. Specifically, the Audit Committee has discussed with the independent auditors the matters required to be discussed by SAS 61, as amended (Codification of Statements on Auditing Standards, AU Section 380), which includes, among other things:

- Methods used to account for significant unusual transactions;
- The effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus;
- The process used by management in formulating particularly sensitive accounting estimates and the basis for the auditor's conclusions regarding the reasonableness of those estimates; and
- Disagreements with management over the application of accounting principles, the basis for management's accounting estimates and the disclosures in the financial statements.

The Audit Committee has received the written disclosures and the letter from the Company's independent accountants, VTD, required by Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committee*. Additionally, the Audit Committee has discussed with VTD, the issue of its independence from the Company. Based on its review of the audited financial statements and the various discussions noted above, the Audit Committee recommended to the Board of Directors that the

audited financial statements be included in the Company's Annual Report on form 10-K for the fiscal year ended December 31, 2005. The Audit Committee also recommended the appointment of VTD as the Company's independent accountants for the year ending December 31, 2006.

The Nominating Committee has adopted a written charter. A copy of the charter and the Company's Corporate Governance policy can both be found on the Company's website at *www.PPBI.net* under the investor relations tab.

The Nominating Committee considers candidates for director suggested by its members and other directors of the Company, as well as management and stockholders. The Nominating Committee also considers nominees submitted pursuant to the provisions of the Company's Bylaws relating to stockholder nominations. The Nominating Committee has authority to retain a third-party search firm to identify or evaluate, or assist in identifying and evaluating, potential nominees if it so desires, although it has not done so to date.

In evaluating nominees for director, the Nominating Committee considers such other relevant factors as it deems appropriate, including the current composition of the Board, the need for Audit Committee expertise, the director qualification guidelines set forth in the Company's Corporate Governance Policy and the evaluations of other prospective nominees. In connection with this evaluation, the Nominating Committee determines whether to interview the prospective nominee, and if warranted, one or more members of the Nominating Committee, in concert with the Company's Chief Executive Officer, interviews prospective nominees in person or by telephone. After completing its evaluation, the Nominating Committee makes a recommendation to the full Board as to the persons who should be nominated by the Board, and the Board determines the nominees after considering the recommendation and report of the Nominating Committee.

Any stockholder nominations for director should include the nominee's name and qualifications for membership on the Board of Directors and be delivered to the Company's Corporate Secretary, Pacific Premier Bancorp, 1600 Sunflower Avenue, Costa Mesa, California 92626. In addition the Bylaws of the Company permit stockholders to nominate directors for consideration at an annual meeting of stockholders. See Additional Information. The Company did not receive any stockholder nominations for director for the Annual Meeting.

Compensation Committee. The Compensation Committee of the Company is comprised of Messrs. Skipper, Snyder and Goddard for 2005, each of whom is independent as defined under Nasdaq National Market listing standards. The Compensation Committee held one meeting during 2005, at which all members were present. The Compensation Committee (i) has oversight responsibility for the Bank's compensation policies, benefits and practices, (ii) reviews and the Chief Executive Officer's recommendations concerning individual incentive awards of officers directly reporting to him, (iii) approves all stock option and restricted stock grants, (iv) has oversight responsibility for management planning and succession, and (v) determines the amount of the Chief Executive Officer (CEO) and Chief Financial Officer (CFO) annual bonus and stock option and restricted stock grants. The

Compensation Committee may from time to time retain independent compensation consultants to assist it in the exercise of its responsibilities, including developing compensation plans and providing comparative data regarding the Bank's compensation policies.

Stockholder Communications with the Board

Stockholders may communicate with the Board of Directors by sending a letter to the Company's Board of Directors, c/o Corporate Secretary, Pacific Premier Bancorp, 1600 Sunflower Avenue, Costa Mesa, California 92626. The Corporate Secretary has the authority to disregard any inappropriate communications or to take other appropriate actions with respect to any such inappropriate communications. If deemed an appropriate communication, the Corporate Secretary will submit stockholder correspondence to the Chairman of the Board or to any specific director to whom the correspondence is directed.

In addition, outside directors of the Bank receive a monthly retainer of \$2,000 for serving on the Bank's Board of Directors, while the Chairman of the Board of the Bank receives a monthly retainer of \$2,500. A monthly fee of \$300 is paid to the Chairman of the Credit Committee. Outside directors of the Company are also entitled to receive stock options and restricted stock grants. Executive Compensation

The report of the Compensation Committee and the stock performance graph shall not be deemed incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933, as amended (the Securities Act), or the Exchange Act, except to the extent that the Company specifically incorporates this information by reference, and shall not otherwise be deemed filed under such Acts.

Compensation Committee Report on Executive Compensation.

Under rules established by the SEC, the Company is required to provide certain data and information in regard to the compensation and benefits provided to the Company's CEO and other executive officers of the Company and the Bank. The disclosure requirements for the CEO and other executive officers include the use of tables and a report explaining the rationale and considerations that led to fundamental compensation decisions affecting those individuals. In fulfillment of this requirement, the Compensation Committee of the Board of Directors of the Company, at the direction of the Board of Directors, has prepared the following report for inclusion in this Proxy Statement. The Bank's compensation programs are designed to provide the Bank's employees, including the Bank's executive officers, with competitive annual salaries, benefits and the potential to earn cash bonuses based upon period measurable performance. In addition, key employees, including executive officers, have the potential to receive one or more grants of stock options, restricted stock award or stock appreciation rights under the Company's 2000 Stock Incentive Plan and the 2004 Long-term Incentive Plan, together (the Incentive Plans). The Compensation Committee believes that the combination of programs provides reasonable incentives to the Bank's executive officers to meet or exceed the Bank's annual or multi-year financial and operational goals, and reasonably aligns the interests of such officers with those of the Company's Stockholders.

Executive Compensation. Base salaries for the executive officers, including the CEO and the CFO, are established by the Compensation Committee based on the following factors, as appropriate: individual performance and achievement, areas of responsibility, position, the extent to which the officers' skills are

in demand and internal and external comparability. For fiscal year 2005, the Company's and the Bank's executive officers are eligible to receive bonuses based on individual and Company performance.

The Compensation Committee believes that it is important for key employees to have long-term incentives through an equity interest in the Company. Accordingly, the Company currently grants stock options to key employees pursuant to the Incentive Plans. The Compensation Committee of the Company grants options upon a review of the recommendations of the President/CEO.

Executive Compensation Chief Executive Officer. The Company and the Bank hired Mr. Gardner in February 2000 as Chief Operating Officer. Mr. Gardner was promoted to President and CEO in August 2000. The President/CEO base salary for 2005 was \$300,000. Each of the Company and Bank entered into a three year employment agreement with Mr. Gardner on January 5, 2004. The employment agreements provide for a base salary of \$275,000, \$300,000 and \$300,000 for 2004, 2005, and 2006, respectively. In determining Mr. Gardner's salary, the Compensation Committee took into consideration comparable compensation for salary, bonus and other compensation for publicly traded West Coast banks and thrifts along with Mr. Gardner's relative years of service and experience as a CEO as well as his performance since becoming President/CEO of the Company and Bank over the prior three years. In determining Mr. Gardner's incentive compensation for 2005, the Company's Chairman of the Board and the Chairman of the Compensation Committee reviewed Mr. Gardner's performance during 2005 as President and CEO. Based upon that review and Mr. Gardner's implementation and achievement of the Company's strategic plan in 2005, the Compensation Committee approved an incentive award to Mr. Gardner of \$300,000. Mr. Gardner also participates in other benefit plans available to all employees, including the 401(k) Plan and the 2004 Long-Term Incentive Plan.

(3) Shares subject to options granted under the Incentive Plans, which became fully vested as of March 4, 2005.

(4) Represents employer contributions to the Bank's 401(k) Plan and in the case of Ms. Duncan, \$4,431 in 401(k) and \$62,494 in severance.

(6) Mr. Larson's employment with the Company ended on April 20, 2006.

Employment Agreements

The Company and the Bank have entered into employment agreements with Mr. Gardner (Employment Agreements), which had an effective date January 5, 2004. The Employment Agreements for Mr. Gardner each provide for a three-year term. The Employment Agreements shall be automatically extended for an additional one-year period upon the same terms and conditions unless at least 90 days prior to the then applicable expiration date (January 5, 2007), the Company or Mr. Gardner delivers written notice to the other party of its or his intent to terminate the Employment Agreement. The Bank

Employment Agreement provides that Mr. Gardner will receive an annual Base Salary of \$275,000 in 2004 and \$300,000 for 2005 and 2006 as well as an auto allowance. In April 2004, the Employment Agreements were amended to replace the auto allowance with the use of a company car. The Employment Agreements provide for termination by the Company and the Bank for cause at any time as defined in the Employment Agreements. In the event the Company or the Bank chooses to terminate Mr. Gardner for reasons other than cause or as a result of a change in control of the Company or the Bank, Mr. Gardner would be entitled to a severance payment equal to two-times his current base salary plus an amount equal to any incentive bonus received in the previous year.

Option Plan. The Company maintains the Incentive Plans, under which all employees of the Company are eligible to receive options to purchase Common Stock. The Incentive Plans provide for discretionary awards to officers, directors and key employees as determined by the Compensation Committee.

The following table provides certain information with respect to the number of shares of Common Stock represented by outstanding options held by the named executive officers as of December 31, 2005. Also reported are the values for in-the-money options which represent the positive spread between the exercise price of any such existing stock options and the year end price of the Common Stock.

| Name | Shares Acquired on Exercise | Value Realized | Number of Securities Underlying Unexercised Options/SARs at December 31, 2005 | | Value of Unexercised In the Money Option/SARs at December 31, 2005(1) | |

(1) These amounts represent the difference between the exercise price of the stock options and the price of the Common Stock on December 31, 2005 for all in-the-money options held by the named executive officers. The value does not include any out-of-the-money options. The exercise price of all stock options granted is equal to the market price of the Common Stock on the grant date.

(2) All options became fully vested on March 4, 2005.

There were no options grants or restricted stock grants made to the named executive officers during the year ended December 31, 2005.

Transactions with Certain Related Persons

The Financial Institutions Reform, Recovery and Enforcement Act requires that all loans or extensions of credit to executive officers and directors, made by the Bank, must be made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with the general public and must not involve more than the normal risk of repayment or present other unfavorable features.

It is the policy of the Company that all permissible transactions between the Company and its executive officers, directors, holders of 10% or more of the shares of any class of its Common Stock and affiliates thereof, contain terms no less favorable to the Company than could have been obtained by it in arm's-length negotiations with unaffiliated persons and are required to be approved by a majority of independent outside directors of the Company not having any interest in the transaction.

Indebtedness of Management

No Company executive officer or director was indebted to the Company or its subsidiaries in an amount greater than \$60,000 at any time since the beginning of 2005, except as set forth below.

| Name and Position | Largest Amount of Indebtedness During 2005 | Nature of Indebtedness | Indebtedness Outstanding at April 25, 2006 | Current Interest Rate |
|-------------------------------|--|------------------------|--|-----------------------|
| Michael L. McKennon, Director | \$ 0.00 | Business Loans(1) | \$ 155,485 | 7.78 % |

(1) The Bank made two loans to the partnership of McKennon Wilson & Morgan LLP in March of 2006. One loan is a fixed rate commercial loan at the rate of 7.00% and the other is commercial line of credit with a variable rate at Prime + 75 basis points (8.50% as April 25, 2006). The balances of the loans were \$75,000 and \$80,485, respectively, as of April 25, 2006. Both loans were made at terms that were available to the general public at the time of origination. It is the belief of management that these loans neither involve more than the normal risk of collectability nor present other unfavorable features.

Compensation Committee Interlocks and Insider Participation

For 2005, the Company's Compensation Committee was comprised of Messrs. Skipper, Goddard and Snyder, each of whom is an independent director. No executive officer or employee of the Company participated in Board of Directors' decisions relating executive compensation. No member of the Board and no employee of the Company serves or has served on the Compensation Committee (or board of directors of a corporation lacking a compensation committee) of a corporation employing a member of the Board.

PROPOSAL 2.**RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS**

The Company's independent auditors for its fiscal year ended December 31, 2005 were VTD, independent public accountants. The Audit Committee of the Board of Directors considered the qualifications and experience of VTD, and, in consultation with the Board of Directors of the Company, appointed them as independent auditors for the Company for the current fiscal year which ends December 31, 2006. Although the submission of the matter to the stockholders is not required by law, the Audit Committee and Board of Directors desire to obtain the stockholders' ratification of such appointment. A resolution ratifying the appointment will be offered at the Annual Meeting. If the resolution is not adopted, the adverse vote will be referred to the Audit Committee for further review.

Representatives of VTD are expected to be present at the Annual Meeting. They will be given an opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions from stockholders present at the Annual Meeting.

Audit Fees. The aggregate fees for professional services rendered for the audit of the Company's fiscal year ended December 31, 2005 and the reviews of the financial statements included in the Company's Forms 10-K for fiscal year ended December 31, 2005 was \$126,000 for VTD. During the fiscal year ended December 31, 2005, other fees were billed by the Company's independent auditors, including, but not limited to, any fees with respect to financial information systems design and implementation.

The following table presents fees for professional audit services rendered by VTD for the audit of the Company's annual consolidated financial statements for 2005 and 2004 and fees billed for other services rendered by VTD.

| | 2005 | Percent of Total | | 2004 | Percent of Total |
|------------------------------|------------|---------------------|--|------------|---------------------|
| Audit fees(1) | \$ 103,000 | 81.7 % | | \$ 89,000 | 75.4 % |
| Audit-related fees(2) | 10,000 | 7.9 % | | 7,000 | 5.9 % |
| Audit and audit-related fees | 113,000 | 89.7 % | | 96,000 | 81.4 % |
| Tax fees(3) | 11,000 | 8.7 % | | 14,000 | 11.9 % |
| All other fees(4) | 2,000 | 1.6 % | | 8,000 | 6.8 % |
| Total fees | \$ 126,000 | 100.0 % | | \$ 118,000 | 100.0 % |

- (1) Audit fees are related to the audit of the Company's annual financial statements for the years ended December 31, 2005 and 2004, and for the reviews of the financial statements included in the Company's quarterly reports on Form 10-Q and annual reports on 10-K for those years.
- (2) Audit-related fees for each of 2005 and 2004 included fees for audits of the Company's 401(k) plan.
- (3) Tax fees in both 2005 and 2004 consisted of tax compliance services in preparation of the Company's tax returns filed with the Internal Revenue Service and various state tax agencies. Tax compliance fees were \$11,000 in 2005 and \$14,000 in 2004.
- (4) All other fees for 2005 and 2004 included fees paid related to preparation for Sarbanes-Oxley Section 404 compliance.

Pre-Approval Policies and Procedures

The Audit Committee has adopted a policy that requires advance approval of all audit, audit-related, tax services and other services performed by the independent auditor. The policy provides for pre-approval by the Audit Committee of specified audit and non-audit services. Unless the specific service has been previously pre-approved with respect to that year, the Audit Committee must approve the permitted service before the independent auditor is engaged to perform it.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR RATIFICATION OF THE APPOINTMENT OF VAVRINEK, TRINE, DAY & CO., LLP AS THE INDEPENDENT AUDITORS OF THE COMPANY.
