ENFORCEABILITY OF CERTAIN CIVIL LIABILITIES

We are a public company incorporated under the laws of the Republic of Turkey. All of our directors and officers, and the experts named herein, reside outside the United States. You may not be able, therefore, to effect service of process within the United States upon those directors and officers with respect to matters arising under the federal securities laws of the United States.

In addition, substantially all of our assets and the assets of our directors and officers are located outside the United States. As a result, you may not be able to enforce against us or our directors and officers judgments obtained in US courts predicated on the civil liability provisions of the federal securities laws of the United States.

We have been advised by Taboglu, Ates & Demirhan, our Turkish counsel, that the courts of Turkey will not enforce any judgment obtained in a court established in a country other than Turkey unless either:

- there is in effect a treaty between such country and Turkey providing for reciprocal enforcement of court judgments;
- there is de facto enforcement in such country of judgments rendered by Turkish courts; or
- there is a provision in the law of such country that provides for the enforcement of judgments of Turkish courts.

In addition, the courts of Turkey will not enforce any judgment obtained in a court established in a country other than Turkey if:

- the court rendering the judgment did not have jurisdiction to render such judgment;
- the defendant was not duly summoned or represented or the defendant's fundamental procedural rights were not observed;
- the judgment in question was rendered with respect to a matter within the exclusive jurisdiction of the courts of Turkey;
- the judgment is clearly against public policy rules of Turkey;
- the judgment is not final and binding and with no further recourse for appeal under the laws of the country where the judgment has been rendered; or
- the judgment is not of a civil nature.

THE COMPANY

We are headquartered in Istanbul, Turkey and are the leading provider of mobile services in Turkey in terms of number of subscribers (based on our estimates and announcements made by other operators). We provide high-quality mobile voice and data services over our GSM network. We have developed one of the premier mobile brands in Turkey by differentiating ourselves from our competition in areas such as quality of service. As part of our focus on subscriber service and subscriber growth, we have introduced a wide range of mobile services for various subscriber needs in order to attract new customers and retain existing ones.

Through a state-of-the-art GSM network, we provide comprehensive coverage of an area that as of September 30, 2006, included 100% of the population living in cities of 10,000 or more, 99.96% of the population living in cities of 5,000 or more people and 99.93% of the population living in cities of 3,000 or more people. Coverage also includes substantially the entire Mediterranean and Aegean coastline of Turkey. As of October 27, 2006, we provided service to our subscribers in 193 countries through roaming agreements with 536 operators.

We operate under a 25-year GSM license, which we were granted in April 1998 upon payment of an upfront license fee of \$500 million. At this time we also entered into an interconnection agreement with Turk Telekom providing for the interconnection of our network with Turk Telekom's fixed-line network which was amended on September 20, 2003. Under our license, we pay the Turkish Treasury a monthly ongoing license fee equal to 15% of gross revenue. Of that monthly ongoing license fee, 10% goes to the Ministry of Transportation for the Universal Services Fund. Under the interconnection agreement between us and Turk Telekom, our network is interconnected to the Turk Telekom fixed-line network.

Turkcell Iletisim Hizmetleri A.S., or Turkcell, a joint stock company organized and existing under the laws of the Republic of Turkey, was formed in 1993 and commenced operations in 1994. Our principal shareholders are Sonera Holding (formerly known as Telecom Finland Ltd., and currently owned by TeliaSonera) the Cukurova Group and Alfa Group (through its Altimo subsidiary). The address of our principal office is Turkcell Iletisim Hizmetleri A.S., Turkcell Plaza, Mesrutiyet Caddesi, No. 153, 34430 Tepebasi, Istanbul, Turkey. Our telephone number is +90 (212) 313 10 00.

USE OF PROCEEDS

Except as may be described otherwise in a prospectus supplement, we will add the net proceeds from any sale of the securities that we make under this prospectus to our general funds and will use them for funding any potential future acquisitions, working capital, project development, capital expenditures and general corporate purposes. In addition, we may apply the proceeds of such sale to the reduction of our short-term and other indebtedness as may be described in a prospectus supplement.

We may designate a specific allocation of the net proceeds of an offering of securities by us to a specific purpose, if any, at the time of the offering and will describe any allocation in the related prospectus supplement.

PROSPECTUS SUPPLEMENT

Unless the context otherwise requires, we will refer to the ordinary shares, ADSs, warrants and rights as the offered securities. Each time offered securities are sold, we will provide a prospectus supplement that will contain specific information about the terms of that offering. The prospectus supplement may also add to, update or change information contained in this prospectus. Accordingly, to the extent inconsistent, information in this prospectus is superseded by the information in the prospectus supplement. You should read both this prospectus and any prospectus supplement together with the additional information described under the heading "Where You Can Find More Information".

The prospectus supplement to be attached to the front of this prospectus will describe the terms of the offering, including the amount and terms of offered securities, the initial public offering price, the price paid for the offered securities, net proceeds to us or a selling securityholder, the expenses of the offering, the terms of offers and sales outside of the United States, if any, our capitalization, the nature of the plan of distribution, the terms of any rights offering, including the subscription price for ordinary shares, record date, ex-rights date and exercise period, the other specific terms related to the offering, and any US federal income tax consequences and Turkish tax considerations applicable to the offered securities.

For more detail on the terms of the offered securities, you should read the registration statement on Form F-6 (File No. 333-120618) relating to the ADSs.

PLAN OF DISTRIBUTION

Without limiting the generality of the foregoing, any one or more of the following methods may be used when selling the offered securities:

- ordinary brokerage transactions and transactions in which the broker-dealer solicits purchasers;

- an exchange distribution in accordance with the rules of the applicable exchange;

In addition, the offered securities may be sold by way of exercise of rights granted pro rata to our existing shareholders.

The offered securities may also be sold short and securities covered by this prospectus may be delivered to close out such short positions, or the securities may be loaned or pledged to broker-dealers that in turn may sell them. Options, swaps, derivatives or other transactions may be

7

financial institution of the offered securities and ordinary shares, respectively, which securities such broker-dealer or other financial institution may resell pursuant to this prospectus (as supplemented or amended to reflect such transaction).

Any underwriters or agents will be identified and their compensation described in the applicable prospectus supplement.

In connection with the sale of offered securities, the underwriters or agents may receive compensation from us, a selling securityholder or from purchasers of the offered securities for whom they may act as agents. The underwriters may sell offered securities to or through dealers, who may also receive compensation from the underwriters or from purchasers of the offered securities for whom they may act as agents. Compensation may be in the form of discounts, concessions or commissions. Underwriters, dealers and agents that participate in the distribution of the offered securities may be deemed to be underwriters as defined in the Securities Act of 1933, as amended (the Securities Act), and any discounts or commissions received by them from us or a selling securityholder and any profit on the resale of the offered securities by them may be treated as underwriting discounts and commissions under the Securities Act.

We or a selling securityholder may enter into agreements that will entitle the underwriters, dealers and agents to indemnification by us or a selling securityholder against and contribution toward certain liabilities, including liabilities under the Securities Act.

Certain underwriters, dealers and agents and their associates may be customers of, engage in transactions with or perform services for a selling securityholder or us, including our subsidiaries, in the ordinary course of their business.

If so indicated in the prospectus supplement relating to a particular issue of offered securities, the underwriters, dealers or agents will be authorized to solicit offers by certain institutions to purchase the offered securities under delayed delivery contracts providing for payment and delivery at a future date. These contracts will be subject only to those conditions set forth in the prospectus supplement, and the prospectus supplement will set forth the commission payable for solicitation of these contracts.

We will advise any selling securityholder that while it is engaged in a distribution of the offered securities, it is required to comply with Regulation M promulgated under the Securities Exchange Act of 1934. With limited exceptions, Regulation M precludes a selling securityholder, any affiliated purchasers and any broker-dealer or other person who participates in the distribution from bidding for or purchasing, or attempting to induce any person to bid for or purchase, any security which is the subject of the distribution until the entire distribution is complete. All of the foregoing might affect the marketability of the offered securities.

PART II

INFORMATION NOT REQUIRED IN PROSPECTUS

Item 8. Indemnification of Directors and Officers

The relevant provisions of the Turkish Commercial Code (the "TCC") are Articles 336 and 321.

Article 321 provides:

The persons authorized to represent the company are entitled to carry out various duties and legal transactions, within the object and purpose of the company, on behalf of the company and to use the company name while carrying out such activities.

The restriction of the representation authority is not effectual to the third parties in good faith. However, the announced and registered restrictions in relation to the limitation of the representation authority by allocation and joint utilization to headquarters or to a branch are valid.

Unless the contrary is indicated in the articles of association; the signatures of two individuals authorized to represent the company is adequate for the validity of the document to be prepared on behalf of the joint stock company.

The fact that a transaction performed by the persons authorized to represent the company is in violation of the articles of association or resolution of the general assembly does not impede the right of the third persons in good faith to have recourse against the company.

The joint stock company shall be liable for the tortuous acts of the persons on duty authorized to represent the company. The right of recourse of the company shall be reserved.

Article 336 provides:

The board directors do not have individual responsibility for the activities that they have performed on behalf of the company. However; they are severally liable regarding the issues listed hereunder against the company, the individual shareholders and the creditors of the company.

- (1) In case the payments in advance by the shareholders for the value of the share certificates are incorrect;
- (2) In case dividends distributed and paid are untrue;
- (3) In case the books required by the law are inexistent or kept without diligence;
- (4) In case the resolutions of the general assembly are not effected without any reason;
- (5) In case various tasks assigned by the law or the articles of association intentionally or negligently.

In the event that one of the tasks mentioned in paragraph 5 above is delegated to one of the board directors pursuant to Article 319, the delegate director shall be liable for that task and several liabilities shall not occur for the transaction in relation to the task at stake.

We have Directors and Officers Liability Insurance that covers our directors and officers from liabilities that arise in connection with performing their duties and our liabilities in connection with our directors and officers performance of their duties. The coverage amount is \$40 million, and there are a number of insurers, each covering a different layer of the policy. The Directors and Officers Liability insurance is London based, but it is provided through two insurance companies in Turkey, Genel Sigorta A.S. and AIG Sigorta A.S. In 2004 we paid a premium amounting to \$2.1 million, in 2005 we paid a premium of \$1.8 million and in 2006 we will pay a premium of \$ 1.2 million. The remaining policy that took effect in August 26, 2006 shall expire on August 26, 2007 and we will consider its renewal based on the terms and conditions offered.

(a) The undersigned registrant hereby undertakes:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement;

(iii) to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

Provided, however, that paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) of this section do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities

offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) To file a post-effective amendment to the registration statement to include any financial statements required by Item 8.A. of Form 20-F at the start of any delayed offering or throughout a continuous offering. Financial statements and information otherwise required by Section 10(a)(3) of the Securities Act of 1933 need not be furnished, *provided* that the registrant includes in the prospectus, by means of a post-effective amendment, financial statements required pursuant to this paragraph (a)(4) and other information necessary to ensure that all other information in the prospectus is at least as current as the date of those financial statements. Notwithstanding the foregoing, with respect to registration statements on Form F-3, a post-effective amendment need not be filed to include financial statements and information required by Section 10(a)(3) of the Securities Act of 1933 if such financial statements and information are contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the Form F-3.

(5) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof. *Provided, however*, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(6) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities:

The undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) The undersigned registrant hereby undertakes to supplement the prospectus, after the expiration of the subscription period, to set forth the results of the subscription offer, the transactions by the underwriters during the subscription period, the amount of unsubscribed securities to be purchased by the underwriters, and the terms of any subsequent reoffering thereof. If any public offering by the underwriters is to be made on terms differing from those set forth on the cover page of the prospectus, a post-effective amendment will be filed to set forth the terms of such offering.

(d) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.

(e) The undersigned registrant hereby undertakes that:

(1) For purposes of determining any liability under the Securities Act of 1933, the information omitted from the form of prospectus filed as part of this registration statement in reliance upon Rule 430A and contained in a form of prospectus filed by the registrant pursuant to Rule 424(b)(1) or (4) or 497(h) under the Securities Act shall be deemed to be part of this registration statement as of the time it was declared effective.

(2) For the purpose of determining any liability under the Securities Act of 1933, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.
