This Information Memorandum shall, unless otherwise expressly stated, be read and construed on the basis that such documents are so incorporated and form part of this Information Memorandum. References to Information Memorandum are to this Information Memorandum and to any other document incorporated by reference collectively and to any of them individually.

No independent verification

The only role of the Dealers, the Registrar and the I&P Agent (Offshore) (each as defined in the Summary of the Programme) in the preparation of this Information Memorandum has been to confirm to the Issuer that their respective descriptions under the heading Directory are accurate as at the Preparation Date (as defined below).

Apart from the foregoing, none of the Dealers, the Registrar nor the I&P Agent (Offshore) has independently verified the information contained in this Information Memorandum. Accordingly, no representation, warranty or undertaking, express or implied, is made, and no responsibility is accepted, by them as to the accuracy or completeness of this Information Memorandum or any further information supplied by the Issuer in connection with the Programme.

Independent advice

This Information Memorandum contains only summary information concerning the Notes. It is not intended to provide the basis of any credit or other evaluation in respect of the Issuer or the Notes and should not be considered as a recommendation by the Issuer, Arranger, the Dealers, the Registrar or the I&P Agent (Offshore) that any recipient of this Information Memorandum or any other financial statements should purchase any Notes or any rights in respect of any Notes. Each investor contemplating purchasing any Notes or any rights in respect of any Notes under the Programme should make (and shall be taken to have made) its own independent investigation of the financial condition and affairs of, and its own appraisal of the creditworthiness of, the Issuer.

No advice is given in respect of the taxation treatment of investors in connection with investment in any Notes and each investor is advised to consult its own professional adviser.

Currency of information

The information contained in this Information Memorandum is prepared as of its Preparation Date. In particular, the Issuer is under no obligation to update this Information Memorandum at any time after an issue of Notes.

In this Information Memorandum, **Preparation Date** means:

- in relation to this Information Memorandum, the date indicated on its face or, if the Information Memorandum has been amended or supplemented, the date indicated on the face of that amendment or supplement;

The Dealers, the Registrar and the I&P Agent (Offshore) expressly do not undertake to review the financial condition or affairs of the Issuer during the life of the Programme. Investors should review, amongst other things, the documents deemed to be incorporated in this Information Memorandum by reference when deciding whether or not to purchase any Notes. Also, the Issuer makes filings with regulatory authorities from time to time, which may include information material to investors. Copies of such filings are available from the Issuer on request.

No authorisation

No person has been authorised to give any information or make any representations not contained in or consistent with this Information Memorandum in connection with the Issuer, the Programme or the issue or sale of the Notes and, if given or made, such information or representation must not be relied on as having been authorised by the Issuer or any of the Dealers.

In particular, no action has been taken by the Issuer, the Dealers, the Registrar or the I&P Agent (Offshore) which would permit a public offering of any Notes or distribution of this Information Memorandum in any jurisdiction where action for that purpose is required.

The Notes have not been and will not be registered under the United States Securities Act of 1933, as amended, (**Securities Act**) or the securities laws of any state in the United States. The Notes may not be offered, sold, delivered or transferred within the United States or to, or for the account or benefit of, U.S. Persons (as defined in Regulation S under the Securities Act), unless such Notes are registered under the Securities Act or an exemption from the registration requirements thereof is available.

1 Introduction

1.1 Programme

The STNs have been issued under a Debt Issuance Programme established on or about 11 November 2003 and amended and restated as at 15 May 2007 by National Australia Bank Limited (Issuer).

1.2 Clearing system

STNs may be held in a Clearing System. If STNs are held in a Clearing System, the rights of each STN Holder and any other person holding an interest in those STNs are subject to the rules and regulations of the Clearing System. The issuer is not responsible for anything the Clearing System does or omits to do.

Part 2 Form, Denomination and Title

2 Form

2.1 Form

The STNs are issued in registered form. No certificates will be issued to STN Holders unless the Issuer determines that certificates should be available or are required by any applicable law or regulation.

2.2 Constitution under STN Deed Poll

The STNs are registered debt obligations of the Issuer, constituted by, and owing under, the STN Deed Poll and take the form of entries in the Register. Each entry in the Register constitutes a separate and individual acknowledgement to the relevant STN Holder of the indebtedness of the Issuer to the relevant STN Holder.

2.3 Independent obligations

The obligations of the Issuer in respect of each STN constitute separate and independent obligations which the STN Holder to whom those obligations are owed is entitled to enforce without having to join any other STN Holder or any predecessor in title of an STN Holder.

3 Denomination

STNs must be issued in a single denomination. STNs of one denomination may not be exchanged for STNs of another denomination.

4 Currency

The STNs must be denominated in Australian dollars or an Alternate Currency specified in the relevant STN Supplement.

5 Status

5.1 Status of the STNs

The STNs constitute direct, unconditional and unsecured obligations of the Issuer.

5.2 Ranking of STNs

The STNs rank equally among themselves and at least equally with all other unsecured and unsubordinated obligations of the Issuer, except for liabilities mandatorily preferred by law.

5.3 Nature of obligations

The indebtedness evidenced by the STNs will not be a deposit liability for the purposes of section 13A of the Banking Act 1959 of Australia.

6 Title and transfer of STNs

6.1 Registered form

Each STN takes the form of an entry in the Register.

6.2 Title

Title to STNs passes when details of the transfer are entered in the Register.

6.3 Effect of entries in Register

Each entry in the Register in respect of an STN constitutes:

- (a) an unconditional and irrevocable undertaking by the Issuer to the STN Holder to make all payments in respect of the STN in accordance with the STN Documents; and
- (b) an entitlement to the other benefits given to the STN Holders under the STN Documents in respect of the relevant STN.

6.4 Register conclusive as to ownership

Entries in the Register in relation to an STN constitute conclusive evidence that the person so entered is the absolute owner of the STN subject to correction for fraud or error.

6.5 Non-recognition of interests

Except as required by law, the Issuer and the Agents must treat the person whose name is entered in the Register as the holder of an STN as the absolute owner of that STN. This Condition applies whether or not an STN is overdue and despite any notice of ownership, trust or interest in the STN.

6.6 Joint holders

Where two or more persons are entered in the Register as the joint holders of an STN then they are taken to hold the STN as joint tenants with rights of survivorship, but the Registrar is not bound to register more than four persons as joint holders of an STN.

6.7 Transfers in whole

STNs may be transferred in whole but not in part.

6.8 Compliance with laws

STN Holders may only transfer STNs if:

- (a) the offer or invitation giving rise to the transfer is not:
 - (i) an offer or invitation which requires disclosure to investors under Part 6.2D of the Corporations Act; or
 - (ii) an offer to a retail client for the purposes of Chapter 7 of the Corporations Act; and
- (b) the transfer complies with any applicable law or directive of the jurisdiction where the transfer takes place.

16

6.9 Transfer procedures

Application for the transfer of STNs not entered into the Austraclear System must be made by the lodgment of a transfer form with the Registrar at its Specified Office. Transfer forms must be in the form available from the Registrar. Each transfer form must be:

- (a) duly completed;
- (b) accompanied by any evidence the Registrar may require to establish that the transfer form has been duly executed; and
- (c) signed by both the transferor and the transferee.

STNs entered in the Austraclear System will be transferable only in accordance with the Austraclear Regulations and the Registry Services Agreement.

6.10 Austraclear as STN Holder

Where Austraclear is recorded in the relevant Register as the STN Holder, each person in whose Security Record (as defined in the Austraclear Regulations) an STN is recorded is deemed to acknowledge in favour of the Registrar and Austraclear that:

- (a) the Registrar's decision to act as the Registrar of that STN is not a recommendation or endorsement by the Registrar or Austraclear in relation to that STN, but only indicates that the Registrar considers that the holding of the STNs is compatible with the performance by it of its obligations as Registrar under the Registry Services Agreement; and
- (b) the STN Holder does not rely on any fact, matter or circumstance contrary to Condition 6.10(a).

Part 3 Interest

7 Interest

7.1 Application

STNs may be either interest-bearing or non interest-bearing, as specified in the STN Supplement. In relation to any Tranche of STNs, the STN Supplement may specify actual amounts of interest payable (Interest Amount) rather than, or in addition to, a rate or rates at which interest accrues.

7.2 Calculation of interest payable

Each STN in relation to which this Condition 7 is specified in the STN Supplement as being applicable will bear interest on its principal amount at the fixed coupon rate or the rate or rates per annum specified in the STN Supplement from the Interest Commencement Date of the STNs. Interest will be payable in arrears on the Maturity Date specified in the STN Supplement.

Part 4 Redemption and purchase

8 Redemption

8.1 Scheduled redemption

Each STN is redeemable by the Issuer on the Maturity Date at its face amount unless:

- (a) the STN has been previously redeemed; or
- (b) the STN has been purchased and cancelled.

8.2 Purchase

The Issuer and any of its Related Entities may at any time purchase STNs in the open market or otherwise and at any price. If purchases are made by tender, tenders must be available to all STN Holders alike. All unmatured STNs purchased under this Condition 8.2 (Purchase) are not extinguished (unless held beneficially by the Issuer at the Maturity Date) and to the extent held

17

beneficially by the Issuer prior to that Maturity Date may be held, resold or cancelled at the discretion of the Issuer, subject to compliance with all legal and regulatory requirements.

8.3 Cancellation

All STNs redeemed by the Issuer or purchased by or on behalf of the Issuer or any of its Related Entities under Condition 8.2 (Purchase) must be cancelled immediately.

Part 5 Payments

9 General Payments

9.1 Summary of payment provisions

Payments in respect of STNs will be made in accordance with Condition 10 (Payments).

9.2 Payments subject to laws

All payments of principal and interest are subject to all applicable fiscal laws and other Directives, but without prejudice to the provisions of Condition 11 (Taxation).

9.3 Payments on business days

If a payment:

- (a) is due on an STN on a day which is not a Business Day then the due date for payment will be the next Business Day unless that day falls on the following month, in which case on the previous Business Day; or
- (b) is to be made to an account on a Business Day on which banks are not open for general banking business in the place in which the account is located, then the due date for payment will be the first following day on which banks are open for general banking business in that place,

and in either case, the STN Holder is not entitled to any additional payment in respect of that delay.

10 Payments

10.1 Payments of principal

Payments of principal in respect of an STN will be made to each person registered at the close of business on the relevant Maturity Date as the holder of that STN.

10.2 Payment of interest

Payments of interest in respect of an STN, if applicable, will be made to each person registered at the close of business on the relevant Record Date as the holder of the STN, unless otherwise specified in the STN Supplement.

10.3 Payments to accounts

The Issuer agrees to make payments in respect of an STN:

- (a) if the STN is held in a Clearing System, by crediting on the Payment Date, the amount due to the account

previously notified by the Clearing System to the Issuer and the Registrar in accordance with the Clearing System's rules and regulations in the country of the currency in which the STN is denominated; and

(b) if the STN is not held in a Clearing System, subject to Condition 10.4 (Payments by cheque) by crediting on the Payment Date, the amount due to an account previously notified by the STN Holder to the Issuer and the Registrar in the country of the currency in which the STN is denominated.

18

10.4 Payments by cheque

If an STN Holder has not notified the Registrar of an account to which payments to it must be made by close of business in the place where the Register is maintained on the Record Date, the Issuer may make payments in respect of the STNs held by that STN Holder by cheque.

If the Issuer makes a payment in respect of an STN by cheque, the Issuer agrees to send the cheque by prepaid ordinary post on the Business Day immediately before the due date, to the STN Holder (or if two or more persons are entered in the Register as joint STN Holders of the STN, to the first named joint STN Holder) at its address appearing in the Register at close of business in the place where the Register is maintained on the Record Date.

Cheques sent to an STN Holder are sent at the STN Holder's risk and are taken to be received by the STN Holder on the due date for payment. If the Issuer makes a payment in respect of an STN by cheque, the Issuer is not required to pay any additional amount as a result of the STN Holder not receiving payment on the due date in immediately available funds.

10.5 No US payments

No payment of interest will be made to an address in the United States or transferred to an account maintained by the STN Holder in the United States.

11 Taxation

11.1 No set-off, counterclaim or deductions

All payments in respect of the STNs must be made in full without set-off or counterclaim, and without any withholding or deduction in respect of Taxes unless prohibited by law.

11.2 Withholding tax

If a law requires the Issuer to withhold or deduct an amount in respect of Taxes from a payment in respect of the STNs such that the STN Holder would not actually receive on the due date the full amount provided for under the STNs, then the Issuer agrees to deduct the amount for the Taxes. The Issuer has no obligation or liability to reimburse or compensate or make any payment to an STN Holder for or in respect of the amount deducted or withheld amount.

12 Time limit for claims

12.1 Time limit

A claim against the Issuer for a payment under an STN is void unless presented for payment within 5 years from the Maturity Date.

12.2 Discharge of Issuer

The Issuer is discharged from its obligation to make a payment in respect of an STN to the extent that a cheque which has been duly sent in Australian dollars remains uncashed at the end of the period of 5 years from the Maturity Date.

Part 6 General

13 Agents

13.1 Role of Agents

In acting under the relevant Agency Agreement and in connection with the STNs, the Agents act solely as agents of the Issuer and do not assume any obligations towards or relationship of agency or trust for or with any of the STN Holders.

13.2 Appointment and replacement of Agents

Subject to Condition 13.3 (Required Agents), the Issuer reserves the right at any time to vary or terminate the appointment of any Agent and to appoint a successor.

14.2 Variation without consent

Any STN Document (including, without limitation, the STNs, the STN Supplement and these Conditions) may be amended without the consent of the STN Holders if the amendment:

- (a) is of a formal, minor or technical nature;
- (b) is made to correct a manifest error;
- (c) is made to cure any ambiguity or correct or supplement any defective or inconsistent provision and, in the reasonable opinion of the Issuer, is not materially prejudicial to the interests of the STN Holders; or
- (d) in so far as such amendments apply only to STNs issued after the date of amendment.

15 Further issues

The Issuer may from time to time, without the consent of the STN Holders issue further STNs having the same Conditions as the STNs in a particular Series in all respects (or in all respects except for the first payment of interest) so as to form a single series with the STNs of that Series.

16.1 Notices to STN Holders

20

16.5 Non-receipt of notice

If there are two or more STN Holders, the non-receipt of any notice by, or the accidental omission to give any notice to, an STN Holder does not invalidate the giving of that notice.

17 Currency indemnity

The Issuer waives any right it has in any jurisdiction to pay an amount other than in the currency in which it is due. However, if an STN Holder receives an amount in a currency other than that in which it is due:

- (a) it may convert the amount received into the due currency (even though it may be necessary to convert through a third currency to do so) on the day and at such rates (including spot rate, same day value rate or value tomorrow rate) as it reasonably considers appropriate. It may deduct its usual costs in connection with the conversion; and
- (b) the Issuer satisfies its obligation to pay in the due currency only to the extent of the amount of the due currency obtained from the conversion after deducting the costs of the conversion.

18 Governing law and jurisdiction

18.1 Governing law

The STNs are governed by the law in force in Victoria, Australia.

18.2 Jurisdiction

The Issuer submits to the non-exclusive jurisdiction of the courts of Victoria and courts of appeal from them. The Issuer waives any right it has to object to an action being brought in those courts including by claiming that the action has been brought in an inconvenient forum or that those courts do not have jurisdiction.

- (i) all claims of Unsubordinated Creditors must be paid in full before the Subordinated MTN Holder claim is paid; and
 - (ii) until the Unsubordinated Creditors have been paid in full, the Subordinated MTN Holder must not claim in the Winding Up in competition with the Unsubordinated Creditors so as to diminish any distribution, dividend or payment which, but for that claim, the Unsubordinated Creditors would have been entitled to receive.

- (e) **(clawback)** Each Subordinated MTN Holder irrevocably acknowledges and agrees that it must pay or deliver to the liquidator any amount or asset received on account of its claim in the Winding Up of the Issuer in connection with a Subordinated MTN in excess of its entitlement under Condition 7.3(a) (Subordination) above.
- (f) **(consent of unsubordinated creditors not required)** Nothing in this Condition 7.3 (Subordination) shall be taken to require the consent of any Unsubordinated Creditor to any amendment of this Condition 7.3 (Subordination).
- (g) **(no set-off)** A Subordinated MTN Holder does not have any right to set-off any amounts owing to it by the Issuer in connection with the Subordinated MTNs against any amount owing by it to the Issuer in connection with the Subordinated MTNs or otherwise.

Undated Subordinated MTNs

7.4 Acknowledgment

Each Undated Subordinated MTN Holder by its purchase of an Undated Subordinated MTN, is taken to acknowledge that the Issuer's obligations in respect of that Undated Subordinated MTN are subordinated to the payment of the Unsubordinated Debt to Unsubordinated Creditors and the payment of Term Subordinated

28

MTNs to the holders of Term Subordinated MTNs, in the manner provided in Condition 5.4 (Status and ranking: Undated Subordinated MTNs).

7.5 Subordination

Unless otherwise specified in the relevant Pricing Supplement, the following provisions apply to Undated Subordinated MTNs:

- (a) subject to Conditions 7.5(b) and (c) (Subordination), the rights of Undated Subordinated MTN Holders are subordinated to the claims of Unsubordinated Creditors and of subordinated creditors of the Issuer in respect of Subordinated Indebtedness having a fixed maturity prior to the commencement of a Winding-Up of the Issuer, in that:
- (i) payments of principal and interest in respect of the Undated Subordinated MTNs and all other amounts owing under the Undated Subordinated MTNs are conditional upon the Issuer being Solvent at the time of payment; and
- (ii) the Issuer must not pay an amount owing to a MTN Holder in respect of Undated Subordinated MTNs except to the extent that the Issuer may make that payment and still be Solvent immediately after doing so;
- (b) if the Issuer would not remain Solvent immediately after payment of the whole of any moneys referred to in Condition 7.5(a) (Subordination), but would remain Solvent immediately after payment of a portion of those moneys, then that portion of the amounts due to the Undated Subordinated MTNs will be paid to them rateably (as to their respective due proportion only). The obligation of the Issuer prior to the commencement of a Winding-Up of the Issuer to make payments when due in respect of the Undated Subordinated MTNs is conditional upon the Issuer being Solvent, and having positive retained earnings immediately before and after payment by the Issuer. If this condition is not satisfied, any amounts which might otherwise have been allocated in or towards payment of principal, redemption amount, interest or other amounts in respect of the Undated Subordinated MTNs may be used to absorb losses without the Issuer being obliged to cease trading. The relevant Pricing Supplement will provide for the means of achieving this in accordance with APRA's current guidelines for treatment of MTNs such as the Undated Subordinated MTNs as Upper Tier 2 capital;
- (c) without prejudice to the provisions of Condition 7.5(a) (Subordination) the Issuer is only obliged to make payment of interest accrued on Undated Subordinated MTNs in respect of any period on the due date for payment thereof if, during the twelve month period immediately preceding that date, any dividend (whether interim or final) has been declared or paid on any class of share capital of the Issuer (a Compulsory Interest Payment Date and any Interest Payment Date which is not a Compulsory Interest Payment Date is referred to as an Optional Interest Payment Date).

On any Optional Interest Payment Date there may be paid (if the Issuer so elects), but subject to Condition 7.5(a) (Subordination) and the Issuer having received prior written approval from APRA to pay interest on any such date in accordance with Condition 15 (Payments), the interest accrued in the Interest Period ending on the day immediately preceding such date but the Issuer does not have any obligation to make such payment and any failure to pay does not constitute a default by the Issuer for any purpose. Any interest not paid on an Optional or Compulsory Interest Payment Date shall so long as the same remains unpaid constitute Arrears of Interest . Arrears of Interest may at the option of the Issuer be paid in whole or in part at any time upon the expiration of not less than seven days' notice to such effect to the Undated Subordinated MTN Holders in accordance with Condition 23 (Notices) but all Arrears of Interest on all Undated Subordinated MTNs outstanding shall (subject to Condition 7.5(a) (Subordination)) become due in full on whichever is the earliest of:

- (i) the date upon which a dividend is next paid on any class of share capital of the Issuer;
- (ii) the date set for any repayment of principal pursuant to Condition 13 (Redemption) and Condition 15 (Payments); or

(iii) the date of commencement of a Winding-Up (as defined above) of the Issuer whether voluntary or otherwise.

If notice is given by the Issuer of its intention to pay the whole or part of Arrears of Interest, the Issuer must, subject to Condition 7.5(a) (Subordination), and having received the prior written approval from APRA, do so upon the expiration of such notice. If there is outstanding more than one Series of Undated Subordinated MTNs, then the Issuer may not pay all or any part of the Arrears of Interest unless it pays all or (as near as practicable) an equivalent proportion of the Arrears of Interest in respect of each other Series of Undated Subordinated MTNs then outstanding;

(d) in a Winding-Up of the Issuer the rights and claims of Undated Subordinated MTN Holders are subordinated to the claims of Unsubordinated Creditors and Term Subordinated MTN Holders, to the extent that all such obligations to Unsubordinated Creditors and to Term Subordinated MTN Holders are entitled to be paid in full before any payments shall be paid on amount of sums payable in respect of Undated Subordinated MTNs. Subject to:

(i) the claims of all Unsubordinated Creditors and all Term Subordinated MTN Holders being satisfied in full; and

(ii) the consent of APRA having been obtained,

Undated Subordinated MTN Holders may make demand for an amount equal to the outstanding principal amount of each Undated Subordinated MTN together with accrued interest (if any) and such amounts will only become due and payable on an equal basis with all other claims against the Issuer subordinated in the same manner as the Undated Subordinated MTNs of the relevant Tranche;

(e) there is no limit on the amount of debt or other obligations which rank equally or ahead of the Undated Subordinated MTNs that may be incurred or assumed by the Issuer;

(f) an Undated Subordinated MTN Holder must not set-off against any amounts owing to it in respect of an Undated Subordinated MTN against any amount owing to that Undated Subordinated MTN Holder by the Issuer on any account; and

(g) notwithstanding the provisions of paragraphs 7.5(a) and 7.5(b) (Subordination) above, if an Event of Default occurs in relation to the Undated Subordinated MTNs of any Series as set out in Condition 18.4 (Events of Default and Consequences of an Event of Default - Subordinated MTNs), then Condition 18.4 (Events of Default and Consequences of an Event of Default - Subordinated MTNs) will apply.

8 Title and transfer of MTNs

8.1 Registered form

Each MTN takes the form of an entry in the Register.

8.2 Title

Title to MTNs passes when details of the transfer are entered in the Register. The Register will be closed for the purpose of determining entitlements to payments of interest and principal at 5.00pm local registry office time on the Record Date prior to any relevant payment date.

8.3 Effect of entries in Register

Each entry in the Register in respect of an MTN constitutes:

(a) an unconditional and irrevocable undertaking by the Issuer to the MTN Holder to make all payments of principal and interest in respect of the MTN in accordance with these Conditions; and

(b) an entitlement to the other benefits given to the MTN Holders under these Conditions in respect of the relevant MTN.

8.4 Register conclusive as to ownership

Entries in the Register in relation to an MTN constitute conclusive evidence that the person so entered is the absolute owner of the MTN subject to correction for fraud or error.

8.5 Non-recognition of interests

Except as required by law, the Issuer and each Agent must treat the person whose name is entered in the Register as the holder of an MTN as the absolute owner of that MTN. This Condition applies whether or not an MTN is overdue and despite any notice of ownership, trust or interest in the MTN.

8.6 Joint holders

Where two or more persons are entered in the Register as the joint holders of an MTN then they are taken to hold the MTN as joint tenants with rights of survivorship, but the Register is not bound to register more than four persons as joint holders of an MTN.

8.7 Transfers in whole

MTNs may be transferred in whole but not in part.

8.8 Compliance with laws

MTN Holders may only transfer MTNs if:

- (a) the offer or invitation giving rise to the transfer is neither:
 - (i) an offer or invitation which requires disclosure to investors under Part 6D.2 of the Corporations Act; nor
 - (ii) an offer to a retail client for the purposes of Chapter 7 of the Corporations Act; and
- (b) the transfer complies with any applicable law or directive of the jurisdiction where the transfer takes place.

8.9 Transfer procedures

MTNs entered into a Clearing System will be transferable only in accordance with the regulations of that Clearing System and the Registry Services Agreement.

Application for the transfer of MTNs not entered into a Clearing System must be made by the lodgment of a transfer form with the Registrar at its Specified Office. Transfer forms must be in the form available from the Registrar. Each transfer form must be:

- (a) duly completed;
- (b) accompanied by any evidence the Registrar may require to establish that the transfer form has been duly executed; and
- (c) signed by both the transferor and the transferee.

8.10 CHESS

MTNs listed on the ASX are not:

- (a) transferred through, or registered on, the Clearing House Electronic Subregister System operated by the ASX;
or
- (b) Approved Financial Products (as defined for the purposes of that system).

31

8.11 Austraclear as MTN Holder

Where Austraclear is recorded in the relevant Register as the MTN Holder, each person in whose Security Record (as defined in the Austraclear Regulations) an MTN is recorded is deemed to acknowledge in favour of the Registrar, the Issuer and Austraclear that:

- (a) the Registrar's decision to act as the Registrar of that MTN is not a recommendation or endorsement by the Registrar or Austraclear in relation to that MTN, but only indicates that the Registrar considers that the holding of the MTNs is compatible with the performance by it of its obligations as Registrar under the Registry Services Agreement; and
- (b) the MTN Holder does not rely on any fact, matter or circumstance contrary to Condition 8.11(a) (Austraclear as MTN Holder).

8.12 Transfers of unidentified MTNs

If an MTN Holder transfers some but not all of the MTNs it holds and the transfer form does not identify the specific MTNs transferred, the Registrar may choose which MTNs registered in the name of MTN Holder have been transferred. However, the outstanding principal amounts of the MTNs registered as transferred must equal the outstanding principal amount of the MTNs expressed to be transferred in the transfer form.

Part 3 Interest

9 Fixed Rate MTNs

9.1 Application

This Condition 9 (Fixed Rate MTNs) applies to the MTNs only if the relevant Pricing Supplement states that it applies.

9.2 Interest on Fixed Rate MTNs

Each Fixed Rate MTN bears interest on its outstanding principal amount from (and including) its Interest Commencement Date to (but excluding) its Maturity Date at the Interest Rate.

Interest is payable in arrear on each Interest Payment Date.

9.3 Fixed Coupon Amount

Unless otherwise specified in the Pricing Supplement, the amount of interest payable on each Interest Payment Date in respect of each Fixed Rate MTN for the preceding Interest Period is the Fixed Coupon Amount.

9.4 Calculation of interest payable on Fixed Rate MTNs

If the Pricing Supplement does not specify a Fixed Coupon Amount for any Interest Period, on the first day of the Interest Period the Calculation Agent must calculate the amount of interest payable on any Fixed Rate MTN for the Interest Period.

Unless otherwise specified in the Pricing Supplement, the amount of interest payable is calculated by multiplying the Interest Rate for the Interest Period, the outstanding principal amount of the Fixed Rate MTN and the applicable Day Count Fraction.

10 Floating Rate MTNs

10.1 Application

This Condition 10 (Floating Rate MTNs) applies to the MTNs only if the relevant Pricing Supplement states that it applies.

10.2 Interest on Floating Rate MTNs

Each Floating Rate MTN bears interest on its outstanding principal amount from (and including) its Interest Commencement Date to (but excluding) its Maturity Date at the Interest Rate.

Interest is payable in arrear:

- (a) on each Interest Payment Date; or
- (b) if no Interest Payment Date is specified in the relevant Pricing Supplement, each date which falls the number of months or other period specified as the Specified Period in the relevant Pricing Supplement after the preceding Interest Payment Date, or in the case of the first Interest Payment Date, after the Interest Commencement Date.

10.3 Interest Rate determination

The Calculation Agent must determine the Interest Rate for any Floating Rate MTN for an Interest Period in accordance with these Conditions and the Pricing Supplement.

10.4 Fallback interest rate

Unless otherwise specified in the Pricing Supplement, if the Calculation Agent is unable to determine the Interest Rate for any Floating Rate MTN for an Interest Period, the Interest Rate for that Floating Rate MTN for that Interest Period is the same as the Interest Rate for that Floating Rate MTN for the Interest Period which immediately precedes it.

10.5 ISDA Determination

If ISDA Determination is specified in the Pricing Supplement as the manner in which the Interest Rate is to be determined, the Interest Rate for any Floating Rate MTNs for each Interest Period is the ISDA Rate.

10.6 Screen Rate Determination

If Screen Rate Determination is specified in the Pricing Supplement as the manner in which the Interest Rate is to be determined, the Interest Rate for any Floating Rate MTNs for each Interest Period is the sum of the Margin and the Screen Rate.

10.7 Bank Bill Rate Determination

If Bank Bill Rate Determination is specified in the Pricing Supplement as the manner in which the Interest Rate is to be determined, the Interest Rate for any Floating Rate MTNs for each Interest Period is the sum of the Margin and the Bank Bill Rate.

10.8 Interpolation

If the Pricing Supplement states that Linear Interpolation applies to an Interest Period, the Calculation Agent must determine the Interest Rate for that Interest Period using straight line interpolation by reference to two ISDA Rates, Screen Rates, Bank Bill Rates or other floating rates, in each case, as specified in the Pricing Supplement.

The first rate must be determined as if the Interest Period were the period of time for which rates are available next shorter than the length of the Interest Period (or any alternative Interest Period specified in the Pricing Supplement).

The second rate must be determined as if the Interest Period were the period of time for which rates are available next longer than the length of the Interest Period (or any alternative Interest Period specified in the Pricing Supplement).

11 Structured MTNs

11.1 Application

This Condition 11 (Structured MTNs) applies to the MTNs only if the relevant Pricing Supplement states that it applies.

33

11.2 Interest on Structured MTNs

Each Structured MTN bears interest on its outstanding principal amount from (and including) its Interest Commencement Date to (but excluding) its Maturity Date at the Interest Rate.

Interest is payable in arrear:

- (a) on each Interest Payment Date; or
- (b) if no Interest Payment Date is specified in the relevant Pricing Supplement, each date which falls the number of months or other period specified as the Specified Period in the relevant Pricing Supplement after the preceding Interest Payment Date (or in the case of the first Interest Payment Date, after the Interest Commencement Date).

11.3 Interest Rate determination

The Interest Rate payable in respect of a Structured MTN must be determined in the manner specified in the relevant Pricing Supplement.

12 General provisions applicable to interest

12.1 Maximum or Minimum Interest Rate

If the relevant Pricing Supplement specifies a Maximum Interest Rate or Minimum Interest Rate for any Interest Period then, the Interest Rate for that Interest Period must not be greater than the maximum, or be less than the minimum, so specified.

12.2 Calculation of Interest Rate and interest payable

The Calculation Agent must, as soon as practicable after determining the Interest Rate in relation to each Interest Period for each Floating Rate MTN and Index Linked MTN, calculate the amount of interest payable for the relevant Interest Period in respect of the outstanding principal amount of each MTN. The amount of interest payable is calculated by multiplying the product of the Interest Rate for that Interest Period and the outstanding principal amount of the MTN by the applicable Day Count Fraction.

12.3 Determination and calculation of other amounts

If the relevant Pricing Supplement specifies that any other amount is to be calculated by the Calculation Agent, the Calculation Agent must, as soon as practicable after the time at which that amount is to be determined, calculate the relevant amount. The relevant amount must be calculated by the Calculation Agent in the manner specified in the relevant Pricing Supplement.

12.4 Notification of Interest Rate, interest payable and other things

The Calculation Agent must notify the Issuer, the Registrar and the relevant MTN Holders and any stock exchange or other relevant authority on which the relevant Floating Rate MTNs or Index Linked MTNs are listed of:

- (a) each Interest Rate, the amount of interest payable and each other amount, item or date calculated or determined by it together with the relevant Interest Payment Date; and
- (b) any amendment to any amount, item or date referred to in paragraph (a) arising from any extension or reduction in any relevant Interest Period or calculation period.

The Calculation Agent must give notice under this Condition as soon as practicable after it makes its determination. However, it must give notice of each Interest Rate, the amount of interest payable and each Interest Payment Date by the fourth day of the relevant Interest Period.

Edgar Filing: NATIONAL AUSTRALIA BANK LTD - Form 6-K

The Calculation Agent may amend its determination of any amount, item or date (or make appropriate alternative arrangements by way of adjustment) as a result of the extension or reduction of the Interest Period without prior notice but must notify the Issuer, the Registrar

34

and each stock exchange or other relevant authority on which the relevant Floating Rate MTNs or Index Linked MTNs are listed and the MTN Holders after doing so.

12.5 Determination and calculation final

Except where there is an obvious error, any determination or calculation which the Calculation Agent makes in accordance with these Conditions is final and binds the Issuer, the Registrar, each Agent and each MTN Holder.

12.6 Late payment of MTNs other than Zero Coupon MTNs

If the Redemption Amount payable in respect of an MTN (other than a Zero Coupon MTN) is not paid when due, interest continues to accrue on that MTN (both before and after any demand or judgment) at the Interest Rate then applicable to the outstanding principal amount of the MTN or any other default rate specified in the relevant Pricing Supplement until the date on which the relevant payment is made to the relevant MTN Holder.

12.7 Late payment of Zero Coupon MTNs

If the Redemption Amount payable in respect of any Zero Coupon MTN is not paid when due, the Redemption Amount is an amount equal to the sum of:

- (a) the Reference Price; and
- (b) the amount resulting from the application of the Accrual Yield (compounded annually) to the Reference Price from (and including) the Issue Date to (but excluding) the date on which all sums due in respect of such MTN are received by or on behalf of the relevant MTN Holder.

12.8 Rounding

For the purposes of any calculations required under these Conditions (unless otherwise specified in these Conditions or the relevant Pricing Supplement):

- (a) all percentages resulting from the calculations must be rounded, if necessary, to the nearest one hundred thousandth of a percentage point (with 0.000005 per cent. being rounded up to 0.00001 per cent.);
- (b) all figures must be rounded to five significant figures (with halves being rounded up); and
- (c) all amounts that are due and payable must be rounded to the nearest cent (with halves being rounded up).

Part 4 Redemption, purchase and options

13 Redemption

13.1 Scheduled redemption

Each MTN is redeemable by the Issuer on the Maturity Date at its Redemption Amount unless:

- (a) the MTN has been previously redeemed; or
- (b) the MTN has been purchased and cancelled; or
- (c) the relevant Pricing Supplement states that the MTN has no fixed maturity date.

13.2 Early redemption for taxation reasons

The Issuer may redeem all (but not some) of the MTNs of a Series in whole before their Maturity Date for an amount equal to the Redemption Amounts for the MTNs and any interest accrued on it to (but excluding) the redemption date if the Issuer is required under Condition 16.2 (Withholding tax) to increase the amount of a payment in respect of an MTN.

35

However, the Issuer may only do so if:

- (a) the Issuer has given at least 30 days (and no more than 60 days) notice to the relevant Agents and the MTN Holders; and
- (b) before the Issuer gives the notice under paragraph (a), the Registrar has received:
 - (i) a certificate signed by two authorised officers of the Issuer; and
 - (ii) an opinion of independent legal advisers of recognised standing in the jurisdiction of incorporation of the Issuer,

that the Issuer would be required under Condition 16.2 (Withholding tax) to increase the amount of the next payment due in respect of the MTNs of that Series;

- (c) in the case of Fixed Rate MTNs, no notice of redemption is given earlier than 90 days before the earliest date on which the Issuer would be obliged to pay the additional amounts were a payment in respect of the MTNs then due;
- (d) in the case of Floating Rate MTNs and Index Linked MTNs:
 - (i) the proposed redemption date is an Interest Payment Date; and
 - (ii) no notice of redemption is given earlier than 60 days before the Interest Payment Date occurring immediately before the earliest date on which the Issuer would be obliged to pay the additional amounts of a payment in respect of the MTNs then due; and
- (e) in the case of Subordinated MTNs, the Issuer has obtained the prior written approval of APRA.

13.2A Early redemption of Subordinated Notes for loss of tax deductibility

If the relevant Pricing Supplement states that the Issuer may redeem all (but not some) of the Subordinated Notes of a Series before their Maturity Date under this Condition, the Issuer may redeem all (but not some) of the MTNs of a Series in whole before their Maturity Date for an amount equal to the Redemption Amounts for the MTNs and any interest accrued on it to (but excluding) the redemption date if the Issuer determines, following receipt by it or a Related Entity of an opinion of reputable legal counsel or other tax adviser in Australia, experienced in such matters or a ruling, confirmation or advice from the ATO (including a failure or refusal to provide a ruling) to the effect that interest payable in respect of the Subordinated Notes is not or may not be allowed as a deduction to the Issuer (or the head entity of any consolidated group of which the Issuer is a member) for Australian income tax purposes.

However, the Issuer may only do so if:

- (a) the Issuer has given at least 30 days (and no more than 60 days) notice to the relevant Agents and the MTN Holders; and
- (b) before the Issuer gives the notice under paragraph (a), the Registrar has received:
 - (i) a certificate signed by two authorised officers of the Issuer; and
 - (ii) an opinion of independent legal advisers of recognised standing in the jurisdiction of incorporation of the Issuer,

that an event described in this Condition 13.2A (Early redemption of Subordinated Notes for loss of tax deductibility) has occurred; and

(c) the Issuer has obtained the prior written approval of APRA.

13.3 Early redemption at the option of MTN Holders (investor put)

If the relevant Pricing Supplement states that an MTN Holder may require the Issuer to redeem all or some of the MTNs of a Series held by that MTN Holder before their Maturity

36

Date under this Condition, the Issuer must redeem the MTNs specified by that MTN Holder for an amount equal to the Redemption Amounts for the MTNs and any interest accrued on it to (but excluding) the redemption date if the following conditions are satisfied:

- (a) the amount of MTNs to be redeemed is, or is a multiple of, their Specified Denomination;
- (b) the MTN Holder has given at least 15 days (and no more than 30 days) (or any other period which may be specified in the relevant Pricing Supplement) notice, to the Issuer and the Registrar by delivering to the Specified Office of the Registrar during normal business hours a completed and signed redemption notice in the form obtainable from the Specified Office of the Registrar together with any evidence the Registrar may require to establish title of the MTN Holder to the relevant MTN.

A notice or document deposited under this Condition may not be withdrawn without the Issuer's consent;

- (c) the notice referred to in paragraph (b) specifies a bank account to which the payment should be made or an address to where a cheque for payment should be sent;
- (d) the proposed redemption date is an Early Redemption Date (Put);
- (e) any other condition specified in the relevant Pricing Supplement is satisfied; and
- (f) in the case of Subordinated MTNs, the Issuer has obtained the prior written approval of APRA.

An MTN Holder may not require the Issuer to redeem any MTN under this Condition 13.3 (Early redemption at the option of MTN Holders (investor put) if the Issuer has given notice that it will redeem that MTN under Condition 13.2 (Early redemption for taxation reasons) or Condition 13.4 (Early redemption at the option of the Issuer (Issuer call)).

13.4 Early redemption at the option of the Issuer (Issuer call)

If the relevant Pricing Supplement states that the Issuer may redeem all or some of the MTNs of a Series before their Maturity Date under this Condition, the Issuer may redeem so many of those MTNs specified in the Pricing Supplement for an amount equal to the Redemption Amounts for those MTNs and any interest accrued on it to (but excluding) the redemption date.

However, the Issuer may only do so if:

- (a) the amount of MTNs to be redeemed is, or is a multiple of, their Specified Denomination;
- (b) the Issuer has given at least 30 days (and no more than 60 days) (or any other period specified in the relevant Pricing Supplement) notice to the relevant Agents and the MTN Holders;
- (c) the proposed redemption date is an Early Redemption Date (Call); and
- (d) in the case of Subordinated MTNs the Issuer has obtained the prior written approval of APRA.

13.5 Instalments

The Issuer agrees to redeem each Instalment MTN in instalments by paying to the MTN Holder on each Instalment Date the Instalment Amount due on that Instalment Date.

The principal amount of each Instalment MTN reduces from the date, and by the amount, of each payment the Issuer makes under this Condition 13.5 (Instalments).

13.6 Effect of notice of redemption

Any notice of redemption given under this Condition 13 (Redemption) is irrevocable.

13.7 Purchases

The Issuer and any Related Entities may at any time purchase MTNs in the open market or otherwise and at any price and, in the case of Subordinated MTNs, with the prior written consent of APRA. If purchases are made by tender, tenders must be available to all MTN Holders alike. All unmatured MTNs purchased under this Condition 13.7 (Purchases) are not extinguished (unless held beneficially by the Issuer at the Maturity Date) and to the extent held beneficially by the Issuer prior to that Maturity Date may be held, resold or cancelled at the discretion of the Issuer, subject to compliance with all legal and regulatory requirements.

Part 5 Payments

14 General provisions

14.1 Summary of payment provisions

Payments in respect of MTNs will be made in accordance with Condition 15 (Payments).

14.2 Payments subject to fiscal laws

All payments of principal, interest and other amounts are subject to all applicable fiscal laws or other Directives, but without prejudice to the provisions of Condition 16 (Taxation).

14.3 Payments on business days

If a payment:

(a) is due on an MTN on a day which is not a Business Day then the due date for payment will be the next Business Day unless that day falls on the following month or after the Maturity Date, in which case on the previous Business Day; or

(b) is to be made to an account on a Business Day on which banks are not open for general banking business in the place in which the account is located, then the due date for payment will be the first following day on which banks are open for general banking business in that place,

and in either case, the MTN Holder is not entitled to any additional payment in respect of that delay.

15 Payments

15.1 Payment of principal

The Issuer agrees to pay the Redemption Amount (together with any accrued interest and other amounts due in respect of the MTN on the relevant redemption date) for an MTN or, in the case of an Instalment MTN, the final Instalment Amount for that MTN, and all other amounts due in respect of the MTN, in the currency in which it is due to the person who is the MTN Holder at 10.00 am in the place where the Register is maintained on the due date.

15.2 Payment of interest

The Issuer agrees to pay interest on any interest bearing MTN and, in the case of an Instalment MTN, in the currency in which it is due each Instalment Amount for that MTN (other than the final Instalment Amount), to the person who is the MTN Holder at 4.00 pm in the place where

the Register is maintained on the Record Date.

15.3 Payments to accounts

Except as otherwise provided in the relevant Pricing Supplement, the Issuer agrees to make payments in respect of a MTN:

38

- (a) if the MTN is held in a Clearing System, by crediting on the Payment Date, the amount due to the account previously notified by the Clearing System to the Issuer and the Registrar in accordance with the Clearing System's rules and regulations in the country of the currency in which the payment is due; and
- (b) if the MTN is not held in a Clearing System, subject to Condition 15.4 (Payments by cheque) by crediting on the Payment Date, the amount due to an account previously notified by the MTN Holder to the Issuer and the Registrar in the country of the currency in which the payment is due.

15.4 Payments by cheque

If an MTN Holder has not notified the Registrar of an account to which payments to it must be made by close of business in the place where the Register is maintained on the Record Date, the Issuer may make payments in respect of the MTNs held by that MTN Holder by cheque.

If the Issuer makes a payment in respect of an MTN by cheque, the Issuer agrees to send the cheque by prepaid ordinary post on the Business Day immediately before the due date, to the MTN Holder (or if two or more persons are entered in the Register as joint MTN Holders of the MTN, to the first named joint MTN Holder) at its address appearing in the Register at close of business in the place where the Register is maintained on the Record Date.

Cheques sent to an MTN Holder are sent at the MTN Holder's risk and are taken to be received by the MTN Holder on the due date for payment. If the Issuer makes a payment in respect of an MTN by cheque, the Issuer is not required to pay any additional amount as a result of the MTN Holder not receiving payment on the due date in immediately available funds.

15.5 No US payments

No payment of interest will be made to an address in the United States or transferred to an account maintained by the MTN Holder in the United States.

16 Taxation

16.1 No set-off, counterclaim or deductions

All payments in respect of the MTNs must be made in full without set-off or counterclaim, and without any withholding or deduction in respect of Taxes, unless prohibited by law.

16.2 Withholding tax

Subject to Condition 16.3 (Withholding tax exemptions), if a law requires the Issuer to withhold or deduct an amount in respect of Taxes from a payment in respect of the MTNs such that the MTN Holder would not actually receive on the due date the full amount provided for under the MTNs, then:

- (a) the Issuer agrees to deduct the amount for the Taxes (and any further withholding or deduction applicable to any further payment due under paragraph (b) below); and
- (b) if the amount deducted or withheld is in respect of Taxes imposed by a Relevant Tax Jurisdiction, the amount payable is increased so that, after making the deduction and further deductions applicable to additional amounts payable under this clause, each MTN Holder is entitled to receive (at the time the payment is due) the amount it would have received if no deductions or withholdings had been required to be made.

16.3 Withholding tax exemptions

The Issuer is not required to pay an additional amount under Condition 16.2 (Withholding tax) if the obligation to do so arises as a result of any one or more of the following:

- (a) the deduction is required in respect of Taxes by reason of the MTN Holder or beneficial holder having some connection with a Relevant Tax Jurisdiction other than the mere holding of the MTN or receipt of payment in respect of the MTN. However, an MTN Holder is not regarded as having a connection with Australia on account of the MTN Holder being a resident of Australia within the meaning of the Tax Act where, and to the extent, those taxes are payable by reason of section 128B(2A) of the Australian Tax Act;
- (b) the deduction is required as a result of Taxes which would not be required to be deducted if the MTN Holder (or a person acting on its behalf):
 - (i) provided the Issuer, its agent or any tax authority with the MTN Holder's name, address, registration number, Australian tax file number, Australian business number or similar details or any relevant tax exemption or similar details; or
 - (ii) ensured that any third party complied with any other statutory requirements (such as making a declaration of non-residence or similar claim) for any relevant tax exemption; or
- (c) such other circumstances as may be specified in the Pricing Supplement.

16.4 Subordinated MTNs

Part 6 Events of Default

18 Events of Default

18.1 Event of Default -Unsubordinated MTNs

An Event of Default occurs in relation to a series of Unsubordinated MTNs if:

- (a) **(payment default)** the Issuer fails to pay any interest in respect of the Unsubordinated MTNs within 30 days of the relevant due date or any principal in respect of the Unsubordinated MTNs within 7 days of the relevant due date;
- (b) **(other default)** the Issuer defaults in performance or observance of any of its obligations under any Unsubordinated MTNs, of such Series (other than those specified in paragraph (a) above), which default is incapable of remedy or, if capable of remedy, is not remedied within 30 days after notice requiring such default to be remedied has been given to the Issuer by the relevant MTN Holder;
- (c) **(cross default)** any indebtedness for borrowed money of the Issuer (not being money borrowed in the ordinary course of banking business) which in aggregate exceeds US\$10,000,000 (or its equivalent in any Alternate Currency(s)):
 - (i) is not paid when due or within any applicable grace period; or

(ii) becomes due and repayable before its scheduled maturity by reason of a default of the Issuer,

and, in each case, is not being contested in good faith by the Issuer and is not cured or otherwise made good within 7 days after notice of such default has been given to the Issuer by the relevant MTN Holder.

40

For the purpose of paragraph (i) above, the expression *indebtedness for borrowed money* includes any liability by way of indemnity in respect of, or other undertaking given to secure payment of any indebtedness for borrowed money;

- (d) **(insolvency)** the Issuer becomes insolvent or is unable to pay its debts as they fall due or stops payment of its debts (in each case within the meaning of Australian or any applicable insolvency law);
- (e) **(winding up)** an order is made or an effective resolution is passed for the winding up of the Issuer except in any such case:
 - (i) for the purposes of a solvent reconstruction or amalgamation the terms of which have previously been approved by an Extraordinary Resolution of Unsubordinated MTN Holders; or
 - (ii) for any winding up in the process of a merger, reconstruction or amalgamation in which the surviving entity has assumed or will assume expressly or by law all the obligations of the Issuer in respect of the MTNs;
- (f) **(enforcement against assets)** a distress, attachment, execution or other legal process is levied, enforced or sued out against or on the Issuer or against all or a substantial part of the assets of the Issuer and is not stayed, satisfied or discharged within 60 days or otherwise contested in bona fide proceedings and such occurrence would materially prejudice the performance by the Issuer of its obligations under the MTNs of such Series;
- (g) **(enforcement of security)** an encumbrancer takes possession or a receiver or administrator is appointed of the whole or substantially the whole of the undertaking, property, assets or revenues of the Issuer (other than in respect of monies borrowed or raised on a non-recourse basis) and such occurrence is not discharged or stayed within 45 days (or where the proceedings are being contested in good faith, such longer period as may be agreed by an Extraordinary Resolution of the Unsubordinated MTN Holders) and such occurrence would materially prejudice the performance by the Issuer of its obligations under the MTNs of such Series; or
- (h) **(cessation of business)** the Issuer ceases to carry on a banking business in the Commonwealth of Australia, or the Issuer's authority under the Banking Act to carry on banking business in Australia is revoked and not replaced by an equivalent authority except in connection with a merger, reconstruction or amalgamation where the surviving entity carries on such a banking business and is duly authorised to carrying on banking business in Australia.

18.2 Consequences of an Event of Default - Unsubordinated MTNs

Subject to Condition 18.3 (*Rectification*), if any Event of Default occurs and continues unremedied in relation to the Unsubordinated MTNs of any Series or any of them, then any holder of Unsubordinated MTNs then outstanding in that Series may declare by notice to the Issuer (with a copy to the Registrar) that the Redemption Amount (together with any accrued interest) applicable to each Unsubordinated MTN held by it is either payable immediately or on such other date specified in the notice.

The making of this declaration gives immediate effect to its provisions.

18.3 Rectification

An Unsubordinated MTN Holder's right to declare MTNs due and payable terminates if the situation giving cause to it has been cured before such right is exercised.

18.4 Events of Default and Consequences of an Event of Default - Subordinated MTNs

- (a) **(payment default)** If a Payment Default occurs and is continuing, a Subordinated MTN Holder may bring proceedings:

- (i) to recover any amount then due and payable but unpaid on its Subordinated MTNs (subject to the Issuer being able to make the payment and remain Solvent);
- (ii) to obtain an order for specific performance of any other obligation in respect of its Subordinated MTNs; or
- (iii) for the winding up of the Issuer.

To the extent that a payment is not required to be made because of the solvency condition to payment in Condition 5.3A (Conditions to payment), the amount is not due and payable and a Payment Default does not occur.

(b) (**winding up default**) If a Winding Up Default occurs and is continuing, a Subordinated MTN Holder may, in addition to taking any of the actions specified in Condition 18.4(a) above, by notice to the Issuer declare that its Subordinated MTNs must be redeemed immediately for an amount equal to the principal of the Subordinated MTNs together with any accrued interest or other amounts (in each case to the extent unpaid) and, subject to Condition 7.3 (Subordination), may prove in the winding up of the Issuer for that amount.

(c) (**amounts unpaid remain debts**) Any amount not paid either due to Condition 5.3A (Conditions to payment) or Condition 18.4(a)(i) above remains a debt owing to the Subordinated MTN Holder by the Issuer until it is paid and will be payable on the first date on which the relevant Condition is satisfied.

(d) (**no other action**) The Subordinated MTN Holders may not exercise any other remedies (including any right to sue for damages which has the same economic effect as acceleration) as a consequence of an Event of Default or other default other than as specified in this Condition 18.4.

18.5 Additional definitions for Condition 18.4

For the purposes of Condition 18.4 (Events of Default and Consequences of an Event of Default - Subordinated MTNs):

- (i) (failure to pay principal): the Issuer does not pay any principal or Redemption Amount due in respect of the Subordinated MTNs of the relevant Series within seven days of its due date; or
- (ii) (failure to pay interest or other amounts) the Issuer does not pay any interest or other amount due in respect of the Subordinated MTNs of the relevant Series within 30 days of its due date; and

(b) **Winding Up Default** means a Winding Up occurs other than for the purposes of a consolidation, amalgamation, merger or reconstruction which has been approved by an Extraordinary Resolution of the relevant Subordinated MTN Holders or in which the surviving entity has assumed or will assume expressly or by law all obligations of the Issuer in respect of the Subordinated MTNs of the relevant Series.

18.6 Notification

Each Dealer has also agreed to notify the Issuer when it has completed the distribution of its portion of the Notes of any identifiable tranche (within the meaning of Regulation S) so that the Issuer may determine the completion of the distribution of all Notes of that tranche and notify any other relevant Dealers offering or selling the Notes of such tranche of the end of the distribution compliance period.

Each of the Dealers agrees, severally and not jointly, that, at or prior to confirmation of a sale of the Notes, it will have sent to each distributor, dealer or person receiving a selling concession, fee or other remuneration that purchases the Notes from it or through it during the restricted period a confirmation or notice to substantially the following effect:

The Notes covered hereby which comprise an identifiable tranche of securities have not been registered under the United States Securities Act of 1933 (Securities Act) and may not be offered or sold within the United States or to or for the account or benefit of U.S. persons (i) as part of their distribution at any time and (ii) otherwise until forty days after the completion of the distribution of such tranche as determined and certified to the Issuer by the Lead Manager (or other person performing a similar function), except in either case in accordance with Regulation S under the Securities Act. Terms used above have the meaning given to them by the Securities Act or Regulation S thereunder.

Each Dealer has represented and each further Dealer appointed will be required to represent that it has not entered and agreed that it will not enter into any contractual arrangement with any distributor with respect to the distribution or delivery of the Notes, except with the prior written consent of the Issuer. In addition, until forty days after the completion of the offering of Notes comprising any identifiable tranche, an offer or sale of Notes within the United States by any dealer (whether or not participating in the offering of those Notes) may violate the registration requirements of the Securities Act if such offer or sale is not made in accordance with an exemption from the registration requirements thereunder.

5 Hong Kong

Each Dealer has represented and agreed that:

(a) it has not offered, sold, delivered or transferred, and will not offer, sell, deliver or transfer in Hong Kong, by means of any document, any Notes other than:

(i) to persons whose ordinary business is to buy or sell shares or debentures (whether as principal or agent); or

(ii) to professional investors as defined in the Securities and Futures Ordinance (Cap. 571) of Hong Kong (SFO) and any rules made under the SFO; or

(iii) in other circumstances which do not do not result in the document being a prospectus as defined in the Companies Ordinance (Cap. 32) of Hong Kong or which do not constitute an offer to the public within the meaning of that Ordinance; and

(b) it has not issued, or had in its possession for the purposes of issue, and will not issue or have in its possession for the purposes of issue, whether in Hong Kong or elsewhere, any advertisement, invitation, or document relating to the Notes, which is directed at, or the contents of which are likely to be accessed or read by, the public of Hong Kong (except if permitted to do so under the securities laws of Hong Kong) other than with respect to the Notes which are or are intended to be disposed of only to persons outside Hong Kong or only to professional investors as defined in the SFO and any rules made under the SFO

6 Singapore

The Information Memorandum has not been registered as a prospectus with the Monetary Authority of Singapore (the **MAS**) under the Securities and Futures Act, Chapter 289 of Singapore (the **Securities and Futures Act**). Accordingly, each Dealer has represented and agreed that the Notes have not been offered or sold and will not be offered or sold or made the subject of an invitation for subscription or purchase nor will the Information Memorandum or any other document or material in connection with the offer or sale or invitation for subscription or purchase of any Notes be circulated or distributed, whether directly or indirectly, to any person in Singapore other than (a) to an institutional investor pursuant to Section 274 of the Securities and Futures Act, (b) to a relevant person, or any person pursuant to Section 275(1A) of the Securities and Futures Act, and in accordance with the conditions specified in Section 275 of the Securities and Futures Act or (c) pursuant to, and in accordance with, the conditions of, any other applicable provision of the Securities and Futures Act.

Each of the following relevant persons specified in Section 275 of the Securities and Futures Act, which has subscribed or purchased Notes, namely a person who is:

- (a) a corporation (which is not an accredited investor) the sole business of which is to hold investments and the entire share capital of which is owned by one or more individuals, each of whom is an accredited investor; or
- (b) a trust (where the trustee is not an accredited investor) whose sole purpose is to hold investments and each beneficiary is an accredited investor,

should note that shares, debentures and units of shares and debentures of that corporation or the beneficiaries' rights and interest in that trust shall not be transferable for 6 months after that corporation or that trust has acquired the Notes under Section 275 of the Securities and Futures Act except:

- (i) to an institutional investor under Section 274 of the Securities and Futures Act or to a relevant person, or any person pursuant to Section 275(1A) of the Securities and Futures Act, and in accordance with the conditions, specified in Section 275 of the Securities and Futures Act;
- (ii) where no consideration is given for the transfer; or
- (iii) by operation of law.

7 Japan

The Notes have not been and will not be registered under the Securities and Exchange Law of Japan (**Securities and Exchange Law**). Each Dealer has represented and agreed that it has not offered, sold, delivered or transferred and will not offer, sell, deliver or transfer any Notes, directly or indirectly, in Japan or to, or for the benefit of, any resident of Japan (which term as used here means any person resident in Japan, including any corporation or other entity organised under the laws of Japan) or to others for re-offering, resale, delivery or transfer, directly or indirectly, in Japan or to a resident of Japan, except pursuant to an exemption from the registration requirements of, and otherwise in compliance with, the Securities and Exchange Law and any other applicable laws and ministerial guidelines of Japan.

8 New Zealand

Each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree that: (1) it has not offered, sold or delivered and will not directly or indirectly offer, sell, or delivery any Note and (2) it will not distribute any offering circular or advertisement in relation to any offer of Notes, in New Zealand other than: (A) to persons whose principal business is the investment of money or who, in the course of and for the purposes of their business, habitually invest money, or who in the circumstances can properly be regarded as having been selected other than as members of the public; (B) to persons who are each required to pay a minimum subscription price of at least NZ\$500,000 for the Notes (disregarding any amount lent by

the offeror, the Issuer, or any associated person of the offeror or Issuer) before the allotment of those Notes; or (C) in other circumstances where there is no contravention of the Securities Act 1978 of New Zealand.

9 China

Each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that:

- (a) it has not offered or sold and will not offer or sell in the People's Republic of China (**PRC**) by means of any document, any Note other than in full compliance with the relevant laws and regulations of the PRC including but not limited to the Securities Law of the PRC and the Company Law of the PRC; and
- (b) it has complied and will comply with all applicable laws and regulations of the PRC with respect to anything done by it in relation to any Notes in, or otherwise involving the PRC.

10 General

These selling restrictions may be modified by the agreement of the Issuer and the Permanent Dealers after consultation with the Dealers following a change in or clarification of a relevant law, regulation, directive, request or guideline having the force of law or compliance with which is in accordance with the practice of responsible financial institutions in the country concerned or any change in or introduction of any of them or in their interpretation or administration. Any such modification will be set out in the relevant Subscription Agreement, if applicable, and in the Pricing Supplement issued in respect of the Notes to which it relates or in a supplement to, and update of, the Information Memorandum.

Australian Taxation

*The following is a summary of the taxation treatment under the Income Tax Assessment Acts of 1936 and 1997 of Australia (together, **Australian Tax Act**), at the date of this Information Memorandum, of payments of interest (as defined in the Australian Tax Act) on the short term notes and medium term notes (together, the **Notes**) to be issued by the Issuer under the Programme and certain other matters. It is not exhaustive and, in particular, does not deal with the position of certain classes of holders of Notes (including, without limitation, dealers in securities, custodians or other third parties who hold Notes on behalf of Australian residents holding Notes in the course of carrying on a trade or business at or through a permanent establishment outside Australia or non-residents of Australia (other than non-residents carrying on a trade or business at or through a permanent establishment in Australia)).*

Prospective holders of Notes should also be aware that particular terms of issue of any Series of Notes may affect the tax treatment of that and other Series of Notes. The following is a general guide and should be treated with appropriate caution. Prospective holders of Notes (including, without limitation, dealers in securities, custodians or other third parties who hold Notes on behalf of Australian residents holding Notes in the course of carrying on a trade or business at or through a permanent establishment outside Australia or non-residents of Australia (other than non-residents carrying on a trade or business at or through a permanent establishment in Australia)) who are in any doubt as to their tax position should consult their professional advisers on the tax implications of an investment in the Notes for their particular circumstances.

1 Interest withholding tax

An exemption from Australian interest withholding tax imposed under Division IIA of Part III of the Australian Tax Act (**IWT**) is available, in respect of the Notes issued by the Issuer, under section 128F the Australian Tax Act if the following conditions are met:

- (a) the Issuer is either a resident of Australia or a non-resident carrying on business at or through a permanent establishment in Australia when it issues Notes and when interest (as defined in section 128A(1AB) of the Australian Tax Act) is paid. Interest is defined to include amounts in the nature of, or in substitution for, interest;
- (b) those Notes are issued in a manner which satisfies the public offer test set out in subsection 128F(3) or subsection 128F(4). There are five principal methods of satisfying the public offer test, only one of which needs to be satisfied. The purpose of the public offer test is to ensure that lenders in capital markets are aware that the Issuer is offering those Notes for issue. In summary, the five methods are:
- offers to 10 or more unrelated financiers or securities dealers;
 - offers to 100 or more investors;
 - offers of listed Notes;
 - offers via publicly available information sources; and
 - offers to a dealer, manager or underwriter who offers to sell those Notes within 30 days by one of the preceding methods.

In addition, the issue of any of those Notes (whether in global form or otherwise) and the offering of interests in any of those Notes by one of these methods should satisfy the public offer test;

- (c) the Issuer does not know, or have reasonable grounds to suspect, at the time of issue, that those Notes or interests in those Notes were being, or would later be, acquired, directly or indirectly, by an associate of the Issuer, except as permitted by section 128F(5) of the Australian Tax Act; and

(d) at the time of the payment of interest, the Issuer does not know, or have reasonable grounds to suspect, that the payee is an associate of the Issuer, except as permitted by section 128F(6) of the Australian Tax Act.

A Note must also either be a debenture as defined for the purposes of section 128F (but not an equity interest) or a debt interest. The Australian government has introduced legislation to amend section 128F to limit the types of non-debenture debt interests that will be eligible for exemption from IWT to certain shares that are treated as debt, some syndicated loans and other debt interests that may be prescribed by future regulations. These amendments will apply to interest paid in respect of debt interests issued from 7 December 2006, and to some syndicated loans entered into on or after 21 March 2005. In the present circumstances, the Issuer intends to issue the Notes in a form that will represent a debenture or debentures.

Associates

An associate of an Issuer for the purposes of section 128F of the Australian Tax Act includes (i) a person or entity which holds 50% or more of the voting shares of, or otherwise controls, the Issuer, (ii) an entity which is a subsidiary of, or otherwise controlled by, the Issuer, (iii) a trustee of a trust where the Issuer is capable of benefiting (whether directly or indirectly) under that trust, and (iv) a person or entity who is an associate of another person or company which is an associate of the Issuer under any of the foregoing.

However, for the purposes of sections 128F(5) and (6) of the Australian Tax Act (see paragraphs (c) and (d) above), associate does not include:

(A) onshore associates (ie Australian resident associates who do not hold the Notes in the course of carrying on business at or through a permanent establishment outside Australia and non-resident associates who hold the Notes in the course of carrying on business at or through a permanent establishment in Australia); or

(B) offshore associates (ie Australian resident associates that hold the Notes in the course of carrying on business at or through a permanent establishment outside Australia and non-resident associates who do not hold the Notes in the course of carrying on business through a permanent establishment in Australia) who are acting in the capacity of:

(i) in the case of section 128F(5) only, a dealer, manager or underwriter in relation to the placement of the relevant Notes); or

(ii) a clearing house, custodian, funds manager, responsible entity of a registered scheme or, in the case of section 128F(6) only, paying agent.

Compliance with section 128F of the Australian Tax Act

Unless otherwise specified in any relevant Pricing Supplement (or another relevant supplement to this Information Memorandum), the Issuer intends to issue the Notes in a manner which will satisfy the requirements of section 128F of the Australian Tax Act.

US and UK Resident Noteholders

The Australian government has signed a number of new or amended double tax conventions (New Treaties) with the United States and the United Kingdom (each a Specified Country). The New Treaties apply to interest derived by a resident of a Specified Country.

The New Treaties effectively prevent Australia from imposing IWT to interest derived by:

- governments of the Specified Countries and certain governmental authorities and agencies in a Specified Country; and

- certain (1) banks, and (2) other financial institutions resident in a Specified Country which substantially derive their profits by carrying on a business of raising and providing finance, and which are unrelated to and dealing wholly independently with the Issuer

by reducing the IWT rate to zero.

Under the New Treaties back-to-back loans and economically equivalent arrangements will not obtain the benefit of the reduction in IWT mentioned above and the anti-avoidance provisions in the Australian Tax Act can apply.

New double tax conventions have also recently been negotiated by Australia with France, Finland and Norway respectively. The new conventions with France, Finland and Norway contain IWT exemptions similar to those in the New Treaties with the Specified Countries. The new conventions with France, Finland and Norway have not yet become effective.

Payment of additional amounts

As set out in more detail in the relevant Terms and Conditions for the Notes, and unless expressly provided to the contrary in the relevant Pricing Supplement (or another relevant supplement to this Information Memorandum), if an Issuer is at any time compelled or authorised by law to deduct or withhold an amount in respect of any Australian withholding taxes imposed or levied by the Commonwealth of Australia or the State of Victoria in respect of the Notes, the Issuer must, subject to certain exceptions, pay such additional amounts as may be necessary in order to ensure that the net amounts received by the holders of those Notes after such deduction or withholding are equal to the respective amounts which would have been received had no such deduction or withholding been required. If an Issuer is compelled by law in relation to any Notes to deduct or withhold an amount in respect of any withholding taxes, the Issuer will have the option to redeem those Notes in accordance with the relevant Terms and Conditions.

2 Other tax matters

Subject to paragraph 3, under Australian laws as presently in effect:

(a) *income tax* - assuming the requirements of section 128F of the Australian Tax Act are satisfied with respect to the Notes, payment of principal and interest to a holder of the Notes, who is a non-resident of Australia and who, during the taxable year, does not hold the Notes in the course of carrying on business at or through a permanent establishment in Australia, will not be subject to Australian income taxes; and

(b) *gains on disposal of Notes* - a holder of the Notes, who is a non-resident of Australia and who, during the taxable year, does not hold the Notes in the course of carrying on business at or through a permanent establishment in Australia, will not be subject to Australian income tax on gains realised during that year on sale or redemption of the Notes, provided such gains do not have an Australian source. A gain arising on the sale of Notes by a non-Australian resident holder to another non-Australian resident where the Notes are sold outside Australia and all negotiations are conducted, and documentation executed, outside Australia would not be regarded as having an Australian source; and

(c) *deemed interest* - there are specific rules that can apply to treat a portion of the purchase price of Notes as interest for withholding tax purposes when certain Notes originally issued at a discount or with a maturity premium or which do not pay interest at least annually are sold to an Australian resident (who does not acquire them in the course of carrying on business at or through a permanent establishment outside Australia) or a non-resident who acquires them in the course of carrying on business at or through a permanent establishment in Australia. These rules do not apply in circumstances where the deemed interest would have been exempt under

section 128F of the Australian Tax Act if the Notes had been held to maturity by a non-resident; and

(d) *death duties* - no Notes will be subject to death, estate or succession duties imposed by Australia, or by any political subdivision or authority therein having power to tax, if held at the time of death; and

(e) *stamp duty and other taxes* - no ad valorem stamp, issue, registration or similar taxes are payable in Australia on the issue or transfer of any Notes; and

(f) *other withholding taxes on payments in respect of Notes* - section 12-140 of Schedule 1 to the Taxation Administration Act 1953 of Australia (**Taxation Administration Act**) imposes a type of withholding tax at the rate of (currently) 46.5% on the payment of interest on certain registered securities unless the relevant payee has quoted an Australian tax file number (**TFN**), (in certain circumstances) an Australian Business Number (**ABN**) or proof of some other exception (as appropriate). Assuming the requirements of section 128F of the Australian Tax Act are satisfied with respect to the Notes, then the requirements of section 12-140 do not apply to payments to a holder of Notes in registered form who is not a resident of Australia and not holding those Notes in the course of carrying on business at or through a permanent establishment in Australia. Payments to other classes of holders of Notes in registered form may be subject to a withholding where the holder of those Notes does not quote a TFN, ABN or provide proof of an appropriate exemption (as appropriate); and

(g) *supply withholding tax* - payments in respect of the Notes can be made free and clear of the supply withholding tax imposed under section 12-190 of the Taxation Administration Act;

(h) *goods and services tax (GST)* - neither the issue nor receipt of the Notes will give rise to a liability for GST in Australia on the basis that the supply of Notes will comprise either an input taxed financial supply or (in the case of an offshore subscriber) a GST-free supply. Furthermore, neither the payment of principal or interest by the Issuer, nor the disposal of the Notes, would give rise to any GST liability in Australia; and

(i) *debt/equity rules* - Division 974 of the Australian Tax Act contains tests for characterising debt (for all entities) and equity (for companies) for Australian tax purposes, including for the purposes of dividend withholding tax and IWT. The Issuer intends to issue Notes which are to be characterised as debentures as defined for the purposes of section 128F (which are not equity interests) for the purposes of the tests contained in Division 974 and the returns paid on the Notes are to be interest for the purpose of section 128F of the Australian Tax Act. Accordingly, Division 974 should not affect the Australian tax treatment of holders of Notes;

(i) *additional withholdings from certain payments to non-residents* - section 12-315 of Schedule 1 to the Taxation Administration Act gives the Governor-General power to make regulations requiring withholding from certain payments to non-residents. However section 12-315 expressly provides that the regulations will not apply to interest and other payments which are already subject to the current IWT rules or specifically exempt from those rules. Further, regulations may only be made if the responsible minister is satisfied the specified payments are of a kind that could reasonably relate to assessable income of foreign residents. The regulations promulgated prior to the date of this Information Memorandum are not relevant to any payments in respect of the Notes. Any further regulations should not apply to repayments of principal under the Notes, as in the absence of any issue discount such amounts will generally not be related to assessable income. The possible application of any regulations to the proceeds of any sale of the Notes will need to be monitored;

(i) *taxation of foreign exchange gains or losses* - Division 775 of the Australian Tax Act contains rules to deal with the taxation consequences of foreign exchange transactions. The rules are very complicated and, generally speaking, will require Australian taxpayers, or non-residents that hold assets, or incur liabilities in the course of carrying on business in Australia, to perform complex (and frequent) calculations to determine the foreign exchange gains and losses they are taxed upon in respect of holding assets (or incurring liabilities) in non-Australian currency.

There are several exclusions from the rules. In particular, authorised deposit taking institutions under the Banking Act 1959 of Australia (**ADIs**) and non-ADI financial institutions (as defined) are excluded from the foreign exchange gains and losses rules (on the basis that different and more extensive retranslation rules will ultimately apply to them as part of the Government's plan for further reform of taxation of financial arrangements).

The Issuer is an ADI. Accordingly, for so long as the Issuer has that status the foreign exchange gains or losses rules will not apply to the Issuer. However, the rules may apply to any holders of the Notes denominated in a currency other than Australian dollars that are not ADIs or non-ADI financial institutions and which are Australian residents or non-residents that hold those Notes in the course of carrying on business in Australia. Any such holders of Notes should consult their professional advisors for advice as to how to tax account for any foreign exchange gains or losses arising from their holding of those Notes.

3 Recent developments

Taxation of Financial Arrangements

On 3 January 2007 the Australian Minister for Revenue and Assistant Treasurer issued a revised exposure draft of proposed new rules for the Taxation of Financial Arrangements. It is intended that the new rules (if enacted) would represent a new code for the taxation of receipts and payments in relation to financial arrangements. The new division defines financial arrangements and sets out five tax-timing methods. These methods (fair value, accruals, retranslation, realisation and hedging) determine the tax-timing treatment of all financial arrangements covered by the legislation.

The exposure draft specifies that the proposed commencement date for the new rules will be on or after 1 July 2008. Taxpayers may also be able to elect for the new rules to apply to all financial arrangements existing on or after 1 July 2007.

The exposure draft does not contain any indication as to how (if at all) the proposed rules are to relate to the imposition of IWT. However, the Australian government has given no indication that it intends the new rules to apply in a manner which overrides the section 128F exemption.

It is expected that the Australian government will consult with taxpayers and industry representatives to develop the final legislation.

Amended and Restated MTN Deed Poll

Schedule 1 - Terms and Conditions of the MTNs

The following are the general terms and conditions which, as supplemented, amended and/or replaced by the relevant Pricing Supplement, will apply to each MTN issued under the Debt Issuance Programme of National Australia Bank Limited. Definitions and interpretation provisions are set out in Condition 27 (Interpretation).

Part 1 Introduction

1 Introduction

1.1 Programme

The MTNs may be issued under a Debt Issuance Programme established on or about 11 November 2003 and amended and restated as at 15 May 2007 by National Australia Bank Limited (**Issuer**).

1.2 Pricing Supplement

MTNs issued under the Programme are issued in Series. Each Series may comprise one or more Tranches having one or more issue dates and on terms otherwise identical (other than in respect of the Issue Price and the first payment of interest and the amounts of interest payable). Each Tranche is the subject of the Pricing Supplement which supplements, amends or replaces these Conditions. In the event of any inconsistency between these Conditions and the relevant Pricing Supplement, the relevant Pricing Supplement prevails.

Copies of the relevant Pricing Supplement are available for inspection or upon request by MTN Holders or prospective MTN Holders during normal business hours at the Specified Office of the Issuer or the Registrar.

1.3 Types of MTNs

An MTN may be:

- (a) a Fixed Rate MTN;**
- (b) a Floating Rate MTN;**
- (c) an Index Linked MTN;**
- (d) a Zero Coupon MTN;**
- (e) a Structured MTN,**

or any other type of MTN specified in the relevant Pricing Supplement.

4

Any of these MTNs may also be Unsubordinated MTNs, Term Subordinated MTNs or Undated Subordinated MTNs, as specified in the relevant Pricing Supplement.

1.4 Clearing system

MTNs may be held in a Clearing System. If MTNs are held in a Clearing System, the rights of each MTN Holder and any other person holding an interest in those MTNs are subject to the rules and regulations of the Clearing System. The Issuer is not responsible for anything the Clearing System does or omits to do.

Part 2 Form, Denomination and Title

2 Form

2.1 Form

The MTNs are issued in registered form. No certificates will be issued to MTN Holders unless the Issuer determines that certificates should be available or are required by any applicable law or regulation.

2.2 Constitution under MTN Deed Poll

The MTNs are registered debt obligations of the Issuer, constituted by, and owing under, the MTN Deed Poll and take the form of entries in the Register. Each entry in the Register constitutes a separate and individual acknowledgement to the relevant MTN Holder of the indebtedness of the Issuer to the relevant MTN Holder.

2.3 Independent obligations

The obligations of the Issuer in respect of each MTN constitute separate and independent obligations which the MTN Holder to whom those obligations are owed is entitled to enforce without having to join any other MTN Holder or any predecessor in title of an MTN Holder.

3 Denomination

MTNs must be issued in a single Specified Denomination. Unless the relevant Pricing Supplement states otherwise, MTNs of one Specified Denomination may not be exchanged for MTNs of another Specified Denomination.

4 Currency

The MTNs must be denominated in Australian dollars or an Alternate Currency specified in the relevant Pricing Supplement.

5

5 Status

5.1 Nature of obligations

The MTNs may be issued as unsubordinated or subordinated debt obligations, as specified in the relevant Pricing Supplement.

The indebtedness evidenced by the MTNs will not be a deposit liability of the Issuer for the purposes of section 13A of the Banking Act.

5.2 Status and ranking: Unsubordinated MTNs

The Unsubordinated MTNs constitute direct, unconditional and (subject to Condition 6 (Negative pledge)) unsecured obligations of the Issuer, ranking equally among themselves and at least equally with all other unsecured and unsubordinated obligations of the Issuer, except for liabilities mandatorily preferred by law.

The Unsubordinated MTNs rank senior to the Issuer's subordinated obligations, including all Subordinated MTNs.

5.3 Status and ranking: Term Subordinated MTNs

The Term Subordinated MTNs constitute direct and unsecured obligations of the Issuer, which are subordinated in right of repayment to all depositors and other creditors of the Issuer, and unless otherwise specified in the Pricing Supplement, rank at least equally with all other unsecured and subordinated obligations of the Issuer having a fixed date for redemption and ahead of Undated Subordinated MTNs and other creditors expressed to be subordinate to the Term Subordinated MTNs.

The Term Subordinated Notes do not limit the amount of senior debt, deposits or other obligations that may be incurred or assumed by the Issuer at any time.

5.3A Conditions to payment

At any time before a Winding Up Default:

(a) payment by the Issuer of interest, principal or any other amount owing to a Subordinated MTN Holder in connection with a Subordinated MTN is conditional upon the Issuer being Solvent at the time the payment is due; and

(b) the Issuer must not pay an amount owing to a Subordinated MTN Holder in connection with a Subordinated MTN except to the extent that the Issuer may pay that amount and still be solvent immediately after paying that amount.

5.3B Certificate as to Solvency

A certificate as to whether the Issuer is Solvent signed by:

6

- (a) two directors of the Issuer;
- (b) the auditors of the Issuer; or
- (c) on a Winding Up of the Issuer, the Issuer's liquidator,

is, in the absence of manifest error, conclusive evidence against a Subordinated MTN Holder of the matters certified. In the absence of such certificate, a Subordinated MTN Holder is entitled to assume (unless the contrary is proved) that the Issuer is and will, after any payment, be Solvent.

5.4 Status and ranking: Undated Subordinated MTNs

The Undated Subordinated MTNs constitute direct and unsecured obligations of the Issuer, which are subordinated in right of repayment to all depositors and other creditors of the Issuer, and unless otherwise specified in the Pricing Supplement, rank at least equally with all other unsecured and subordinated obligations of the Issuer having no fixed date for redemption and behind Term Subordinated MTNs.

The Undated Subordinated Notes do not limit the amount of senior debt, deposits or other obligations that may be incurred or assumed by the Issuer at any time.

6 Negative pledge

6.1 Application

This Condition 6 (Negative pledge) is applicable to Unsubordinated MTNs only.

6.2 Negative pledge

So long as any Unsubordinated MTNs remain outstanding, the Issuer will not create or permit to subsist any Security Interest upon the whole or any part of its present or future assets or revenues as security for any Relevant Indebtedness or any guarantee or indemnity given in respect of any Relevant Indebtedness unless, in the case of the creation of a Security Interest, prior to or simultaneously therewith, and in any other case, promptly, the Issuer either:

- (a) grants or procures to be granted a Security Interest or Security Interests securing its obligations under the Unsubordinated MTNs, equally and rateably in all respects so as to rank pari passu with the applicable Relevant Indebtedness or relevant guarantee or indemnity; or
- (b) grants or procures to be granted such other Security Interest or Security Interests in respect of its obligations under the Unsubordinated MTNs, as shall be approved by an Extraordinary Resolution of the relevant MTN Holders.

7

7 **Subordination**

7.1 Forms of subordination

The Subordinated MTNs may be issued as Term Subordinated MTNs or Undated Subordinated MTNs.

Term Subordinated MTNs

7.2 Acknowledgment

Each Term Subordinated MTN Holder by its purchase of a Term Subordinated MTN, is taken to acknowledge that the Issuer's obligations in respect of that Term Subordinated MTN are subordinated to the payment of the Unsubordinated Debt to Unsubordinated Creditors, in the manner provided in Condition 5.3 (Status and ranking: Term Subordinated MTNs).

7.3 Subordination

(a) **(winding up)** In a winding up of the Issuer a Subordinated MTN Holder's claim for an amount owing by the Issuer in connection with a Subordinated MTN is subordinated to the claims of Unsubordinated Creditors of the Issuer, in that:

(i) all claims of Unsubordinated Creditors must be paid in full before the Subordinated MTN Holder claim is paid; and

(ii) until the Unsubordinated Creditors have been paid in full, the Subordinated MTN Holder must not claim in the Winding Up in competition with the Unsubordinated Creditors so as to diminish any distribution, dividend or payment which, but for that claim, the Unsubordinated Creditors would have been entitled to receive.

(b) **(debt subordination)** Each Subordinated MTN Holder irrevocably acknowledges and agrees that this Condition 7.3 (Subordination) is a debt subordination for the purposes of section 563C of the Corporations Act.

(c) **(voting)** Each Subordinated MTN Holder must not exercise its voting rights as an unsecured creditor in the Winding Up or administration of the Issuer to defeat the subordination in this Condition 7.3 (Subordination).

(d) **(not otherwise affected)** Each Subordinated MTN Holder irrevocably acknowledges and agrees that the debt subordination effected by this Condition 7.3 (Subordination) is not affected by any act or omission of the Issuer or an Unsubordinated Creditor which might otherwise affect it at law or in equity.

(e) **(clawback)** Each Subordinated MTN Holder irrevocably acknowledges and agrees that it must pay or deliver to the liquidator any amount or asset received on account of its claim in the Winding

8

Up of the Issuer in connection with a Subordinated MTN in excess of its entitlement under Condition 7.3(a) (Subordination) above.

(f) **(consent of unsubordinated creditors not required)** Nothing in this Condition 7.3 (Subordination) shall be taken to require the consent of any Unsubordinated Creditor to any amendment of this Condition 7.3 (Subordination).

(g) **(no set-off)** A Subordinated MTN Holder does not have any right to set-off any amounts owing to it by the Issuer in connection with the Subordinated MTNs against any amount owing by it to the Issuer in connection with the Subordinated MTNs or otherwise.

Undated Subordinated MTNs

7.4 Acknowledgment

Each Undated Subordinated MTN Holder by its purchase of an Undated Subordinated MTN, is taken to acknowledge that the Issuer's obligations in respect of that Undated Subordinated MTN are subordinated to the payment of the Unsubordinated Debt to Unsubordinated Creditors and the payment of Term Subordinated MTNs to the holders of Term Subordinated MTNs, in the manner provided in Condition 5.4 (Status and ranking: Undated Subordinated MTNs).

7.5 Subordination

Unless otherwise specified in the relevant Pricing Supplement, the following provisions apply to Undated Subordinated MTNs:

(a) subject to Conditions 7.5(b) and (c) (Subordination), the rights of Undated Subordinated MTN Holders are subordinated to the claims of Unsubordinated Creditors and of subordinated creditors of the Issuer in respect of Subordinated Indebtedness having a fixed maturity prior to the commencement of a Winding-Up of the Issuer, in that:

(i) payments of principal and interest in respect of the Undated Subordinated MTNs and all other amounts owing under the Undated Subordinated MTNs are conditional upon the Issuer being Solvent at the time of payment; and

(ii) the Issuer must not pay an amount owing to a MTN Holder in respect of Undated Subordinated MTNs except to the extent that the Issuer may make that payment and still be Solvent immediately after doing so;

(b) if the Issuer would not remain Solvent immediately after payment of the whole of any moneys referred to in Condition 7.5(a) (Subordination), but would remain Solvent immediately after payment of a portion of those moneys, then that portion of the amounts due to the Undated Subordinated MTNs will be paid to them rateably (as to their respective due proportion only). **The obligation**

of the Issuer prior to the commencement of a Winding-Up of the Issuer to make payments when due in respect of the Undated Subordinated MTNs is conditional upon the Issuer being Solvent, and having positive retained earnings immediately before and after payment by the Issuer. If this condition is not satisfied, any amounts which might otherwise have been allocated in or towards payment of principal, redemption amount, interest or other amounts in respect of the Undated Subordinated MTNs may be used to absorb losses without the Issuer being obliged to cease trading. The relevant Pricing Supplement will provide for the means of achieving this in accordance with APRA's current guidelines for treatment of MTNs such as the Undated Subordinated MTNs as Upper Tier 2 capital;

(c) without prejudice to the provisions of Condition 7.5(a) (Subordination) the Issuer is only obliged to make payment of interest accrued on Undated Subordinated MTNs in respect of any period on the due date for payment thereof if, during the twelve month period immediately preceding that date, any dividend (whether interim or final) has been declared or paid on any class of share capital of the Issuer (a **Compulsory Interest Payment Date** and any Interest Payment Date which is not a Compulsory Interest Payment Date is referred to as an **Optional Interest Payment Date**).

On any Optional Interest Payment Date there may be paid (if the Issuer so elects), but subject to Condition 7.5(a) (Subordination) and the Issuer having received prior written approval from APRA to pay interest on any such date in accordance with Condition 15 (Payments), the interest accrued in the Interest Period ending on the day immediately preceding such date but the Issuer does not have any obligation to make such payment and any failure to pay does not constitute a default by the Issuer for any purpose. Any interest not paid on an Optional or Compulsory Interest Payment Date shall so long as the same remains unpaid constitute **Arrears of Interest** . Arrears of Interest may at the option of the Issuer be paid in whole or in part at any time upon the expiration of not less than seven days' notice to such effect to the Undated Subordinated MTN Holders in accordance with Condition 23 (Notices) but all Arrears of Interest on all Undated Subordinated MTNs outstanding shall (subject to Condition 7.5(a) (Subordination)) become due in full on whichever is the earliest of:

- (i) the date upon which a dividend is next paid on any class of share capital of the Issuer;
- (ii) the date set for any repayment of principal pursuant to Condition 13 (Redemption) and Condition 15 (Payments); or
- (iii) the date of commencement of a Winding-Up (as defined above) of the Issuer whether voluntary or otherwise.

10

If notice is given by the Issuer of its intention to pay the whole or part of Arrears of Interest, the Issuer must, subject to Condition 7.5(a) (Subordination), and having received the prior written approval from APRA, do so upon the expiration of such notice. If there is outstanding more than one Series of Undated Subordinated MTNs, then the Issuer may not pay all or any part of the Arrears of Interest unless it pays all or (as near as practicable) an equivalent proportion of the Arrears of Interest in respect of each other Series of Undated Subordinated MTNs then outstanding;

(d) in a Winding-Up of the Issuer the rights and claims of Undated Subordinated MTN Holders are subordinated to the claims of Unsubordinated Creditors and Term Subordinated MTN Holders, to the extent that all such obligations to Unsubordinated Creditors and to Term Subordinated MTN Holders are entitled to be paid in full before any payments shall be paid on amount of sums payable in respect of Undated Subordinated MTNs. Subject to:

(i) the claims of all Unsubordinated Creditors and all Term Subordinated MTN Holders being satisfied in full; and

(ii) the consent of APRA having been obtained,

Undated Subordinated MTN Holders may make demand for an amount equal to the outstanding principal amount of each Undated Subordinated MTN together with accrued interest (if any) and such amounts will only become due and payable on an equal basis with all other claims against the Issuer subordinated in the same manner as the Undated Subordinated MTNs of the relevant Tranche;

(e) there is no limit on the amount of debt or other obligations which rank equally or ahead of the Undated Subordinated MTNs that may be incurred or assumed by the Issuer;

(f) an Undated Subordinated MTN Holder must not set-off against any amounts owing to it in respect of an Undated Subordinated MTN against any amount owing to that Undated Subordinated MTN Holder by the Issuer on any account; and

(g) notwithstanding the provisions of paragraphs 7.5(a) and 7.5(b) (Subordination) above, if an Event of Default occurs in relation to the Undated Subordinated MTNs of any Series as set out in Condition 18.4 (Events of Default and Consequences of an Event of Default - Subordinated MTNs), then Condition 18.4 (Events of Default and Consequences of an Event of Default - Subordinated MTNs) will apply.

8 Title and transfer of MTNs

8.1 Registered form

Each MTN takes the form of an entry in the Register.

11

8.2 Title

Title to MTNs passes when details of the transfer are entered in the Register. The Register will be closed for the purpose of determining entitlements to payments of interest and principal at 5.00pm local registry office time on the Record Date prior to any relevant payment date.

8.3 Effect of entries in Register

Each entry in the Register in respect of an MTN constitutes:

- (a) an unconditional and irrevocable undertaking by the Issuer to the MTN Holder to make all payments of principal and interest in respect of the MTN in accordance with these Conditions; and
- (b) an entitlement to the other benefits given to the MTN Holders under these Conditions in respect of the relevant MTN.

8.4 Register conclusive as to ownership

Entries in the Register in relation to an MTN constitute conclusive evidence that the person so entered is the absolute owner of the MTN subject to correction for fraud or error.

8.5 Non-recognition of interests

Except as required by law, the Issuer and each Agent must treat the person whose name is entered in the Register as the holder of an MTN as the absolute owner of that MTN. This Condition applies whether or not an MTN is overdue and despite any notice of ownership, trust or interest in the MTN.

8.6 Joint holders

Where two or more persons are entered in the Register as the joint holders of an MTN then they are taken to hold the MTN as joint tenants with rights of survivorship, but the Register is not bound to register more than four persons as joint holders of an MTN.

8.7 Transfers in whole

MTNs may be transferred in whole but not in part.

8.8 Compliance with laws

MTN Holders may only transfer MTNs if:

- (a) **the offer or invitation giving rise to the transfer is neither:**
 - (i) **an offer or invitation which requires disclosure to investors under Part 6D.2 of the Corporations Act; nor**
 - (ii) **an offer to a retail client for the purposes of Chapter 7 of the Corporations Act; and**

12

(b) **the transfer complies with any applicable law or directive of the jurisdiction where the transfer takes place.**

8.9 Transfer procedures

MTNs entered into a Clearing System will be transferable only in accordance with the regulations of that Clearing System and the Registry Services Agreement.

Application for the transfer of MTNs not entered into a Clearing System must be made by the lodgment of a transfer form with the Registrar at its Specified Office. Transfer forms must be in the form available from the Registrar. Each transfer form must be:

- (a) duly completed;
- (b) accompanied by any evidence the Registrar may require to establish that the transfer form has been duly executed; and
- (c) signed by both the transferor and the transferee.

8.10 CHESS

MTNs listed on the ASX are not:

- (a) **transferred through, or registered on, the Clearing House Electronic Subregister System operated by the ASX; or**
- (b) **Approved Financial Products (as defined for the purposes of that system).**

8.11 Austraclear as MTN Holder

Where Austraclear is recorded in the relevant Register as the MTN Holder, each person in whose Security Record (as defined in the Austraclear Regulations) an MTN is recorded is deemed to acknowledge in favour of the Registrar, the Issuer and Austraclear that:

- (a) the Registrar's decision to act as the Registrar of that MTN is not a recommendation or endorsement by the Registrar or Austraclear in relation to that MTN, but only indicates that the Registrar considers that the holding of the MTNs is compatible with the performance by it of its obligations as Registrar under the Registry Services Agreement; and
- (b) the MTN Holder does not rely on any fact, matter or circumstance contrary to Condition 8.11(a) (Austraclear as MTN Holder).

8.12 Transfers of unidentified MTNs

If an MTN Holder transfers some but not all of the MTNs it holds and the transfer form does not identify the specific MTNs transferred, the **Registrar** may choose which MTNs registered in the name of MTN Holder have been transferred. However, the outstanding principal amounts of the MTNs

(b) the transfer complies with any applicable law or directive of the jurisdiction where the transfer

registered as transferred must equal the outstanding principal amount of the MTNs expressed to be transferred in the transfer form.

Part 3 Interest

9 Fixed Rate MTNs

9.1 Application

This Condition 9 (Fixed Rate MTNs) applies to the MTNs only if the relevant Pricing Supplement states that it applies.

9.2 Interest on Fixed Rate MTNs

Each Fixed Rate MTN bears interest on its outstanding principal amount from (and including) its Interest Commencement Date to (but excluding) its Maturity Date at the Interest Rate.

Interest is payable in arrear on each Interest Payment Date.

9.3 Fixed Coupon Amount

Unless otherwise specified in the Pricing Supplement, the amount of interest payable on each Interest Payment Date in respect of each Fixed Rate MTN for the preceding Interest Period is the Fixed Coupon Amount.

9.4 Calculation of interest payable on Fixed Rate MTNs

If the Pricing Supplement does not specify a Fixed Coupon Amount for any Interest Period, on the first day of the Interest Period the Calculation Agent must calculate the amount of interest payable on any Fixed Rate MTN for the Interest Period.

Unless otherwise specified in the Pricing Supplement, the amount of interest payable is calculated by multiplying the Interest Rate for the Interest Period, the outstanding principal amount of the Fixed Rate MTN and the applicable Day Count Fraction.

10 Floating Rate MTNs

10.1 Application

This Condition 10 (Floating Rate MTNs) applies to the MTNs only if the relevant Pricing Supplement states that it applies.

10.2 Interest on Floating Rate MTNs

Each Floating Rate MTN bears interest on its outstanding principal amount from (and including) its Interest Commencement Date to (but excluding) its Maturity Date at the Interest Rate.

14

Interest is payable in arrear:

- (a) on each Interest Payment Date; or
- (b) if no Interest Payment Date is specified in the relevant Pricing Supplement, each date which falls the number of months or other period specified as the Specified Period in the relevant Pricing Supplement after the preceding Interest Payment Date, or in the case of the first Interest Payment Date, after the Interest Commencement Date.

10.3 Interest Rate determination

The Calculation Agent must determine the Interest Rate for any Floating Rate MTN for an Interest Period in accordance with these Conditions and the Pricing Supplement.

10.4 Fallback interest rate

Unless otherwise specified in the Pricing Supplement, if the Calculation Agent is unable to determine the Interest Rate for any Floating Rate MTN for an Interest Period, the Interest Rate for that Floating Rate MTN for that Interest Period is the same as the Interest Rate for that Floating Rate MTN for the Interest Period which immediately precedes it.

10.5 ISDA Determination

If ISDA Determination is specified in the Pricing Supplement as the manner in which the Interest Rate is to be determined, the Interest Rate for any Floating Rate MTNs for each Interest Period is the ISDA Rate.

10.6 Screen Rate Determination

If Screen Rate Determination is specified in the Pricing Supplement as the manner in which the Interest Rate is to be determined, the Interest Rate for any Floating Rate MTNs for each Interest Period is the sum of the Margin and the Screen Rate.

10.7 Bank Bill Rate Determination

If Bank Bill Rate Determination is specified in the Pricing Supplement as the manner in which the Interest Rate is to be determined, the Interest Rate for any Floating Rate MTNs for each Interest Period is the sum of the Margin and the Bank Bill Rate.

10.8 Interpolation

If the Pricing Supplement states that Linear Interpolation applies to an Interest Period, the Calculation Agent must determine the Interest Rate for that Interest Period using straight line interpolation by reference to two ISDA Rates, Screen Rates, Bank Bill Rates or other floating rates, in each case, as specified in the Pricing Supplement.

15

The first rate must be determined as if the Interest Period were the period of time for which rates are available next shorter than the length of the Interest Period (or any alternative Interest Period specified in the Pricing Supplement).

The second rate must be determined as if the Interest Period were the period of time for which rates are available next longer than the length of the Interest Period (or any alternative Interest Period specified in the Pricing Supplement).

11 Structured MTNs

11.1 Application

This Condition 11 (Structured MTNs) applies to the MTNs only if the relevant Pricing Supplement states that it applies.

11.2 Interest on Structured MTNs

Each Structured MTN bears interest on its outstanding principal amount from (and including) its Interest Commencement Date to (but excluding) its Maturity Date at the Interest Rate.

Interest is payable in arrear:

(a) on each Interest Payment Date; or

(b) if no Interest Payment Date is specified in the relevant Pricing Supplement, each date which falls the number of months or other period specified as the Specified Period in the relevant Pricing Supplement after the preceding Interest Payment Date (or in the case of the first Interest Payment Date, after the Interest Commencement Date).

11.3 Interest Rate determination

The Interest Rate payable in respect of a Structured MTN must be determined in the manner specified in the relevant Pricing Supplement.

12 General provisions applicable to interest

12.1 Maximum or Minimum Interest Rate

If the relevant Pricing Supplement specifies a Maximum Interest Rate or Minimum Interest Rate for any Interest Period then, the Interest Rate for that Interest Period must not be greater than the maximum, or be less than the minimum, so specified.

12.2 Calculation of Interest Rate and interest payable

The Calculation Agent must, as soon as practicable after determining the Interest Rate in relation to each Interest Period for each Floating Rate MTN

16

and Index Linked MTN, calculate the amount of interest payable for the relevant Interest Period in respect of the outstanding principal amount of each MTN. The amount of interest payable is calculated by multiplying the product of the Interest Rate for that Interest Period and the outstanding principal amount of the MTN by the applicable Day Count Fraction.

12.3 Determination and calculation of other amounts

If the relevant Pricing Supplement specifies that any other amount is to be calculated by the Calculation Agent, the Calculation Agent must, as soon as practicable after the time at which that amount is to be determined, calculate the relevant amount. The relevant amount must be calculated by the Calculation Agent in the manner specified in the relevant Pricing Supplement.

12.4 Notification of Interest Rate, interest payable and other things

The Calculation Agent must notify the Issuer, the Registrar and the relevant MTN Holders and any stock exchange or other relevant authority on which the relevant Floating Rate MTNs or Index Linked MTNs are listed of:

- (a) each Interest Rate, the amount of interest payable and each other amount, item or date calculated or determined by it together with the relevant Interest Payment Date; and
- (b) any amendment to any amount, item or date referred to in paragraph (a) arising from any extension or reduction in any relevant Interest Period or calculation period.

The Calculation Agent must give notice under this Condition as soon as practicable after it makes its determination. However, it must give notice of each Interest Rate, the amount of interest payable and each Interest Payment Date by the fourth day of the relevant Interest Period.

The Calculation Agent may amend its determination of any amount, item or date (or make appropriate alternative arrangements by way of adjustment) as a result of the extension or reduction of the Interest Period without prior notice but must notify the Issuer, the Registrar and each stock exchange or other relevant authority on which the relevant Floating Rate MTNs or Index Linked MTNs are listed and the MTN Holders after doing so.

12.5 Determination and calculation final

Except where there is an obvious error, any determination or calculation which the Calculation Agent makes in accordance with these Conditions is final and binds the Issuer, the Registrar, each Agent and each MTN Holder.

12.6 Late payment of MTNs other than Zero Coupon MTNs

If the Redemption Amount payable in respect of an MTN (other than a Zero Coupon MTN) is not paid when due, interest continues to accrue on that MTN (both before and after any demand or judgment) at the Interest Rate then applicable to the outstanding principal amount of the MTN or any other

default rate specified in the relevant Pricing Supplement until the date on which the relevant payment is made to the relevant MTN Holder.

12.7 Late payment of Zero Coupon MTNs

If the Redemption Amount payable in respect of any Zero Coupon MTN is not paid when due, the Redemption Amount is an amount equal to the sum of:

- (a) the Reference Price; and
- (b) the amount resulting from the application of the Accrual Yield (compounded annually) to the Reference Price from (and including) the Issue Date to (but excluding) the date on which all sums due in respect of such MTN are received by or on behalf of the relevant MTN Holder.

12.8 Rounding

For the purposes of any calculations required under these Conditions (unless otherwise specified in these Conditions or the relevant Pricing Supplement):

- (a) all percentages resulting from the calculations must be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (with 0.000005 per cent. being rounded up to 0.00001 per cent.);
- (b) all figures must be rounded to five significant figures (with halves being rounded up); and
- (c) all amounts that are due and payable must be rounded to the nearest cent (with halves being rounded up).

Part 4 Redemption, purchase and options

13 **Redemption**

13.1 Scheduled redemption

Each MTN is redeemable by the Issuer on the Maturity Date at its Redemption Amount unless:

- (a) the MTN has been previously redeemed; or
- (b) the MTN has been purchased and cancelled; or
- (c) the relevant Pricing Supplement states that the MTN has no fixed maturity date.

18

13.2 Early redemption for taxation reasons

The Issuer may redeem all (but not some) of the MTNs of a Series in whole before their Maturity Date for an amount equal to the Redemption Amounts for the MTNs and any interest accrued on it to (but excluding) the redemption date if the Issuer is required under Condition 16.2 (Withholding tax) to increase the amount of a payment in respect of an MTN.

However, the Issuer may only do so if:

- (a) the Issuer has given at least 30 days (and no more than 60 days) notice to the relevant Agents and the MTN Holders; and
- (b) before the Issuer gives the notice under paragraph (a), the Registrar has received:
 - (i) a certificate signed by two authorised officers of the Issuer; and
 - (ii) an opinion of independent legal advisers of recognised standing in the jurisdiction of incorporation of the Issuer,

that the Issuer would be required under Condition 16.2 (Withholding tax) to increase the amount of the next payment due in respect of the MTNs of that Series;

- (c) in the case of Fixed Rate MTNs, no notice of redemption is given earlier than 90 days before the earliest date on which the Issuer would be obliged to pay the additional amounts were a payment in respect of the MTNs then due;
- (d) in the case of Floating Rate MTNs and Index Linked MTNs:
 - (i) the proposed redemption date is an Interest Payment Date; and
 - (ii) no notice of redemption is given earlier than 60 days before the Interest Payment Date occurring immediately before the earliest date on which the Issuer would be obliged to pay the additional amounts of a payment in respect of the MTNs then due; and
- (e) in the case of Subordinated MTNs, the Issuer has obtained the prior written approval of APRA.

13.2A Early redemption of Subordinated Notes for loss of tax deductibility

If the relevant Pricing Supplement states that the Issuer may redeem all (but not some) of the Subordinated Notes of a Series before their Maturity Date under this Condition, the Issuer may redeem all (but not some) of the MTNs of a Series in whole before their Maturity Date for an amount equal to the Redemption Amounts for the MTNs and any interest accrued on it to (but excluding) the redemption date if the Issuer determines, following receipt by it or a Related Entity of an opinion of reputable legal counsel or other tax

adviser in Australia, experienced in such matters or a ruling, confirmation or advice from the ATO (including a failure or refusal to provide a ruling) to the effect that interest payable in respect of the Subordinated Notes is not or may not be allowed as a deduction to the Issuer (or the head entity of any consolidated group of which the Issuer is a member) for Australian income tax purposes.

However, the Issuer may only do so if:

- (a) the Issuer has given at least 30 days (and no more than 60 days) notice to the relevant Agents and the MTN Holders; and
 - (b) before the Issuer gives the notice under paragraph (a), the Registrar has received:
 - (i) a certificate signed by two authorised officers of the Issuer; and
 - (ii) an opinion of independent legal advisers of recognised standing in the jurisdiction of incorporation of the Issuer,
- that an event described in this Condition 13.2A (Early redemption of Subordinated Notes for loss of tax deductibility) has occurred; and
- (c) the Issuer has obtained the prior written approval of APRA.

13.3 Early redemption at the option of MTN Holders (investor put)

If the relevant Pricing Supplement states that an MTN Holder may require the Issuer to redeem all or some of the MTNs of a Series held by that MTN Holder before their Maturity Date under this Condition, the Issuer must redeem the MTNs specified by that MTN Holder for an amount equal to the Redemption Amounts for the MTNs and any interest accrued on it to (but excluding) the redemption date if the following conditions are satisfied:

- (a) the amount of MTNs to be redeemed is, or is a multiple of, their Specified Denomination;
- (b) the MTN Holder has given at least 15 days (and no more than 30 days) (or any other period which may be specified in the relevant Pricing Supplement) notice, to the Issuer and the Registrar by delivering to the Specified Office of the Registrar during normal business hours a completed and signed redemption notice in the form obtainable from the Specified Office of the Registrar together with any evidence the Registrar may require to establish title of the MTN Holder to the relevant MTN.

A notice or document deposited under this Condition may not be withdrawn without the Issuer's consent;

- (c) the notice referred to in paragraph (b) specifies a bank account to which the payment should be made or an address to where a cheque for payment should be sent;

20

- (d) the proposed redemption date is an Early Redemption Date (Put);
- (e) any other condition specified in the relevant Pricing Supplement is satisfied; and
- (f) in the case of Subordinated MTNs, the Issuer has obtained the prior written approval of APRA.

An MTN Holder may not require the Issuer to redeem any MTN under this Condition 13.3 (Early redemption at the option of MTN Holders (investor put) if the Issuer has given notice that it will redeem that MTN under Condition 13.2 (Early redemption for taxation reasons) or Condition 13.4 (Early redemption at the option of the Issuer (Issuer call)).

13.4 Early redemption at the option of the Issuer (Issuer call)

If the relevant Pricing Supplement states that the Issuer may redeem all or some of the MTNs of a Series before their Maturity Date under this Condition, the Issuer may redeem so many of those MTNs specified in the Pricing Supplement for an amount equal to the Redemption Amounts for the MTNs and any interest accrued on it to (but excluding) the redemption date.

However, the Issuer may only do so if:

- (a) the amount of MTNs to be redeemed is, or is a multiple of, their Specified Denomination;
- (b) the Issuer has given at least 30 days (and no more than 60 days) (or any other period specified in the relevant Pricing Supplement) notice to the relevant Agents and the MTN Holders;
- (c) the proposed redemption date is an Early Redemption Date (Call); and
- (d) in the case of Subordinated MTNs the Issuer has obtained the prior written approval of APRA.

13.5 Instalments

The Issuer agrees to redeem each Instalment MTN in instalments by paying to the MTN Holder on each Instalment Date the Instalment Amount due on that Instalment Date.

The principal amount of each Instalment MTN reduces from the date, and by the amount, of each payment the Issuer makes under this Condition 13.5 (Instalments).

13.6 Effect of notice of redemption

Any notice of redemption given under this Condition 13 (Redemption) is irrevocable.

13.7 Purchases

The Issuer and any Related Entities may at any time purchase MTNs in the open market or otherwise and at any price and, in the case of Subordinated MTNs, with the prior written consent of APRA. If purchases are made by tender, tenders must be available to all MTN Holders alike. All unmatured MTNs purchased under this Condition 13.7 (Purchases) are not extinguished (unless held beneficially by the Issuer at the Maturity Date) and to the extent held beneficially by the Issuer prior to that Maturity Date may be held, resold or cancelled at the discretion of the Issuer, subject to compliance with all legal and regulatory requirements.

Part 5 Payments

14 General provisions

14.1 Summary of payment provisions

Payments in respect of MTNs will be made in accordance with Condition 15 (Payments).

14.2 Payments subject to fiscal laws

All payments of principal, interest and other amounts are subject to all applicable fiscal laws or other Directives, but without prejudice to the provisions of Condition 16 (Taxation).

14.3 Payments on business days

If a payment:

(a) is due on an MTN on a day which is not a Business Day then the due date for payment will be the next Business Day unless that day falls on the following month or after the Maturity Date, in which case on the previous Business Day; or

(b) is to be made to an account on a Business Day on which banks are not open for general banking business in the place in which the account is located, then the due date for payment will be the first following day on which banks are open for general banking business in that place,

and in either case, the MTN Holder is not entitled to any additional payment in respect of that delay.

15 Payments

15.1 Payment of principal

The Issuer agrees to pay the Redemption Amount (together with any accrued interest and other amounts due in respect of the MTN on the relevant redemption date) for an MTN or, in the case of an Instalment MTN, the final

22

Instalment Amount for that MTN, and all other amounts due in respect of the MTN, in the currency in which it is due to the person who is the MTN Holder at 10.00 am in the place where the Register is maintained on the due date.

15.2 Payment of interest

The Issuer agrees to pay interest on any interest bearing MTN and, in the case of an Instalment MTN, in the currency in which it is due each Instalment Amount for that MTN (other than the final Instalment Amount), to the person who is the MTN Holder at 4.00 pm in the place where the Register is maintained on the Record Date.

15.3 Payments to accounts

Except as otherwise provided in the relevant Pricing Supplement, the Issuer agrees to make payments in respect of a MTN:

(a) if the MTN is held in a Clearing System, by crediting on the Payment Date, the amount due to the account previously notified by the Clearing System to the Issuer and the Registrar in accordance with the Clearing System's rules and regulations in the country of the currency in which the payment is due; and

(b) if the MTN is not held in a Clearing System, subject to Condition 15.4 (Payments by cheque) by crediting on the Payment Date, the amount due to an account previously notified by the MTN Holder to the Issuer and the Registrar in the country of the currency in which the payment is due.

15.4 Payments by cheque

If an MTN Holder has not notified the Registrar of an account to which payments to it must be made by close of business in the place where the Register is maintained on the Record Date, the Issuer may make payments in respect of the MTNs held by that MTN Holder by cheque.

If the Issuer makes a payment in respect of an MTN by cheque, the Issuer agrees to send the cheque by prepaid ordinary post on the Business Day immediately before the due date, to the MTN Holder (or if two or more persons are entered in the Register as joint MTN Holders of the MTN, to the first named joint MTN Holder) at its address appearing in the Register at close of business in the place where the Register is maintained on the Record Date.

Cheques sent to an MTN Holder are sent at the MTN Holder's risk and are taken to be received by the MTN Holder on the due date for payment. If the Issuer makes a payment in respect of an MTN by cheque, the Issuer is not required to pay any additional amount as a result of the MTN Holder not receiving payment on the due date in immediately available funds.

15.5 No US payments

No payment of interest will be made to an address in the United States or transferred to an account maintained by the MTN Holder in the United States.

16 Taxation

16.1 No set-off, counterclaim or deductions

All payments in respect of the MTNs must be made in full without set-off or counterclaim, and without any withholding or deduction in respect of Taxes, unless prohibited by law.

16.2 Withholding tax

Subject to Condition 16.3 (Withholding tax exemptions), if a law requires the Issuer to withhold or deduct an amount in respect of Taxes from a payment in respect of the MTNs such that the MTN Holder would not actually receive on the due date the full amount provided for under the MTNs, then:

- (a) the Issuer agrees to deduct the amount for the Taxes (and any further withholding or deduction applicable to any further payment due under paragraph (b) below); and
- (b) if the amount deducted or withheld is in respect of Taxes imposed by a Relevant Tax Jurisdiction, the amount payable is increased so that, after making the deduction and further deductions applicable to additional amounts payable under this clause, each MTN Holder is entitled to receive (at the time the payment is due) the amount it would have received if no deductions or withholdings had been required to be made.

16.3 Withholding tax exemptions

The Issuer is not required to pay an additional amount under Condition 16.2 (Withholding tax) if the obligation to do so arises as a result of any one or more of the following:

- (a) **the deduction is required in respect of Taxes by reason of the MTN Holder or beneficial holder having some connection with a Relevant Tax Jurisdiction other than the mere holding of the MTN or receipt of payment in respect of the MTN. However, an MTN Holder is not regarded as having a connection with Australia on account of the MTN Holder being a resident of Australia within the meaning of the Tax Act where, and to the extent, those taxes are payable by reason of section 128B(2A) of the Australian Tax Act;**
- (b) **the deduction is required as a result of Taxes which would not be required to be deducted if the MTN Holder (or a person acting on its behalf):**
 - (i) **provided the Issuer, its agent or any tax authority with the MTN Holder's name, address, registration number, Australian tax file number, Australian business number or similar details or any relevant tax exemption or similar details; or**

(ii) **ensured that any third party complied with any other statutory requirements (such as making a declaration of non-residence or similar claim) for any relevant tax exemption; or**

(c) **such other circumstances as may be specified in the Pricing Supplement.**

16.4 Subordinated MTNs

Any Additional Amounts due in respect of the Subordinated MTNs will be subordinated in right of payment as described in Condition 7 (Subordination).

17 Time limit for claims

A claim against the Issuer for a payment under an MTN is void unless made within 10 years (in the case of principal) or 5 years (in the case of interest and other amounts) from the date on which payment first became due.

Part 6 Events of Default

18 Events of Default

18.1 Event of Default -Unsubordinated MTNs

An Event of Default occurs in relation to a series of Unsubordinated MTNs if:

(a) **(payment default)** the Issuer fails to pay any interest in respect of the Unsubordinated MTNs within 30 days of the relevant due date or any principal in respect of the Unsubordinated MTNs within 7 days of the relevant due date;

(b) **(other default)** the Issuer defaults in performance or observance of any of its obligations under any Unsubordinated MTNs, of such Series (other than those specified in paragraph (a) above), which default is incapable of remedy or, if capable of remedy, is not remedied within 30 days after notice requiring such default to be remedied has been given to the Issuer by the relevant MTN Holder;

(c) **(cross default)** any indebtedness for borrowed money of the Issuer (not being money borrowed in the ordinary course of banking business) which in aggregate exceeds US\$10,000,000 (or its equivalent in any Alternate Currency(s)):

(i) is not paid when due or within any applicable grace period; or

(ii) becomes due and repayable before its scheduled maturity by reason of a default of the Issuer,

25

(ii) ensured that any third party complied with any other statutory requirements (such as making

and, in each case, is not being contested in good faith by the Issuer and is not cured or otherwise made good within 7 days after notice of such default has been given to the Issuer by the relevant MTN Holder.

For the purpose of paragraph (i) above, the expression *indebtedness for borrowed money* includes any liability by way of indemnity in respect of, or other undertaking given to secure payment of any indebtedness for borrowed money;

- (d) **(insolvency)** the Issuer becomes insolvent or is unable to pay its debts as they fall due or stops payment of its debts (in each case within the meaning of Australian or any applicable insolvency law);
- (e) **(winding up)** an order is made or an effective resolution is passed for the winding up of the Issuer except in any such case:
 - (i) for the purposes of a solvent reconstruction or amalgamation the terms of which have previously been approved by an Extraordinary Resolution of Unsubordinated MTN Holders; or
 - (ii) for any winding up in the process of a merger, reconstruction or amalgamation in which the surviving entity has assumed or will assume expressly or by law all the obligations of the Issuer in respect of the MTNs;
- (f) **(enforcement against assets)** a distress, attachment, execution or other legal process is levied, enforced or sued out against or on the Issuer or against all or a substantial part of the assets of the Issuer and is not stayed, satisfied or discharged within 60 days or otherwise contested in bona fide proceedings and such occurrence would materially prejudice the performance by the Issuer of its obligations under the MTNs of such Series;
- (g) **(enforcement of security)** an encumbrancer takes possession or a receiver or administrator is appointed of the whole or substantially the whole of the undertaking, property, assets or revenues of the Issuer (other than in respect of monies borrowed or raised on a non-recourse basis) and such occurrence is not discharged or stayed within 45 days (or where the proceedings are being contested in good faith, such longer period as may be agreed by an Extraordinary Resolution of the Unsubordinated MTN Holders) and such occurrence would materially prejudice the performance by the Issuer of its obligations under the MTNs of such Series; or
- (h) **(cessation of business)** the Issuer ceases to carry on a banking business in the Commonwealth of Australia, or the Issuer's authority under the Banking Act to carry on banking business in Australia is revoked and not replaced by an equivalent authority except in connection with a merger, reconstruction or amalgamation where the surviving entity carries on such a banking business and is duly authorised to carrying on banking business in Australia.

26

18.2 Consequences of an Event of Default - Unsubordinated MTNs

Subject to Condition 18.3 (Rectification), if any Event of Default occurs and continues unremedied in relation to the Unsubordinated MTNs of any Series or any of them, then any holder of Unsubordinated MTNs then outstanding in that Series may declare by notice to the Issuer (with a copy to the Registrar) that the Redemption Amount (together with any accrued interest) applicable to each Unsubordinated MTN held by it is either payable immediately or on such other date specified in the notice.

The making of this declaration gives immediate effect to its provisions.

18.3 Rectification

An Unsubordinated MTN Holder's right to declare MTNs due and payable terminates if the situation giving cause to it has been cured before such right is exercised.

18.4 Events of Default and Consequences of an Event of Default - Subordinated MTNs

(a) (payment default) If a Payment Default occurs and is continuing, a Subordinated MTN Holder may bring proceedings:

- (i) to recover any amount then due and payable but unpaid on its Subordinated MTNs (subject to the Issuer being able to make the payment and remain Solvent);**
- (ii) to obtain an order for specific performance of any other obligation in respect of its Subordinated MTNs; or**
- (iii) for the winding up of the Issuer.**

To the extent that a payment is not required to be made because of the solvency condition to payment in Condition 5.3A (Conditions to payment), the amount is not due and payable and a Payment Default does not occur.

(b) (winding up default) If a Winding Up Default occurs and is continuing, a Subordinated MTN Holder may, in addition to taking any of the actions specified in Condition 18.4(a) above, by notice to the Issuer declare that its Subordinated MTNs must be redeemed immediately for an amount equal to the principal of the Subordinated MTNs together with any accrued interest or other amounts (in each case to the extent unpaid) and, subject to Condition 7.3 (Subordination), may prove in the winding up of the Issuer for that amount.

(c) **(amounts unpaid remain debts)** Any amount not paid either due to Condition 5.3A (Conditions to payment) or Condition 18.4(a)(i) above remains a debt owing to the Subordinated MTN Holder by the Issuer until it is paid and will be payable on the first date on which the relevant Condition is satisfied.

(d) **(no other action)** The Subordinated MTN Holders may not exercise any other remedies (including any right to sue for damages which has the same economic effect as acceleration) as a consequence of an Event of Default or other default other than as specified in this Condition 18.4.

18.5 Additional definitions for Condition 18.4

For the purposes of Condition 18.4 (Events of Default and Consequences of an Event of Default - Subordinated MTNs):

(a) **Payment Default means either:**

(i) **(failure to pay principal): the Issuer does not pay any principal or Redemption Amount due in respect of the Subordinated MTNs of the relevant Series within seven days of its due date; or**

(ii) **(failure to pay interest or other amounts) the Issuer does not pay any interest or other amount due in respect of the Subordinated MTNs of the relevant Series within 30 days of its due date; and**

(b) **Winding Up Default means a Winding Up occurs other than for the purposes of a consolidation, amalgamation, merger or reconstruction which has been approved by an Extraordinary Resolution of the relevant Subordinated MTN Holders or in which the surviving entity has assumed or will assume expressly or by law all obligations of the Issuer in respect of the Subordinated MTNs of the relevant Series.**

18.6 Notification

If an Event of Default occurs, the Issuer must promptly after becoming aware of it notify the Registrar of the occurrence of the Event of Default (specifying details of it) and use its reasonable endeavours to procure that the Registrar promptly notifies MTN Holders of the occurrence of the Event of Default by registered post to the address of the MTN Holder recorded in the Register.

Part 7 General

19 Agents

19.1 Role of Agents

In acting under the relevant Agency Agreement and in connection with the MTNs, the Agents act solely as agents of the Issuer and do not assume any obligations towards or relationship of agency or trust for or with any of the MTN Holders.

19.2 Appointment and replacement of Agents

The initial Calculation Agent (if any) is specified in the relevant Pricing Supplement. Subject to Condition 19.3 (Required Agents), the Issuer reserves the right at any time to vary or terminate the appointment of any Agent and to appoint a successor.

19.3 Required Agents

The Issuer must:

- (a) at all times maintain a Registrar;
- (b) if a Calculation Agent is specified in the relevant Pricing Supplement, at all times maintain a Calculation Agent; and
- (c) if an I&P Agent (Offshore) is specified in the relevant Pricing Supplement, at all times maintain an I&P Agent (Offshore).

19.4 Change of Agent

Notice of any change of a relevant Agent or its Specified Offices must promptly be given to the relevant MTN Holders by the Issuer or the Agent on its behalf.

20 Meetings of MTN Holders

20.1 Meetings provisions

The Meetings Provisions contain provisions (which have effect as if incorporated in these Conditions) for convening meetings of the MTN Holders of any Series to consider any matter affecting their interests, including the modification of these Conditions or the relevant Pricing Supplement.

Any such modification may be made if sanctioned by an Extraordinary Resolution and agreed by the Issuer. Such a meeting may be convened by the Issuer and must be convened by the Issuer upon the request in writing of MTN Holders holding not less than 10% of the outstanding principal amount of the Outstanding MTNs. The quorum at any meeting convened to vote on an Extraordinary Resolution will be persons holding or representing more

29

than 50% of the outstanding principal amount of the Outstanding MTNs or 25% at an adjourned meeting. However, certain fundamental matters affecting the rights of MTN Holders may only be sanctioned by an Extraordinary Resolution passed at a meeting of MTN Holders at which persons holding or representing not less than 75% or, at any adjourned meeting, 35% of the outstanding principal amount of the Outstanding MTNs form a quorum.

In addition, a resolution in writing signed by or on behalf of all MTN Holders who for the time being are entitled to receive notice of a meeting of MTN Holders will take effect as if it were an Extraordinary Resolution. Such a resolution in writing may be contained in one document or several documents in the same form, each signed by or on behalf of one or more MTN Holders.

20.2 Resolutions binding

Any Resolution passed at any meeting of the MTN Holders of any Series is binding on all MTN Holders of such Series, whether or not they are present at the meeting.

21 Variation

21.1 Variation with consent

Subject to Condition 21.2 (Variation without consent), any MTN Document (including, without limitations, the MTNs and these Conditions) may be varied:

- (a) with the consent of the MTN Holders of the relevant Series; and
- (b) in the case of Subordinated MTNs, subject to the Issuer having obtained the prior written approval of APRA to the variation.

21.2 Variation without consent

Any MTN Document (including, without limitation, the MTNs and these Conditions) may be amended without the consent of the MTN Holders if the amendment:

- (a) is of a formal, minor or technical nature; or
- (b) is made to correct a manifest error; or
- (c) is made to cure any ambiguity or correct or supplement any defective or inconsistent provision and, in the reasonable opinion of the Issuer, is not materially prejudicial to the interests of the MTN Holders; or
- (d) in so far as such amendments apply only to MTNs issued by it after the date of amendment; and

in the case of Subordinated MTNs, the Issuer has obtained the prior written approval of APRA.

30
