Yoqneam, Israel, March 15, 2010— MIND C.T.I. LTD. (NasdaqGM:MNDO), a leading provider of convergent end-to-end billing and customer care product based solutions for service providers as well as telecom expense management (call accounting) solutions, today announced results for the fourth quarter and year ended December 31, 2009.

 - The number of outstanding shares after completion of the buy-back plan is 18,428,918.
- Backlog as of December 31, 2009 includes approximately \$12.0 million that is expected to be billed by year-end.

Monica Eisinger, Chairperson and CEO, commented: "We believe that the revenue decrease encountered in 2009 was mainly due to lowered spending in the global telecom markets starting the end of 2007, the impact on MIND being a lack of significant new wins and follow-on orders in 2008. We are pleased that in 2009 we were more successful in closing deals that will generate future revenue. Of course, we are also pleased with our outstanding execution on cash flow and hope to re-achieve in the near future the 20% non GAAP operating margin that has been our ongoing target in the past and has become our goal again as the economy is expected to improve."

Revenue Distribution for Q4 2009

Sales in the Americas represented 53.5% and sales in Europe represented 37.5% of total revenue.

Revenue from our customer care and billing software totaled \$4.43 million, while revenue from our enterprise call accounting software was \$539 thousand. Revenue from licenses was \$2.0 million, or 39.7% and \$3.0 million, or 60.3% from maintenance and additional services.

Dividend Distribution

As previously announced, on December 30, 2009 the Board of Directors resolved that the Company should seek the court approval formally required in order to enable a distribution of a cash dividend in the amount of \$0.20 per share, similar to previous years. Under Israeli law, a company with insufficient retained earnings is required to obtain approval from the court for such a distribution. Following the receipt of approval from the District Court of Haifa, on March 14, 2010 the Board declared a cash dividend of \$0.20 per share before withholding tax.
