**Item 8.01. Other Events.**

On February 17, 2009, Station Casinos, Inc. (the Company) announced that it elected not to make a scheduled \$15.5 million interest payment that was due on February 15, 2009, to holders of the Company's \$400 million 7 ¾ % Senior Notes due August 15, 2016 (the 2016 Senior Notes). As previously announced, the Company also elected not to make the \$14.6 million interest payment that was scheduled on February 1, 2009 to holders of the Company's \$450 million 6½ % Senior Subordinated Notes due February 1, 2014 (the 2014 Subordinated Notes). The grace period with respect to the payment of interest on the 2014 Subordinated Notes ends on March 3, 2009 and grace period with respect to the payment of interest on the 2016 Senior Notes ends on March 17, 2009. If the interest payment on the 2014 Subordinated Notes or the 2016 Senior Notes is not paid or waived by the end of the applicable grace period, an event of default will occur with respect to such notes which could result in an acceleration of such notes and a consequent cross-acceleration of virtually all of the Company's debt.

On February 12, 2009, a lawsuit was filed in the United States District Court, District of Nevada titled S. Blake Murchison v. Station Casinos, Inc. et al. The lawsuit, brought on behalf of certain holders of the Company's outstanding senior and senior subordinated notes, alleges that such holders have been unfairly discriminated against in connection with the Company's pending solicitation of ballots in favor of the proposed plan of reorganization. The plaintiffs allege that the solicitation is an exchange offer that will give a limited number of holders of the Company's outstanding notes the opportunity to obtain new notes which will be senior to the outstanding notes. The lawsuit names as defendants the Company, its directors and certain of its executive officers and seeks, among other remedies, injunctive relief. The Company believes that the lawsuit is without merit because, among other reasons, all holders of the Company's outstanding senior notes and senior subordinated notes, respectively, would receive the same consideration pursuant to the proposed plan of reorganization regardless of whether such holders were eligible to participate in the solicitation of votes for the plan and no old notes would remain outstanding following consummation of the proposed plan.

On February 11, 2009, the Michigan senate passed a resolution approving the compact between the Match-E-Be-Nash-She-Wish Band of Pottawatomis Indians (the Tribe) and the state of Michigan. The compact was previously signed by the governor and approved by the Michigan house of representatives. The compact allows the Tribe to offer Class III gaming and outlines the details of revenue sharing. The Company or its affiliates are party to agreements with the Tribe pursuant to which the Company or its affiliates will, subject to the terms and conditions set forth therein and receipt of required regulatory approvals, develop and manage a casino for the Tribe.
