ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT

On May 19, 2009, The Hertz Corporation (Hertz), a wholly-owned subsidiary of Hertz Global Holdings, Inc. (Hertz Holdings), and Hertz's indirect subsidiary, Hertz Vehicle Financing LLC (HVF), entered into the following six modifications to the documents underlying our asset-backed financing facilities:

- Amendment No. 2, dated as of May 19, 2009, between HVF and The Bank of New York Mellon Trust Company, N.A., a national banking association (as successor to BNY Midwest Trust Company, an Illinois trust company), as trustee (the Trustee), to the Amended and Restated Series 2005-1 Supplement, dated as of August 1, 2006 (as amended, modified, restated or supplemented from time to time, the Series 2005-1 Supplement), between HVF and the Trustee, to the Second Amended and Restated Base Indenture, dated as of August 1, 2006, between HVF and the Trustee; and
- Amendment No. 2, dated as of May 19, 2009, between HVF and the Trustee, to the Amended and Restated Series 2005-2 Supplement, dated as of August 1, 2006 (as amended, modified, restated or supplemented from time to time, the Series 2005-2 Supplement), between HVF and the Trustee; and
- Consent and Waiver Agreement, dated as of May 19, 2009, among MBIA Insurance Corporation (MBIA), a New York corporation, HVF, and the Trustee; and
- Side Letter (the MBIA Side Letter), dated as of May 19, 2009, between MBIA and Hertz; and
- Consent And Waiver Agreement, dated as of May 19, 2009, among Ambac Assurance Corporation (Ambac), a Wisconsin stock insurance company, HVF, and the Trustee; and
- Side Letter (the Ambac Side Letter and together with the MBIA Side Letter the Side Letters), dated as of May 19, 2009, between Ambac and Hertz.

Among other things, the modifications clarify the effect of certain events with respect to certain manufacturers (including an event of bankruptcy with respect to such manufacturers) on the calculation of the Non-Eligible Manufacturer Amount in the Series 2005-1 Supplement and the Series 2005-2 Supplement with respect to Ford, General Motors and Chrysler. In addition, as a result of the Side Letters, in the event of a manufacturer event of default or bankruptcy of General Motors or Ford, in order for us to access the \$825 million of availability under our Series 2008-1 variable funding notes (the Series 2008-1 Notes) (1) we could seek to amend the Series 2008-1 Notes, which may require the consent of the holders of notes of other series, (2) we could seek to renegotiate the terms of the Side Letters with MBIA and Ambac, (3) the manufacturer event of default would need to be cured or the bankrupt manufacturer would need to emerge from bankruptcy (as applicable), or (4) certain other conditions of the Side Letters would need to be satisfied. We currently intend to seek to amend the Series 2008-1 Notes or the terms of the Side Letters to have unrestricted access to the Series 2008-1 Notes, however there can be no assurance we will be able to do so. We do not currently have any borrowings outstanding under the Series 2008-1 Notes, and because we believe we have sufficient and less expensive capacity under our other credit facilities, we do not currently need or intend to draw upon the commitments under the Series 2008-1 Notes absent a significant increase in our needs for new cars as compared to our currently projected needs.
