DEERFIELD, IL, November 19, 2009 CF Industries Holdings, Inc. (NYSE: CF) today issued the following letter to the stockholders of Terra Industries Inc. (NYSE: TRA).

Dear Terra Industries Stockholder:

Terra's annual meeting is tomorrow - this is your final opportunity to voice your support for CF Industries' director nominees and receive a **substantial premium** for your Terra shares. CF Industries has no doubt that your shares would decline significantly in value should our directors fail to get elected.

CF Industries is offering you **more than \$40 for each share of Terra common stock you own**. Your vote is the only way to support CF Industries' proposal to acquire Terra and create a leader in the global nitrogen fertilizer industry. The rationale for this premium transaction is well understood by Terra, who first proposed this combination.

Edgar Filing: TERRA INDUSTRIES INC - Form 425

CF Industries urges you to vote **FOR** CF Industries' three highly qualified, independent director nominees listed on the **BLUE** proxy card, who are committed to acting in your best interests. Vote for CF Industries' director nominees to receive a significant premium including stock in a company that has a proven track record of generating shareholder value. Your vote is the key to making this combination happen *in your best interests* and to receiving *full and fair value* for your Terra shares. We are offering you certainty of value and there is no guarantee that there will be another opportunity in the future for you to receive such a premium for your shares. Vote on the **BLUE** proxy card **TODAY**.

NOW IS THE TIME TO PUT THESE TWO GREAT COMPANIES TOGETHER

The strategic benefits of combining these two great companies are undeniable. CF Industries believes that the opportunity to create shareholder value is clear and that both sets of stockholders, boards and management teams understand the compelling strategic rationale of the business combination. CF Industries has committed financing and our offer is not subject to a financing condition or to the approval of CF Industries stockholders. We have satisfied all antitrust regulatory conditions that are required to close the transaction. We are offering you more than \$40 per share, a substantial 40% premium to what we believe would be the price at which Terra common stock would be trading without takeover speculation. In summary, we are ready to move forward and close this transaction promptly at an extremely compelling price for your Terra shares.

VOTE FOR OUR THREE NOMINEES TODAY ON THE BLUE PROXY CARD

Choose the opportunity to receive a substantial premium for your shares and do not risk seeing the value of your shares decline significantly.
