Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On May 4, 2010, at the 2010 Annual Meeting of Shareholders of SkyWest, Inc. (the Company), the Company's shareholders approved the adoption of the SkyWest, Inc. 2010 Long-Term Incentive Plan (the 2010 Plan). The 2010 Plan replaces the SkyWest, Inc. 2006 Long-Term Incentive Plan in effect prior to the adoption of the 2010 Plan (the 2006 Plan). The principal features of the 2010 Plan are set forth below.

Plan Term. The term of the 2010 Plan is ten years from the date of shareholder approval, and will therefore expire on May 4, 2020.

Eligible Participants. Only employees, directors and consultants of the Company and its subsidiaries are eligible to receive awards under the 2010 Plan. The compensation committee (the Compensation Committee) of the Company's board of directors (the Board) is authorized to determine those persons to whom awards will be granted under the 2010 Plan. The Company anticipates that the primary recipients of awards under the 2010 Plan will be officers, other key employees, managers and pilots of the Company and its subsidiaries.

Award Types. The 2010 Plan provides for the grant of incentive stock options, non-qualified stock options, restricted stock, restricted stock units, other share-based awards, stock appreciation rights and performance awards, including annual and long-term cash awards.

Shares Subject to the 2010 Plan. The 2010 Plan authorizes grants of up to 5,150,000 shares of the Company's common stock, (i) decreased by one share for every share subject to an option or stock appreciation right that was granted under the 2006 Plan, the Company's prior Executive Stock Option Plan and the Company's 2001 Allshare Stock Option Plan (collectively with the 2006 Plan, the Prior Plans) after December 31, 2009, (ii) decreased by 1.65 shares for every share subject to an award (other than an option or stock appreciation right) that was granted under the Prior Plans after December 31, 2009, (iii) increased by one share for every share subject to an option or stock appreciation right that was granted under the Prior Plans that is forfeited or terminated, expires or is settled in cash after December 31, 2009, and (iv) increased by 1.65 shares for every share subject to an award (other than an option or stock appreciation right) granted under the Prior Plans that is forfeited or terminated, expires or is settled in cash after December 31, 2009. As a result of the approval of the 2010 Plan by the Company's shareholders, the Company will no longer issue additional options or other awards under the Prior Plans; however, all options, restricted stock and restricted stock units outstanding under the Prior Plans as of May 4, 2010 will remain outstanding.

Limits on Individual Awards. No eligible participant may be granted options and stock appreciation rights with respect to more than 1,000,000 shares of the Company's common stock in any 36-month period. No eligible participant may earn more than 500,000 shares in any 36-month period under restricted stock awards, restricted stock unit awards, other share-based awards, or performance awards that are intended to comply with the qualified performance-based compensation exception to Section 162(m) of the Internal Revenue Code of 1986, as amended (the Code). No participant may earn more than \$5,000,000 in cash under any performance cash award that is intended to comply with the qualified performance based compensation exception to Code Section 162(m) for each 12 months in a performance period.

Administration. The 2010 Plan will be administered by the Compensation Committee. The Compensation Committee has the authority to interpret and construe all provisions of the 2010 Plan and to make all decisions and determinations relating to the operation of the 2010 Plan,

including the authority and discretion to: (i) select the individuals to receive stock option grants or other awards; (ii) determine the time or times when stock option grants or other awards will be granted and will vest; and (iii) establish the terms and conditions upon which awards may be exercised.

Amendment and Termination. The Board may, from time to time, alter, amend, suspend or terminate the 2010 Plan. No grants may be made under the 2010 Plan following the date of termination, although grants made prior to that date may remain outstanding following the termination of the 2010 Plan until their scheduled expiration date.

The foregoing description is a summary of the 2010 Plan and is qualified in its entirety by the full text of the 2010 Plan, which is attached as Exhibit 10.15 to the Company's Quarterly Report on Form 10-Q filed on May 7, 2010, and is incorporated herein by reference.
