  - Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))
-

**Item 1.01. Entry into a Material Definitive Agreement.**

On November 7, 2011, EQT Corporation (the Company) completed a public offering of \$750,000,000 in aggregate principal amount of its 4.875% Senior Notes due 2021 (the Senior Notes). The Senior Notes were issued by the Company pursuant to its automatic shelf registration statement on Form S-3ASR (File No. 333-171068) and the prospectus included therein, filed with the Securities and Exchange Commission on December 9, 2010 and supplemented by the prospectus supplement dated November 2, 2011.

The Company intends to use the net proceeds from the offering for general corporate purposes.

The Company entered into an Underwriting Agreement, dated November 2, 2011 (the Underwriting Agreement), among the Company and Barclays Capital Inc., Deutsche Bank Securities Inc. and J.P. Morgan Securities LLC, as representatives of the underwriters named therein (together, the Underwriters), in connection with the issuance and sale by the Company of the Senior Notes. Pursuant to the Underwriting Agreement, the Company agreed to sell to the Underwriters, and the Underwriters agreed to purchase the Senior Notes for resale to the public. The Underwriting Agreement includes customary representations, warranties and covenants by the Company. It also provides for customary indemnification by each of the Company and the Underwriters against certain liabilities and customary contribution provisions in respect of those liabilities.

The Senior Notes were issued under an Indenture dated as of March 18, 2008 (as supplemented, the Indenture), between the Company, as successor, and The Bank of New York, as trustee, as supplemented by the Fourth Supplemental Indenture, dated as of November 7, 2011 (the Fourth Supplemental Indenture), between the Company and The Bank of New York Mellon, as trustee. The Company sold the Senior Notes to the Underwriters at an issue price of 98.435% of the principal amount thereof, and the Underwriters offered the Senior Notes to the public at a price of 99.085% of the principal amount thereof. Interest is payable on the Senior Notes on May 15 and November 15 of each year, commencing on May 15, 2012. The Company may issue additional debt from time to time pursuant to the Indenture. The Indenture governing the Senior Notes contains covenants that limit the Company's ability to, among other things, incur certain liens securing indebtedness, engage in certain sale and leaseback transactions, and enter into certain consolidations, mergers, conveyances, transfers or leases of all or substantially all the Company's assets.

The foregoing description of the Underwriting Agreement, the Indenture, the Fourth Supplemental Indenture and the Senior Notes does not purport to be complete and is qualified in its entirety by reference to the full text of such documents, which are filed as Exhibits 1.1, 4.1, 4.2 and 4.3 hereto, respectively, and incorporated herein by reference.

**Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.**

The information set forth in Item 1.01 above with respect to the Senior Notes, the Indenture, the Fourth Supplemental Indenture and the Underwriting Agreement is hereby incorporated by reference into this Item 2.03, insofar as it relates to the creation of a direct financial obligation.
