Item 7.01. Regulation FD Disclosure.

The ServiceMaster Company (ServiceMaster, we or our) announces herewith that the Company s preliminary unaudited net cash provided from operating activities from continuing operations is expected to be within the range of \$220 million to \$240 million for the year ended December 31, 2012.

The preliminary unaudited cash flow data is subject to completion and reflects our current good faith estimate and may be revised as a result of management s further review of our results. We have not completed our normal annual review procedures as of, and for, the year ended December 31, 2012, and there can be no assurance that our final results for 2012 will not differ from this estimate. Any such changes could be material. During the course of the preparation of our consolidated financial statements and related notes as of, and for, the year ended December 31, 2012, we may identify items that would require us to make material adjustments to such preliminary unaudited cash flow data. This estimate should not be viewed as a substitute for audited financial statements prepared in accordance with U.S. generally accepted accounting principles.

Neither ServiceMaster s independent auditors nor any other independent accountants have compiled, examined or performed any procedures with respect to the preliminary unaudited cash flow data for the year ended December 31, 2012, nor have they expressed any opinion on or any other form of assurance of such data, and they assume no responsibility for, and disclaim any association with, such data.

In accordance with General Instruction B.2 of Form 8-K, the information in this Current Report on Form 8-K shall not be deemed filed for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to the liability of that section, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except as shall be expressly set forth by specific reference in such a filing.

Information Regarding Forward-Looking Statements

This report contains forward-looking statements and cautionary statements. Some of the forward-looking statements can be identified by the use of forward-looking terms such as believes, expects, may, will, shall, should, would, could, seeks, aims, projects, is optimistic, estimates, anticipates or other comparable terms. Forward-looking statements include, without limitation, all matters that are not historical facts. They appear in this report and include, without limitation, statements regarding our intentions, beliefs, assumptions or current expectations concerning our preliminary unaudited cash flow data for the year ended December 31, 2012.

Forward-looking statements are subject to known and unknown risks and uncertainties, many of which may be beyond our control. We caution you that forward-looking statements are not guarantees of future performance or outcomes and that actual performance and outcomes, including, without limitation, our actual results of operations, financial condition and liquidity, and the development of the market segments in which we

operate, may differ materially from those made in or suggested by the forward-looking statements contained in this report. In addition, even if our results of operations, financial condition and cash flows, and the development of the market segments in which we operate, are consistent with the forward-looking statements contained in this report, those results or developments may not be indicative of results or developments in subsequent periods. A number of important factors, including, without limitation, the risks and uncertainties discussed in Risk Factors in the company's annual, quarterly and other reports filed with the Securities and Exchange Commission, could cause actual results and outcomes to differ materially from those reflected in the forward-looking statements. Additional factors that could cause actual results and outcomes to differ from those reflected in forward-looking statements include, without limitation:

- the effects of our substantial indebtedness and the limitations contained in the agreements governing such indebtedness;
- our ability to generate the significant amount of cash needed to fund our operations and service our debt obligations, among other things;
- our ability to successfully refinance our Term Loan Facility and extend the maturity until February 2017;
- changes in interest rates, because a significant portion of our indebtedness bears interest at variable rates;
