Term Loan Facility Amendment

On February 22, 2013, The ServiceMaster Company (the "Company") entered into Amendment No. 2 (the "Term Loan Facility Amendment") to its senior secured term loan facility (the "Term Loan Facility") to amend the credit agreement governing the Term Loan Facility (as amended, the "Credit Agreement") primarily to extend the maturity date of a portion of the borrowings under the Term Loan Facility. Prior to the Term Loan Facility Amendment, approximately \$1.2 billion of outstanding borrowings under the Term Loan Facility ("Tranche A loans") had a maturity date of July 24, 2014. Pursuant to the Term Loan Facility Amendment, the maturity of the outstanding Tranche A loans was extended and such loans were converted into a new tranche of term loans in an aggregate principal amount, along with new loans extended by certain new lenders, of \$1.220 billion ("Tranche C loans"). The maturity date for the new Tranche C loans is January 31, 2017. The interest rates applicable to the Tranche C loans under the Term Loan Facility are based on a fluctuating rate of interest measured by reference to either, at the borrower's option, (i) a London inter-bank offered rate plus 3.25%, with a minimum London inter-bank offered rate of 1.00% or (ii) an alternate base rate plus 2.25%, with a minimum alternate base rate of 2.00%. As part of the Term Loan Facility Amendment, the Company paid an original issue discount equal to 1.00% of the outstanding borrowings, or \$12.2 million. Voluntary prepayments of borrowings under the Tranche C Loans are permitted at any time, in minimum principal amounts, without premium or penalty, subject to a 1.00% premium payable in connection with certain repricing transactions within the first year. The Company announced in August 2012 that as a result of a separate refinancing transaction, the maturity date of approximately \$1.0 billion of outstanding borrowings under the Credit Agreement had been extended until January 31, 2017. As a result of these two refinancing transactions, the Company will have approximately \$2.2 billion of outstanding borrowings maturing January 31, 2017. The Term Loan Facility Amendment also includes certain other changes to the Credit Agreement.

A copy of the Term Loan Facility Amendment is attached as Exhibit 10.1 hereto and incorporated herein by reference. The foregoing description of the Term Loan Facility Amendment does not purport to be complete and is qualified in its entirety by reference to the full text of such agreement.
