TELUS' policy regarding pre-approval of all audit, audit related and non-audit services provided by the External Auditor is based upon compliance with the Sarbanes-Oxley Act of 2002, the subsequent implementation rule from the SEC titled "Final Rule: Strengthening the Commission's Requirements Regarding Auditor Independence" and any additional determinations regarding impermissible services issued by the Public Company Accounting Oversight Board.

All requests for non-prohibited audit, audit related and non-audit services provided by the External Auditor and its affiliates to TELUS are required to be pre-approved by the Audit Committee of the Board. To enable this, TELUS has implemented a process by which all requests for services involving the External Auditor are routed for review by the VP Risk Management and Chief Internal Auditor to validate that the requested service is a non-prohibited service and to verify that there is a compelling business reason for the request. If the request passes this review, it is then forwarded to the Chief Financial Officer for further review. Pending the Chief Financial Officer's affirmation, the request is then presented to the Audit Committee for its review, evaluation and pre-approval or denial at its next scheduled quarterly meeting. If the timing of the request is urgent, it is provided to the Audit Committee Chair for his review, evaluation and pre-approval or denial on behalf of the Audit Committee (with the Audit Committee's review at the next scheduled quarterly meeting). Throughout the year, the Audit Committee monitors the actual versus approved expenditure for each of the approved requests.
