SECTION 1 Registrant's Business and Operations

Item 1.01. Entry into a Material Definitive Agreement.

On May 3, 2013, GeoMet, Inc. (the Company) entered into a purchase and sale agreement (PSA) to sell its coalbed methane properties in Alabama to Saga Resource Partners LLC, for a purchase price of \$63.2 million, subject to customary purchase price adjustments. The effective date of this transaction is April 1, 2013, and it is expected to close on or before June 14, 2013, subject to the exercise of preferential rights and customary closing conditions. GeoMet plans to use the cash proceeds from this asset divestiture, net of purchase price adjustments and other transaction related expenditures, to repay borrowings under its Credit Agreement.

On May 1, 2013, the Company and the lenders under its Fifth Amended and Restated Credit Agreement executed the Fifth Amendment to such agreement (Amendment), which became effective as of May 1, 2013 and provides the necessary consents to sell its coalbed methane properties in Alabama. The Amendment requires repayment of a minimum of \$52 million of borrowings which will result in the elimination of the non-conforming tranche B portion of total outstanding borrowings. Following the expected use of net proceeds for repayment of indebtedness, GeoMet's borrowing base will be the lesser of \$83 million or actual outstanding borrowings at such time.

The foregoing description of the PSA is qualified in its entirety by reference to the PSA, a copy of which is filed as Exhibit 10.2 to this Current Report on Form 8-K and is incorporated herein by reference.

The foregoing description of the Amendment is qualified in its entirety by reference to the Fifth Amendment, a copy of which is filed as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated herein by reference.
