- an ordinary resolution to give the Directors a general and unconditional mandate to exercise all the powers of the Company to repurchase an amount of Shares not exceeding 10% of the Company's issued share capital as at the date of the resolution, for the period until the conclusion of the next annual general meeting of the Company (or such earlier period as stated in the resolution) (the Repurchase Mandate); and
- conditional on the passing of the resolutions to grant the New Issue Mandate and the Repurchase Mandate, an ordinary resolution to authorize the Directors to exercise the powers to allot, issue, grant, distribute and otherwise deal with additional Shares under the New Issue Mandate in respect of the aggregate nominal amount of share capital in the Company purchased by the Company.

4. New Share Plans

As the Existing Share Option Plans will expire on 15 February 2014, the Company proposes to adopt the New Share Option Plans which comply with Chapter 17 of the Listing Rules to replace the Existing Share Option Plans. The Company also proposes to adopt the 2014 Equity Incentive Plan to replace the 2004 Equity Incentive Plan.

The purpose of these plans will be to allow our employees, Directors and other service providers an opportunity to share in the growth and profitability of our company to provide a non-cash means of incentivizing and retaining these individuals.

2014 Stock Option Plan. Under the 2014 Stock Option Plan, employees, officers or other service providers will be eligible to acquire Shares or ADSs pursuant to stock options. The 2014 Stock Option Plan will also provide for grants of stock options to non-employee Directors at the discretion of the Board. The 2014 Stock Option Plan will terminate on the tenth anniversary of the Effective Date. The 2004 Stock Option Plan will be terminated after obtaining Shareholders' approval with effect from the Effective Date of the 2014 Stock Option Plan.

The 2014 Stock Option Plan will provide for the grant of incentive stock options (ISOs) or non-qualified stock options (NSOs). Any award of Director Options (as defined in the 2014 Stock Option Plan) to non-employee directors will be NSOs. The aggregate fair market value of the Shares represented by any given optionee's ISOs that become exercisable in any calendar year may not exceed US\$100,000. Stock options in excess of this limit will be treated as NSOs.

The Compensation Committee will administer the 2014 Stock Option Plan. The Compensation Committee may delegate some or all of its authority (with certain restrictions) under the 2014 Stock Option Plan to one or more of its members or one or more of our officers. The Compensation Committee will select the persons (other than non-employee Directors) to whom stock options will be granted and will determine the grant date, number of underlying Shares or ADSs, exercise prices, vesting periods and other relevant terms of the stock options, including whether the stock options will be ISOs or NSOs, except that ISOs may be granted only to employees and Director Options (as defined in the 2014 Stock Option Plan) may be granted only to non-employee Directors. The exercise price of a stock option granted under the 2014 Stock Option Plan shall be no less than the higher of (i) the closing price of an ordinary share on the Hong Kong Stock Exchange on the date of grant which must be a business day (or, in the case of an ADS, of an ADS on the New York Stock Exchange) and (ii) the average closing price of an ordinary share on the Hong Kong Stock Exchange (or, in the case of an ADS, of an ADS on the New York Stock Exchange) for the five business days immediately preceding the date of grant. The Compensation Committee will determine the effect of a termination of employment on a stock option awarded under the 2014 Stock Option Plan except that if employment is terminated for cause, as defined in the plan, all unexercised stock options of an optionee are forfeited. Our board of directors will exercise all authority and responsibility with respect to

Table of Contents

any stock options granted to non-employee directors. Stock options are generally not transferable during the life of the optionee unless permitted by the Hong Kong Stock Exchange.

The Compensation Committee will specify the effect that a merger or change in control (as defined in the 2014 Stock Option Plan) will have on grants of stock options, which may include the acceleration of vesting of stock options prior to the date of the change of control.

2014 Employee Stock Purchase Plan. The 2014 Employee Stock Purchase Plan is intended to qualify for favorable U.S. federal income tax treatment under the provisions of Section 423 of the U.S. Internal Revenue Code. Under the 2014 Employee Stock Purchase Plan, all employees of our participating subsidiaries are eligible (subject to limited exceptions set forth in the U.S. Internal Revenue Code) to elect through payroll deductions to purchase Shares or ADSs at a discount. The 2014 Employee Stock Purchase Plan will terminate on the tenth anniversary of the Effective Date. The 2004 Employee Stock Purchase Plan will be terminated after obtaining Shareholders' approval with effect from the Effective Date of the 2014 Employee Stock Purchase Plan. The Compensation Committee will administer the 2014 Employee Stock Purchase Plan. The Compensation Committee may delegate some or all of its authority (with certain restrictions) under the 2014 Employee Stock Purchase Plan to one or more of its members or one or more of our officers.

The 2014 Employee Stock Purchase Plan will be implemented by a series of offering periods. The Compensation Committee will determine the starting and ending dates of each offering period.

An eligible employee may elect to participate in the 2014 Employee Stock Purchase Plan for any offering period by filing the enrollment documents with the appropriate human resources group. A participant will elect to have payroll deductions made on each payday during the offering period in a dollar amount specified in the employee's enrollment documents. These deductions will be placed into an account on behalf of a participant.

The Compensation Committee will determine the maximum amount that any employee may contribute to his or her account under the 2014 Employee Stock Purchase Plan during any calendar year. A participant may not accrue share purchase rights at a rate that exceeds US\$25,000, based on the fair market value of the plan shares or such lower amount as the Compensation Committee may determine for each calendar year in which the share purchase right is outstanding.

A participant may terminate participation in the 2014 Employee Stock Purchase Plan and withdraw from an offering by submitting a withdrawal notice and receiving all of his or her accumulated payroll deductions from that offering. Upon withdrawal, the participant's right to purchase ADSs for the current offering period will be terminated, and the participant can no longer participate in the current offering. On the last day of the offering

Table of Contents

period, a participant's accumulated contributions are used to purchase ADSs at a price which shall be the lower of the following two prices:

(A) 85% (or such higher percentage as determined by the Compensation Committee) of the fair market value of such ADSs on the date of commencement of the offering period; or

(B) 85% (or such higher percentage as determined by the Compensation Committee) of the fair market value of such ADSs on the date of conclusion of the offering period.

The ADSs are then deposited to an account established in the participant's name with a broker designated by us.

If a participant's employment terminates prior to the end of an offering period for any reason (subject to the limited exception set forth below), we will pay to the participant his or her account balance and the participant's right to purchase ADSs under the 2014 Employee Stock Purchase Plan will automatically terminate. If a participant's employment terminates less than three months prior to the end of the offering period for certain non-cause triggers, the participant will continue to participate in the 2014 Employee Stock Purchase Plan for the offering period then in progress, except that the participant's contributions will cease with the contribution made from such participant's final paycheck.

2014 Equity Incentive Plan. Under the 2014 Equity Incentive Plan, our employees, officers and other service providers will be eligible to acquire equity-based awards other than stock options. The 2014 Equity Incentive Plan will become effective on the Effective Date after its adoption by the Shareholders and will continue unless and until terminated by the Board. The Compensation Committee will administer the 2014 Equity Incentive Plan. The Compensation Committee may delegate some or all of its authority (with certain restrictions) under the 2014 Equity Incentive Plan to one or more of its members or one or more of our officers. The Compensation Committee will select the persons to whom awards will be granted and determines the type of award, grant date, amounts, vesting periods and other relevant terms of the awards. Awards may be granted to eligible individuals who are employees, officers or other service providers of the Company. The 2004 Equity Incentive Plan will be terminated after obtaining Shareholders' approval with effect from Effective Date of the 2014 Equity Incentive Plan.

Stock Appreciation Rights. Under the 2014 Equity Incentive Plan, the Compensation Committee may grant stock appreciation rights independent of or in connection with a stock option granted under the 2014 Stock Option Plan. Generally, each stock appreciation right will entitle a participant upon settlement to an amount equal to (1) the excess of (A) the market value on the exercise date of one ordinary share or ADS, over (B) the market value on the grant date of such ordinary shares or ADSs, multiplied by (2) the number of Shares or ADSs covered by the stock appreciation right. Payment will be made in Shares or ADSs or in cash, or partly in Shares or ADSs and partly in cash, all as determined by the Compensation Committee.

Table of Contents

Other Equity-based Awards: Under the 2014 Equity Incentive Plan, the Compensation Committee may grant awards of restricted shares, restricted share units, dividend equivalents, deferred shares and other awards that are valued in whole or in part by reference to, or otherwise based on the fair market value of, Shares. In accordance with the terms of the award documents, these awards may be subject to performance targets, vesting and/or forfeiture conditions and will be settled by the Company on the vesting date in cash, new Shares, or such form as the Compensation Committee may determine. The other equity-based awards will be subject to the terms or conditions established by the Compensation Committee. Any issue of new Shares to Directors pursuant to the 2014 Equity Incentive Plan shall be subject to the Listing Rules (including the obtaining of any relevant shareholders' approval in connection with such an issue of Shares, if applicable).

The Compensation Committee may specify the effect that a merger or change in control will have on the grants of equity-based awards, which may include acceleration of vesting of such equity-based awards prior to the date of the change of control.

As at the Latest Practicable Date, the Company had 32,039,901,352 issued Shares.

The number of Shares issuable pursuant to the New Share Option Plans shall not, in aggregate, exceed 10% of the existing issued share capital of the Company as at the date of the AGM. Assuming there is no change in issued share capital between the period from the Latest Practicable Date and the date of the AGM, the number of Shares issuable pursuant to the New Share Option Plans will be 3,203,990,135 Shares, representing 10% of the existing issued share capital of the Company as at the Latest Practicable Date.

The number of Shares issuable pursuant to the 2014 Equity Incentive Plan shall not, in aggregate, exceed 2.5% of the existing issued share capital of the Company as at the date of the AGM. Assuming there is no change in issued share capital between the period from the Latest Practicable Date and the date of the AGM, the number of Shares issuable pursuant to the 2014 Equity Incentive Plan will be 800,997,533 Shares, representing 2.5% of the existing issued share capital of the Company as at the Latest Practicable Date.

The Directors consider that it is not appropriate to state the value of all options or purchase rights that can be granted pursuant to the New Share Option Plans as if they had been granted on the Latest Practicable Date. There are a number of variables such as the subscription price, the exercise period and the lock-up period which are crucial for the calculation of the underlying value of the options or purchase rights which have not been determined. The Directors believe that any calculation of the value of such options or purchase rights as at the Latest Practicable Date based on a number of speculative assumptions would not be meaningful and would be misleading to Shareholders.

None of the Directors is a trustee of the New Share Option Plans or has a direct or indirect interest in the trustee. With respect to the operation of the New Share Option Plans, the Company will, where applicable, comply with the relevant requirements under Chapter 17 of the Listing Rules.

Table of Contents

5. CONDITION FOR THE ADOPTION OF THE NEW SHARE PLANS

The approval to be given by Shareholders at the AGM for the adoption of the New Share Plans will be by way of an ordinary resolution, subject to and conditional upon the Listing Committee of the Stock Exchange granting the listing of and permission to deal in any Shares which may fall to be issued by the Company pursuant to the exercise of options or purchase rights in accordance with the terms and conditions of the New Share Option Plans or pursuant to the 2014 Equity Incentive Plan.

Each of the New Share Plans will become effective from its Effective Date after its adoption by Shareholders.

Subject to the obtaining of Shareholders' approval with respect to the adoption of the New Share Option Plans at the AGM, the total number of Shares which may be issued upon exercise of all options or purchase rights to be granted under the New Share Option Plans must not in aggregate exceed 10% of the total issued share capital of the Company as at the date of the AGM unless the Company obtains a fresh approval from Shareholders to renew the 10% limit on the basis that the maximum number of Shares in respect of which options may be granted under the New Share Option Plans, together with any options or purchase rights outstanding and yet to be exercised under the New Share Option Plans and shall not exceed 30% of the issued share capital of the Company from time to time, subject to such changes with respect to such 30% limit that may apply from time to time under the applicable Listing Rules, as determined by the Compensation Committee. The number of Shares issuable pursuant to the 2014 Equity Incentive Plan shall not, in aggregate, exceed 2.5% of the existing issued share capital of the Company as at the date of the AGM. The 2014 Equity Incentive Plan is not a share option scheme for the purpose of Chapter 17 of the Listing Rules and the 2.5% limit on the Shares issuable pursuant to the 2014 Equity Incentive Plan is separate from the 10% limit on the Shares issuable under the New Share Option Plans.

A summary of the principal terms of the New Share Plans which are proposed to be approved and adopted by the Company at the AGM is set out on pages 9 to 12 of this circular, and the principal terms of the New Share Option Plans are contained in Appendix II to this circular. APPENDIX I

EXPLANATORY STATEMENT

This is an explanatory statement given to all Shareholders relating to a resolution (the Resolution) to be considered, and if thought fit, passed by the Shareholders at the AGM authorizing the Repurchase Mandate.

LISTING RULES

This explanatory statement contains the information required by the Listing Rules, which provide that all repurchases of securities by a company with its primary listing on the Stock Exchange must be approved in advance by an ordinary resolution, either by way of a general mandate to the Directors to make such repurchases or by specific approval in relation to specific transactions.

Any repurchase would be made out of funds which are legally available for the purpose in accordance with the Company's constitutive documents and the applicable laws and regulations of the Cayman Islands.

It is proposed that the Repurchase Mandate will authorize the repurchase by the Company of up to 10% of the Shares in issue as at the date of passing the Resolution. As at the Latest Practicable Date, the authorized share capital of the Company is US\$22,000,000 consisting of 50,000,000,000 Ordinary Shares, each with a par value of US\$0.0004 per Share and 5,000,000,000 undesignated preference shares, each with a par value of US\$0.0004 per Share and the number of Ordinary Shares in issue was 32,039,901,352 representing a paid-up share capital of approximately US\$12,815,960.54. On the basis of the 32,039,901,352 Ordinary Shares in issue (and assuming no Shares will be issued or repurchased after the Latest Practicable Date and up to the date of passing the Resolution), the Company would be authorized under the Repurchase Mandate to repurchase a maximum of 3,203,990,135 Shares (being 10% of the Ordinary Shares in issue) during the period in which the Repurchase Mandate remains in force. Any Share repurchased pursuant to the Repurchase Mandate must be fully paid-up.

REASONS FOR REPURCHASES

The Directors believe that it is in the best interests of the Company and its shareholders to have a general authority from shareholders to enable the Directors to purchase Shares on the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net value of the Company and its assets and/or its earnings (in each case on a per Share basis) and will only be made when the Directors believe that such repurchases will benefit the Company and its Shareholders.

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the 2012 Annual Report) in the event that the Repurchase Mandate is exercised in full. However, the Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing level which in the opinion of the Directors is from time to time appropriate for the Company.

Table of Contents

DISCLOSURE OF INTERESTS

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their Associates, has any present intention, in the event that the Repurchase Mandate is approved by the Shareholders, to sell Shares to the Company.

No connected person (as defined in the Listing Rules) of the Company has notified the Company that he has a present intention to sell Shares to the Company, or has undertaken not to sell any of the Shares held by him to the Company, in the event that the Repurchase Mandate is authorized.

UNDERTAKING

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the Listing Rules and the applicable laws and regulations of the Cayman Islands.

No purchase of Shares has been made by the Company on the Stock Exchange or otherwise in the six months immediately preceding the Latest Practicable Date. In the six months preceding the Latest Practicable Date, no repurchase of Shares has been made by the Company from its employees pursuant to the 2001 Stock Plan, 2001 Regulation S Stock Plan, 2001 Preference Shares Stock Plan and 2001 Regulation S Preference Shares Stock Plan.

EFFECT OF THE TAKEOVERS CODE

If as a result of a repurchase of securities of the Company, the proportionate interest in the voting rights of the Company of a Shareholder increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code. Accordingly, a Shareholder, or a group of Shareholders acting in concert, depending on the level of increase of the Shareholders' interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As recorded in the register kept by the Company under Section 336 of the SFO as at the Latest Practicable Date, (i) Datang Telecom Technology & Industry Holdings Co., Ltd. (Datang) was directly and/or indirectly interested in an aggregate of 6,166,138,341 Ordinary Shares in long position, representing approximately 19.25% of the issued share capital of the Company; (ii) China Investment Corporation (CIC) was directly and/or indirectly interested in an aggregate of 3,605,890,530 Ordinary Shares in long position, representing approximately 11.25% of the issued share capital of the Company; and (iii) Shanghai Industrial Investment (Holdings) Company Limited (Shanghai Industrial) was directly and/or indirectly interested in an aggregate of 1,978,277,340 Ordinary Shares in long position, representing approximately 6.17% of the issued share capital of the Company.

Based on such interests and assuming that no further Shares are issued or repurchased prior to the date of the AGM and in the event that the Directors exercise in full the power to repurchase securities of the Company under the proposed Repurchase Mandate, the interest of Datang, CIC and Shanghai Industrial will be increased to 21.38% (in long position), 12.50% (in long position), and 6.86% (in long position) of the issued Share capital of the Company, respectively. In this regard, as at the Latest Practicable Date, the Directors are not aware of the consequences of any increase in the voting rights of any existing Shareholder resulting from an exercise in full by the Directors of the power to repurchase securities of the Company under the proposed Repurchase Mandate that will result in such person becoming obliged to make a mandatory offer under Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, approximately 63.28% of the issued Share capital of the Company was held in public hands. Based on such percentage of shareholding and assuming that no further Shares are issued or repurchased prior to the date of the AGM and in the event that the Directors exercise in full the power to repurchase securities of the Company under the proposed Repurchase Mandate, 59.20% of the issued Share capital of the Company will be held in public hands. The Directors have no present intention to exercise the proposed Repurchase Mandate to such extent as will result in less than 25% of the issued Share capital of the Company held in public hands.

2014 EMPLOYEE STOCK PURCHASE PLAN

The following is a summary of the principal terms of the Employee Stock Purchase Plan (the ESPP) which will take effect after obtaining Shareholders' approval on the Effective Date.

Summary of the terms of the ESPP

(a) Purposes of the ESPP

The purposes of the ESPP are to attract, retain and motivate employees of the Company, to provide a means of compensating the employees for their contributions to the growth and profitability by permitting such employees to purchase the ADSs of the Company at a discount and receive favourable U.S. income tax treatment on a subsequent qualifying disposition of such ADSs.

(b) Who may join

Subject to any contrary directions given by the Compensation Committee of the board (the Committee), all full-time and regular part-time employees (the Employees) of the Company as at the first business day (the Offering Date) of a given period specified by the Committee (the Offering Period) shall be eligible to enroll in the ESPP. To be eligible to purchase ADSs, all Employees must maintain his or her employment status, without interruption, with the Company through the last day of each Offering Period (the Purchase Date).

(c) Administration of the ESPP

The Committee shall be responsible for the administration of the ESPP. Its responsibility includes determining the maximum amount that any Employee may contribute to his or her account under the ESPP during any calendar year; determining the starting and ending dates of each Offering Period; changing the Offering Periods, limiting the frequency and/or number of changes in the amount withheld during an Offering Period, permitting payroll withholding in excess of the amounts designated by a participant (Participant) of the Plan in order to adjust for delays or mistakes in the Company's processing of properly completed withholding elections, and ensuring that amounts applied towards the purchase of the Plan Shares for each Participant properly correspond with amounts withheld from the Participant's compensation.

Any determination by the Committee in relation to the carrying out and administering of the ESPP shall be final and binding. The Committee may delegate some or all of its authority under the ESPP to an individual or individuals (each an Administrator) who may either be one or more members of the Committee or one or more of the officers of the Company. Any actions undertaken by the Administrator in accordance with the Committee's delegation of authority shall have the same force and effect as if undertaken directly by the Committee. No member of the Committee shall

Table of Contents

be liable for any action or determination made in good faith, and the members of the Committee shall be entitled to indemnification and reimbursement in the manner provided by the Company's by-laws as they may be amended from time to time.

(d) Offering Period

The ESPP shall be implemented by a series of Offering Periods. An eligible Employee of the Company may elect to participate in the ESPP for any Offering Period by completing the requisite documents. The Committee shall determine the starting and ending dates of each Offering Period but no Offering Period shall be shorter than 6 months or longer than 27 months.

(e) Employees' Contributions under the ESPP

All amounts that a Participant contributes (Contributions) shall be credited to his or her account under the ESPP. Participants must elect to have payroll deductions made on each payday during the Offering Period in a dollar amount specified in the documents submitted by him or by her. The Committee may permit Participants to make supplemental Contributions into his or her account, on such terms and subject to such limitations as the Committee may decide.

Participants may, on one occasion only during an Offering Period, decrease the rate of his or her Contributions to his or her account for the Offering Period, including a decrease to zero. The Participant may restore his or her Contributions to the original level, prior to the earlier of,

(i) six months after the effective date of any such decrease; and

(ii) the end of the relevant Offering Period.

In addition, a Participant who has elected such a decrease in rate of Contribution may, prior to the end of the relevant Offering Period, make one or more supplemental Contributions into his or her account. The aggregate of the supplemental Contributions shall not exceed, in the aggregate, the total Contributions the Participant would have made for that Offering Period had the original rate of Contribution remained in effect throughout the entire Offering Period and the Participant's actual Contributions.

A Participant may change his or her rate of Contribution by filing the requisite documents with the Company. The change in amount shall be effective as at the beginning of the next payroll period following the date of filing of the requisite documents, provided the Participant filed the documents at least five business days prior to the beginning of the next payroll period. Should the Participant failed to file within five business days prior to the beginning of the next payroll period, the change in amount shall be effective as of the beginning of the next succeeding payroll period.

Table of Contents

(f) Grant of Purchase Right

Each eligible Employee who elects to participate in the ESPP in any given Offering Period shall be granted on the Purchase Date, a right to purchase the Plan Shares (the Purchase Right). The Purchase Right of a Participant shall be calculated in accordance with the following formula:

(i) dividing (A) the product of US\$25,000 and the number of calendar years during all or part of which the Purchase Right shall be outstanding by (B) the closing price of the Plan Shares on the applicable exchange on which Plan Shares are trading (the Fair Market Value) on the applicable exchange of the Plan Shares on the Offering Date; and

(ii) subtracting from the quotient thereof (A) the number of Plan Shares that the Employee has purchased during the calendar year in which the Offering Date occurs under the ESPP or under any other employee stock purchase plan of the Company or any subsidiary of the Company which is intended to qualify under Section 423 of the U.S. International Revenue Code of 1986 plus (B) the number of Plan Shares subject on the Offering Date to any outstanding Purchase Rights granted to the Employee under any related Plan.

If application of the above formula would result in the grant of Purchase Rights covering, in the aggregate, more than the number of Plan Shares that the Committee has made available for the relevant Offering Period, then the Committee shall adjust the number of Plan Shares subject to the Purchase Right in order that, following such adjustment, the aggregate number of Plan Shares subject to the purchase Right shall remain within the applicable limit.

All Purchase Rights outstanding at the tenth anniversary of the Plan shall remain outstanding through, and may be exercised upon the relevant Purchase Date, but no additional Purchase Right shall be granted under the ESPP.

(g) Exercise of Purchase Right

Unless a Participant withdraws from the ESPP, his or her Purchase Right shall become exercisable automatically, on the Purchase Date of the relevant Offering Period for the number of Plan Shares obtained by dividing the accumulated Contributions credited to the Participant's account as of the Purchase Date by the applicable Purchase Price, which shall be the lower of the following two prices:

(A) 85% (or such higher percentage as determined by the Compensation Committee) of the fair market value of such ADSs on the date of commencement of the offering period; or

(B) 85% (or such higher percentage as determined by the Compensation Committee) of the fair market value of such ADSs on the date of conclusion of the offering period.

Table of Contents

The Committee may credit any Contributions that have been credited to a Participant's account under the ESPP with interest. Any interest credited to a Participant's account shall not be used to purchase ADSs and shall instead be paid to the Participant at the end of the relevant Offering Period.

If any portion of a Participant's accumulated Contributions is not used to purchase Shares on a given Purchase Date, the remaining amount shall be held in the Participant's account and used for the purchase of Plan Shares under the next Offering Period, unless the Participant withdraws from the next Offering Period.

The exercise of the Purchase Right granted under the ESPP is not subject to any performance target.

(h) Limit of the ESPP

The number of Shares that may be issued under the Stock Option Plan and the ESPP (the Global Limit) shall not exceed ten per cent. of the issued and outstanding Shares as at the date of the AGM.

The number of Shares that may be issued upon exercise of all outstanding Purchase Rights granted under the ESPP or other employee stock purchase plan of the Company or and any outstanding stock options granted under the Stock Option Plan or other stock option plan of the Company must not exceed, in the aggregate, thirty per cent. of the issued and outstanding Shares in issuance from time to time subject to such changes from time to time to applicable Listing Rules, as determined by the Committee.

No Employee shall be granted a Purchase Right pursuant to the terms of the ESPP if:

(i) immediately after the grant, such Employee would own capital stock of the Company and/or hold outstanding Purchase Right to purchase stock possessing five per cent. or more of the total combined voting power or value of all classes of stock of the Company or of any of its subsidiaries;

(ii) such Purchase Right would permit the Employees' rights to purchase ADSs under all employee stock purchase plans of the Company and its subsidiaries to accrue at a rate that exceeds US\$25,000 of the Fair Market Value of such ADSs or such lower amount as the Committee may determine for each calendar year in which such Purchase Right is outstanding at any time; and

(i) Purchase Rights are personal to the Participants

During his or her lifetime, a Participant's Purchase Right shall be exercised by him or her only. Neither contributions credited to a Participant's account under the ESPP nor any rights with regard to the exercise of a Purchase Right to receive Plan Shares under the ESPP may be assigned, transferred, pledged or otherwise disposed in any way by any Participant.

(j) Designation of Beneficiary

A Participant may designate a beneficiary to receive any ADSs and cash, if any, from his or her account under the ESPP in the event of the Participant's death. If a Participant is married and the designated beneficiary is not the spouse, the Company may determine that spousal consent shall be required for such designation to be effective.

A Participant may change a designation of beneficiary at any time by filing the requisite notice. In the event of the death of the Participant and in the absence of a beneficiary validly designated under the ESPP who is living at the time of such Participant's death, the Company shall deliver ADSs and/or cash from the Participant's account under the ESPP to the executor or administrator of the Participant's estate, or if no such person has been appointed, the Company, in its discretion, may deliver such ADSs and/or cash to the Participant's spouse or to any one or more dependents, relatives, or such other person as the Company may designate.

(k) Voluntary Withdrawal

A Participant may withdraw all but not less than all the Contributions credited to his or her account under the ESPP at any time prior to a Purchase Date by submitting the requisite documents. A Participant's Purchase Right for the current period shall automatically be terminated and cancelled, and no further Contributions for the purchase of ADSs shall be accepted from the Participant during the Offering Period. A Participant's withdrawal from an offering shall not have any effect upon his or her eligibility to participate in the ESPP for the succeeding Offering Period.

(l) Termination of Employment

If a Participant to the ESPP terminates his or her employment under circumstances that qualify the Participant as a Qualified Terminated Participant, (as defined in the ESPP) and the effective date of the Participant's termination of employment is less than three months prior to the next Purchase Date, then the Participant shall continue to participate in the ESPP for the Offering Period then in progress, and the Participant's Purchase Right for such Offering Period shall be exercised in accordance with sub-paragraph (g) above. However, the Participant's Contribution to his or her account shall cease with the Contribution made from his or her final paycheck, and the Participant shall not be permitted to make any

supplemental Contributions to the ESPP save as directed otherwise by the Committee. The Participant shall not be eligible to participate in any Offering Period that starts after the effective date of his or her termination of employment.

If a Participant terminates his or her employment under circumstances which do not qualify him or her as a Qualified Terminated Participant, the Company shall pay to the Participant all contributions credited to his or her account under the ESPP and the Participant's Purchase Right shall automatically terminate and lapse.

(m) Voting and dividend rights

No voting rights shall be exercisable and no Participants under the ESPP shall have any claim to the dividends in the ADSs covered by his or her rights to purchase the ADSs until such rights have been exercised.

(n) Ranking of the ADSs

ADSs allotted upon the exercise of Purchase Right shall rank pari passu (including, but not limited to, with respect to voting, dividend transfer rights and rights arising upon liquidation of the Company) in all respects with the ADSs in issue on the date of such allotment and will be subject to all the provisions of the Articles of Association of the Company for the time being in force.

(o) Change in the capital structure of the Company

In the event of an alteration in the capital structure of the company (which includes a capitalisation issue, reduction of capital, consolidation, sub-division of Plan Shares, or rights issue to purchase Plan Shares at a price substantially below market value), the Committee shall have discretion to make the appropriate adjustments in the number and/or the kind of shares which are subject to purchase under outstanding Purchase Rights, including, if the Committee deems appropriate, the substitution of similar Purchase Rights in shares of another company so that a Participant shall be entitled to the same proportion of the equity capital of the Company as that to which he or she was previously entitled to.

(p) Period of the ESPP

The ESPP shall continue for a term of ten years from the Effective Date unless terminated in accordance with sub-paragraph (r).

(q) Use of Funds

The Company may, but shall not be obligated to, segregate Contributions under the ESPP and/or arrange for Contributions to be held by a third party financial institution or trustee for the benefit of the Participants. Whether or not segregated, Contributions shall remain the property of the relevant Participants and shall be subjected to the rights of the Participants and not to the claims of the Company's creditors.

(r) Amendments and Termination of the ESPP

The Committee may at any time amend the ESPP in any respect or terminate the ESPP, except that, without the approval of the Company's shareholders at a meeting duly called, no amendment shall be made in relation to

(i) increasing the number of ADSs approved for the ESPP; or

(ii) decreasing the Purchase Price per ADSs.

Any alterations or amendments of a material nature or any change to the terms of the Purchase Rights granted must be approved by the shareholders of the Company. Any amendment made to the ESPP must be in accordance with the requirements of the Listing Rules or permitted by the Hong Kong Stock Exchange.

If the ESPP is terminated by the Board prior to the tenth anniversary of the Effective Date, unless the Committee has also terminated any Offering Period then in progress, Purchase Rights granted before such termination shall continue to be valid and exercisable in accordance with, and subject to, the terms and conditions of the Plan.

Rule 17.03(9) of the Listing Rules provide that the exercise price of any share Option Schemes operated by listed issuers may not be lower than effectively the market price of our Shares. As a result of the capital intensive nature of our business, we have traditionally relied on share options, rather than cash, as an important means of remunerating our employees. Accordingly, we have applied to and obtained from the Hong Kong Stock Exchange a waiver from strict compliance with Rule 17.03(9) of the Listing Rules such that we are allowed to continue to grant options over our ADSs to our employees under the ESPP at an exercise price which is at a discount (up to 15 per cent. discount) to market price.
