### *Summary of Equity Award Agreements*

The form of Stock Option Award Agreement provides for the award of Stock Options to purchase the Optioned Shares. In general, and except as otherwise provided by the Compensation Committee, one-third (1/3) of the Optioned Shares will vest in a lump sum on each of the first, second, and third anniversaries of the vesting commencement date, subject to the recipient's continued service through each anniversary, and each Stock Option will have a term of ten years from the date of grant. Additionally, the Stock Options expire (1) immediately upon termination of the holder's employment or other association with the Company for cause, (2) one year after the holder's employment or other association is terminated due to death or disability and (3) three months after the holder's employment or other association is terminated for any other reason.

The forms of Restricted Stock Unit Award Agreement referred to herein provide for the award of performance-based RSUs to obtain, for each RSU, a variable number of shares of the Company's Class A Common Stock and time-based RSUs to obtain, for each RSU, one share of the Company's Class A Common Stock. One-third of all time-based RSUs vest in a lump sum on each of the first, second, and third anniversaries of the vesting commencement date, subject to the recipient's continued service through each anniversary. The number of shares received upon vesting of performance-based RSUs is determined based on the attainment of the performance goals, subject to conditions including continued employment throughout the performance period.

The foregoing summary is qualified in its entirety by reference to the form of award agreements filed hereto as Exhibits 10.1, 10.2, and 10.3 and incorporated herein by reference.
