Indenture

On August 20, 2013, PHH Corporation (the *Company*) issued \$350 million aggregate principal amount of 6.375% Senior Notes due 2021 (the *2021 notes*). The 2021 notes were issued under an existing indenture, dated as of January 17, 2012, (the *Base Indenture*), as supplemented by the Third Supplemental Indenture, dated as of August 20, 2013 (the *Third Supplemental Indenture* and, together with the Base Indenture, the *Indenture*), between the Company and The Bank of New York Mellon Trust Company, N.A., as trustee (the *Trustee*). The 2021 notes were issued in a registered offering pursuant to the Company's registration statement on Form S-3 (No. 333-177723) filed with the Securities and Exchange Commission.

The Company is using the net proceeds of the offering of the 2021 notes, together with available cash, to repurchase up to approximately \$350 million outstanding aggregate principal amount of its 9¼% Senior Notes due 2016 (the *2016 notes*) by means of its previously announced tender offer (the *Tender Offer*) and to pay related fees and expenses.

The 2021 notes will mature on August 15, 2021 and bear interest at a rate of 6.375% per annum, payable semi-annually in arrears on February 15 and August 15 of each year, beginning on February 15, 2014.

The 2021 notes are the Company's senior unsecured and unsubordinated obligations and will rank equally in right of payment to all of the Company's existing and future unsecured and unsubordinated indebtedness. Initially, the 2021 notes will not be guaranteed by any of the Company's subsidiaries. The 2021 notes will be effectively subordinated to all of the Company's and its subsidiaries' secured obligations and to any existing and future obligations of the Company's subsidiaries that do not guarantee the 2021 notes.

Each of the following constitutes an event of default under the Indenture: (1) default for a period of 30 days in payment of any interest on the 2021 notes when due; (2) default in payment of principal of (or premium, if any, on) the 2021 notes; (3) failure to make an offer to repurchase the 2021 notes upon a change of control, as defined in the Indenture, and thereafter accept and pay for 2021 notes tendered when and as required pursuant to the Indenture, or to comply with the consolidation, merger or sale of assets covenant described in the Indenture; (4) default in the performance of any other covenant in the Indenture with respect to the 2021 notes for 90 days after written notice to the Company by the Trustee or by the holders of at least 25% in principal amount of the 2021 notes; and (5) certain events of bankruptcy, insolvency or reorganization of the Company or any significant subsidiary. If an event of default with respect to the 2021 notes shall occur and be continuing, the Trustee or the holders of 25% in principal amount of the outstanding 2021 notes may declare the principal and accrued interest of all of the 2021 notes to be due and payable immediately.

Prior to August 15, 2017, the 2021 notes may be redeemed at any time and from time to time, at the option of the Company in whole or in part, at a *make-whole* redemption price specified in the Indenture. On or after August 15, 2017, the 2021 notes may be redeemed at any time and from time to time, at the option of the Company in whole or in part, at certain fixed prices specified in the Indenture.

The 2021 notes will not have the benefit of any sinking fund.

Edgar Filing: PHH CORP - Form 8-K

Not later than 30 days following the occurrence of a change of control, as defined in the Indenture, the Company is required to offer to purchase all outstanding 2021 notes at a purchase price equal to 101% of the principal amount plus accrued and unpaid interest to, but not including, the date of purchase. If holders of not less than 90% in aggregate principal amount of the outstanding 2021 notes validly tender and do not withdraw such notes in a change of control offer, the Company will have the right to redeem all notes that remain outstanding following such purchase at a price in cash equal to 101% of the principal amount thereof plus accrued and unpaid interest to, but not including, the date of redemption.

The Indenture contains covenants that, among other things: (1) require the Company to maintain a debt to tangible equity ratio not greater than 8.5 to 1; (2) limit the Company's ability to pay dividends and make distributions on account of or repurchase, its capital stock; (3) limit the ability of the Company and certain of its subsidiaries to create liens on assets; (4) limit the ability to incur subsidiary debt; and (5) restrict the Company's ability to

consolidate, merge or sell its assets. These covenants are subject to certain significant exceptions and qualifications, and if and for so long as the 2021 notes are rated, by at least two rating agencies, equal to or better than Baa3 from Moody's Investors Service, Inc., BBB- from Standard & Poor's Ratings Services, a division of Standard & Poor's Financial Services, LLC, and BBB- from Fitch, Inc., (1) the obligation to make an offer to repurchase the 2021 notes upon a change of control; (2) the requirement that the Company maintain a debt to tangible equity ratio not greater than 8.5 to 1; and (3) the limitation on the ability to incur subsidiary debt and make payments in respect of capital stock will be suspended.

The foregoing summary of the Indenture is qualified in its entirety by reference to the full text of the Base Indenture, a copy of which is filed as Exhibit 4.1 to the Company's Current Report on Form 8-K filed on January 17, 2012 and is incorporated herein by reference, as supplemented by the Third Supplemental Indenture, a copy of which is filed with this Current Report on Form 8-K (this Form 8-K) as Exhibit 4.2 and is incorporated herein by reference.

Item 8.01. Other Events.

On August 20, 2013, the Company issued a press release announcing the closing of the offering of the 2021 notes and receipt of the requisite consents in the Tender Offer and related consent solicitation pursuant to its Offer to Purchase and Consent Solicitation Statement, dated August 6, 2013 (as amended from time to time, the Statement), to enter into the Second Supplemental Indenture, dated as of August 20, 2013 (the Second Supplemental Indenture), between the Company and the Trustee, to the indenture governing the 2016 notes (as previously amended, the 2016 notes Indenture). The Company also announced that it is extending the Total Consideration (as defined in the Statement) to any holders of the 2016 notes who validly tender their 2016 notes at or prior to 11:59 p.m., New York City time, on September 3, 2013 (the Offer Expiration Date), subject to the proration procedures described in the Statement, in order to provide prospective participants in the Tender Offer additional time to consider tendering their 2016 notes and receive such Total Consideration.

As of 5:00 p.m., New York City time, on August 19, 2013 (the Consent Expiration Date), more than a majority of the outstanding 2016 notes had been tendered.
