This Current Report on Form 8-K/A is being filed as an amendment (this Amendment) to the Current Report on Form 8-K filed by NRG Energy, Inc. (NRG) on October 18, 2013 (the Original Report). The Original Report was filed to report the entry into (1) a Plan Sponsor Agreement, dated October 18, 2013 by and among NRG, NRG Energy Holdings Inc., Edison Mission Energy (EME), certain of EME's debtor subsidiaries, the Official Committee of Unsecured Creditors of EME and its debtor subsidiaries, the PoJo Parties (as defined in the Plan Sponsor Agreement) and certain of EME's noteholders that are signatories to the Plan Sponsor Agreement and (2) an Asset Purchase Agreement, dated October 18, 2013, by and among NRG, EME and NRG Energy Holdings Inc. (the Purchase Agreement, together with the Plan Sponsor Agreement, the Agreements). The sole purpose of this Amendment is to file the Plan Sponsor Agreement and the Purchase Agreement and applicable exhibits thereto as exhibits to the Original Report. Except for the foregoing, this Amendment does not amend, modify or update the disclosures contained in the Original Report. No changes were made to the text of the Original Report.

Important Information Regarding the Agreements

The Agreements and the description of the Agreements and the exhibits included therein contained in the Original Report have been provided in order to give investors and security holders information regarding the terms of the Agreements. They are not intended to provide any factual information about NRG, EME or their respective subsidiaries or affiliates. The representations, warranties and covenants contained in the Agreements (1) were made only for purposes of the Agreements and as of specific dates, (2) were solely for the benefit of the parties to the Agreements and the other persons and entities named as third party beneficiaries of certain covenants therein and (3) may be subject to limitations agreed upon by the parties, including being qualified by confidential disclosures made by each contracting party to the other for purposes of allocating contractual risk between them that differ from those applicable to investors. Investors should not rely on the representations, warranties and covenants or any description thereof as characterization of the actual state of facts or conditions of NRG, EME or any of their respective subsidiaries, affiliates or businesses. Moreover, information concerning the subject matter of the representations, warranties and covenants may change after the date of the Agreements, which subsequent information may or may not be fully reflected in the public disclosures by NRG or EME. Accordingly, investors should read the representations and warranties in the Agreements not in isolation but only in conjunction with the other information about EME or NRG and their respective subsidiaries that the respective companies include in reports, statements and other filings that they make with the Securities and Exchange Commission (the SEC).

NRG filed a registration statement (including a prospectus) with the SEC on October 18, 2013 (333-191797) with respect to the distribution described in the Agreements.
