Announcement from Patti Hart

Executive Communications August 11, 2014

All,

I am pleased to inform you of the completion of one of our first steps toward finalizing our merger agreement transaction with GTECH. Today we have announced that IGT has been granted early termination of our Hart-Scott-Rodino waiting period.

The Hart-Scott-Rodino Antitrust Improvements Act of 1976, commonly known as the HSR Act, is a set of amendments to U.S. antitrust laws that requires parties involved in mergers or acquisitions to receive clearance from federal antitrust authorities.

Edgar Filing: INTERNATIONAL GAME TECHNOLOGY - Form 425

This milestone satisfies one of the conditions required for us to finalize our transaction. Our next steps include approvals by shareholders of IGT and GTECH, as well as clearances from certain foreign antitrust regulators and approvals from gaming authorities.

Today's press release is attached, and we will keep you informed as we continue our progress. Until all conditions have been satisfied and the transaction has closed, we remain an independent company, and we continue with business as usual.

We are one step closer to the future and I appreciate the commitment and support from each of you!!!

Onward-

Patti

IGT Granted Early Termination of Hart-Scott-Rodino Waiting Period for GTECH Merger Agreement

LAS VEGAS Aug. 11, 2014 Global casino gaming entertainment leader IGT (NYSE: IGT) announced that it received early termination of the required waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976 (HSR) with respect to the Company's previously announced acquisition by GTECH S.p.A.

On July 16, IGT announced that it had entered into a definitive merger agreement with GTECH S.p.A. for the acquisition of IGT by GTECH for \$6.4 billion, comprised of \$4.7 billion in cash and stock and the assumption of \$1.7 billion in net debt. Under the terms of the transaction, IGT and GTECH would combine under a newly formed holding company organized in the United Kingdom (NewCo).

Termination of the HSR Act waiting period satisfies one of the conditions required to finalize the acquisition. The transaction is subject to additional conditions, including the receipt of foreign antitrust clearances, required gaming approvals and approval by the IGT and GTECH shareholders. The transaction is currently expected to be completed in the first or second quarter of 2015.
