ABOUT VENTAS, INC.

Ventas, an S&P 500 company, is a real estate investment trust (REIT) with a highly diversified portfolio of seniors housing and healthcare properties located throughout the United States, Canada and the United Kingdom. As of September 30, 2014, we owned more than 1,500 properties (including properties classified as held for sale), including seniors housing communities, medical office buildings (MOBs), skilled nursing and other facilities, and hospitals, and we had two new properties under development. Our company is currently headquartered in Chicago, Illinois.

We primarily acquire and own seniors housing and healthcare properties and lease them to unaffiliated tenants or operate them through independent third-party managers. As of September 30, 2014, we leased a total of 907 properties (excluding MOBs and properties classified as held for sale) to various healthcare operating companies under triple-net or absolute-net leases that obligate the tenants to pay all property-related expenses, including maintenance, utilities, repairs, taxes, insurance and capital expenditures, and we engaged independent operators, such as Atria Senior Living, Inc. (Atria) and Sunrise Senior Living, LLC (together with its subsidiaries, Sunrise), to manage a total of 270 of our seniors housing communities (excluding properties classified as held for sale) pursuant to long-term management agreements. Our two largest tenants, Brookdale Senior Living Inc. (together with its subsidiaries, Brookdale Senior Living) and Kindred Healthcare, Inc. (together with its subsidiaries, Kindred) leased from us 161 properties (excluding six properties included in investments in unconsolidated entities) and 86 properties, respectively, as of September 30, 2014.

Through our Lillibridge Healthcare Services, Inc. (Lillibridge) subsidiary and our ownership interest in PMB Real Estate Services LLC (PMBRES), we also provide MOB management, leasing, marketing, facility development and advisory services to highly rated hospitals and health systems throughout the United States. In addition, from time to time, we make secured and unsecured loans and other investments relating to seniors housing and healthcare operators or properties.

We were incorporated in Kentucky in 1983, commenced operations in 1985 and reorganized as a Delaware corporation in 1987. We operate through three reportable business segments: triple-net leased properties, senior living operations and MOB operations. For additional information, see our Consolidated Financial Statements and the related notes, including Note 2 Accounting Policies, included in Part II, Item 8 of our Annual Report on Form 10-K for the year ended December 31, 2013, filed with the SEC on February 18, 2014, as amended by Amendment No. 1 to our Annual Report on Form 10-K/A, filed with the SEC on September 4, 2014 (as so amended, the 2013 Form 10-K).

We aim to enhance shareholder value by delivering consistent, superior total returns through a strategy of: (1) generating reliable and growing cash flows; (2) maintaining a balanced, diversified portfolio of high-quality assets; and (3) preserving our financial strength, flexibility and liquidity.

Our principal executive offices are located at 353 North Clark Street, Suite 3300, Chicago, Illinois, 60654, and our telephone number is (877) 483-6827. We maintain a website on the Internet at <http://www.ventasreit.com>. Jensen Transaction

Edgar Filing: VENTAS INC - Form S-3ASR

On November 14, 2014, we acquired all of the outstanding shares of Jensen Construction Management, Inc. (Jensen Construction), a California corporation, from Sarah M. Jensen in exchange for the issuance of 92,993 shares of our common stock (having a value of approximately \$6.4 million based on the closing price of our common stock on November 14, 2014) to Sarah M. Jensen (the Jensen Transaction). As a result of the Jensen Transaction, Jensen Construction became an indirect wholly owned subsidiary of Ventas.

In connection with the Jensen Transaction, we entered into waiver and release agreements with two Jensen Construction employees, Frances Ridlehoover and Thomas Yang, pursuant to which we agreed to issue 53,469 and 1,779 shares of our common stock to Ridlehoover and Yang, respectively, in exchange for, and in full satisfaction of, any right, interest, ownership or claim that Ridlehoover or Yang may have with respect to any interest in, or securities or assets of, Jensen Construction.

Table of Contents

RISK FACTORS

Before you invest in shares of our common stock, you should carefully consider the risks involved. These risks include, but are not limited to:

- the risks described below;
- the risks described in our 2013 Form 10-K and our Quarterly Reports on Form 10-Q for the quarters ended March 31, 2014 (as amended by Amendment No. 1 to our Quarterly Report on Form 10-Q/A), June 30, 2014 and September 30, 2014, which are incorporated by reference in this prospectus; and
- any risks that may be described in other filings we make with the SEC that are deemed to be incorporated by reference in this prospectus.

Risks Relating to Our Common Stock

If our stock price is volatile, purchasers of our common stock could incur substantial losses.

Although our common stock is listed on the New York Stock Exchange, such listing does not provide any assurance that an active public market for the common stock will be sustained. We cannot predict the effect, if any, that future market sales of our common stock or the availability of our common stock for sale may have on the prevailing market price of the common stock. In addition, the stock market in recent years has experienced price and volume fluctuations that often have been unrelated or disproportionate to the operating performance of companies. These fluctuations, as well as general economic and market conditions, may adversely affect the market price of our common stock.

If there are sales of substantial amounts of our common stock in the future, the price of our common stock could decline.

As of November 30, 2014, we had 294,575,265 shares of our common stock outstanding. Except for shares held by our affiliates, all of our outstanding shares of common stock are available for immediate sale. Sales of substantial amounts of our common stock, or the perception that such sales could occur, could adversely affect prevailing market prices of the common stock.

Additional issuances of equity securities by us would dilute the ownership of our existing stockholders.

Edgar Filing: VENTAS INC - Form S-3ASR

We may issue equity in the future in connection with acquisitions or strategic transactions, including our pending acquisition of American Realty Capital Healthcare Trust, Inc. (HCT), to adjust our ratio of debt to equity, including through repayment of outstanding debt, to fund expansion of our operations or for other purposes. We may issue shares of our common stock at prices or for consideration that is greater or less than the price at which the shares of common stock are being offered by this prospectus. To the extent we issue additional equity securities, your percentage ownership of our common stock would be reduced.

CAUTIONARY NOTE CONCERNING FORWARD-LOOKING STATEMENTS

This prospectus and the documents incorporated by reference herein include forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended (the Securities Act), and Section 21E of the Securities Exchange Act of 1934, as amended (the Exchange Act). These forward-looking statements are inherently uncertain, and actual results may differ from our expectations. We do not undertake a duty to update these forward-looking statements, which speak only as of the date on which they are made.

Our actual future results and trends may differ materially from expectations depending on a variety of factors discussed in our filings with the SEC. These factors include without limitation:

- Macroeconomic conditions such as a disruption of or lack of access to the capital markets, changes in the debt rating on U.S. government securities, default or delay in payment by the United States of its obligations, and changes in the federal or state budgets resulting in the reduction or nonpayment of Medicare or Medicaid reimbursement rates;
- The nature and extent of future competition, including new construction in the markets in which our seniors housing communities and medical office buildings (MOBs) are located;

Edgar Filing: VENTAS INC - Form S-3ASR

- The extent of future or pending healthcare reform and regulation, including cost containment measures and changes in reimbursement policies, procedures and rates;
- Increases in our borrowing costs as a result of changes in interest rates and other factors;
- The ability of our operators and managers, as applicable, to comply with laws, rules and regulations in the operation of our properties, to deliver high quality services, to attract and retain qualified personnel and to attract residents and patients;

- Our ability to pay down, refinance, restructure or extend our indebtedness as it becomes due;
- Our ability and willingness to maintain our qualification as a REIT in light of economic, market, legal, tax and other considerations;
- Final determination of our taxable net income for the year ending December 31, 2014;
- The ability and willingness of our tenants to renew their leases with us upon expiration of the leases, our ability to reposition our properties on the same or better terms in the event of nonrenewal or in the event we exercise our right to replace an existing tenant or manager, and obligations, including

indemnification obligations, we may incur in connection with the replacement of an existing tenant or manager;

- Risks associated with our senior living operating portfolio, such as factors that can cause volatility in our operating income and earnings generated by those properties, including without limitation national and regional economic conditions, costs of food, materials, energy, labor and services, employee benefit costs, insurance costs and professional and general liability claims, and the timely delivery of accurate property-level financial results for those properties;

- Changes in exchange rates for any foreign currency in which we may, from time to time, conduct business;

- Year-over-year changes in the Consumer Price Index or the UK Retail Price Index and the effect of those changes on the rent escalators contained in our leases and our earnings;

- Our ability and the ability of our tenants, operators, borrowers and managers to obtain and maintain adequate property, liability and other insurance from reputable, financially stable providers;

- The impact of increased operating costs and uninsured professional liability claims on our liquidity, financial condition and results of operations or that of our tenants, operators, borrowers and managers and our ability and the ability of our tenants, operators, borrowers and managers to accurately estimate the magnitude of those claims;

- Risks associated with our MOB portfolio and operations, including our ability to successfully design, develop and manage MOBs, to accurately estimate our costs in fixed fee-for-service projects and to retain key personnel;

- The ability of the hospitals on or near whose campuses our MOBs are located and their affiliated health systems to remain competitive and financially viable and to attract physicians and physician groups;

- Our ability to build, maintain and expand our relationships with existing and prospective hospital and health system clients;

- Risks associated with our investments in joint ventures and unconsolidated entities, including our lack of sole decision-making authority and our reliance on our joint venture partners' financial condition;

Edgar Filing: VENTAS INC - Form S-3ASR

- The impact of market or issuer events on the liquidity or value of our investments in marketable securities;
- Merger and acquisition activity in the healthcare and seniors housing industries resulting in a change of control of, or a competitor's investment in, one or more of our tenants, operators, borrowers or managers or significant changes in the senior management of our tenants, operators, borrowers or managers;
- The impact of litigation or any financial, accounting, legal or regulatory issues that may affect us or our tenants, operators, borrowers or managers;
- Changes in accounting principles, or their application or interpretation, and our ability to make estimates and the assumptions underlying the estimates, which could have an effect on our earnings; and
- The impact of expenses related to the re-audit and re-review of our historical financial statements and related matters.

We describe some of these risks and uncertainties in greater detail above under **Risk Factors** and in the risk factors that are incorporated or deemed to be incorporated by reference in this prospectus. Many of these factors are beyond our control and the control of our management.

PLAN OF DISTRIBUTION

Sales of shares of our common stock by the selling stockholders named in this prospectus may be made from time to time in one or more transactions, on the New York Stock Exchange, in the over-the-counter market or any other exchange or quotation system on which shares of our common stock may be listed or quoted, in negotiated transactions or in a combination of any such methods of sale, at fixed prices that may be changed, at market prices prevailing at the time of sale, at prices related to such prevailing market prices or at negotiated prices. The shares may be offered directly, to or through agents designated from time to time or to or through brokers or dealers, or through any combination of these methods of sale. The methods by which the shares may be sold include:

- a block trade (which may involve crosses) in which the broker or dealer will attempt to sell the securities as agent but may position and resell a portion of the block as principal to facilitate the transaction;
- purchases by a broker or dealer as principal and resales by the broker or dealer for its own account pursuant to this prospectus;
- exchange distributions or secondary distributions in accordance with the rules of the New York Stock Exchange;
- ordinary brokerage transactions and transactions in which the broker solicits purchasers;
- privately negotiated transactions;
- a combination of any of the foregoing methods of sale; and
- any other method permitted pursuant to applicable law.

An agent, broker or dealer may receive compensation in the form of discounts, concessions or commissions from the selling stockholders or the purchasers of the shares for whom such brokers or dealers may act as agents or to whom they sell as principals, or both (which compensation as to a particular broker or dealer might be in excess of customary commissions). A member firm of an exchange on which our common stock is traded may be engaged to act as a selling stockholder's agent in the sale of shares by the selling stockholders.

Edgar Filing: VENTAS INC - Form S-3ASR

Subject to the following paragraph, in connection with distributions of the shares of our common stock offered by this prospectus or otherwise, the selling stockholders may enter into hedging transactions with brokers or dealers or other financial institutions with respect to our common stock. In connection with these transactions, the brokers or dealers or other financial institutions may engage in short sales of our common stock in the course of hedging the positions they assume with the selling stockholders. Such hedging transactions may require or permit the selling stockholders to deliver the shares to such brokers or dealers or other financial institutions to settle the hedging transactions. The selling stockholders may also sell our common stock short and deliver the shares to close out those short positions. If so required by applicable law, this prospectus, as amended or supplemented, may be used to effect:

- the short sales of our common stock referred to above;
- the sale or other disposition by the brokers or dealers or other financial institutions of any shares they receive pursuant to the hedging transactions referred to above; or
- the delivery by the selling stockholders of shares to close out short positions.

In addition, any shares of our common stock covered by this prospectus that qualify for sale pursuant to Rule 144 of the Securities Act may be sold under Rule 144 rather than pursuant to this prospectus.

The selling stockholders may transfer, pledge or loan the shares to a transferee, pledgee, donee or successor that, in turn, may sell the shares. In those circumstances, the transferee, pledgee, donee or successor would become a selling stockholder under this prospectus and, if required under the Securities Act, will be identified in a prospectus supplement or in a post-effective amendment to the registration statement of which this prospectus is a part prior to making an offer or sale under this prospectus. The selling stockholders may also enter into option or other transactions with broker-dealers or other financial institutions that require the delivery of shares of our common stock, which the broker-dealer or other financial institution may then resell pursuant to this prospectus.

Table of Contents

Each broker-dealer that receives our common stock for its own account pursuant to this prospectus must acknowledge that it will deliver the prospectus in connection with any sale of our common stock. If required, this prospectus may be amended or supplemented on a continual basis to describe a specific plan of distribution.

The selling stockholders and any other person participating in such distribution will be subject to certain provisions of the Exchange Act. The Exchange Act rules include, without limitation, Regulation M, which may limit the timing of purchases and sales of any of our common stock by the selling stockholders and any other such person. In addition, Regulation M of the Exchange Act may restrict the ability of any person engaged in the distribution of our common stock to engage in market-making activities with respect to the common stock. In addition, the anti-manipulation rules under the Exchange Act may apply to sales of the securities in the market. All of the foregoing may affect the marketability of the securities and the ability of any person to engage in market-making activities with respect to the securities.

The selling stockholders and any brokers, dealers, agents or others that participate with the selling stockholders in the distribution of the shares offered by this prospectus may be deemed to be underwriters within the meaning of the Securities Act, and any underwriting discounts, commissions or fees received by such persons and any profit on the resale of the shares purchased by such persons may be deemed to be underwriting commissions or discounts under the Securities Act.

There can be no assurance that the selling stockholders will sell any or all of the shares offered hereby.

We will bear all fees and expenses of registration of the shares offered by this prospectus, other than any underwriting fees, discounts, commissions and related expenses attributable to the sale of shares offered hereby (including the fees and expenses of any underwriters and such underwriters' counsel). The fees and expenses of registration to be borne by us referred to in the foregoing sentence shall include, without limitation, printing expenses, reasonable fees and expenses of one counsel to the selling stockholders and fees and expenses of all other persons retained by us in connection with the consummation of the transactions hereby. We estimate that the total expenses of this offering payable by us will be \$90,000.

Item 15. Indemnification of Directors and Officers

Section 145 of the Delaware General Corporation Law (the "DGCL") empowers us to, and Article VII of our Amended and Restated Certificate of Incorporation, as amended (the "Certificate"), provides that we will, indemnify any person who was or is made a party or is threatened to be made a party or is involved in any action, suit or proceeding, whether civil, criminal, administrative or investigative (a "Proceeding"), because he or she is or was one of our directors or officers, or is or was serving at our request as a director, officer, employee, trustee or agent of another corporation, partnership, joint venture, trust or other enterprise, against all expenses, liabilities and loss (including attorneys' fees, judgments, fines, ERISA excise taxes or penalties and amounts paid or to be paid in settlement) actually and reasonably incurred or suffered by him or her in connection with such Proceeding. We may provide by action of our Board of Directors through agreement, resolution or by a provision in our Fourth Amended and Restated Bylaws, indemnification of our employees and agents with substantially the same scope and effect as the indemnification provided in Article VII of the Certificate.

Expenses incurred by such a person in his or her capacity as one of our directors or officers (and not in any other capacity in which service was or is rendered by such person while a director or officer) in defending a Proceeding may be paid by us in advance of the final disposition of such Proceeding as authorized by our Board of Directors in a specific case upon receipt of an undertaking by or on behalf of that person to repay such amounts unless it is ultimately determined that such person is entitled to be indemnified by us as authorized by the DGCL. Expenses incurred by a person in any capacity other than as one of our officers or directors may be paid in advance of the final disposition of a Proceeding on such terms and conditions, if any, as our Board of Directors deems appropriate.

Pursuant to Section 102(b)(7) of the DGCL, the Certificate eliminates certain liability of our directors for breach of their fiduciary duty of care. Article VI of the Certificate provides that neither we nor our stockholders may recover monetary damages from our directors for breach of the duty of care in the performance of their duties as our directors. Article VI does not, however, eliminate the liability of our directors (i) for a breach of the director's duty of loyalty, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation

of law, (iii) under Section 174 of the DGCL (relating to unlawful distributions), or (iv) for any improper personal benefit.

The indemnification provided for by Article VII of the Certificate is a contract right and continues as to persons who cease to be directors, officers, employees or agents and inures to the benefit of the heirs, executors and administrators of such persons. No amendment to the Certificate or repeal of any article thereof increases the liability of any of our directors or officers for acts or omissions of such persons occurring prior to such amendment or repeal.

The right to indemnification conferred by Article VII of the Certificate is not exclusive of any other rights to which those seeking indemnification may be entitled under any by-law, agreement, vote of stockholders or

disinterested directors or otherwise, both as to actions taken in his or her official capacity and in any other capacity while holding such office.

We may purchase and maintain insurance on behalf of any person who is or was one of our directors, officers, employees or agents, or is or was serving at our request as a director, trustee, officer, partner, employee, or agent of another domestic or foreign corporation, partnership, joint venture, trust or other enterprise, against any liability asserted against him or her and incurred by him or her in such capacity or arising out of his or her status as such, whether or not we would have the power or be obligated to indemnify him or her against such liability under the provisions of Article VII of the Certificate or the DGCL.

We currently have in effect directors and officers liability insurance policies. These policies cover any negligent act, error or omission of a director or officer, subject to certain exclusions and limitations.

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Securities and Exchange Commission (the Commission) pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that the undertakings set forth in paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) of this section do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 (the Exchange Act) that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement;

(2) that, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof;

(3) to remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering;

(4) that, for the purpose of determining liability under the Securities Act to any purchaser:

(i) each prospectus filed by the Registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date; and

(5) that, for the purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this registration statement shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(b) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate

jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
