The Employment Agreement provides for two-year non-competition and non-solicitation covenants (each of which may be extended in some circumstances when severance payments to be made reflect a longer severance period) in addition to confidentiality and non-disclosure covenants and a mutual non-disparagement covenant, as well as a clawback provision applicable to incentive compensation within the meaning of the Dodd-Frank Wall Street Reform and Consumer Protection Act or any rules or regulations promulgated thereunder, including any applicable stock exchange rules. The Company also agreed that the indemnification agreement with Ms. Puckett, in the form of the Company's standard executive and officer indemnification agreement, will continue in full force and effect.

Executive Severance Policy

As provided in the Employment Agreement, the Company has designated Ms. Puckett as a beneficiary of the Company's Executive Severance Policy as filed on January 30, 2015 as Exhibit 10.1 to Form 8-K, and as may be amended by the Company from time to time (the "Severance Policy"). Under the Severance Policy, Ms. Puckett will receive certain benefits in the event she is terminated without cause (as defined in the Severance Policy). In addition, Ms. Puckett also will be eligible for the compensation and benefits payable under the Severance Policy in the event she terminates her employment for good reason (as defined in the Employment Agreement). Benefits under the Severance Policy include a severance payment equal to her then-current base salary for two years. Also, subject to certain conditions, through the earlier to occur of (i) the eligibility of Ms. Puckett to participate in another employer's group health plan or (ii) the end of the two-year severance period, the Company will pay for a substantial portion of a Ms. Puckett's health continuation coverage elected under and in accordance with the Consolidated Omnibus Budget Reconciliation Act of 1985 ("COBRA"). As a condition precedent to the obligation of the Company to provide the benefits to Ms. Puckett, she must first execute and deliver an effective and irrevocable termination agreement that shall include certain terms and conditions, including the following: (i) a general waiver and release of all claims against the Company and its affiliates and (ii) ratification and confirmation of protective covenants set forth in the Employment Agreement.

Change in Control Severance Agreement

Further pursuant to the Employment Agreement, the Company and Ms. Puckett have entered into a change in control severance agreement substantially in the form of the Company's change in control severance agreement filed on March 19, 2015 as Exhibit 10.1 to Form 8-K (the "Change in Control Severance Agreement"). Under the Change in Control Severance Agreement, Ms. Puckett shall receive certain compensation and benefits in the event she is terminated without cause within two years after a change in control or one year before a change in control (but after the commencement of change in control discussions), or she terminates for good reason within two years after a change in control (as all such terms are defined in the Change in Control Severance Agreement). In the event of such a termination, (i) Ms. Puckett shall be entitled to receive three times the sum of her annual base salary (as in effect before the change in control or upon termination, whichever is larger) and her target bonus or target incentive compensation (for the year of the change in control or the year of termination, whichever is larger); (ii) all of her equity awards will vest and become fully exercisable (at 100% of target in the case of performance-based awards) or she will receive the cash value of her equity awards forfeited upon termination if she had a qualifying termination prior to the change in control; and (iii) a payment equivalent to Ms. Puckett's cost of continuation coverage under COBRA for a period of 24 months, as well as a tax gross up on that payment. Compensation and benefits under the Change in Control Severance Agreement are offset to the extent Ms. Puckett terminated prior to the change in control and already received Company severance.

benefits prior to becoming entitled to compensation and benefits under the Change in Control Severance Agreement. These payments and benefits under the Change in Control Severance Agreement are contingent on Ms. Puckett's delivery of an irrevocable release of the Company and affiliated parties from any and all known and unknown claims and from any and all causes of action of any kind. The Change in Control Severance Agreement also provides that equity awards not assumed or replaced after a change in control will vest and become fully exercisable. If any amounts that become payable to Ms. Puckett under the Change in Control Severance Agreement would constitute parachute payments under Section 280G of the Internal Revenue Code, then Ms. Puckett will either receive the full amount of the payments due or an amount of those payments that would not exceed 2.99 times her base amount within the meaning of Section 280G of the Internal Revenue Code, whichever would yield the greatest net after-tax amount.

Equity Awards

Ms. Puckett also will be granted the following equity awards on September 17, 2015 which are inducement awards approved by the Board pursuant to the award agreements filed herewith: (i) a non-qualified stock option award with the number of shares subject to the option determined by dividing the per share Black-Scholes value of a Company non-qualified stock option as of the grant date by \$575,000 and an exercise price equal to the closing market price per share of the Company's common stock on the grant date, which option shall vest in four equal installments on the first four anniversaries of the grant date and expire on the tenth anniversary of the grant date, but which also vests in full in the event of death or disability (as defined in the Employment Agreement) prior to termination or pursuant to the Change in Control Agreement, or vests as if she terminated after the next anniversary of the grant date following her termination without cause (as defined in the Severance Policy) or for good reason (as defined in the Employment Agreement); (ii) an award of shares of restricted common stock of the Company for which she will be entitled to receive dividends as declared by the Board, with the number of shares determined by dividing \$805,000 by the closing price of the Company's common stock on the grant date and which vest in three equal installments on the first three anniversaries of the grant date, but which also vests in full in the event of death or Disability (as defined in the Employment Agreement) prior to termination or pursuant to the Change in Control Agreement, or vests as if she terminated after the next anniversary of the grant date following her termination without cause (as defined in the Severance Policy) or for good reason (as defined in the Employment Agreement); and (iii) a performance unit award, with the maximum number of units determined by dividing \$920,000 by the per share value of a Company performance unit on the grant date discounting the net present value of expected dividends during the term of the award, which award shall vest on March 15, 2019 to the extent that the Company meets the performance criteria of total shareholder return relative to the S&P Small Cap 600 (with 25% of the maximum number of units vesting at 50% of target performance (25th percentile versus the S&P Small Cap 600 benchmark), 50% of the maximum number of units vesting at 100% of target performance (50th percentile versus the S&P Small Cap 600 benchmark), and 100% of the maximum number of units vesting at 200% of target performance (75th percentile versus the S&P Small Cap 600 benchmark) and applying linear interpolation between levels), or pursuant to the Change in Control Agreement.

As previously disclosed in the Company's 2014 and 2015 proxy statements, CenturyLink is both a client and a vendor of the Company. In 2014, CenturyLink purchased or licensed approximately \$720,000 of software, data and services from the Company's Trillium Software and Customer Interaction Divisions, and the Company purchased approximately \$840,000 of

telecommunications services from CenturyLink, all in the ordinary course of business. Ms. Puckett was not compensated directly or indirectly as a result of these transactions other than that the Company's payments to CenturyLink add to the overall revenue of CenturyLink. Moreover, Ms. Puckett did not actively participate in negotiating or consummating the terms of the applicable transactions between the Company and CenturyLink and did not have any direct or indirect material interest in such transactions. There are no transactions in which Ms. Puckett has an interest requiring disclosure under Item 404(a) of Regulation S-K.

There are no other arrangements or understandings between Ms. Puckett and any other person pursuant to which she was selected as an officer or director. Ms. Puckett does not have any family relationship with any director or executive officer of the Company or any person nominated or chosen by the Company to become a director or executive officer.

The foregoing descriptions of the Employment Agreement, the Severance Policy, the Change in Control Severance Agreement, and the equity awards do not purport to be complete descriptions and are qualified in their entirety by reference to the full text of the agreements filed as an exhibit to this Form 8-K, the Company's Executive Severance Policy as filed on January 30, 2015 as Exhibit 10.1 to Form 8-K and the form of the Company's change in control severance agreement filed on March 19, 2015 as Exhibit 10.1 to Form 8-K, each as incorporated by reference in this Item 5.02.
