## Edgar Filing: BLACK HILLS CORP /SD/ - Form 8-K

The Common Shares and the Corporate Units have been issued pursuant to the Company's Registration Statement on Form S-3 (Registration No. 333-197895) (as amended, the Registration Statement ), which became effective upon filing with the Securities and Exchange Commission, and the related Prospectus dated November 16, 2015 and Prospectus Supplements, each dated November 17, 2015. Copies of the Underwriting Agreements and opinions related to the Common Stock and the Corporate Units are attached hereto as exhibits and are expressly incorporated by reference herein and into the Registration Statement. The foregoing descriptions of the terms of the Underwriting Agreements are qualified in their entirety by reference to the actual terms of the applicable exhibits attached hereto.

### *Terms of Equity Units and Junior Subordinated Notes*

Each Corporate Unit has a stated amount of \$50 and is comprised of (i) a purchase contract obligating the holder to purchase from the Company for a price in cash of \$50, on the purchase contract

settlement date, or November 1, 2018, subject to earlier termination or settlement, a certain number of shares of Common Stock; and (ii) a 1/20, or 5%, undivided beneficial ownership interest in \$1,000 principal amount of the Company's 2015 Series A 3.50% Remarketable Junior Subordinated Notes due 2028 (the "Notes"). In addition to interest payable under the Notes, holders of the Corporate Units will be entitled to receive quarterly contract adjustment payments at a rate of 4.25% per year on the stated amount of \$50 per Corporate Unit, subject to the Company's right to defer such contract adjustment payments.

The Corporate Units are being issued pursuant to the Purchase Contract and Pledge Agreement dated as of November 23, 2015 (the "Purchase Contract and Pledge Agreement") between the Company and U.S. Bank National Association, as purchase contract agent, collateral agent, custodial agent and securities intermediary.

The Notes are being issued pursuant to the Junior Subordinated Indenture dated as of November 23, 2015 between the Company and U.S. Bank National Association, as trustee (the "Trustee"), as supplemented by the First Supplemental Indenture dated as of November 23, 2015 (as supplemented, the "Indenture"). The Notes bear interest at the applicable rate per annum listed in the description of the Notes above, payable quarterly in arrears on February 1, May 1, August 1 and November 1 of each year, beginning on February 1, 2016, subject to the Company's right to defer such interest payments. The Notes are the unsecured and subordinated obligations of the Company and will rank junior in payment to all of our existing and future priority indebtedness, as defined in the Indenture. The Indenture provides for customary events of default (subject in certain cases to customary grace and cure periods), which include among other things nonpayment, breach of covenants in the Indenture and certain events of bankruptcy and insolvency. If an event of default occurs and is continuing, the Trustee or holders of at least 25% in principal amount outstanding of the Notes may declare the principal and the accrued and unpaid interest, if any, on all of the Notes to be due and payable. These events of default are subject to a number of important qualifications, limitations and exceptions that are described in the Indenture.

Under the terms of the Purchase Contract and Pledge Agreement, the Notes are being pledged as collateral to secure the holders' obligation to purchase the shares of Common Stock under the related purchase contracts that form a part of the Corporate Units. A holder of Corporate Units, at its option, may elect to create "Treasury Units" by substituting pledged U.S. Treasury securities for any pledged ownership interests in the Notes. The Notes will be remarketed, subject to certain terms and conditions, prior to the purchase contract settlement date pursuant to the terms of the Purchase Contract and Pledge Agreement and a remarketing agreement to be executed in the future. Following any successful remarketing of the Notes, as contemplated by the Indenture and the Purchase Contract and Pledge Agreement, the interest rate on the Notes may be reset, interest will be payable semi-annually in arrears on May 1 and November 1, and the Company will no longer have the right to defer interest on the Notes.

Copies of the Purchase Contract and Pledge Agreement, the Indenture, the form of remarketing agreement, the form of Corporate Units, the form of Treasury Units and the form of Note are attached hereto as exhibits and are expressly incorporated by reference herein and into the Registration Statement. The foregoing descriptions are qualified in their entirety by reference to the actual terms of the exhibits attached hereto.

#### ***Automatic Reduction of Bridge Facility Commitments***

The net proceeds from the offerings of Common Stock and Corporate Units constitute "Net Cash Proceeds" arising from "Equity Issuances," each as defined in the existing Bridge Term Loan Agreement dated as of August 6, 2015 among the Company, as Borrower, the financial institutions from time to time party thereto, as Banks, and Credit Suisse AG, Cayman Islands Branch, as Administrative Agent (the "Bridge Facility"). As a result, the commitments of the Banks under our Bridge Facility, originally \$1.17 billion, have been automatically reduced by the amount of the net proceeds from these offerings.
