Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The disclosure under Item 8.01 of this Current Report on Form 8-K is incorporated herein by reference.

Item 8.01 Other Events.

Completion of Debt Offering

On August 19, 2016, Black Hills Corporation (the "Company") issued (i) an aggregate principal amount of \$400,000,000 million of its 3.150% Notes due 2027 (the "2027 Notes") and (ii) an aggregate principal amount of \$300,000,000 million of its 4.200% Notes due 2046 (the "2046 Notes") and together with the 2027 Notes, the "Notes"). The Notes were issued and sold pursuant to the previously disclosed Underwriting Agreement entered into on August 10, 2016 by the Company and the several underwriters named in Schedule A thereto (the "Underwriting Agreement").

The Notes were offered pursuant to the Company's Registration Statement on Form S-3 (Registration No. 333-197895) (as amended, the "Registration Statement"), which became effective upon filing with the Securities and Exchange Commission, and the related Prospectus dated August 6, 2014 and Prospectus Supplement dated August 10, 2016. Copies of opinions related to the Notes are attached hereto as exhibits and are expressly incorporated by reference herein and into the Registration Statement.

Terms of the Notes

The Notes were issued pursuant to the Indenture dated as of May 21, 2003 between the Company and Wells Fargo Bank, National Association (as successor to LaSalle Bank National Association), as trustee (the "Trustee"), as previously supplemented and as further supplemented by a Sixth Supplemental Indenture entered into by the Company on August 19, 2016 (as supplemented, the "Indenture"). The Notes bear interest at the applicable rate per annum listed in the description of the Notes above, payable semi-annually in arrears (i) on January 15 and July 15 of each year, beginning on January 15, 2017, for the 2027 Notes and (ii) on March 15 and September 15 of each year, beginning March 15, 2017, for the 2046 Notes. The stated maturity for the 2027 Notes is January 15, 2027 and for the 2046 Notes is September 15, 2046. The Notes are the unsecured senior obligations of the Company and will rank equally with all of our existing and future unsecured and unsubordinated indebtedness and senior to all of our existing and future subordinated indebtedness.

Edgar Filing: BLACK HILLS CORP /SD/ - Form 8-K

The Indenture provides for customary events of default (subject in certain cases to customary grace and cure periods), which include among other things nonpayment, breach of covenants in the Indenture and certain events of bankruptcy and insolvency. If an event of default occurs and is continuing with respect to a series of Notes, the Trustee or holders of at least 25% in principal amount outstanding of such series of Notes may declare the principal and the accrued and unpaid interest, if any, on all of the outstanding Notes of such series to be due and payable. These events of default are subject to a number of important qualifications, limitations and exceptions that are described in the Indenture.

Copies of the Sixth Supplemental Indenture and the forms of the Notes are attached hereto as exhibits and are expressly incorporated by reference herein and into the Registration Statement. The foregoing descriptions are qualified in their entirety by reference to the actual terms of the applicable exhibit attached hereto.

Item 9.01 Financial Statements and Exhibits.

(d) Exhibits
