**Nokia Announces Early Results for its Offer to Purchase and Pricing of its New Euro-Denominated Notes**

**Espoo, Finland** Nokia Corporation ( **Nokia** ) announces the early results of its offers to purchase Euro Notes and Dollar Notes and the pricing for each series of Dollar Notes (each as defined below) for its previously announced tender offers (the **Tender Offers** ) to purchase for cash up to a Maximum Acceptance Amount of: (i) the EUR 500,000,000 6.75% notes due February 4, 2019 issued under its Euro Medium Term Note Programme (the **Euro Notes** ); (ii) the USD 300,000,000 6.50% Debentures due January 15, 2028 (the **2028 Notes** ); and (iii) the USD 1,360,000,000 6.45% Debentures due March 15, 2029 (the **2029 Notes** and, together with the 2028 Notes, the **Dollar Notes** , and together with the Euro Notes, the **Notes** ). The Dollar Notes were issued by Lucent Technologies Inc. (the predecessor to Alcatel-Lucent USA Inc., Nokia's wholly-owned subsidiary (the **USD Notes Company** )). The Tender Offers are being made on the terms and subject to the conditions set out in the offer to purchase dated February 22, 2017 (the **Offer to Purchase** ). Capitalized terms not defined herein have the meaning ascribed to them in the Offer to Purchase.

On February 22, 2017, Nokia announced its intention to issue new euro-denominated fixed-rate notes to non-U.S. persons outside the United States. On March 6, 2017, Nokia priced its EUR 500 million 1.00% Senior Notes due 2021 and EUR 750 million 2.00% Senior Notes due 2024 issued under its 5,000,000,000 Euro Medium Term Note Programme (the **New Notes** ). Application will be made for the New Notes to be admitted to listing and trading on the Irish Stock Exchange. The New Notes are expected to settle on or around March 15, 2017.

Nokia intends to use the proceeds of the New Notes to fund the Tender Offer for the Euro Notes, with the remaining proceeds used to fund the Tender Offers for the Dollar Notes on a *pro rata* basis. This stock exchange release does not constitute an offer to sell or a solicitation of an offer to buy the New Notes, and the New Notes will not be registered under the U.S. Securities Act of 1933 (the **Act** ), as amended. The New Notes may not be offered or sold in the United States absent an exemption from the registration requirements under the Act.

**Early Tender Results**

As of 5:00 p.m. (New York time), on March 7, 2017 (the **Early Tender Date** ), according to information provided by Lucid Issuer Services Limited (the **Tender Agent** ), the aggregate principal amounts of the Euro Notes and the Dollar Notes listed in the table below have been validly tendered and not validly withdrawn in the Tender Offers.

(1) The purchase price calculated from the applicable Fixed Yield or Fixed Spread includes the Early Tender Payment. The Late Consideration for each series of Notes will deduct the Early Tender Payment from the purchase price calculated from the applicable Fixed Spread or Fixed Yield.

The principal amount of each series of Notes listed in the table above that is ultimately accepted for purchase will be determined in accordance with the Maximum Acceptance Amount (as defined below) and the Acceptance Priority Levels set forth in the table above, as described in the Offer to Purchase.

Withdrawal rights for the Tender Offers expired on the Early Tender Date. As a result, tendered Notes may no longer be withdrawn, except as required by law.

The Tender Offers will expire at 11:59 p.m. (New York time) on March 21, 2017 (the **Expiration Date** ). Nokia reserves the right, subject to applicable law, at any time, for any reason, to extend the Expiration Date. Any such extension will be announced in the manner described in the Offer to Purchase.

The Tender Offers are expected to be settled on March 23, 2017 or as soon as practicable thereafter (the **Tender Offer Settlement Date** ), subject to any amendment or extension of the Expiration Date.

### **Consideration**

Holders of Notes were required to validly tender and not validly withdraw their Notes prior to or at the Early Tender Date to be eligible to receive the Euro Notes Early Consideration or the Dollar Notes Early Consideration (each as defined below), as applicable, which include the Early Tender Payment applicable to the relevant series of Notes.

Holders of Notes validly tendered after the Early Tender Date but at or prior to the Expiration Date and accepted for purchase pursuant to the Tender Offers will receive the Euro Notes Late Consideration or the Dollar Notes Late Consideration (each as defined below), as applicable.

The applicable Euro Notes Early Consideration, Euro Notes Late Consideration, Dollar Notes Early Consideration or Dollar Notes Late Consideration (plus any Accrued Interest, as defined below) will be payable on the Tender Offer Settlement Date.

### *Euro Notes Consideration*

## Edgar Filing: NOKIA CORP - Form 6-K

Nokia will pay for Euro Notes validly tendered prior to the Early Tender Date and accepted by it for purchase pursuant to the Tender Offers an amount in cash in euros (the **Euro Notes Early Consideration** ) to be determined in the manner described in the Offer to Purchase by reference to a fixed purchase yield of -0.10 per cent. (the **Euro Notes Purchase Yield** ).

For information purposes only, assuming the Tender Offer Settlement Date is March 23, 2017, the Euro Notes Early Consideration will be EUR 1,128.37 per EUR 1,000 of Euro Notes accepted and the Euro Notes Late Consideration will be EUR 1,098.37 per EUR 1,000 of Euro Notes accepted. Should the Tender Offer Settlement Date be postponed, the Early Consideration and Late Consideration for the Euro Notes will be recalculated and will be announced, for information purposes only, as provided in the Offer to Purchase.

Holders of Euro Notes subject to the Tender Offers tendering after the Early Tender Date, but at or prior the Expiration Date, will only be eligible to receive an amount equal to the Euro Notes Early Consideration; *minus* an amount in cash equal to the applicable amount listed in the table above under the heading Early Tender Payment .

*Dollar Notes Consideration*

Nokia will pay for Dollar Notes validly tendered prior to the Early Tender Date and accepted by it for purchase pursuant to the Tender Offers, subject to the Maximum Acceptance Amount, an amount in cash in U.S. dollars (the **Dollar Notes Early Consideration**) equal to an amount (rounded to the nearest cent) that would reflect, as of the Tender Offer Settlement Date, a yield to the maturity date of such series of Notes equal to the sum of: (i) the Reference Yield (announced hereby) for such Dollar Notes, plus (ii) the Fixed Spread set forth in the table below.

The **Reference Yield** is the bid-side yield of the Reference U.S. Treasury security set forth in the table below, and has been determined by the USD Dealer Managers (as defined below) in accordance with standard market practice as of 11:00 a.m. (New York time) on the date hereof. The Dollar Notes Early Consideration for each series of Dollar Notes is based on the Reference Yield plus the Fixed Spread as set forth in the table below.

Subject to the Maximum Acceptance Amount, holders of Dollar Notes subject to the Tender Offers tendering after the Early Tender Date, but at or prior to the Expiration Date, will only be eligible to receive an amount equal to the Dollar Notes Early Consideration; *minus* an amount in cash equal to the applicable amount listed in the table above under the heading **Early Tender Payment** for the relevant series of the Dollar Notes (the **Dollar Notes Late Consideration**).

The table set below sets forth the expected Dollar Notes Early Consideration and Dollar Notes Late Consideration assuming the Tender Offer Settlement Date is March 23, 2017:

Description	ISIN/ CUSIP	Principal Amount Outstanding	Fixed Spread	Reference U.S. Treasury Security	Reference Yield	Dollar Notes Early Consideration	Dollar Notes Late Consideration
6.50% Debentures due January 15, 2028	US549463AC10/ 549463AC1	USD 300,000,000	285bps	2.25% U.S. Treasury Security due February 15, 2027	2.569%	USD 1,087.47 per USD 1,000	USD 1,057.47 per USD 1,000
6.45% Debentures due March 15, 2029	US549463AE75/ 549463AE7	USD 1,360,000,000	285bps	2.25% U.S. Treasury Security due February 15, 2027	2.569%	USD 1,089.96 per USD 1,000	USD 1,059.96 per USD 1,000

*Accrued Interest*

For both Euro Notes and Dollar Notes that are validly tendered and accepted for purchase, Nokia will pay, on the Tender Offer Settlement Date, accrued interest from (and including) the immediate preceding interest payment date for such Notes, to (but excluding) the Tender Offer Settlement Date, calculated in accordance with the terms and conditions of the Offer to Purchase (**Accrued Interest**).

**New Financing Conditions and Other Conditions**

Whether Nokia will accept for purchase Notes validly tendered in the Tender Offers is subject to, among other things, Nokia's successful completion (in the sole and absolute determination of Nokia) and settlement of the issue of the New Notes at an amount equal to or exceeding the Maximum Acceptance Amount, as defined below (the **New Financing Condition**). Nokia may waive the New Financing Condition in its sole discretion. The New Notes are expected to settle on or around March 15, 2017. As of the date of this press release, the aggregate principal amount of the New Notes is expected to exceed the Maximum Acceptance Amount.

The Tender Offers are subject to additional conditions, further detailed in the Offer to Purchase.

### **Maximum Acceptance Amount and Pro-ration**

If Nokia decides to accept any Notes for purchase, Nokia proposes to accept for purchase pursuant to the Tender Offers an aggregate principal amount of Notes such that the total amount payable by Nokia for all Notes accepted for purchase pursuant to the Tender Offers (excluding any Accrued Interest) is no greater than the cash amount equal to USD 1.0 billion (such amount, which may be increased or decreased, the **Maximum Acceptance Amount** ). Nokia will determine whether the Maximum Acceptance Amount has been reached from time to time by converting the principal amount of the Euro Notes validly tendered and accepted for purchase into U.S. dollars using an exchange rate of EUR 1.00 to USD 1.0557.

Subject to the terms of the Tender Offers, Nokia will only accept for purchase Notes for an aggregate purchase price (excluding any Accrued Interest) that will not exceed the Maximum Acceptance Amount. Nokia reserves the right, in its sole discretion, to accept Notes for purchase pursuant to the Tender Offers for an aggregate purchase price that is more or less than the Maximum Acceptance Amount or to increase the Maximum Acceptance Amount. Any Notes validly tendered in the Tender Offers will be accepted for purchase by Nokia based on the Maximum Acceptance Amount and the acceptance priority levels noted in the first table above (the **Acceptance Priority Levels** ) and the Dollar Notes may be subject to pro-ration, each as more fully described in the Offer to Purchase.

All Notes validly tendered having a higher Acceptance Priority Level will be accepted before any validly tendered Notes having a lower Acceptance Priority Level. **Because the Maximum Acceptance Amount is expected to exceed the aggregate principal amount of Euro Notes outstanding, and the Euro Notes are the only Notes at the highest Acceptance Priority Level, all Euro Notes validly tendered and accepted prior to the Expiration Date are expected to be accepted in full (subject to the conditions described in the Offer to Purchase).** Each series of the Dollar Notes has the same priority level and, if pro-rated, will be pro-rated equally.

Each Dollar Note that is pro-rated will be rounded down, and Nokia will only accept tenders subject to pro-ration if pro-ration does not result in the relevant holder of Dollar Notes transferring Dollar Notes to Nokia in an aggregate principal amount of less than USD 1,000.

Nokia may, subject to applicable law, at its option and sole discretion, extend, re-open or amend the Tender Offers in any respect or terminate the Tender Offers as described in the Offer to Purchase. Subject to applicable law, the Tender Offer for each series of Notes is being made independently of the other Tender Offers, and Nokia reserves the right to terminate, withdraw, amend or extend the Tender Offers for each series of Notes without also terminating, withdrawing, amending or extending the other Tender Offers.
